A Congressional Representative of Evil

IN MEDIAS RES!

There are Congresspersons in Washington, D. C. who possess questionable character traits concerning their patriotism regarding American history, traditions, and culture. A United States Congress Representative of evil is Rashida Tlaib (1976-20XX), the newly-elected DemocRAT Representative in the United States Congress from the 13th District in Detroit, Michigan. Rashida Tlaib does not deserve to be addressed according to her political position because Rashida Tlaib is not honorable or highly esteemed. In referring to President Donald J. Trump, Rashida Tlaib says, "... *we're gonna go in there and we're gonna impeach the mother****er*."¹ Rashida Tlaib and her like, such as like Linda Sarsour (1980-20XX) who claims that Muhammad was a human

rights activist,² are an insult to any cultivated person. Indeed, Rashida Tlaib and those who voted Rashida Tlaib into government office are the vilification of American history, heritage, and cultural identity. These dumbed-downers have committed a political *faux pas* in electing Rashida Tlaib, a believer in the evil-Muhammad-person-cult called Islam.

It is interesting to note that the name *Rashida* in Arabic means *rightly guided, wise, knows her own way, mature, of true faith*.³ *Tlaib*, a possible variation of the name *Talib*, could mean *seeker of knowledge*, or *student* in Arabic.⁴ As such, the name could not be farther from the truth when applied to Rashida Tlaib.

On January 3, 2019, Rashida Tlaib officially took her position by swearing her oath of office on the Koran. This is *haram* (tabu) in Islam. However, if Muslims have no knowledge of this accepted viewpoint,⁵ then the oath on the Koran can be valid, but the Koran should be wrapped in a black cloth which must not be removed because it is forbidden for infidels to see the Koran.⁶ As an aside, a Muslim cannot take an oath of office on the copy of Thomas Jefferson's Koran because he was an infidel and made the Koran impure by touching it. This means that an infidel touching the Koran causes an impure book to become impure!⁷ It should also be clear that there are imams who think their Allah-given knowledge is a gift to the world and they would readily issue a statement saying that swearing an oath of office on the Koran is not *haram* because the procedure advances the goals of Islam in the eyes of the infidels who deserve to be deceived.

Rashida Tlaib is of the opinion that "(It) (taking the oath of office on the Koran) (is) important to me because a lot of Americans have this kind of feeling that Islam is somehow foreign to American history, ... Muslims were there at the beginning. ... Some of our founding fathers knew more about Islam than some members of Congress now."⁸

⁸ Quoted at <https://eu.freep.com/story/news/local/michigan/2018/12/19/rashida-tlaib-koran-muslim-congresswoman/2338912002>.

Yes, the Founding Fathers and the American Presidents quoted below knew the evils of Koranic Islam! Rashida Tlaib and Islam are a profanation to freedom lovers everywhere, particularly American patriots.

By taking her oath of office on the Koran, Rashida Tlaib broke a prime behavioral rule of Islam. Furthermore, Rashida Tlaib swearing her oath of office on the Koran means that she supports

SELECTED HISTORICAL QUOTATIONS DESCRIBING ISLAM

The following selected quotations from historical personalities are proof that the Koran is the most evil and destructive book ever written.

1. "... you summon us Persians to your god whom you call Allah-u-Akbar; and because of your barbarity and ignorance, without knowing who we are and Whom we worship, you demand that we seek out your god and become worshippers of Allah-u-Akbar.

How strange that you occupy the seat of the Arab Caliph but are as ignorant as any desert roaming Arab! You admonish me to become monotheistic in faith. Ignorant man (Mardak), for thousands of years we Persians have, in this land of culture and art, been monotheistic and five times a day have we offered prayers to God's Throne of Oneness. While we laid the foundations of philanthropy and righteousness and kindness in this world and held high the ensign of Good Thoughts, Good Words, and Good Deeds, you and your ancestors were desert wanderers who ate snakes and lizards and buried your innocent daughters alive.²³

You Arabs who have no regard for God's creatures, who mercilessly put people to the sword, who mistreat your women, who attack caravans and are highway robbers, who commit murder, who kidnap women and spouses; how dare you presume to teach us, who are above these evils, to worship God?

You tell me to cease the worship of fire and to worship God instead! To us Persians the light of Fire is reminiscent of the Light of God. The radiance and the sun-like warmth of fire exuberates our hearts, and the pleasant warmth of it brings our hearts and spirits closer together, that we may be philanthropic, kind and considerate, that gentleness and forgiveness may become our way of life, and that thereby the Light of God may keep shining in our hearts.

Our God is the Great Ahura Mazda (Lord of Wisdom).²⁴ Strange is this that you too have now decided to give God a name, and you call God by the name of Allah-u-Akbar.

²³ It was an old Arab tradition to kill daughters. Arabs preferred male children over female children.

²⁴ https://en.wikipedia.org/wiki/Ahura_Mazda.

But we are nothing like you. We, in the name of Ahura Mazda, practice compassion and love and goodness and righteousness and forgiveness, and care for the dispossessed and the unfortunate; But you, in the name of your Allah-u-Akbar commit murder, create misery and subject others to suffering! Tell me truly who is to blame for your misdeeds? Your god who orders genocide, plunder, and destruction, or you who do these things in Gods name? Or both?

You, who have spent all your days in brutality and barbarity, have now come out of your desolate deserts resolved to teach, by the blade and by conquest, the worship of God to a people who have for thousands of years been civilized and have relied on culture and knowledge and art as mighty edifices.

What have you, in the name of your Allah-u-Akbar, taught these armies of Islam besides destruction and pillage and murder that you now presume to summon others to your god?

Today, my people's fortunes have changed. Their armies, who were subjects of Ahura Mazda, have now been defeated by the Arab armies of Allah-u-Akbar. And they are being forced, at the point of the sword, to convert to the god by the name of Allah-u-Akbar. And are forced to offer God prayers five times a day but now in Arabic; since apparently your Allah-u-Akbar only understands Arabic.

I advise you to return to your lizard infested deserts. Do not let loose upon our cities your cruel, barbarous Arabs who are like rabid animals. Refrain from the murder of my people. Refrain from pillaging my people. Refrain from kidnapping our daughters in the name of your Allah-u-Akbar. Refrain from these crimes and evils.

We Persians are a forgiving people, a kind and well-meaning people. Wherever we go, we sow the seeds of goodness, amity, and righteousness. And this is why we have the capacity to overlook the crimes and the misdeeds of your Arabs.

Stay in your desert with your Allah-u-Akbar, and do not approach our cities; for horrid is your belief and brutish is your conduct."

King Yazdgird III of Persia (624-651, King from 632), in a letter to the barbarian Caliph Omar ibn Al-Khattab (584-644, Caliph from 634) at <http://www.persepolis.nu/timeline-letters.htm>;

2. "You call 'the Way of God' [i.e., the Koranic *sabīl Allāh*, or most appositely the doctrine of jihad war, *jihad fi sabīl Allāh*, to submit non-Muslims to Islam, and the Sharia] these devastating raids which bring death and captivity to all peoples.²⁵ Behold your religion and its recompense. Behold your glory, ye who pretend to lead an angelic life. As for us, instructed in and convinced of the marvelous mystery of our redemption, we hope, after our resurrection, to enjoy the celestial kingdom, so we are submissive to the doctrines of the Gospel, and wait humbly for a happiness such that 'eyes have never seen it, nor ears ever heard it, but which God has prepared for those who love Him' (I Cor. II, 9). We do not hope to find their springs of wine, honey, or milk. We do not expect to enjoy there commerce with women who remain virgin forever and to have children by them, for we put no faith in such silly tales engendered by extreme ignorance and by paganism. Far from us be such

²⁵ The religious war called *Jihad*, conquest in the name of Allah, was first undertaken in Europe by the Islamic fundamentalists from North Africa when they invaded and occupied Spain in the eighth and ninth centuries.

dreams, such fables... . For you, who are given up to carnal vices, and who have never been known to limit the same, you who prefer your pleasures to any good, it is precisely for that reason that you consider the celestial realm of no account if it is not peopled with women." 3. "It (Islam) is certainly one of the most convincing proofs that Mohammedism [sic: Mohammedanism] was no other than human invention, that it owed its progress and establishment almost entirely to the sword."

George Sale (1697-1736), in his introduction to the translation of *The Koran* into English in 1734.

<http://www.gutenberg.org/cache/epub/7440/pg7440.html>

A publication of this translation was owned by Thomas Jefferson who purchased a copy because he wanted to learn about the person-cult called Islam. Thus, Thomas Jefferson was aware of the evil destructiveness of Islam.

4. The Founding Father Benjamin Franklin never argued that Muslims should be able to preach Islam in the United States of America. Franklin definitely read the Koran and knew its contents, as well as what some historical Muslims had said. For example, in a letter to *The Federal Gazette*, March 23, 1790, Benjamin Franklin, in a satire, used a statement given by fictive Sidi Mehemet Ibrahim, a member of the Divan of Algiers, in 1687, to show the evilness contained in Islam and the Koran. It deserves to be quoted in its entirety because Islamic sites take the following quotation out of context:

"Nor can the Plundering of Infidels be in that sacred Book [The Koran] forbidden, since it is well known from it, that God has given the World and all that it contains, to his faithful Mussulmen, who are to enjoy it of Right as fast as they conquer it." (Islamic Internet sites claim that this section is Benjamin Franklin's opinion.)

In Franklin's satire the religious sect called *Erika*, or Purists, prayed for the abolition of piracy and slavery as being unjust and wanted Algiers to stop the practice. Here is the fictitious statement by the fictive Sidi Mehemet Ibrahim:

"*Allah Bismillah, &c. God is great, and Mahomet is his Prophet.*"

"Have these Erika considered the consequences of granting their petition? If we cease our cruises against the Christians, how shall we be furnished with the commodities their countries produce, and which are so necessary for us? If we forbear

to make slaves of their people, who, in this hot climate, are to cultivate our lands? Who are to perform the common labors of our city, and in our families? Must we not then be our own slaves? And is there not more compassion and more favor due to us as Mussulmen than to these Christian dogs? We have now above fifty thousand slaves in and near Algiers. This number, if not kept up by fresh supplies, will soon diminish, and be gradually annihilated. If we, then, cease taking and plundering the infidel ships, making slaves of the seamen and passengers, our lands will become of no value for want of cultivation; the rents of houses in the city will sink one-half; and the revenue of government, arising from its share of prizes, be totally destroyed. And for what? To gratify the whims of a whimsical sect, who would have us not only forbear making more slaves, but even manumit those we have.

But who is to indemnify their masters for the loss? Will the State do it? Is our treasury sufficient? Will the Erika do it? Can they do it? Or would they, to do what they think justice to the slaves, do a greater injustice to the owners? And, if we set our slaves free, what is to be done with them? Few of them will return to their countries; they know too well the greater hardships they must there be subject to; they will not embrace our holy religion; they will not adopt our manners; our people will not pollute themselves by intermarrying with them. Must we maintain them as beggars in our streets, or suffer our properties to be the prey of their pillage? For men accustomed to slavery will not work for a livelihood when not compelled. And what is there so pitiable in their present condition? Were they not slaves in their own countries?

Are not Spain, Portugal, France, and the Italian States, governed by despots, who hold all their subjects in slavery, without exception? Even England treats its sailors as slaves: for they are, whenever the government pleases, seized, and confined in ships of war; condemned not only to work, but to fight, for small wages, or a mere subsistence, not better than our slaves are allowed by us. Is their condition, then, made worse by their falling into our hands? No: they have only exchanged one slavery for another, and I may say, a better; for here they are brought into a land where the sun of Islam gives forth its light, and shines in full splendor; and they have an opportunity of making themselves acquainted with the true doctrine, and thereby saving their immortal souls. Those who remain at home have not that happiness. Sending the slaves home, then, would be sending them out of light into darkness.

I repeat the question, What is to be done with them? I have heard it suggested that they may be planted in the wilderness, where there is plenty of land for them to subsist on, and where they may flourish as a free State; but they are, I doubt, too little disposed to labor without compulsion, as well as too ignorant to establish a good government, and the wild Arabs would soon molest and destroy or again enslave them. While serving us, we take care to provide them with everything, and they are treated with humanity. The laborers in their own country are, as I am well informed, worse fed, lodged, and clothed.

The condition of most of them is, therefore, already mended, and requires no further improvement. Here their lives are in safety. They are not liable to be impressed for soldiers, and forced to cut one another's Christian throats, as in the wars of their own countries. If some of the religious mad bigots, who now tease us with their silly

petitions, have, in a fit of blind zeal, freed their slaves, it was not generosity, it was not humanity, that moved them to the action: it was from the conscious burden of a load of sins, and a hope, from the supposed merits of so good a work, to be excused from damnation.

How grossly are they mistaken to suppose slavery to be disallowed by the Alcoran! Are not the two precepts, to quote no more, '*Masters, treat your slaves with kindness; slaves, serve your masters with cheerfulness and fidelity*,' clear proofs to the contrary? Nor can the plundering of Infidels be in that sacred book forbidden, since it is well known from it that God has given the world, and all that it contains, to his faithful Mussulmen, who are to enjoy it off right as fast as they conquer it. Let us, then, hear no more of this detestable proposition,--the manumission of Christian slaves; the adoption of which would, by depreciating our lands and houses, and thereby depriving so many good citizens of their properties, create universal discontent, and provoke insurrections, to the endangering of government, and producing general confusion. I have, therefore, no doubt but this wise council will prefer the comfort and happiness of a whole nation of true believers to the whim of a few Erika, and dismiss their petition."

The Divan came to the following conclusion: "The doctrine that plundering and enslaving Christians is unjust, is, at best, *problematical*; but that it is the interest of this State to continue the practice, is clear; therefore let the petition be rejected."

Benjamin Franklin notes: "And it was rejected accordingly."

Benjamin Franklin knew the contents of the Koran and the pronouncements of Mohammed. He knew that Muslims plundered according to the dictates of Mohammed and the Koran. Benjamin Franklin knew that the Judeo-Christian God would never stoop to such non-human niveau. He knew that Islam was evil, exceedingly more evil than the English monarchy under King George III of England. (1738-1820, King from 1760).

Benjamin Franklin (1706-1790)

5. "Ever since the religion of Islam appeared in the world, the espousers of it...have been as wolves and tigers to all other nations, rending and tearing all that fell into their merciless paws, and grinding them with their iron teeth; that numberless cities are raised from the foundation, and only their name remaining; that many countries, which were once as the garden of God, are now a desolate wilderness; and that so many once numerous and powerful nations are vanished from the earth! Such was, and is *at this day*, the rage, the fury, the revenge, of these destroyers of human kind."

John Wesley (1703-1791) Methodist leader
The Doctrine of Original Sin, Works (1841), ix, 205

6. "In the seventh century of the Christian era, a wandering Arab of the lineage of Hagar, the Egyptian, [*Editor's Note: Mohammed*] combining the powers of transcendent genius, with the preternatural energy of a fanatic, and the fraudulent spirit of an impostor, proclaimed himself as a messenger from Heaven, and spread desolation and delusion over an extensive portion of the earth. Adopting from the sublime conception of the Mosaic law, the doctrine of one omnipotent God; he connected indissolubly with it, the audacious falsehood, that he was himself his prophet and apostle. Adopting from the new Revelation of Jesus, the faith and hope of immortal life, and of future retribution, he humbled it to the dust, by adapting all the rewards and sanctions of his religion to the gratification of the sexual passion.

He poisoned the sources of human felicity at the fountain, by degrading the condition of the female sex, and the allowance of polygamy; and he declared undistinguishing and exterminating war, as a part of his religion, against all the rest of mankind. THE ESSENCE OF HIS DOCTRINE WAS VIOLENCE AND LUST: TO EXALT THE BRUTAL OVER THE SPIRITUAL PART OF HUMAN NATURE (Capitals are in original).

Between these two religions, thus contrasted in their characters, a war of twelve hundred years has already raged. That war is yet flagrant; nor can it cease but by the extinction of that imposture, which has been permitted by Providence to prolong the degeneracy of man. While the merciless and dissolute dogmas of the false prophet shall furnish motives to human action, there can never be peace upon earth, and good will towards men. The hand of Ishmael will be against every man, and every man's hand against him. It is, indeed, amongst the mysterious dealings of God, that this delusion should have been suffered for so many ages, and during so many generations of human kind, to prevail over the doctrines of the meek and peaceful and benevolent Jesus

The precept of the Koran is a perpetual war against all who deny that Mahomet is the prophet of God. The vanquished may purchase their lives, by the payment of tribute; the victorious may be appeased by a false and delusive promise of peace; and the faithful follower of the prophet may submit to the imperious necessities of defeat: but the command to propagate the Muslim creed by the sword is always obligatory, when it can be made effective. The commands of the prophet may be performed alike, by fraud, or by force."

8. "Christianity was saved in Europe solely because the peoples of Europe *fought*. If the peoples of Europe in the seventh and eighth centuries, and on up to, and including, the seventeenth century, had not possessed a military equality with, and gradually a growing superiority over, the Mohammedans who invaded Europe, Europe would at this moment be Mohammedan, and the Christian religion would be exterminated.

Wherever the Mohammedans have had complete sway, wherever the Christians have been unable to resist them by the sword, Christianity has ultimately disappeared. From the hammer of Charles Martel, to the sword of Sobieski, Christianity owed its safety in Europe to the fact that it was able to show that it could, and would, fight as well as the Mohammedan aggressor.

The civilization of Europe, America, and Australia, exists today at all, only because of the victories of civilized man over the enemies of civilization – because of victories through the centuries from Charles Martel [Battle of Tours 732 AD], in the eighth century, and those of John Sobieski [Battle of Vienna 1683], in the seventeenth century. ... There are such "social values" today in Europe, America and Australia only because during those thousand years, the Christians of Europe possessed the warlike power to do what the Christians of Asia and Africa had failed to do – that is, to beat back the Moslem [sic] invader."

9. "Mohammedism was a perversion of Christian doctrine He eliminated the Trinity He was content to accept all that appealed to him ... and to reject all that seemed to him too complicated He was born a pagan, living among pagans, and never baptized. He adopted Christian doctrines ... and dropped those that did not suit him **The success of Mohammedanism** ... was an extreme simplicity which pleased **the unintelligent masses**"

"... **Will not perhaps the temporal power of Islam return** and with it **the menace of an armed Mohammedan world** which will shake off the domination of Europeans – still nominally Christian – and reappear again as **the prime enemy of our civilization?** The future always comes as a surprise, but political wisdom consists in attempting at least some partial judgment of what that surprise may be. And for my part, I cannot but believe that a main unexpected thing of **the future is the return of Islam** In view of this, anyone with a knowledge of history is bound to ask himself whether we shall not see **in the future a revival of Mohammedan political power, and the renewal of the old pressure of Islam upon Christendom**; yet over and over again they have suddenly united under a leader and accomplished the greatest things" "... Now it is probable enough that on these lines – unity under a leader – **the return of Islam may arrive.**

There is no leader as yet, but enthusiasm might bring one, and there are signs enough in the political heavens today of what we may have to expect from the revolt of Islam at some future date perhaps not far distant." (Emphasis is in the original.)

10. "How dreadful are the curses which Mohammedanism lays on its votaries! Besides the fanatical frenzy, which is as dangerous in a man as hydrophobia in a dog, there is this fearful fatalistic apathy. The effects are apparent in many countries. Improvident habits, slovenly systems of agriculture, sluggish methods of commerce, and insecurity of property exist wherever the followers of the Prophet rule or live.

A degraded sensualism deprives this life of its grace and refinement; the next of its dignity and sanctity. The fact that in Mohammedan law every woman must belong to some man as his absolute property, either as a child, a wife, or a concubine, must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men.

Individual Moslems may show splendid qualities, but the influence of the religion paralyzes the social development of those who follow it.

No stronger retrograde force exists in the world. Far from being moribund, Mohammedanism is a militant and proselytizing faith. It has already spread throughout Central Africa, raising fearless warriors at every step; and were it not that Christianity is sheltered in the strong arms of science, the science against which it had vainly struggled, the civilization of modern Europe might fall, as fell the civilization of ancient Rome."

Sir Winston Spencer Churchill (1874-1965), Prime Minister of Great Britain (1940-1945; 1951-1955), *The River War*, Vol. II, Longmans, Green & Co., London: 1899, pages 248-50.

11. "Today [1950], the hatred of the Moslem countries against the West is becoming hatred against Christianity itself. Although the statesmen have not yet taken it into account, there is still grave danger that the temporal power of Islam may return and, with it, the menace that it may shake off a West which has ceased to be Christian, and affirm itself as *a great anti-Christian world power*."

12. "... I read the edition by Professor Theodore Khoury (Münster) of part of the dialogue carried on – perhaps in 1391 in the winter barracks near Ankara – by the erudite Byzantine emperor Manuel II Palaeologus and an educated Persian on the subject of Christianity and Islam, and the truth of both. It was presumably the emperor

himself who set down this dialogue, during the Siege of Constantinople between 1394 and 1402; and this would explain why his arguments are given in greater detail than those of his Persian interlocutor. The dialogue ranges widely over the structures of faith contained in the Bible and in the Qur'an, and deals especially with the image of God and of man, while necessarily returning repeatedly to the relationship between — as they were called — three "Laws" or "rules of life": the Old Testament, the New Testament and the Qur'an. It is not my intention to discuss this question in the present lecture; here I would like to discuss only one point — itself rather marginal to the dialogue as a whole — which, in the context of the issue of "faith and reason", I found interesting and which can serve as the starting-point for my reflections on this issue.

In the seventh conversation edited by Professor Khoury, the emperor touches on the theme of the holy war. The emperor must have known that Sura 2:256 reads: 'There is no compulsion in religion'. According to the experts, this is one of the Suras of the early period, when Mohammed was still powerless and under threat. But naturally, the emperor also knew the instructions, developed later and recorded in the Qur'an, concerning holy war. Without descending to details, such as the difference in treatment accorded to those who have the 'Book' and the 'infidels', he addresses his interlocutor with a startling brusqueness, a brusqueness that we find unacceptable, on the central question about the relationship between religion and violence in general, saying: *'Show me just what Mohammed brought that was new, and there you will find things only evil and inhuman, such as his command to spread by the sword the faith he preached'*. The emperor, after having expressed himself so forcefully, goes on to explain in detail the reasons why spreading the faith through violence is something unreasonable. Violence is incompatible with the nature of God and the nature of the soul. 'God', he says, 'is not pleased by blood – and not acting reasonably is contrary to God's nature. Faith is born of the soul, not the body. Whoever would lead someone to faith needs the ability to speak well and to reason properly, without violence and threats... . To convince a reasonable soul, one does not need a strong arm, or weapons of any kind, or any other means of threatening a person with death... ."

The decisive statement in this argument against violent conversion is this: not to act in accordance with reason is contrary to God's nature. The editor, Theodore Khoury, observes: 'For the emperor, as a Byzantine shaped by Greek philosophy, this statement is self-evident. But for Muslim teaching, God is absolutely transcendent. His will is not bound up with any of our categories, even that of rationality.' Here Khoury quotes a work of the noted French Islamist R. Almadéz, who points out that Ibn Hazn went so far as to state that God is not bound even by his own word, and that nothing would oblige him to reveal the truth to us. Were it God's will, we would even have to practice idolatry."

A section of the Indian intelligentsia is still trying to erase from the Hindus' memory the history of their persecution by the swordsmen of Islam. The number of victims of this persecution surpasses that of the Nazi crimes. The Islamic campaign to wipe out Paganism could not be equally thorough, but it has continued for centuries without any moral doubts arising in the minds of the persecutors and their chroniclers. The Islamic reports on the massacres of Hindus, destruction of Hindu temples, the abduction of Hindu women and forced conversions, invariably express great glee and pride. They leave no doubt that the destruction of Paganism by every means, was considered the God (Allah)-ordained duty of the Moslem community.” ... “Indian negationists eulogize Islamic rule and deny its millionfold murders and the catastrophe it wrought in Indian cultural, political and religious life.”

Rashida Tlaib and followers, store in your Islam-oriented brains what the first translator of the Koran into English, George Sale, deduced and wrote in his introduction to the translation of *The Koran* into English in 1734. It deserves to be repeated.

D'accord!

EVILNESS AND ISLAM

The present author does not think that there is a radical and a non-radical Islam. Islam is Evil! Evil Islam is Evil Islam! It was conceived as being anti-human, was evil, is evil and will always be evil until it is exterminated! Muslims will quote weak Suras (verses) and refer to weak traditions in Islam to placate those who have read neither the Koran nor the Hadith, the recorded traditions of Muhammad. In Islam, the duty of religious war extends to all time until the world becomes Islamic. This process and other propaganda methods will be used. Muslims learn to conform to the doctrine of Islam and the teachings of Muhammad from the day they are born. They do not question it. They always refer to it as their tradition.

²⁶ <http://www.gutenberg.org/cache/epub/7440/pg7440.html>, *The Koran (Al-Qur'an)* by George Sale.

This author has read books that portray Islam as very positive and thinks that such opinions come from writers who are positive about Islam because they do not know what the Koran really says. I do not believe that the majority of Muslims have ever read the Koran, to mean nothing of whether or not kafirs have read the evil book. They read positive opinions about it. If they read the Koran, they cannot be positive about Islam. Islam is the fighting, vile creed of the Muhammad-person cult.

Sunni believers in Islam, who revere and follow the behavior of Muhammad, view Sufi believers in Islam as heretics. Sunnis, mystical believers in values, ritual practices, doctrines, and institutions officially believe in the jihad of the sword, not in any other jihad. The Sufis provided the Islamic militias in Spanish Andalusia. The jihad Chechens are Naqshbandi Sufis. Sufism developed out of Islam but presents only inferred spiritual teachings as Idries Shah²⁷ conceives them. The teachings of Muhammad are not spiritual. They are the result of epileptic fits, staged fits, hate, megalomania, phobias, and a demented mind!²⁸ Sufism was responsible for the extinction of Hindus and Hinduism in Kashmir. Sufis deleted the non-believing Hindus from history beginning in the 13th century.

In The First Epistle of Paul The Apostle To Timothy (1 Timothy 4:1,2 [New International Version (NIV)]), we read:

“¹The Spirit clearly says that in later times some will abandon the faith and follow deceiving spirits and things taught by demons.
²Such teachings come through hypocritical liars, whose consciences have been seared as with a hot iron.”

This is a description of Muhammad and his sort, who claimed that he communicated with a demon disguised as Gabriel since the Muslim Gabriel in the Koran teaches the doctrine of demons. In fact, Muhammad once said that the angel Gabriel was one of the major enemies of the Jews.²⁹ The offshoots of Islam like Salafism, Sufism, the Muslim Brotherhood, and the Muslim Sisterhood will present only positive information about Islam. However, all of these movements originate in Islam, which is pure evil!

A significant position that has never made sense to me is that Muslims claim that only Islam is the true religion. No religion has a monopoly on God, and if there is one religion that should have a monopoly on God, it is Judaism.

²⁷ Idries Shah (1924–1996), was an author and teacher in the Sufi tradition.

EUPHEMISMS REFERRING TO ISLAM³⁰

The number of aggressive invasions and exterminations of cultures by Muslims is appalling. This uninterrupted Islamic aggression against non-Islamic cultures has primarily remained *hidden* because the Muslims responsible are often referred to by non-Islamic sounding euphemisms. For example, the wars against the *Barbary Pirates* (Islam, Muslims) (1801-1803; 1815-1816)³¹ that the United States of America won, is the first official (military) connection of Islam to America.

The nomenclature *Turk* and variations thereof are euphemisms for Muslims who killed 1.5 million Armenians in 1915.³² The terminology *Ottoman* often replaces *Turkish* as in *Turning the Ottoman Tide – John III Sobieski at Vienna 1683*, or “The killing of the martyrs by Ottoman troops, who launched a weeks-long siege of Otranto, a small port town at the most eastern tip of southern Italy, took place in 1480”³³ Historically, there is the *Turkish/Ottoman* slaughter of at least 5,000 persons of the 7,000 inhabitants of Batak, Bulgaria in 1876.³⁴ *Saracen* is another favorite euphemism. Italian forces defeated the Saracen (Muslim) pirates at the Battle of Ostia in 849.³⁵ Three years before, in 846, the Saracens sacked Rome and the churches of St. Peter and St. Paul.³⁶

Charles Martel (688/691-741) and his Frankish (French) army defeated the *Moors*, another euphemism for Muslims, at the Battle of Tours and Poitiers in October 732 after the Moors began to invade Gaul (France) in 720. With this victory over the Umayyad Muslims, Charles Martel stopped Islam from gaining a foothold in France.

We must not forget Tamerlane (1336-1405) who at “Baghdad had 90,000 of the inhabitants beheaded so that he could build towers with their skulls. At Sivas in Turkey, where he promised no bloodshed in return for surrender, he had 3,000 prisoners buried alive and pointed out that he had kept to the letter of

his oath. His atrocities were intended to strike terror into the hearts of opponents, and cities which surrendered promptly were sometimes spared a sack. He was a Muslim, and he justified his campaigns against Christians and Hindus as spreading the true faith.”³⁷

Another euphemism that blurs the role of the Muslims is *Arabian slave trade* that caused North Africa to rot for centuries. “Some historians estimate that between A.D. 650 and 1900, 10 to 20 million people were enslaved by Arab (Muslim) slave traders. Others believe over 20 million enslaved Africans alone had been delivered through the trans-Sahara route alone to the Islamic world.”³⁸ Moreover, “How many know that perhaps 1.5 million Europeans and Americans were enslaved in Islamic North Africa between 1530 and 1780?”³⁹ Add to these examples of slavery the European and Slavic slaves captured and sold by *Turks* and *Saracen pirates*.

Of exceptional importance are the *Muslim culture enrichers* in their centuries-long genocide of the Hindus. “Over 400 million Hindus got slaughtered during (the) Muslim invasion and occupation of India. Survivors got enslaved and castrated. India’s population is said to have been around 600 million at the time of (the) Muslim invasion. By the mid-1500s the Hindu population was 200 million.”⁴⁰ “The Muslim conquests, down to the 16th century, were for the Hindus a pure struggle of life and death. Entire cities were burnt down and the populations massacred, with hundreds of thousands killed in every campaign, and similar numbers deported as slaves. Every new foreigner made (often literally) his hills of Hindus skulls. Thus, the conquest of Afghanistan in the year 1000 was followed by the annihilation of the Hindu population; the region is still called the Hindu Kush, i.e., Hindu slaughter.”⁴¹ The latest Muslim slaughter of Hindus was at Mumbai, India in 2011.

Peaceful and tolerant Islam, another euphemism, eradicated the Nestorian Christian Empire that once extended from the Mediterranean Sea to China. Kurds and Armenians were Nestorian Christians.⁴²

The *Muslim missionaries* (What a euphemism!) conducting the ongoing Muslim murder of Indonesian Buddhists and Christians prove the method used by Muslims to extinguish non-Muslim cultures and traditions. A similar example of a Muslim missionary war of destruction is evidenced by the Muslim rebels in the Republic of the Philippines.

Often-used euphemisms for Muslims are *bomber*, *gunman*, *jihadist*, and *terrorist*. Regardless of which term is used, they all rape, murder, torture, and maim because that is what Muhammad and Allah command them to do. They all emulate Muhammad, the AntiChrist, and owe their allegiance to Allah, the AntiGod.

The idiotic, lamestream media often claim that such *bomber*, *gunman*, *jihadist*, and *terrorist* is a lone wolf who has nothing to do with peaceful and tolerant Islam. The contents in the above listing of links at the beginning of this essay proves that the common denominator in Islam is: killing people.

Do not be convinced that Muslim *bombers*, *gunmen*, *jihadists*, and *terrorists* are lone wolves. They always have contact with some home base. The lamestream media wants us to think that they are lone wolves because this will make them appear less harmful and unorganized. The approach also places Islam in a better and more positive light, which is the epitomé of willful deception.

The reality is that Muhammad and his *bomber-gunman-jihadist-terrorist* followers are bloodthirsty monsters who have as their goal the killing of Jews and kafirs, because a deranged epileptic once said that it is Allah's will and that by killing Jews and kafirs the *bomber-gunman-jihadist-terrorist* follower will get an immediate free pass and entrance into Jannah (paradise) once the *bomber-gunman-jihadist-terrorist* follower dies. "hile undertaking their terrorist activity "... they are to kill or be killed, with Allah's promise that those who die will immediately go to paradise."⁴³

DĀR AL-HARB⁴⁴

“Islam is a vast killing machine”!⁴⁵ The Islamic philosophy behind killing Jews, Christians, Hindus, Buddhists, kafirs, and all non-Muslims lies in the concept of Dār al-Harb.⁴⁶

“According to Professor Gamal M. Badr, Adjunct Professor of Islamic law at New York University, in his article titled A Survey of Islamic International Law,⁴⁷ during the Islamic age of expansion jurists elaborated the theory that the rest of the world outside the domain of Islam was collectively *dār al-Harb*, and the normal relationship between it and the Muslim state was considered to be war. Any truces could not exceed a duration of ten years (a precedent set during Muhammad's lifetime).⁴⁸

During the age of expansion, the rationale for waging war against non-Muslims centered around the legal thought that it was justified by the mere fact of their disbelief.⁴⁹ After over a century of expansion, Muslim leaders came to the realization that carrying Islam to the four corners of the world was unattainable.⁵⁰ What was once *dār al-Islam* vs. *dār al-Harb* became *dār al-Islam*, *dār al-sulh* ("territory of peace"), and *dār al-Harb*. The territories of peace were states that did not recognize Islamic rule over them but were not hostile towards Muslim countries and made friendly treaties with them.⁵¹

⁴⁴ The information is collated from https://wikiislam.net/wiki/Dar_al-Harb. The syntax has been corrected. The Dār/dār spellings have been kept in the original form.

⁴⁶ <https://civilusdefendus.wordpress.com/2013/04/03/4-stages-of-islamic-conquest-plus-video/>. The four stages to go from Dār al-Harb (the house of war) to Dār al-Islam (the house of freedom) are:

1. Infiltration: Muslims begin moving to non-Muslim countries in increasing numbers and the beginning of cultural conflicts are visible, though often subtle.
2. Consolidation of power: Muslim immigrants and host country converts continue demands for accommodation in employment, education, social services, financing and courts.
3. Open war to gain control over the civilization and culture of a country: Open violence to impose Sharia law and associated cultural restrictions; rejection of host government, subjugation of other religions and customs.
4. The establishment of the totalitarian Islamic theocracy: Islam becomes the only religious-political-judicial-cultural ideology.

The academic Tariq Ramadan who considers himself to be a prominent Muslim reformer of Islam says that (t)he doctrinal position of the *Salafi* literalist and their groups in the West, which are in constant communication with scholars based primarily in Saudi Arabia, Jordan, Egypt, or Syria (mostly through former students of their respective educational institutions), refuses any kind of involvement in a space that is considered non-Islamic. The concepts of *dār al-kufr* and *dār al-Harb* are still operational and continue to explain the relationship of the *Salafis* with the social environment, which is characterized primarily by isolation and by a literally applied religious practice protected from Western cultural influences.⁵²

[*Political literalist* Salafism] is trenchant, politicized, radical, and opposed to any idea of involvement or collaboration with Western societies, which is seen as akin to open treason. The Hizb al-Tahrir and Al-Muhajirun movements are the best known in Europe, and they call for *jihād* and opposition to the West (always considered as *dār al-Harb*, the realm of war) by all means.⁵³

Salafists seek to reform Islam by specifically emulating the first generation of Muslims since, according to these Salafists, later generations of Muslims have been corrupted by several centuries of religious practices and Western influences introduced by errant Muslims. Salafists reject any behavior that was not explicitly supported or enjoined by the Prophet Mohammed. In almost every Sunni Muslim country, the Salafists have spawned radical fundamentalist-Islamic political movements, the goal of which is to compel the state to apply the Sharia. Many Salafists believe that the strict application of the Sharia is necessary to ensure that Muslims walk the true path of the Prophet. These radical fundamentalist-Islamic groups see the world divided (into) two spheres; that is, Dār-al-Islam (House of Islam or Islamic Zone), where peace reigns (Sallam), and the Dār-al-Harb (House of War or War Zone), which prevents a true Islamic state. The latter is viewed by these radical fundamentalist-Islamic groups to include all "infidel" areas that must ultimately be conquered. Global jihad is the constant effort to achieve this goal. The global jihad against Dār-al-Harb is not exclusively directed towards the outside world, but also against perceived internal threats, such as any non-Muslim presence in Dār-al-Islam.⁵⁴

However, Tariq Ramadan argues that the concept of *dār al-Harb* is not found in the Qur'an or Sunnah, but rather it was the *ulama*, the religious teachers of Islam, who began to classify and define the various areas in and around the places which they lived.⁵⁵ He asserts that it was a human attempt, at a moment in history, to describe the world and to provide the Muslim community with a geopolitical scheme that seemed appropriate to the reality of the time.⁵⁶ He explains that some *ulama* use the Shafii concept of *dār al-ahd* ("abode of treaty") or *dār al-amn* ("abode of safety") when discussing the situation of Muslims in the West.⁵⁷

Several popular Islamic websites continue to use the term *dār al-Harb*. <https://islamqa.info/en> defines it as "every place in which the rule of kufr prevails" and explains that it is obligatory for Muslims to migrate from the *dār al-Harb* to Muslim lands (also known as a *Hijrah*) if they are unable to practice their religion openly.⁵⁸ According to Sheikh 'Atiyyah Saqr, a former head of Al-Azhar Fatwa Committee, in a fatwa on IslamOnline, the late Sheikh Muhammad Abu Zahrah mentioned two main scholarly opinions concerning the definitions of *dār al-Islam* and *dār al-Harb*. Sheikh Abu Zahrah then chose the Imam Abu Hanifah's opinion that the question revolves around the matter of security. That is if a Muslim is safe and secure in the place he lives, then the place is Dār al-Islam, and if not, then it is Dār al-Harb. He also said that this opinion conforms well to the Islamic principles of war, described as a defense strategy.⁵⁹

<http://www.khilafah.com/> provides a rather thorough definition but states near the end of the article that "it is clear that the whole world is Dār al-Kufr as no country including every single Muslim country implements Islam. We see the laws of Allah abandoned as if they were worth nothing, the Sunnah of the Prophet betrayed and the example of the Sahaba (companions) ignored by the rulers of our countries.

According to Shariah terminology, Dār al-Islam is defined as the land which is governed by the laws of Islam and whose security (Aman) is maintained by the

security of Islam, i.e., by the authority and protection of Muslims inside and outside the land, even if the majority of its inhabitants are non-Muslims.

Dār al-Kufr is the land which is governed by the laws of Kufr, and whose security is not maintained by the security (Aman) of Islam, i.e., by other than the authority and security of Muslims, even if the majority of its inhabitants are Muslims.

So what matters in determining whether the land is Dār al-Islam or Dār al-Kufr is neither the land itself nor its inhabitants, rather it is the laws and the security. So if its laws are Islamic and its security is maintained by Muslims, then it is Dār al-Islam. When its laws are the laws of Kufr (disbelief) and its security is not maintained by Muslims then it is Dār al-Kufr. The term Dār al-Harb (land of war) is synonymous with Dār al-Kufr as in (the) origin (of) the aim of Islam is to spread to all lands until the Islamic state encompasses the whole globe. However, there is a difference between those nations which are considered as Dār al-Harb Fi'lān (actual land of war) like the state of Israel which occupies Islamic land and Dār al-Harb Hukman (potential land of war) which include other states which are not occupying Islamic land or engaged with a direct war against our lands. These definitions have been derived from the Islamic evidence and discussed by the *Ulema* (e.g., *Ulama* scholars) in history.⁶⁰

In a blatant denial of the historical facts regarding violent Islamic expansion under Muhammad, a <http://www.khilafah.com/> article concludes with this statement: The Ummah has no Imam (Khalifah) who rules by what is contained in the Quran and Sunnah, who acts as a shield to protect us and whose duty it would be to protect the Muslims of Iraq, Palestine, Afghanistan, Chechnya and countless other places where the Muslim blood flows. Therefore it is paramount for us to work to re-establish Dār al-Islam, the Islamic Khilafah state through emulating the non-violent methodology⁶¹ of the Prophet in how he transferred Dār al-Kufr to Dār al-Islam and in the pursuit of this it is inevitable that we will be tried and tested."

ISLAMIC DOCTRINAL STRATEGIES

Although the concept of dār al-Harb is not explicitly stated in the Koran and the Hadith, it has its roots in the Koranic Sura 005-032 in the statement: "*spreading corruption in the land*," which must be combated, i. e., fought against. The Sura is formulated in a manner that a Muslim must wage war (fight) against anything that a Muslim considers to be non-Islamic.

⁶⁰ [Clarifying the meaning of Dar al-Kufr & Dar al-Islam](http://www.khilafah.com/clarifying-the-meaning-of-dar-al-kufr-a-dar-al-islam/) at <http://www.khilafah.com/clarifying-the-meaning-of-dar-al-kufr-a-dar-al-islam/>.

⁶¹ Muhammad's methodology was anything but non-violence.

Thus, Rashida Tlaib as a believer in Islam, Muhammad, and Allah must fight against the United States of America, whether that fight is violent or subversive. She is using a number of Islamic doctrine strategies: *muruna*, the Islamic doctrine strategy of low intensive warfare; *kitman*, the Islamic doctrine strategy that allows lying by silence or omission; *tawriya*, the Islamic doctrine strategy that allows lying by using words that can be understood in several ways; and *taqiyya*, the Islamic doctrine strategy that allows lying by denial in certain circumstances like persecution, particularly if Islam can be thus advanced.

The only positive aspects that appear in the Koran were stolen from the Jewish *Torah* and the Christian *Bible*. Muslims select singular passages from the Koran, Hadith, and other Islamic teachings that serve to pacify non-Muslims who are brainwashed and dumbed down concerning their knowledge of Islam. However, such placations are abrogated (canceled/contradicted) by passages in the Koran and the actions of Muhammad. The dual system of positive statements and later abrogations is a perversion invented by Muhammad. The Koran is vile, poisonous, intolerant, and hate-filled homicidal/suicidal actions which Islamic believers claim are the holy orders of Allah and Muhammad, who are one and the same entities. Yes, the Koran is an absolute, evil book. Allah was an Arabic moon and war god.

It is common knowledge that Islam (Sunni Islam) has the following five pillars: Shahada (Faith), Salah (Prayer), Zakāt (Charity), Sawm (Fasting), and Hajj (Pilgrimage to Mecca).

The sixth pillar of Islam is practically never mentioned. It is Jihad (conducting war) There are 164 war verses in the Koran. Throughout the history of Islam, hundreds of cultures have been exterminated.

There are no moderate Muslims. All Muslims will express joy when a non-believer is killed, regardless of the official opposing statements, which are nothing but *taqiyya* (deception). Even when a Muslim expresses regret and sorrow over the killing of non-Muslims, it is *taqiyya*. Muslims are happy when non-believers are killed. Muslims attending a soccer game between Greek and Turkish teams at a stadium in Istanbul whistled, booed, and yelled “Allahu Akbar” after a call for a moment of silence for the murdered in the Paris attack on 13 November 2015.⁶²

When one takes the teachings of Muhammad in the Koran and the Hadith into account, all Muslims must be considered as potential terrorist killers.

There is only one lone wolf – the lone wolf of hate for everything and everyone that is not Muslim. The hate is Muhammad, and all Muslims have been ordered by Muhammad to emulate him.

⁶² <https://imgur.com/gallery/aii4db7>.

Historically, there has existed only one way to deal with such evil and insanity. Exterminate them by telling the truth about the evil that is Islam!

Islam and Muslims cannot be separated into good and bad. The so-called good are required to support the bad, always; thus, the good are complicit and bad!

The Western world, indeed, dumbed-down believers in Islam, have been lied to by the mass media, who claim that only peacefulness and tolerance comes out of the billions spent by Muslim countries to promote Islam in kafir nations.

The mainstream media is in the Islamic pocket! The situation is supported by the pro-Islamic George Soros, elected pro-Islam politicians like Rashida Tlaib, and brain-dead, brainwashed people!

IDEOLOGY AND ISLAM⁶³

Fascism and hence its offshoot Nazism (National Socialism) is LEFT ideology, i.e., Big Government. Islam is LEFT WING ideology also. By its very nature, a theocratic (in this case Islamic) government is totalitarianism pure.

The main reason the press, the media, the politicians (especially the DemocrAT Party), and others have been covering up for Muslims is that the majority of them are all cuddled together in the same political ideology bed. Communists, Fascists, New World Order Globalists, and Muslims are all LEFT-WING communist/fascist extremists. They are so close to each other that the thinnest piece of paper will not pass between them. These political bed-fellows are united in their hatred of Jews, Christians, Western Civilization, and freedom.

The French Revolution's *Reign of Terror* (1793-1794), Joseph Stalin's *gulags* (ca. 1933-1953), Adolf Hitler's *concentration camps* (ca. 1933-1945), Pol Pot's *Killing Fields* (1975-1979), the cages of ISIS (Islamic State in Iraq and Syria, since 2003) show the same hatred and if allowed to metastasize into cancerous proportions, Left-Wing Big Governments will eventually end in tyranny and bloodshed.

The Left-Wing organizations accuse conservative Right-Wing groups of being what Left-Wing groups are: Communists, Fascists, Nazis (National Socialists), and totalitarian governments. The Left Wing belongs on the left side of the political spectrum, which can also be the right side. The Left continues to bray their absurd right-wing-fascist nonsense by claiming that they are Antifa (anti-fascist). In reality, they are protesting against themselves. Conservatism is not rightist. Conservatism

⁶³ Attention is brought to Jim O'Neill's essay <https://canadafreepress.com/article/left-wing-nazi-brownshirt-bully-boys> and the present author's essay http://www.thecompleteobamatimeline.com/uploads/3/4/8/7/34872825/leftism_is_fascism.pdf for further information.

is conservatism. Left Wingers can sing to their choir all they want. The Left, like Islam, has been busy, busy, busy for some time trying to destroy nation-states and their cultures.

Rashida Tlaib and those of her persuasion are Leftists. In essence, they are the Communists/Fascists.

The hypocritical mass media and politicians, particularly the DemocRAT Party provide propaganda cover for Muslim radicals because they are all full of the same hatred. The Communist/Fascist, New World Order Globalists, and the Muslims are all Left Wing. They are the political extremists. The Communists/Fascists of the Left Wing and the Muslims mutually cooperate. The strange friends in the political bed are united in their hatred of freedom, Western Civilisation, Judaism, and Christianity.

Rashida Tlaib! Smell the dead bodies of the reigns of terror listed above and the global reign of terror caused by Islam during the past 1400 years. They are all perfect examples of the core teachings of Islam.

Rashida Tlaib and the other Left-Wing representative show the existence of a fruitless ideology. They are the Communists/Fascists, National Socialists, and Muslims – all of them totalitarian systems – that is the side of the political spectrum where they belong.

Benito Mussolini (1883-1945, Italian Prime Minister 1922-1943) coined the term *fascism* and its description: "*Tutto nello Stato, niente al di fuori dello Stato, niente contro lo Stato*" (All in the government, nothing except the government, nothing against the government.)⁶⁴ It is the same description of Islam: *All in Islam, nothing except Islam, nothing against Islam*. One cannot become more leftist and totalitarian than that. Rashida Tlaib and her political bed friends can sing their deathly Sirene song⁶⁵ that will always be heard by the stupid who will elect the stupid chorus of representatives. If they sing far enough left, they will come out with their dissonance on the right and vice versa.⁶⁶ For decades the Left has done what Islam has done for 14-plus centuries: occupied and destroyed cultures and countries, particularly Christian cultures and national States!

Read the Agenda 21 Proclamation that says that national sovereignty is a social injustice. In describing the plot of a future novel he wanted to write, Maurice Strong (1929-2015), the chief organizer of the Agenda 21 Earth Summit said, "Isn't the only hope for the planet that the industrialized civilizations collapse? Isn't it our responsibility to bring that about?"⁶⁷ Maurice Strong's position is that of Marx, Stalin, Mao, Hitler, Lenin, and Obama all rolled into one! As such he belongs on the same level as Muhammad and his followers: loathsome, and evil.

FREEDOM AND TOLERANCE IN ISLAM

Rashida Tlaib, the following Suras are taught in mosques throughout the world. Muhammad's freedom and justice for all peoples are non-existent because any Sura that concerns freedom and justice *revealed* to Muhammad when he was in Mecca can be abrogated by a later Sura *revealed* to Muhammad when he was in Medina and vice-versa. This is part of the duality of the Koran and Muhammad's teachings.⁶⁸

- (Koran 16:52) *To Him belongs everything in the heavens and the earth; and to Him obedience is due always. Do you, then, fear anyone other than God?* Comment: This is a justification for the notion that the only religion is Islam. Where is the freedom?
- (Koran 3:110) *You are the best community that ever emerged for humanity: you advocate what is moral, and forbid what is immoral, and believe in God. Had the People of the Scripture believed, it would have been better for them. Among them are the believers, but most of them are sinners.* Comment: The only righteous people are Muslims. Where is the justice?
- (Koran 5:3) *Prohibited for you are carrion, blood, the flesh of swine, and animals dedicated to other than Allah; also the flesh of animals strangled, killed violently, killed by a fall, gored to death, mangled by wild animals—except what you rescue, and animals sacrificed on altars; and the practice of drawing lots. For it is immoral. Today, those who disbelieve have despaired of your religion, so do not fear them, but fear Me. Today I have perfected your religion for you, and have completed My favor upon you, and have approved Islam as a religion for you. But whoever is compelled by hunger, with no intent of wrongdoing—Allah is Forgiving and Merciful.* Comment: Islam is the only Allah-perfected religion for humankind. Where is the freedom?

⁶⁷ National sovereignty is the foundation of freedom in a democratic republican country's relationship to other countries, particularly to totalitarian countries. Evidently, Maurice Strong did not accept this fact. http://www.theageoftransitions.com/images/stories/documents/wizard_baca_grande_1990.pdf. <http://whatisagenda21.net/agenda21.htm>.

⁶⁸ The English translation of these Suras is from <https://www.clearquran.com/001.html>. I have changed the use of God to Allah because God is not Allah. Allah is AntiGod.

- (Koran 9:33) *It is He who sent His Messenger with the guidance and the religion of truth, in order to make it prevail over all religions, even though the idolaters dislike it.* Islam will dominate all other religions. Where are the freedom and justice?
- (Koran 12:40) *You do not worship, besides Him, except names you have named, you and your ancestors, for which Allah has sent down no authority. Judgment belongs to none but Allah. He has commanded that you worship none but Him. This is the right religion, but most people do not know.* Comment: It is forbidden to worship anything other than Islam. Where is the freedom?
- (Koran 21:108) *Say, "It is revealed to me that your Allah is One Allah. Are you going to submit?"* Comment: All people should bow to Allah and Islam. Where are the freedom and justice?
- (Koran 48:28) *It is He who sent His Messenger with the guidance and the religion of truth, to make it prevail over all religions. Allah suffices as Witness.* Comment: Islam is the religion of truth over all other religions. Where are the freedom and justice?
- (Koran 61:9) *It is He who sent His Messenger with the guidance and the true religion, to make it prevail over all religions, even though the idolaters dislike it.* Comment: A double stitch holds better! Allah has sent Muhammad to proclaim Islam as the Religion of Truth over all religions. Where are the freedom and justice?

Here are further examples of Muhammad's freedom and justice from his Sunna:⁶⁹

"Molesting "his wife - six-year-old Baby Aisha. One of Baby Aisha's wifely duties was to clean semen stains from the prophet's clothes. Muhammad was an animal - a pig - who would take a bath with Baby Aisha and thigh with Baby Aisha fondling her 6-year-old vagina and taking his penis and rubbing it up and down this poor child's 6-year-old thighs until he ejaculated onto her 6-year-old leg. Being a man of mercy he did not penetrate Baby Aisha until she was nine, ramming his penis into her vagina ripping Baby Aisha's insides apart. He sexually molested and raped her for another 9 years. Reiterating these depraved, diabolical acts of evil: Thighing, child molestation, rape of children, fondling a child's

vagina, and ALL THE OTHER CRIMES of this monster is Sunna in Islam: holy and divine.”⁷⁰

Muhammad's Sunna relates that Muhammad

- Advocated suicide attacks.
- Advocated murdering homosexuals.
- Allowed his companions to execute, behead, rape, and enslave.
- Assassinated people for insulting him or Islam. Established totalitarian rule. Had followers and their families burnt alive in their homes for missing prayer.
- Beat alcoholics. Murdered alcoholics.
- Beat children who didn't pray. Abolished adoption.
- Beheaded his enemies. 600/900 Jewish men at the massacre of Banu Qurayza. Had Jewish boys as young as 13 years old beheaded after pulling down their pants and inspecting groin for pubic hair. Baby Aisha sat beside Muhammad watching the beheadings. Muhammad murdered 3,000 plus people.
- Called his black slaves pug noses and compared them to Satan.
- Captured women and raped them. Kept women as sex slaves. Muhammad had sex with 61 women: many he raped. There is no consensual sex between a child girl and a man. There is no consensual sex between a master and his sex slave. There is no consensual sex between a woman conquered in war and her husband conqueror. All such sexual acts are rape. RAPE IS RAPE.
- Encouraged the rape of women in front of their husbands.

- Had eleven wives at one time. Sexually abused his wives. Raped his wives. Forced sex during their menstruation including Baby Aisha. Mentally abused his wives. Can you imagine taking a child (or any aged woman) and molesting with your hand/fist her menstruating vagina?
- Lied, looted, and plundered.
- Married his daughter – in – law. Approved prostitution.
- Murdered prisoners of war. Committed acts of terror.
- Ordered the extermination, torture, and terrorization of kafirs. Instigated 60 massacres and personally participated in 27 of them.
- Ordered the murder, torture, terrorization of Christians and Jews if they did not convert to Islam. Forced Christians and Jews from Saudi Arabia (the mass exile).
- Ordered thieves' hands/feet chopped off.
- Owned and sold slaves. Enslaved women and children.
- Preached hate for people of other religions.
- Raped a retarded woman. Murdered a woman. Had sex with his dead aunt.
- Raped Baby Aisha when she was nine. Advocated sex with baby girls.
- Recommended wife beating. Hit his wife – Baby Aisha.
- Required no befriending of Christians and Jews.
- Stoned adulators to death. Stoned a woman to death after she had given birth.
- Subjugated and oppressed Muslim women. Required them to cover their faces.
- Tortured a man out of greed.

- Treated his black slaves as beasts of burden.
- Was in favor of honor killings of Muslim women and children.⁷¹

The meaning of freedom of religion in Islam is that there is only the freedom to practice Islam.

The meaning of tolerance in Islam is that there is only tolerance among Muslims.

Rashida Tlaib says: “My faith has centered me. The prophet Mohammed was always talking about freedom and justice.”⁷²

Well! Well! Well!

The graphic presentation above is an example of freedom and justice done by Muhammad's Muslims to a Christian Girl in Indonesia. As Rashida Tlaib and Linda Sarsour would contend, this is Muhammad's human rights in action.

In Islam, there is no freedom and tolerance for those who believe differently!⁷³

HIJRA⁷⁴

The primary stage Islam uses to subvert a non-Muslim country is *Hijra*, immigration designed to subvert and subdue non-Muslim societies and pave the way for eventual, total Islamization. It is a modern-day Trojan horse.⁷⁵ The lamestream media thinks otherwise, or they refuse to understand Hijra, or are too dumb to comprehend Hijra.

The present Muslim immigration influx into Europe is like the meshing of Islamic Hijra with the Left-Wing desire to destroy nation-states and Christianity in Europe and the West.

It is so! The goal is one world government ... good God! (God is good and Allah, who is not God, is evil!) The result would be of Holocaust proportions when Muslims would have a heyday of killing Jews, Christians, and kafirs.

It would be Hell, just like going to Jannah and having everlasting sex with 72 virgins who are reborn as virgins after some sex-craved male Muslim, whose only desire is to emulate Muhammad, has plowed into them with his Mohammad strokes!!! By the way, the original Aramaic word *hur* that was translated into Arabic as the word *virgins* truly means *white* and the word referred to *grapes* or *raisins*.⁷⁶ These Muhammad emulators can have as much sex with white grapes as they want! However, the wine would be non-potable.

ULTIMA DICTUM

This author's spontaneous and undocumented tallying of the killings done by Muslims since Islam's inception and the enslavement since Islam's rise comes to approximately 800 million and possibly more, not including those murdered and enslaved by euphemisms other than Muslims or Islam. What needs to be done is a documented research throughout the past 1400-plus years concerning what euphemism killed and

enslaved, how many when and where, and then total them all. This would take a long time. I suspect that the total would reach 1 billion killings.

The politically dumbed-downers do not understand Islam and the Koran! The DemocRAT Party cozies up to Muslims. The result is that Rashida Tlaib and those like Rashida Tlaib are elected to government positions. It is subversion from within. It must be stopped. Those Americans who think it is a great development should pull their heads out of their rectums and the rectums of those whom they elected. If the lies of the Left and Islam continue, free speech will be destroyed, and it will never return to humanity⁷⁷

This author's thoughts are comprehensive. In the documented, truthful essays listed above, this author has expanded on some of these thoughts. Throughout the past 1400-plus years, Islam has been nothing but violent. A complementary source of information dealing with Islam's motor, jihad, is Robert Spencer's book *The History of Jihad: From Muhammad to ISIS*.⁷⁸ The core of Islam's savage killing machine is: the beheading of infidels; the horror and violence commanded by Allah and Muhammad; the brutality and wars of oppression of the subdued; the conquest and destruction of civilizations and cultures; Islamic corruption, deceptions, and lies.

Rashida Tlaib and her associates, like Linda Sarsour and the Muslim terrorist-oriented Imam Siraj Wahhaj,⁷⁹ have shown their intellectual nakedness. They do not cut outstanding figures.

Rashida Tlaib says that she is a representative in Congress in Washington, D. C., to impeach the mother-f...er, President Donald J. Trump.

What superb rhetoric!

What superb intellect!

Rashida Tlaib grovels in pleasures that are base because Rashida Tlaib likes being trashy and vulgar!

Rashida Tlaib appeals to the basest of persons because her thoughts come from an embedded failure deep in the nature of Rashida Tlaib's own stupidity, a pit with no bottom!

I pray daily to God and thank Him that He takes the souls of the victims of Islam in the past, the present, and the future into His Paradise.
