I greet **OBAMACONSPIRACY.ORG** as an American Patriot!

Did I insult **OBAMACONSPIRACY.ORG**?

Albeit, I am disappointed in **OBAMACONSPIRACY.ORG**.

I am not on your birther list!

I have always believed that Barack Hussein Obama, if that is his real name, is a fraud. Everything he does is fraudulent.

I am a birther, an active birther.

I am a natural born citizen of the United States of America. Obama is not a natural born citizen of the United States of America.

The only thing natural about him is his ability to lie. He sleeps lying. He awakes lying. He conducts his sexual relationships lying. His whole life is a lie.

Being a Patriotic American I should be on the **OBAMACONSPIRACY.ORG** list. I challenge you to place me on the **OBAMACONSPIRACY.ORG** list.

Every American Patriot should be on the **OBAMACONSPIRACY.ORG** list.

Because Obama's birth records proving that he is a natural born citizen of the United States of America are non-existent, he should be non-existent. The sooner the better. He deserves the ultimate censorship after being tried for treason and convicted.

List me please! Please place me on the **OBAMA CONSPIRACY.ORG** list. Fulfill your responsibility as a Progressive, Obot, Liberal, Dumb-downer, Socialist/communist!

If I am not placed on the **OBAMA CONSPIRACY.ORG** list, **OBAMA CONSPIRACY.ORG** is not brown-nosing Barack Hussein Obama.

You can reference me as an active Academic, Author, Birther, Essayist, and Lecturer!

Should **OBAMA CONSPIRACY.ORG** decide not to list me, then the **OBAMA CONSPIRACY.ORG** list is incomplete and therefore faulty.

Indeed, it would then be akin to the **OBAMA CONSPIRACY.ORG** list being a lie about birthers.

Of course, we all know that Obama and his goons do not lie. They just never tell the truth!

I implore **OBAMA CONSPIRACY.ORG** to place me on the Birther List.

Should **OBAMA CONSPIRACY.ORG** require more information, this can easily be retrieved from the Internet. I am very proud of what I write and about what I lecture.

It would be an honor for me and for every other American Patriot to be on the **OBAMA CONSPIRACY.ORG** list.

Truthfully,

Frederick William Dame

Patriotic, Steadfast, and True
