A teacher at an evangelical Christian college has announced she will be wearing an Islamic headscarf over the holidays to show solidarity with Muslim women in America. **Larycia Alaine Hawkins can wear whatever Larycia Alaine Hawkins wants to wear. Yet, Larycia Alaine Hawkins should ask why Muslim women do not wear clothing signifying their solidarity with American women?**

Larycia Alaine Hawkins, an associate professor at Wheaton College, Illinois, announced on Facebook on Thursday that she will be wearing a hijab as part of her Advent Worship this year. **I think this disqualifies Larycia Alaine Hawkins as being any kind of professor! Wearing a hijab during the Christian Advent Season is an insult of great magnitude to the Christian churches and their congregations.**

Hawkins, who has worked at the college since 2007, said the gesture was an act of 'devotion' because Muslims and Christians 'worship the same God'. **This is an outright lie! There are absolutely no similarities between the moon god Allah and the Christian God or the Jewish Yahweh.**

Larycia Alaine Hawkins, an associate professor at evangelical Christian Wheaton College, Illinois, has vowed to wear a hijab over the holidays as part of her Advent Worship. **A vow! How religious! Advent Worship? Advent is the time of the year when Christians prepare for the worship of the coming Christ Child. The act of wearing a hijab during Advent as part of Larycia Alaine Hawkins's Advent Worship is contradictory. In effect, (or rather in affect) Larycia Alaine Hawkins is stating that she prefers the Islamic female clothing custom dictated by Muhammad and is placing it above the worship of the coming Christ Child.**

I don't love my Muslim neighbor because s/he is American.

I love my Muslim neighbor because s/he deserves love by virtue of her/his human dignity.

I stand in human solidarity with my Muslim neighbor because we are formed of the same primordial clay, descendants of the same cradle of humankind--a cave in Sterkfontein, South Africa that I had the privilege to descend into to plumb the depths of our common humanity in 2014.

I stand in religious solidarity with Muslims because they, like me, a Christian, are people of the book. And as Pope Francis stated last week, we worship the same God.

Explaining her decision, Hawkins said it is her Christian duty to love her fellow human beings, adding that Muslims and Christians 'worship the same God' - a declaration she quoted from Pope Francis. **Again: This is an outright lie that even the Pope believes! This statement by the Pope and those who agree with the Pope are admitting that the Pope is fallible.**

She added: I don't love my Muslim neighbor because s/he is American. I love my Muslim neighbor because s/he deserves love by virtue of her/his human dignity. **There is no human dignity in following Muhammad! Indeed, there is human dignity in refusing Muhammad's viewpoints that he received as a result of epileptic seizures or intentional fits. That Muhammad was an epileptic and suffered seizures as well as used them when he needed them has been proven by original documentation as it appears in F.W. Burleigh, *It's All About Muhammad A Biography of The World's Most Notorious Prophet*, Zenga Books, Portland, Oregon: 2014, pp. 10, 40, 44, 61, 73, 90, 137, 141, 191, 290, 401, 417.**

'I stand in human solidarity with my Muslim neighbor because we are formed of the same primordial clay, descendants of the same cradle of humankind--a cave in Sterkfontein, South Africa that I had the privilege to descend into to plumb the depths of our common humanity in 2014. **Larycia Alaine Hawkins may stand in solidarity with Larycia Alaine Hawkins' Muslim neighbor, but Hell will freeze over before any Muslim neighbor stands in solidarity with Larycia Alaine Hawkins. Larycia Alaine Hawkins may have come from a cave. I came from the Love of God.**

'I stand in religious solidarity with Muslims because they, like me, a Christian, are people of the book. And as Pope Francis stated last week, we worship the same God.' **Muslims are not people of the Book. Muslims are brainwashed, have always been brainwashed, and will always be brainwashed. If Larycia Alaine Hawkins really believes the crap Larycia Alaine Hawkins is expounding, then Larycia Alaine Hawkins has also been brainwashed. Muslims are not the people of the Book. In no Sura in the Koran does it say that Muslims are in this category. The Koran says that the three religions of the book are Christianity, Judaism, and Sabian Mandaean (Koran 5:69; 22:17) Muhammad exterminated and drove out the Christians and the Jews in Arabia, The Sabian Mandaean received acknowledgement as a people of the book with very minor religious status under the protection of Islam that was instituted as a result of the Sabian Mandaean bribing the Islamic authorities.**

Hawkins's post was liked dozens of times, while other women agreed to join in with her gesture of solidarity (pictured). **The other women who join her have no pride in their belief. They are doing nothing other than presenting their dumbed-down positions and non-belief in God and prostrating themselves as prostitutes before Islam.**

Hawkins also called on other women to join her 'embodied solidarity' campaign, with three of her friends responding with pictures of themselves also wearing hijabs. **Idiots of a feather identify together! Three of Larycia Alaine Hawkins' friends joined her. Larycia Alaine Hawkins can now claim she has a crowd following.**

At least one of them, Jess Edelblut, appears to also be connected to Wheaton College. **With her identifying position alongside Larycia Elaine Hawkins, Jess has no *edel Blut* (noble blood) in her!**

Hawkins' initial post attracted dozens of likes, and she later added that her stance had been endorsed by the Council on American Islamic Relations. **The subversive Council on American Islamic Relations will endorse anything that is pro-Islamic and anti-Christian and anti-America. By stating that Larycia Elaine Hawkins welcomes their support, Larycia Elaine Hawkins is also aiding the Council on American Islamic Relations, an unindicted co-conspirator in the terror-finance trial against the Holy Land Foundation and its former officials. The Council on American Islamic Relations is a front group for the Muslim Brotherhood and is active in their efforts to establish Sharia law in place of the *Constitution for the United States of America*. Other front groups of the Muslim Brotherhood are discussed at <http://counterjihadreport.com/category/muslim-brotherhood-front-groups/>.**

However, in another post this evening, she revealed that her stance had also been challenged 'exclusively from other Christians' who took issue with her assertion that the Muslim God and Christian God are one and the same. **Other Christians did not only take issue with Larycia Elaine Hawkins' stance, they tried to show Larycia Elaine Hawkins how idiotic Larycia Elaine Hawkins' stance is.**

Hitting back at critics, she added that 'church fathers, saints, and regular Christian folk alike' throughout the ages have believed that the two deities are the same, just differently understood. **This is not true and is a blatant misrepresentation of the views of Christian authorities throughout history. Such a stance surely disqualifies Larycia Elaine Hawkins as any type of theology professor.**

Examples include Cardinal Nicholas of Cusa, a Christian scholar and close friend of Pope Pius II who lived in the 15th century and 'unambiguously affirmed' that point, according to Christian author Miroslav Volf. **I've read Miroslav Volf's contentions. His writings present Islam as a loving belief. Nothing could be further from the truth! Volf dismisses the accepted historical and etymological facts that Allah is nothing more than a heathen moon god! Volt embraces Islam generously, yet, Islam does not embrace Christianity or Judaism generously. Islam's sole intent is the extermination of the Jews and non-believers. Koran 9:29, 9:30, 9:33, 33:60-62. See also [Bukhari \(52:177\)](http://www.bukhari.com/52/177) and consult <http://www.thereligionofpeace.com/Muhammad/myths-mu-qurayza.htm>. This final solution is the ultimate goal. The accepted view of Cardinal Nicholas of Cusa on Islam is in *Cribratio Alchorani, (Sifting the Koran)*. It is a detailed review of the Koran in Latin translation. Cardinal Nicholas of Cusa delivers arguments for the superiority of Christianity. It credits Judaism for sharing the Christian truths and presents that Islam only partially shares the Christian truth. Even this position is highly questionable!**

Speaking again to her critics, Hawkins adds: 'My wearing of the hijab as an act of advent devotion has certainly caused some to question the sincerity of my devotion. **Larycia Elaine Hawkins misrepresents Advent! Advent is the four Sunday and celebration weeks leading up to the birth of Jesus, the Christ Child. Larycia Elaine Hawkins' position should also disqualify Larycia Elaine Hawkins for any professorship! Larycia Elaine Hawkins is showing her devotion to Islam and not the Jesus Christ.**

'To those who question the authenticity of my faith, I love you. **I don't question the authenticity of Larycia Alaine Hawkins' faith. I question whether or not Larycia Alaine Hawkins is in her right mind!** The apostle Paul declares, "...as far as it depends on you, live at peace with everyone" (Romans 12:18). **Agreed! However, when Muhammad says that I must be beheaded because I don't agree with him and Islam, there is a problem. Mohammed never wanted to live in peace with anyone except Muslims who adored him and took personal oaths to emulate him. The Koran and the Hadith are full of such statements from Muhammad.**

'That includes those of you who now count me apostate for daring to call fellow humans who happen to be Muslim my brothers and sisters. **I don't see Larycia Alaine Hawkins as an apostate. I see Larycia Alaine Hawkins as a misguided, brainwashed person having been dumbed-down by political correctness.**

'I love you with the power of the love that saved me and keeps me and bids me do justice in my body. Being at peace with everyone means embracing you virtually and asking for forgiveness of those I have offended. **I'm sure that the victims (MAY PEACE BE UPON THEM) of Islam in the past, the present, and the future feel the same way. The problem is we cannot ask those who have been beheaded by Islam, particularly the first 800-plus who were decapitated by Muhammad. "Over 800 surrendered men and boys (and at least one woman) from the (Jewish) Qurayza tribe were beheaded by the prophet of Islam in a bloodbath that is of acute embarrassment to today's Muslim apologists. It is an episode that is not only completely at odds with the idea that Islam is a peaceful religion, but also the claim that it is the heir to Christianity, since even that religion's most dedicated critics could hardly imagine Jesus and his disciples doing such a thing."** (<http://www.thereligionofpeace.com/Muhammad/myths-mu-qurayza.htm>.)

The gesture comes as anti-Muslim attacks across the United States have risen in the wake of the San Bernardino shootings which killed 14 (pictured, two more women who joined the campaign) **Why should there be anti-Muslim attacks? Islam is so peaceful and tolerant!**

'It doesn't matter that I did not intend to do so. What matters is the imperative that I move first to make peace with others. As far as it depends on you, will you accept my holy handshake?' **I'm sure the male followers of Islam will not shake Larycia Alaine Hawkins' hand because you are a woman and according to Allah and Muhammad beneath the animal status of dogs and swine. See the important, relevant references at <http://www.thereligionofpeace.com/quran/010-women-worth-less.htm>. Consult also al-Bukhaari, 4512 and al-Bukhaari, 6674. Trust Muslims all on the way to Larycia Alaine Hawkins' beheading. Don't arrive late!**

Her stance follows on from Donald Trump's call to ban Muslims from entering the U.S. in the wake of the San Bernardino terror attacks in California. **The suggestion by Donald Trump**

is not new. The Immigration Act of 1924 banned all Asians and Arabs from immigrating into the United States. It remained in effect until the passage of the Immigration and Nationality Act of 1965. This federal law states that the executive branch is particularly required to take religion into account in determining who is granted asylum. Under the rule of law governing asylum (section 1158 of Title 8, U.S. Code), the authorities "must establish that ...religion [among other things] ...was or will be at least one central reason for the contended persecution of the applicant." For an applicant to qualify for asylum in the United States, a person must be a "refugee". The definition of *refugee* is "any person who is outside any country of such person's nationality ...and who is unable or unwilling to return to ...that country because of persecution or a well-founded fear of persecution on account of ...religion [among other things]..." Section 1101(a)(42)(A) of Title 8, U.S. Code) also requires the executive branch to take an alien's religion into consideration. The American law requires that there be a *religious test*. There is an obvious reason for this requirement because the asylum law is not supposed to reflect a president's personal sense of compassion. Granting asylum is a discretionary national act that is not directed by whim but by law to address whether or not an applicant has undergone persecution. That's the law Ms dumbed-down Larycia Alaine Hawkins!

According to the Council on American-Islamic Relations, since the attacks took place, dozens of retaliatory actions have taken place against Muslims across America. **Such retaliatory acts cannot be condoned. According to Muhammad only the acts of Jihadists and non-active jihadist Muslims must be appreciated. Who started the anti-American and pro-Sharia movements?**

On December 8, less than a week after extremists Tashfeen Malik and Syed Farook killed 14 people in San Bernardino, a mosque in New Jersey reported receiving a letter calling Muslims 'evil' and telling them to 'go back to the desert.' **When Imams preach the killing of nonbelievers, is that not evil? Muslims will never go back to the desert because it is the goal of Muhammad, as stated in the Koran, is to make sure that Islam controls the world.**

According to the LA Times, the letter referenced comments by Trump about Muslims celebrating in New Jersey as the World Trade Centers fell on 9/11, which have been branded false by police and politicians who were serving at the time. **The truth is that this is exactly what the Muslims in America did on 9/11! Read <http://www.infowars.com/i-live-in-jersey-and-trump-is-right-muslims-did-celebrate-on-911-in-nj-we-saw-it/>.**

Ibrahim Hooper, spokesman for the Council on American-Islamic Relations, added: 'A pig's head at a mosque in Philadelphia, a girl harassed at a school in New York, hate mail sent to a New Jersey mosque ... I can't even count the amount of hate mail and threats we have received.' **These actions cannot be ethically condoned, only understood. At the same time, Larycia Alaine Hawkins and every America should:**

- 1. Require that Ibrahim Hooper ethically justify why Jews are called pigs by Muhammad. The Koran 2:65 says, "And you know well the story of those among you who broke Sabbath. We said to them: "Be apes—despised and hated by all." Koran**

2:66 "Thus We made their end a warning to the people of their time and succeeding generation, and an admonition for God-fearing people."

Koran 5:60 "Then say: "Should I inform you [People of the Book] of those, who will have even worse recompense from Allah than the transgressors? They are those whom Allah has cursed; who have been under His wrath; some of whom were turned into apes and swine; who worshipped taghut [the devil or idols]; those are the people who are in a far worse plight and who have turned farthest away from the Right Way."

Consult also <http://www.answering-islam.org/Index/U/unbelievers.html>.

2. Require that Ibrahim Hooper ethically justify the deadly *harassment* of the Christian girl pictured below:

Source: http://www.catholic.org/news/international/middle_east/story.php?id=56339.

They evils that Islam has conducted against humanity since Muhammad created Islam and the numbers of threats that are voiced against Jews and non-believers in the Koran and the Hadith explode all parameters of human dignity and respect for God's creation.

Require that Ibrahim ethically justify the following email threats to non-believers such as presented herewith:

In several cities in Sweden, dozens of citizens receive letters threatening them with beheading if they do not convert to Islam within three days. The letters read, “In the name of Allah, the merciful, full of grace. You who are not believers will be decapitated in three days in your own house; we will bomb your rotten corpses afterwards. You must choose between these three choices: 1. Convert to Islam. 2. Pay the jizya [religious tax] for protection 3. Or else, you will be decapitated. The police will not prevent or save you from you being murdered. (Death comes to all of you).”

<http://www.jihadwatch.org/2015/12/swedish-govt-in-panic-after-isis-letters-give-3-days-to-convert-to-islam-or-be-decapitated>

Ibrahim Hooper cannot present the statement that these actions have nothing to do with Islam as an argument because such actions are contradicted by 1400 years of Islamic destruction of cultures.

Larycia Elaine Hawkins! YOU ARE LIKE AN IDIOT!

You are an insult to Christianity and academia. For you and all of those who think that God and Allah are the same, including Pope Francis, I present the following from <http://www.nairaland.com/837496/ten-reasons-why-allah-not>.

For those people who study both Islam and the Bible, it is clearly obvious that Allah of Islam is not YHWH, the God of the Bible and the creator God.

We shall present just ten reasons which provide an elegant sufficiency to prove that Allah is not God.

1.The Name of God

Muslims say they believe in the prophet Moses (Musa) yet they do not recognize or acknowledge the unique name that God gave to Moses.

When Moses encountered the burning bush at Mount Horeb, he was told that the name of God was YHWH forever. [Exodus 3:14-15] Jesus used the first person of YHWH when he said “I AM”. [John 8:58] The Quran makes no mention of the special name for God and uses Allah which means “the (moon) God”. There were 360 idols in the Kaaba during Mohammed’s time called Allah.

Allah is just a generic name for “the God”. The names for God can’t be reconciled. Allah is not God.

2. God’s Laws for mankind

Moses received the Ten Commandments on two stone tablets from God on the mountain top. These commandments are the basis for laws recognized by both Jew and Christian. In fact, Jesus stated that: “Do not think that I have come to abolish the Law. I have come to fulfill, and until heaven and earth pass away, not one stroke of a letter will pass from the Law”. [Matthew 5:17-18] Sharia Law which is based on the Quran and Mohammed completely rejects the Ten Commandments and Mohammed broke most of the commandments on a regular basis.

If you follow Sharia law you will certainly break the Ten Commandments and this denies the teaching of Jesus. Jesus went further and said that whoever breaks the law and teaches others to do the same is considered “the least in Heaven”. [Matthew 5:19] That makes Mohammed the least in Heaven.

Allah’s laws are contradictory to God’s laws. Allah is not God.

3. God’s Plan for Mankind

God revealed his plan for mankind through his prophets, starting with Psalm 2 about 1,000BC where he revealed the begotten son, and in Psalm 22 he revealed details of the crucifixion that Jesus would endure and then in Isaiah 48 he revealed the Holy Trinity about 700BC.

God announces a begotten Son; Allah denies a begotten Son

“You are my Son: today I have begotten you. I will make the nations your heritage and the ends of the earth your possession”. [Psalm 2:7-8]

But 1600 years later, the Quran denies what is written in the Psalms.

“He is the Originator of the heavens and the earth. How can He have children when He has no wife? He created all things and He is the All-Knower of everything”. [Sura 6.101]

So here Allah denies what God has stated.

God announces the Holy Trinity; Allah denies the Holy Trinity
God's eternally begotten Son is part of the Trinity.

"From the time it came to be, I have been there, and now the Lord God has sent me and His Spirit". [Isaiah 48:16] Here is God the Father, Jesus the Son and the Holy Spirit as spoken by the prophet Isaiah.

Yet from Sura 5:73, the Quran denounces the Trinity.

"They do blaspheme who say: Allah is one of three in a Trinity: for there is no god except One Allah".

God announces the crucifixion; Allah denies the crucifixion

The virgin birth [Isaiah 7:14] and birth in Bethlehem [Mica 5:2] foretold Jesus' appearance. Details of the crucifixion were given in Psalm 22 and Isaiah 53, the betrayal for 30 pieces of silver in Zechariah 11 and that the sun would go down at noon was in Amos 8:9. However Allah denies all this in Sura 4:157.

"That they said (in boast), "We killed Christ Jesus the son of Mary, the Messenger of Allah";- but they killed him not, nor crucified him, but so it was made to appear to them".

God announces the sonship and describes the crucifixion about 1000BC and announces the Holy Trinity about 700BC, but Allah denies each element of God's plan. Allah is not God.

4. God demands separation of church and state

From Abraham to Moses to Jesus, there was a strict separation of church and state. Abraham was served with wine by High Priest Melchizedek. [Genesis 14] Moses was served by High Priest Aaron and Jesus acted as the High Priest and served his disciples with wine. [Matthew 26:26-29] There is a story in 1 Samuel 13 where king Saul performed priestly duties and God removed his kingship

because of this. God demanded separation of church and state. Jesus also said to “give to Caesar what is Caesar’s” enforcing the separation of church and state. Islam demands totalitarianism and also has banned wine.

God demands separation of church and state while Allah demands totalitarianism. Allah is not God.

5. God’s Holy city is Jerusalem

Jerusalem is the Holy city of God and Jerusalem is mentioned in the Torah over 660 times and in the New Testament 154 times. The book of Revelation in chapter 21 states that a new Jerusalem will arrive indicating that Jerusalem is God’s Holy city forever. Mecca is not mentioned once by name in the Bible.

Mecca is the Holy city of Allah and Jerusalem is not mentioned once by name in the Quran. God and Allah claim two different Holy cities that can never be reconciled. Allah is not God.

6. The Dome of the Rock

In 637AD when caliph Umar captured Jerusalem he told Bishop Sophronius that they would build a shrine to Allah’s prophet on the Holy mountain. Sophronius understood a prophecy of Daniel which called this an abomination that desolates. The prophecy starts in 583BC, the 23rd year of Nebuchadnezzar of Babylon, when the last group of 745 people were taken to Babylon, and so the regular burnt offerings ceased. [Jeremiah 52:30] Now the scope of this prophecy is 1290 years of 360 days or 1271 solar years. Coming forward from 583BC by 1271 years we come to 688AD. Caliph Abdul Malik built the Dome of the Rock between 685 and 691AD, so 688AD is the midpoint of the building program.

So the shrine to Allah’s prophet is called an Abomination that Desolates by God. Mohammed is not mentioned even once in the Bible and Jesus said that only false prophets would come after him. That makes Mohammed a false prophet. Allah is not God.

7. The Fate of Mecca

Even though Mecca is not mentioned by name in the Bible, it is referred to in allegorical language as the harlot city and the Love Peddler of Babylon in Revelation 17 & 18. Babylon the mother of whores and abominations is drunk with the blood of the saints and the witnesses to Jesus [Revelation 17:5-6]. Mecca is the spiritual head of Islam and in her name millions of Jews and Christians have been slaughtered after cries of “Allahu Akbar”, and the slaughter continues today. Mecca and Medina (Yathrib) are the two most Holy sites in Islam, yet strangely in Islamic eschatology, both are destroyed. Consider now the two relevant prophecies.

“The final battle will be waged by faithful Muslims coming on the backs of horses, carrying black banners. They will stand on the east side of the Jordan river and will wage war that the Earth has never seen before. The true Messiah who is the Islamic Mahdi, will defeat Europe, will lead this army of Seljuks. He will preside over the world from Jerusalem because Mecca would have been destroyed.” [Yawm Al-Ghadab, Safar Alhwaly]

The Prophet (peace be upon him) said: The flourishing state of Jerusalem will be when Yathrib is in ruins, the ruined state of Yathrib will be when the great war comes, the outbreak of the great war will be at the conquest of Constantinople and the conquest of Constantinople when the Dajjal (Antichrist) comes forth. He (the Prophet) struck his thigh or his shoulder with his hand and said: This is as true as you are here or as you are sitting (meaning Mu'adh ibn Jabal)”. [Sunan of Abu Dawud Book 37, Number 4281: Narrated Mu'adh ibn Jabal]

God hates Mecca and will destroy it. Allah can't stop the destruction of his holy city. Allah is not God.

8. God's enemies are Allah's supporters

There are numerous places in the Bible where God names the nations who will fight against him and with the Antichrist. In the famous seventy weeks prophecy, it is the people of the Antichrist who destroy the temple in 70AD. The soldiers of the Roman legion X Fretensis under General Titus were from

Turkey, Syria, Jordan and Arabia. These nations today whose people destroyed the second temple in 70AD are Islamic. In Psalm 83, Isaiah 13-24 and Ezekiel 28-32 and 38, the nations named as following the Antichrist are Turkey, Syria, Lebanon, Gaza, Iraq, Iran, Saudi Arabia, Egypt, Sudan and Libya.

The Bible is consistent in naming Islamic countries where people follow Allah as the followers of the Antichrist.

Allah is not God.

9. God created mankind as equals, Allah didn't

The Bible states clearly that all equal in God's eyes, but this is not true with Allah.

Allah describes a hierarchy for mankind.

Arab male Muslims are the best of people (and Arabic is the language in Heaven).

White male Muslims are next in importance.

Black male Muslims are next

Women Muslims are the lowest order of the believers.

Non Muslims or infidels are the vilest of creatures. [Sura 8:55]

God states all people are equal, Allah does not agree. Allah is not God.

10. God hates what Allah allows

The Bible states clearly in the book of Proverbs 6:17-19 the six things that God hates.

1. Haughty eyes
2. A lying tongue
3. Hands that shed innocent blood
4. A heart that devises wicked plans

5. Feet that hurry to run to evil
6. A lying witness who testifies falsely

God hates haughty eyes but Allah gives Muslims haughty eyes by telling them they are the best of people and unbelievers are the vilest of people;

God hates a lying tongue, but Allah allows Muslims to lie in Sura 16.106;

God hates hands that shed innocent blood yet Allah demands the killing of unbelievers, apostates, homosexuals, and even Muslims who don't follow the true faith;

God hates a heart that devises wicked plans yet Allah approves of Muslims who want to destroy Israel, blow up infrastructure and plan to undermine western democracies through lying and deceit;

God hates feet that hurry to run to evil but Allah approves of Muslims who murder poets and filmmakers and try to kill people who draw cartoons about Mohammed;

God hates a lying witness yet Allah demands that a Muslim lies to protect or advance the cause of Islam.

From these six things that God hates, we see clearly that Allah is not God.

We have presented just ten reasons why Allah is not God. There are many more but these are sufficient to prove without a doubt that Allah is not God and Islam is based on a monumental lie.

Islam Under Scrutiny by Ex-Muslims

Why Allah is not God?

by Reason
10 Aug, 2008

Note: Although we do not believe that there is a god, this article is published because of its relevance to Islam-watch.

A careful study of the Quran and Muhammad's life will reveal to any objective-minded person that Muhammad never talked to a supernatural deity or received revelation from such an entity. Muhammad invented Allah and turned him into a criminal god to give political power to himself and utilize his made-up teachings, allegedly received from a fictional Allah, as a religious and legal justification for his criminality. Allah existed only in Muhammad's imagination. Muhammad and Allah were the same—two in one.

Sanctioned by Allah, Muhammad practiced deceit, torture, murder, assassination, massacre, genocide, pillage, robbery, enslavement and rape as halal (legal) acts, deserving of paradise, as long as they were perpetrated on the infidels. These evil, immoral teachings became the eternal laws of Allah.

Islam is not a religion but a dangerous politico-military ideology—intended for conquering the world for imaginary Allah. The Koran is a declaration of open-ended war against the infidels. This war is permanent until all infidels have converted to Islam, or reduced to dhimmitude (institutionalized discrimination akin to slavery status), murdered or enslaved—a cold-hard reality for the hear-no-evil, see-no-evil, do-nothing-about-evil naive infidels.

To Muslims, the Quran is a divine law-book for all times. Muslims cannot question or doubt the allegedly uncreated words of God contained in the Quran. Quranic teachings, the words of Allah, are immutable and stand valid for all times. Therefore, all teachings and sanctions of the Quran must ideally be followed by Muslims in all walks of life until the end of the world.

The fact that the Quran cannot be the words of an omnipotent God can be conclusively proven by exposing the many inconsistencies/contradictions that exist in the Quranic teachings. The Koran can also be unraveled by examining its ethical standard to arrive at the decision whether it is befitting of a God of moral perfection.

Is Allah a God of Moral Perfection?

If Allah is the supreme creator of the universe, He/She should attain the highest moral perfection—a goal all sane human beings strive to attain. Allah should be all for pure love, mercy, peace and goodness to all his creatures. God must hold all his/her creatures to equal esteem. He cannot be an immoral, irrational, violent evil being. If

any teachings of the Quran fail to stand this ethical standard, its author, Allah, cannot be the God.

God is a non-religious being. For God, there exists no concept of believers or non-believers, no chosen people. God is God for ALL MANKIND. There is no such thing as one and only true religion. Belief in a religion does not make you a superior human being or give you any special privileges over other humans. God never gives you right to enslave, discriminate against, kill, terrorize, rape and loot the people of other faith or the faithless. Such teachings cannot be from God.

Preaching violence against other human beings, committing acts of extermination, genocide, murder, hate, violence, terror, brutality against people of different beliefs in the name, and for the greater glory of God is unacceptable to an omnipotent God.

God is not a racist, sexist.

God has created all human beings—men and woman, Muslim or non-Muslim, black or white—as equal. God is not a sexist, racist, male chauvinist. Men and women are equal in God's eyes. Women are not created inferior to men to be the chattel or slaves of men. Women must have full rights and freedom as do men in God's ideal society.

In God's society, each and every man—regardless of race or faith—will be complete, free citizens without submission or servitude to another man, whosoever. No man is the property of another man; God is not a slaver.

EXAMINATION OF THE TEACHINGS OF THE KORAN

Having thus made sense of what an omnipotent creator, if he/she exists, would be and what kind of society he would want to establish, let us now examine the teachings of the Quran—the words of the Muslim God, Allah. (Yusufali, Pickthal, and Shakir are translators of the Koran into English.)

THE VERSE OF THE SWORD: KORAN 9:5

Following are three most accepted translations of verse 9:5:

YUSUFALI: But when the forbidden months are past, then fight and slay the Pagans wherever ye find them, and seize them, beleaguer them, and lie in wait for them in every stratagem (of war); but if they repent, and establish regular prayers and practice regular charity, then open the way for them: for Allah is Oft-forgiving, Most Merciful.

PICKTHAL: Then, when the sacred months have passed, slay the idolaters wherever ye find them, and take them (captive), and besiege them, and prepare for them each ambush. But if they repent and establish worship and pay the poor-due, then leave their way free. Lo! Allah is Forgiving, Merciful.

SHAKIR: So when the sacred months have passed away, then slay the idolaters wherever you find them, and take them captives and besiege them and lie in wait for them in every ambush, then if they repent and keep up prayer and pay the poor-rate, leave their way free to them; surely Allah is Forgiving, Merciful.

Context: Verse 9.5 is among the last teachings of Muhammad (not Allah). This teaching was created as rumors swept Arabia that a large army from the Byzantine Empire had massed in Northern Arabia. Being one of the last teachings, this verse abrogates or abolishes from the Koran 124 earlier teachings of peace, including the famous 2:256 – ‘Let there be no compulsion in religion.’

Teaching: You can hear Muhammad and Allah yell at their followers—the Muslims: “Slay the Idolaters,” if they don’t convert to Islam and perform all Islamic obligation. Muhammad and his overlord, Allah, instruct Muslims to wage wars against the idolaters, “besiege them and lie in wait for them in every ambush.” When they come within Muslims reach and power, slay them.

This, claimed Muhammad, is the teaching of Allah, who should be for peace and love for his creatures—irrespective of Idolaters, Muslims or Jews. Even Hitler did not instruct his followers to exterminate the Jews so completely in such open instruction to slay them. God, the all powerful and compassionate, never need to use violence to bring a deviant creature of his own to the right path. If he/she just wishes it in his/her mind, all mankind come to the right path. How can God give such an opened-ended and unconditional order to Muslims for killing a section of the humanity, whom God has created and nurtured with love? An all-perfect, all-knowing God will not create his creatures in the first place, if he/she has to kill them in such barbaric manners. Obviously, such teaching cannot come from a God. Undoubtedly, Muhammad himself gave these instructions to his followers in the name of God in order to succeed his personal design.

When Muhammad spoke, he was speaking the word of God, the laws of God that had to be obeyed without question. He who obeys the Messenger obeys Allah, says Koran 4:80. How could the word of God be challenged? By morphing himself into Allah and His messenger, Muhammad set up the perfect totalitarian system, whereby his rule could not be challenged.

Teaching of Verse 9:5 is immoral and most unacceptable even if it comes from a mortal, fallible human being. There are close to 1000 verses in the Quran that are filled with exhortations to murder, hate and do evil. This proves beyond doubt that the Koran and Islam are totally fraudulent.

VERSE 9:29 PEOPLE OF THE BOOK (i.e. Jews and Christian)

YUSUFALI: Fight those who believe not in Allah nor the Last Day, nor hold that forbidden which hath been forbidden by Allah and His Messenger, nor acknowledge the religion of Truth, (even if they are) of the People of the Book, until they pay the Jizya with willing submission, and feel themselves subdued.

PICKTHAL: Fight against such of those who have been given the Scripture as believe not in Allah nor the Last Day, and forbid not that which Allah hath forbidden

by His messenger, and follow not the Religion of Truth, until they pay the tribute readily, being brought low.

SHAKIR: Fight those who do not believe in Allah, nor in the latter day, nor do they prohibit what Allah and His Messenger have prohibited, nor follow the religion of truth, out of those who have been given the Book, until they pay the tax in acknowledgment of superiority and they are in a state of subjection.

Here, Allah orders Muslims to attack and kill the so-called 'people of the book' (i.e. Jews and Christians), until they are defeated and submitted to the supremacy of Islam and in willing humiliation, pay Jizya tax to Muslims. Verses 9:29 and 9:5—revealed during the final days of Muhammad's life—are the two most important and finalized teachings of the Koran. They are Allah's declaration of permanent war against Jews and Christians until they are murdered, converted or pay the Jizya tax in humiliation. This barbarism is obviously not fitting of a perfect creator. The true God, having endowed the humankind with intelligence, will let his/her creatures follow their own free will to do good or evil. If at all, God would want all human beings to come to his/her path on their own free will. The thought of extracting taxes—that too, through such brutality—from a section of his/her creatures would never cross God's mind.

In his own words, Allah is a barbaric exterminator of his own creatures, a tax-collecting overlord. Extraction of Jizya is obviously designed for the Muslims to enjoy a good life on the labour and sweat of the Dhimmi. Obviously such actions and attitudes are not befitting of an omnipotent God of moral perfection and pure love for all—regardless of race, religion or creed. These verses can come only from a vilest of human being, worse than even Hitler.

VERSE 4:89 of Apostasy

YUSUFALI: They but wish that ye should reject Faith, as they do, and thus be on the same footing (as they): But take not friends from their ranks until they flee in the way of Allah (From what is forbidden). But if they turn renegades, seize them and slay them wherever ye find them; and (in any case) take no friends or helpers from their ranks;-

PICKTHAL: They long that ye should disbelieve even as they disbelieve, that ye may be upon a level (with them). So choose not friends from them till they forsake their homes in the way of Allah; if they turn back (to enmity) then take them and kill them wherever ye find them, and choose no friend nor helper from among them,

SHAKIR: They desire that you should disbelieve as they have disbelieved, so that you might be (all) alike; therefore take not from among them friends until they fly (their homes) in Allah's way; but if they turn back, then seize them and kill them wherever you find them, and take not from among them a friend or a helper.

Here again, God orders killing of those, who leave Islam for another faith or belief. How could the creator of the universe so merciless, vengeful to his own creations. No father, at least in the civilized world, kills his sons/daughters for their failure to do or be what he wants them to. A true God obviously cannot order murder of any human

beings for whatsoever reason. He would instead try to salvage every life he has created with love. He will try to guide, not order to kill, any person for whatsoever reason. He/she obviously has the supreme power and can guide the deviant ones among his/her creatures just by wishing so. This teaching can only be befitting of the vilest of human beings, abundant in Islamic societies—who engage in honor-killings of their sons and daughters for deviating from their wishes.

VERSE 5:33 of Barbaric Cruelty

YUSUFALI: The punishment of those who wage war against Allah and His Messenger, and strive with might and main for mischief through the land is: execution, or crucifixion, or the cutting off of hands and feet from opposite sides, or exile from the land: that is their disgrace in this world, and a heavy punishment is theirs in the Hereafter;

PICKTHAL: The only reward of those who make war upon Allah and His messenger and strive after corruption in the land will be that they will be killed or crucified, or have their hands and feet on alternate sides cut off, or will be expelled out of the land. Such will be their degradation in the world, and in the Hereafter theirs will be an awful doom;

SHAKIR: The punishment of those who wage war against Allah and His messenger and strive to make mischief in the land is only this, that they should be murdered or crucified or their hands and their feet should be cut off on opposite sides or they should be imprisoned; this shall be as a disgrace for them in this world, and in the hereafter they shall have a grievous chastisement.

Can one comprehend that God would order his creatures to be “murdered, killed, crucified, executed, hands and feet cut off from alternate sides.” Such horrifying tortures of barbaric nature are unacceptable even in the manmade civilized society of our time. How could a God of compassion, love and mercy render such punishment to his/her own creatures? How could one accept such penal codes as the eternal laws of the human society? It is needless to emphasize that such laws cannot come down from the supreme creator. There are many other verses in the Quran exhorting similar punishment of people for no crime at all or for negligible offences. For example,

- Remember thy Lord inspired the angels (with the message): "I am with you: give firmness to the Believers: I will instill terror into the hearts of the Unbelievers: smite ye above their necks and smite all their finger-tips off them." [Quran 8:12]
- Therefore, when ye meet the Unbelievers (in fight), smite at their necks; At length, when ye have thoroughly subdued them, bind a bond firmly (on them): thereafter (is the time for) either generosity or ransom: Until the war lays down its burdens. Thus (are ye commanded): but if it had been Allah's Will, He could certainly have exacted retribution from them (Himself); but (He lets you fight) in order to test you, some with others. But those who are slain in the Way of Allah,- He will never let their deeds be lost. [Quran 47:4]

Needless to say that such punishments did not come down from a deity in heaven, if it exists at all.

Islam's most diabolical, evil teachings

Muslims passport to Paradise: Islam's Paradise is filled with whorish virgins with voluptuous breasts and lustrous eyes. Muslims, blessed with an access to Paradise, will have 72 such virgins to engage in incessant copulation. And Muslim's surest way of getting a passport to Paradise, says Allah, is to get slain while trying to kill the infidels:

VERSE 9:111—Muslim's passport to Paradise

YUSUFALI: Allah hath purchased of the believers their persons and their goods; for theirs (in return) is the garden (of Paradise): they fight in His cause, and slay and are slain: a promise binding on Him in truth, through the Law, the Gospel, and the Qur'an: and who is more faithful to his covenant than Allah? Then rejoice in the bargain which ye have concluded: that is the achievement supreme.

PICKTHAL: Lo! Allah hath bought from the believers their lives and their wealth because the Garden will be theirs: they shall fight in the way of Allah and shall slay and be slain. It is a promise which is binding on Him in the Torah and the Gospel and the Qur'an. Who fulfilleth His covenant better than Allah? Rejoice then in your bargain that ye have made, for that is the supreme triumph.

SHAKIR: Surely Allah has bought of the believers their persons and their property for this, that they shall have the garden; they fight in Allah's way, so they slay and are slain; a promise which is binding on Him in the Taurat and the Injeel and the Quran; and who is more faithful to his covenant than Allah? Rejoice therefore in the pledge which you have made; and that is the mighty achievement.

Here is how the Paradise of Allah looks like:

"As for the righteous (Muslims)... We (Allah) shall wed them to beautiful virgins with lustrous eyes" [Q 44:51-54]

The righteous (Muslims) they shall triumph... Theirs shall be voluptuous women." [Q 78:31-33].

Other verses in the Qur'an—such as 37:40-48, 44:51-55, 52:17-20, 55:56-58, 70-77, 56:7-40 and 78:31—describe the Paradise to be an alluring whorehouse. Additionally, never-molested (virgin) young boys like pearls will be available in abundance in the Muslim paradise (Surat 52:24, 56:17, and 76:19) for the blessed Muslim men to engage in sodomy. For Muhammad—who was a master of indulging in carnal pleasures with a dozen wives and at least two concubines in his harem—would obviously suit such a depraved whorehouse in the afterlife. Allah, in pliant servitude, provided what Muhammad wanted.

The verse 9:111 is the most evil, depraved, diabolical, immoral teaching of Islam. It means Muslims who die while trying to murder the infidels as discussed above will

have the blessed luck of gaining martyrdom and have a strait landing in Paradise for engaging in the lewd, depraved endless copulation with eternal virgins of exquisite beauty.

Playboy, Penthouse and Hustler would make better holy books than the Koran in that the former do not incite murder of any persons whatsoever.

In the laws of Allah as discussed above, infidels are not human beings to Muslims. They have no right to life, who must be killed by Muslims in Allah's cause [Jihad] for gaining Paradise. For Muslims, it is a holy religious duty. In the holy wars of Allah, Muslims must kill all infidel men who have grown pubic hair. The women and children will be enslaved and sold as Prophet Muhammad did with the Jews of Banu Quraiza.

This obviously is barbaric insanity. Islam's God is a depraved, deranged psychopath. He is commander of mass-murder, rape, enslavement and plunder. His inhuman teachings have inspired the slaughter of an estimated **270,000,000 infidels, over the last 1400 years**, by Muslims in their aim to fulfill the teaching of Quran 9:111 for gaining a place in his whorehouse Paradise. Muslim Jihadists did the same on 9/11 ramming the twin towers in New York City slaughtering 2973 people.

The teachings of mass-murder of innocent infidel men and women, their wholesale enslavement, plundering and confiscating their wealth and properties and rewarding the blessed believers with a place in a Paradise of depraved sexual orgy are not befitting of a God of moral perfection—a God of pure love, mercy and nonviolence. In reality, such a God does not exist.

The teaching of Allah only represents Muhammad barbarous personality. Allah was a creation in Muhammad's imagination in his own image. Allah of Quran simply represented Muhammad's own characteristics, personality, desires and ambitions.

In sum, Allah of the Quran represents anything but the ideals of a supreme creator of moral perfection. Allah was no God, period!
