AN EXAMPLE OF HYPOCRISY:

OVER 2000 MOSQUE-CULTS IN GERMANY

COMMIT MASSIVE DECEPTION

The Occasion

On September 19, 2014, after the Friday call to prayers at more than 2000 mosque-cult¹ locations in Germany, leaders of Islamic organizations in Germany held public rallies under the motto *Muslimen stehen auf gegen Hass und Unrecht*² (*Muslims take a stand against hate and injustice.*)

¹ At <http://www.faithfreedom.org/oped/sina50218.htm> there is an exact description with attributes of what constitutes a cult. The description and the attributes apply to Islam 100 percent. The Discussion

The majority of Germans, perhaps all of them, did not realize that there were practically no references protesting the Islamic jihad terrorist group ISIS and their raping, beheadings, and selling of women and young girls. Islamic organizations that participated in nine major cities like Berlin, Hannover, and München, were the *Koordinationsrat der Muslime* (KRM) (Coordination Council of Muslims), the *Zentralrat der Muslime* (ZMD) (Central Council of Muslims an organization representing 28 Muslim organizations in Germany, and the Turkish-Islamic Union *Ditib*, the *Islamrat und der Verbund der islamischen Kulturzentren* (VIKZ) (Islam Council and the Association of Islamic Cultural Centers). There were also representatives of Christian churches, as well as the *Zentralrat der Juden* (Central Council of Jews). In all of the mosque-cult locations the following statement was read:

"Wir erleben, wie Menschen im Namen Allahs Grausamkeiten begehen, andere Menschen quälen, sie aus ihren Häusern vertreiben und ermorden. Sie handeln unter dem Banner des Propheten, zeigen mit ihren Verbrechen aber, dass sie kein Wort davon verstanden haben, was Allah uns offenbart hat und wie unser Prophet nach diesen Geboten gelebt hat."³

("We are experiencing how people in the name of Allah are conducting cruelties, how they are torturing other persons, how they are driving them

³ <http://www.ndr.de/nachrichten/Verbrecher-haben-kein-Wort-Allahs-verstanden,muslime206.html>.

from their homes, and murdering them. They are active under the banner of the prophet, but showing with their crimes that they do not understand one word of what Allah revealed and how our prophet lived according to these commandments.")

All of the Muslim leaders of such Islamic organizations in Germany assured the German public, German politicians, and German news media that the ISIS jihad terrorists, although there were no special references to this group, were actually not Islamic; that terrorists did not represent the Islamic religion (read and understand cult), because Islam is peaceful and has always been peaceful since Allah (the moon god) apparently appeared to the Arab heathen womanizer, child molester, illiterate Muhammad via the Angel Gabriel and dictated the teachings of the Koran to him. Muhammad, if there ever was such a person, (there is no documented proof that he ever lived), thereupon became a prophet overnight. At the same time on September 19, 2014, Muslim associations reminded the Germans that there had been over 80 cases of attacks against mosques in Germany in 2012. Of course, this is also a part of *Muslime stehen auf gegen Hass und Unrecht* (*Muslims take a stand against hate and injustice.*)

The official, general tenor of the positions of Islamic clerics and Muslim officials at the over 2000 mosque-cult rallies in Germany is as follows:

Source: <http://www.derwesten.de/img/incoming/origs6551938/1505649881-w300-h2700-/Ali-Kizilkaya.jpg>

- Ali Kizilkaya, the speaker for the *Koordinationsrat der Muslime* (KRM) (Coordination Council of Muslims), contended that Muslim associations in

Germany had always positioned themselves internally and externally against terrorism.⁴

COMMENT: This contention is always made. However, the reality proves that it is not true.

- Aiman Mazyek, the chairman of the *Zentralrat der Muslime* (Central Council of Muslims) who has a history of saying such-and-such one day and this-and-that on another day, and even so-and-so on yet another day, denounced terror and hate against Jews in the name of Islam. "Wir wollen nicht schweigen, wenn hierzulande aus Rassismus Brandanschläge auf Moscheen und Synagogen verübt werden" ("We do not want to be silent when in this country racism and arson attacks against mosques and synagogues take place.")

COMMENT: Of course including synagogues in the statement is a subtle form of placating.

- Mazyek continues, "... wenn Menschen den muslimischen Glauben missbrauchen, um Unrecht zu begehen. Das sind in Wahrheit Terroristen und Mörder, die den Islam in den Dreck ziehen und den Menschen – auch ihren eigenen Glaubensbrüdern – Hass und Leid bringen, in Syrien, im Irak und an anderen Orten."⁵ ("... when persons misuse Islamic faith in order to conduct injustice, they are truly terrorists and murderers who are pulling Islam into the dirt

and persons – also their own brothers in faith – to whom they bring hate and sorrow in Syria, in Iraq and at other places.")

COMMENT: The structure of the statement is interesting. Nowhere is the word jihad (jihadists) used. Jihadists are soldiers of Allah, Muhammad, and the Koran who are conducting themselves in the path provided for them by Muhammad. A jihadist or mujahedeen is always striving in the way of Allah. They do not murder in the name of Allah, the Koran, and Muhammad. They kill their enemies because it is sanctioned by Allah, Muhammad, and the Koran. The general public and politicians in Germany are not aware of this, at least they do not say this openly. The behavior of Muhammad, which every Muslim (male) should emulate (Females are to emulate Muhammad's child wife, Aisha.) is presented in the Hadith, the relations concerning happenings in Muhammad's life and how he conducted himself. The Hadith, like the Koran, is full of violence, hatred, and racism.

The reference to a person persons misusing "Islamic faith in order to conduct injustice, ... are truly terrorists and murderers" can apply to anyone who is against Islam . Being against Islam is simply misusing Islamic faith. They pull Islam into the dirt (an impossibility considering the content of Islam) as well as their brothers in faith and bring sorrow in Syria, Iraq, and other places (in the world). This is a very general statement that includes all of those people who misuse Islam. Yet, by definition, those who are jihadists and mujahedeen never misuse Islam, only unbelievers misuse Islam. Jihad is an important religious duty of Muslims demanded by Muhammad. They are all part and parcel of Islam!

Symptomatic of the viewpoints of the majority of Germans is as follows:

Source: <http://www.young-euro-classic.de/typo3temp/GB/619f169b75.jpg>

- The German Minister of the Interior (Minister of Home Affairs), Thomas de Maizière (CDU, Christian Democratic Union Party) stated: "Die Muslime zeigen, dass Hass und Gewalt niemals im Namen des Islam legitimierbar sind". ("Muslims are showing that hate and violence in the name of Islam are never legitimate.")

COMMENT: Positions like this taken by politicians and the general public show that they do not understand Islam. All they have to do is to read the Koran. Of all of the suras in the Koran, one-in-twelve contend that Allah hates unbelievers and that Allah will torment them (in Hell). These one-in-twelve hate verses make up 95% of the Koran. Because the Koran says that Allah will do this, there is justification for Muslims to regard an unbeliever's life as being worth nothing in this world. Therefore, the unbelievers can be killed!

- Koran, sura 4:56– "Indeed, those who disbelieve in Our verses – We will drive them into a Fire. Every time their skins are roasted through We will replace them with other skins so they may taste the punishment. Indeed, Allah is ever Exalted in Might and Wise." (Our and We are the formal forms in a style of speech whereby Allah refers to Allah!)

COMMENT: Non-Muslims in Hell will be given thick skin so as to prolong their agony. Once the final stage of their agony has been completed, they will be given a new skin for a new round of torture. Does this make Allah mighty and wise?

The Hadith also includes these facts:

- The Hadith by Bukhari (54:487) - *Someone asked, "O Allah's Apostle This (ordinary) fire would have been sufficient (to torture the unbelievers)," Allah's Apostle said, "The (Hell) Fire has 69 parts more than the ordinary (worldly) fire, each part is as hot as this (worldly) fire."*

COMMENT: In other words, ordinary fire isn't hot enough to torture non-Muslims. Therefore the fire in Hell is 69 times hotter.

- Bukhari (59:727) - *Allah's Apostle [said]... "Allah's curse be on the Jews and the Christians"*

COMMENT: This was spoken on Muhammad's death bed, and was one of the last things that he ever said.

- The Hadith by Ishaq 240. "The Jews are a nation of liars.... The Jews are a treacherous, lying, and evil people."

COMMENT: This is Islam's tolerance!

The pioneer of nearly every atrocity that the world has experienced and is now experiencing by the hands of ISIS and jihadists is Muhammad!

The activity on September 19, 2014, was an excellent presentation of Islamic deception. It goes without saying, yet I shall say it to be emphatic, that statements by religious leaders and functionaries are taken at face value 99.9% of the time. Such persons want their religion – in this case cult, because it is Islam – to be understood. Islam leaders and functionaries will make sure that Islam will be understood in the most positive way because they will take advantage of the unbeliever's ignorance and will they will make sure that the unbelievers retain their ignorance. There are a number of tactical methods used by Islam to assure that this ignorance is everlasting until Islam conquerors the world. Primary among them are:

- Answering questions with questions, usually about something that is not the subject at hand.
- Being against terrorism but being pro-jihad.
- Being hypersensitive; e.g. getting emotionally upset when hearing the word *crusade*.
- Blaming the West for the apparent, but not truly negative aspects of Islam. If it were not for the unbelieving West, there would be no negativeness.
- Claiming that a position against Islam is not logical although it is logical.
- Claiming that Islam can be only understood in Arabic.
- Claiming that Islam has a lot in common with countries in the West and that Islam has contributed to the advancement of Western Civilization. (Well, Islam did kill hundreds of millions of people throughout history!)

- Claiming that true Islam does not yet exist.
- Committing blasphemy against Islam if it will assure that Islam advances.
- Diversion and changing the subject; e.g., talking about how evil Israel is to the Palestinians while denying that Palestinians commit atrocities against Jews. Palestinians are only defending themselves.
- Islam placing itself on the defensive in order to solicit sympathy.
- Lying and half-lying.
- Making public claims which in private are the opposite, such as Christianity is good, yet in private Muslims claim Christianity is evil.
- Revising history by claiming an untruth or stating that Islam has made valuable contributions to historical development.
- Semantics; e.g. using words that have various meanings in the context of Islamic law. An excellent example is the phrase *innocent people*. In Islamic law and the Koran, the only innocent people are Muslims! The same holds for innocent person.
- Stating that Islam is peaceful but not stating that peaceful Islam will come only when Islam controls the world.
- Use of Arabic terms that are not common in a foreign language and claiming that there is not really an equivalent word in another language.
- Use of dual meanings and doublespeak, e.g. using the word *murder* instead of *killing*, or denying that Islamic countries allow *slavery*, or rather *voluntary service*. The workers have contracts but wages are not listed in the contracts.
- Using false statistics and misrepresenting valid statistics.

Conclusion

Summa summarum, all of the above tactics are dependent on and use the ignorance of the non-Muslim. The Koran is the wisest because it comes from Allah, who gave the knowledge to Muhammad, who placed it in the Koran for Muslims and not for unbelievers.

Concerning the rallies of the mosque-cult action day of September 19, 2014 in Germany under the motto *Muslimen stehen auf gegen Hass und Unrecht* (*Muslims take a stand against hate and injustice.*) we can say that the Islamic, Christian, and Jewish communities along with German politicians, the German media, and the gullible Germans were and still are in a state of "*Friede, Freude, Eierkuchen und Beifall*"! (Peace, Joy, Pancakes and Applause!)⁶ This is exactly the result that the mosque-cults intended.
