

FREDERICK WILLIAM DAME

BACK TO THE GOOD OL' DAYS

PRESENTATION

It is not often that a politician who was in government in Washington, DC for 47 years writes an open letter to the public. The following message is from Joe Biden, the self-proclaimed-lamestream-media-supported-uncontested-honest winner of the 2020 presidential election.

The letter is in the original orthography. Should the reader of this letter from Joe Robinette¹ Biden notice any grammatical errors, they are not my errors. They are from Mr. Biden. He's the author of the letter. Yes, the mistakes are Mr. Biden's mistakes, although he would claim that there are no mistakes in the letter because he has the highest IQ of any person who ever lived.

In a telephone conversation with me after he "won" the election, Mr. Biden assured me that everything he states is the truth because as a good Democrat and Roman Catholic, he never lies.

Mr. Biden says that he has good news for Americans. He will make his presidential cabinet look like America. The truth and irony behind the statement are that such a cabinet will include more than 50 percent Trump supporters.

When Mr. Biden refers to Barack, he means Barack Hussein Obama, also known as Bigot Obama (DPP), the 44th President of the United States of America.²

HEAR YE! HEAR YE! HEAR YE!

**I HAVE RECEIVED: A PUBLIC NOTICE LETTER TO ALL AMERICANS WHO LIKE THE RESULTS
OF THE FRAUDULENT PRESIDENTIAL ELECTION 2020 AND
WHO WANT MORE OF THE SAME**

¹ Pronounced *Robbin' it*.

² DPP are the initials for Democrat Party Prick

OFFICE OF THE FRAUDULENT
PRESIDENT OF MAJORITY CHOICE
JOSEPH ROBINETTE BIDEN
THE BASEMENT

SUBJECT: FRAUD IS BACK

MAKE AMERICA FRAUDULENT AGAIN AS IT WAS UNDER BARACK³

Com' On Man. Hey Man. Back to the Good Ol' Days.

Our political cry is: Make America like Democrat-run California, instead of MAGA.

On January 20, 2020, my Fellow Democrats and I will be so happy when I, Joseph Robinette Biden, will become the 47 President of the Former United States of America. Finally, freud will be official as it was when my friend and mentor Barack Hussein Obama freudently became the 44th President of the then United States of America. No, we will be not be happy. We will be eggstatic and enthroned. On that day, all true Americanism running the spectrum from Antifa and Black Lives Matter through Morons (myself included) Against The Republic to Zombies Who Always Vote Democrat in Erections will be united together into one family of Haters of America.

As I have said, "... we have put together — and you'd [sic] guys, did it for our, the president Obama's administration, before this — we have put together, I think, the most extensive and and inclusive voter fraud organization in the history of American politics."⁴ I feel sorry for Hillary who lost the presidential election in 2016 to, what's his name? oh yeah, The Donald. I agree with her that "Why didn't I win against The Donald? If my surrogates had put as much effort in committing fraud for my election we would not have The Donald as my replacement. Only 10 percent more fraudulent votes whould have secured my fraudulent election. I sure would like some answers

³ *Barack* is the sound one makes when vomiting.

⁴ <https://www.breitbart.com/politics/2020/10/24/joe-biden-touts-most-extensive-inclusive-voter-fraud-organization-in-history-of-american-politics>, accessed on 4 December 2020./

from Dominion Voting Machines and their software programmers from China, as well as my Democrat slaves."

Well, dear Democrats who voted freudently in 2020, although 30 persense freudent votes were produced against The Donald's true voting results in 2016, it wasn't enough. This time for me the persensage was increased to a 53 persense freudent voting rate that was taken from The Donald's correctly counted votes. This time the persensage hit the target: victory for me Joe Biden. I want all freud-loving Americans to believe in me and know that I Joe Robinette Biden stole this erection fairly and squarely. The Donald and his so-called honest supporters are dreing to take away from me what I I I have honestly and justly stolen. The mainstreeam lying media like CNN and its dope liar Don the-puckering-up-sour-fruit and the other hack media that we paid off will vouch that I, for the fact that we honestly stole the erection. Now it is time for us all to come together for a new Former United States of America.

I tell you, we harvested millions of of, what are they called? Oh yeah, votes from old and ded people. We filled out truckloads of fake ballads with no signatures. We and Dominion Voting Machines with software that Chinese goons developed so that votes for The Donald were given to me. More than that we had financial and psychological assistants from China and I ran through agreements with my son, a known criminal Hunter. We worked hard to steal this erection and we'll not allow it to be taken away from us. The clam that my erection freud is a criminal act is baseless and without merit. Our pro-freud state courts will decide for me and my freud.

It is time for Americans to go back to the days of yore like it was under the Barack regime of which I was a criminal part. Yeah! We can now go back to those good ol' days and I now number my priorities.

1. Continue with the politics of pay to play ... or is it play to pay?
2. Hand out metals and bresidential zitations to people who don't deserve them.
3. Make the middle class and the lower classes pay more daxes. I'm going to bring higher daxes and higher regulation; and have a 40 percent capital gains dax; and have more Obamacare daxes so that everone will be hit.
4. Assure that costly Obamacare is fully implemented.

5. Continue to do what our buddy George Soros wants us to do. For example, nominating Patrick Gaspard, the head of Soros's Open Society for my cabinet position, likely the head of the heads and George's mole in my government.
6. Continue to destroy the American economy like Barack did.
7. Place the Former USA in sick weeks of complete lockdown because of corona, even though it is a fine beer.
8. We'll give enema awards to murdering governors like Andres Quomo.
9. Praise Democrats for their servitude to me, the Leader of the Pee-ons and the Fadderland.
10. Allow illegal immigrants into the country.
11. Give China preferred country status. We will seek China's material help and rich experiences to contain the infectious non-existent disease and rescue the American economy into failure which is equally important for the new US government. The buying power of Chinese businesses and Chinese households should never be diminished or looked down upon. We won't trample on Chinese people's bottom lines, otherwise they will bite our outbacks. I'm all for China wanting to see America weakened and unable to lead, unable to fight and unable to compete.
12. Sign any agreement that China and Russia dictate to us.
13. Close our embassy in Jerusalem and revert to the status of Israel before 1900, and degrade Israel as a nation-state into non-existence. I was a member of the Obama regime and supported undercutting Israel's ability to exist as a nation. Barack and me were the masterminds behind these efforts. Also, I am proud to have Linda Sarsour and the Representatives Tlaib, Omar, and AOC (I forget her other name) as my advisers on Israel. They are true freedom fighters!
14. Allow Muslim cultural enrichers into the country, as many who want to come or who are sent by Islamic regimes. On my first day I will allow 11 million to come to the USA.
15. Allow Josephs to become Josephines at the government's expense and present them as future he/she/it candidates for public office to be excreted in by a fraudulent system.

16. Do away with the *natural-born citizen clause* so that Camel can become a legal freudent vice-president and make Barack a legal President after the fact. That he would like.
17. Do away with the US Constitution because it is only a piece of paper.
18. Make erection Freud the standard political procedure.
19. Sell off our natural resources to Russia and China like Hillary did with Uranium.
20. There will be billions of profits and kickbacks for Hunter and me because we deserve it.
21. Make the Former United States of America a colony of Venezuela.
22. Replace the *Declaration of Independence* with the *Communist Manifesto* and endorse it as our ground-paving ideological document.
23. Register all dead voters so their voices will ... will be heard from their graves.
24. Give Democrat voters who live in Hotel Mamas a life-long pension for doing nothing except demonstrating for us.
25. Do away with the Supreme Court because in our just and honest freudent country there is no need for such a court of law.
26. Make my demented will the law of the land.
27. Continue all Obama politics and scandals and increase them.
28. Recognize Hollywood actors and actresses as eternal erection Freud supporters.
29. Spread more honest taxpayer wealth around for Democrats because we now sit at the source of money.
30. Dictate to companies what they are supposed to do.
31. Obey China's suggestions.
32. Make the homeless live in cellars that will be renamed Biden Basements for the homeless. They will be paid government subsidies to pay their rent for the basements which belong to me and Hunter.
33. Put Islam in the White House because Islam is bestful and tolerant.
34. I will make sure that relationships will be reinstated with Iran and give them bribe money like Barack did. Iran can then use the money to defend itself with highly-regarded jihadists.

35. I will make sure that the government will again join the Paris Environmental Accords because it is a good money-making scheme for the Democrats and peccuilarly for me and Hunter.
36. I will make sure that in the first year of my regime we will surpass the scandals that Barack and I created.
37. During the summer I signed preliminary agreements with China to outsource to them all ... all American computer and software developments and merchandizing. I will sign the final contracts with China on my first day in office.
38. On my first day in office I will create a Department of Sniffing Children and Accosting Women. to document my activities like I did with many young girls when I was Vice-Bresident. and when I accosted Tara Read, ya know who I mean.
39. I take credit for the non-existence of so-called financial scandals of Hunter who worked hard when I was of Vice-Bresident during the Obama years.
40. I also take credit for the economic growth in the Former USA that began under Barack.
41. I take credit for a record 11.1 million jobs were created in the summer and fall that began when I was Vice-President.
42. I take credit for making the Former USA az energy exporter that began when I was Vice-President.
43. I take credit for the positive diplomatic developments in the Arab nations. which becan under Barack and me.
44. I take credit for the coronavirus vaccine research through Operation Warp Speed.
45. I am proud that the news media slanted their reports in my favor.
46. For American companIES I WILL UNDER TAKE THE FOLLOWING I'm going to – we're going to impose the – we're going to enforce the – excuse me. employ the defense. reconstruct the act. To be able to go out there and dictate companies build and to following things.
47. I don't think monuments are worth their keep. They don't pay daxes.
48. Islam will be the national required religion alongside Marxism/Kommercial-Communism.

49. Camel will make all decisions when I'm taking a nap or sniffing little girls. I'm thinking about making this a required national past time.
50. I believe that pets should have more rights than children, because they are easier to take care of.
51. If you didn't vote for any one but me than you ain't black.
52. I thank all deplorables who erected me.
53. I see only cents in having freudent erections. The other erections are not worth the money.
54. A favorite motto of mine is: If at first you don't suck seed, dry and dry it again.
55. For a price Hunter and I will sign agreements with the Marfeeja.
56. I'm thinkin about erecting a monument to Fidel in Myamie.
57. When I'm bresident, Covid-19 will immediately stop. I will give it no green lites!
58. Violet demonstrations will stop. I will give it no green lites!
59. Tournadoes and Hurry caines will stop. I will give it no green lites!
60. Environmental bollutschen will stop. I will give it no green lites!
61. I will give all lands that originally belonged to the aboriginees and the original Muslim settlers of America back to them.
62. I will demolish Mt. Rushmore so that The Donald won't have an image there.
63. I thank the vomiting erectorate for their regurgitating support.
64. I will not repair any roaches and breeches so that people will have to stay home.
65. I will assist Iran in their obtaining the atomic bomb because this will be a defense against Israel.
66. I will introtuce legislation that will require Dominion Voting Machines be used in all erections of the Former United States.
67. I hereby stete that I will lalways have a malicious disregard for the truth.
68. I thank China and Iran, ACORN, Belgrade and Serbia, and the CIA for materially interfeering in my erection.
69. I thank China for developing their biological weapon that we Democrooks used to control the American voters.
70. I thank all of the swinging states for recounting all of the illegal, ineligible, duplicate, fictitious ballads in my favor.
71. A vote for me was a vote for crypto-fascism.

72. We will replace the Former USA with a modern feudalism where only elites matter.
73. I'm proud that the Democrooks will walk their boots up your fuds.
74. Under me and Hunter, and the Democrooks, financial corruption will be bouyant.
75. I will change my dog Major Biden into a cat and name her Majorette and give both of them the Medal of Freedom.
76. I will be transparent in everything I do including with the mainstream media that helped me in the erection. All secrets of the government I will make public and to America's enemies.
77. I think that all Americans should wear an ankle brace, preferably electronic, so we can all identify with each other.
78. Hunter and I will invest in a Chinese chopsticks production plant that will make billions in exporting chopsticks to the rest of the world after we have decreed that knives and forks will no longer be used.
79. I herewith say that I'm the right man for the job because I am willing to prostitute myself for the money.⁵
80. I'll help to make Democrat Party Freud always available. You will like it because it is the best ballad Freud.
81. I thank Bigot Barack for everything he taught me.
82. I thank Nancy Pelosi and her Chief of Staff and Diane Feinstein who supported me in my basement and have no conflicts of interests.
83. Hunter has suggested to me that we open a Democrat Party Chain store to sell ballads for Democrooks campaigning for public office. This would be a very good extra income for me and Hunter. We will name it *The Democrat Party Scam Shop*.
84. I plan on keeping Christopher Wray as head of the FBI. I know Chris will not investigate my son Hunter. And ... we corrupt criminals must stick together.
85. I will give Ruby Freeman of Atlanta, Georgia who worked in the State Farm Arena tabulating my votes. I'll appoint him to a special advisory position. She knows how to hide cases, suitcases, and boxes full of illegal ballads and to process them illegally for me. Her office will be called Ruby's Rerouting Office.

⁵ Mr. Biden stated this in his early years as senator. <https://videos.whatfinger.com/2020/12/02/theyre-in-too-deep-now-greg-kelly/accessed> on 2 December 2020.

Ruby is a great anti-American patriot. She deserves a guaranteed monthly income for the rest of her life.

86. I will nominate Xavier Becerra the Attorney General of the great Democrat chaos of California to be head of the Department of Health and Human Services. She will insure that all illegals in the Former USA and those who want to come will be taken care of in exchange for their lifelong vote for the Democrats.
87. I will sign an affidavit that I broke my foot tripping over a rug that was playing with my dog who was half naked after taking a rugby-doggy bath.
88. I will undergo skin color change and become brown or black because we Democrooks don't need white people leading us.
89. Within the first few months of my presidency I'll catch a disease from my cabinet and resign so that the Former USA will be better off.
90. On my first day in office I will nominate Georgia Secretary of State Brad Raffensperger as the head of my re-election campaign in 2024. Should I pass away in the meantime, he will make sure that I'm re-erected anyway.
91. I thank my campaign workers in Nevada for giving the Indians there trinkets for their ballads for me.
92. As the next President, I will immediately sign a directive doing away with the Stars and Stripes as the American flag. The new American flag will be a White Flag!
93. I will officially commend our new ownership, the CCP who already own the CIA, the DOJ, the FBI, Homeland Security, California, and Disney. The CCP have promised me and Hunter a billions dollar financial money transfer to your Chinese bank account.
94. I will institute the following motto for Americans to learn by heart. It is from me and Camal's favorite leader Joseph Stalin: "It is enough that people know there was an election. The people who cast the votes decide nothing. The people who count the votes decide everything".
95. It's a right for everyone to have bradschesattweizen. Ya know the thing! ZZZZzzzz!
96. I'm a pretty good cook. One of my favorite dishes is putting toast in the toaster.
97. In the first five minutes after taking the oath of offices, I will sign a decree decreeing marshall law to force freedom-loving Americans to accept me as their

legal, honestly, and squarely elected President. As a result the Constitution will be abandoned and there will be no more Bill of Rights.

98. The New World Order is my Democrook Party, the political party that knows how to commit erection fraud. With us erection fraud is the new normal. Three cheers for erection fraud! Bi Den, Bi Den, Bi Den!

99. Before I forget, oh what did I want to say before I forgot ... Oh ja. I want to thank the Chinese the CCP for printing 5,000,000 ballads for me and my erection: *xiè xiè nǐ bāng wǒ!*

I have to stop now. I don't know what the next number is. I do know this is only a small list. I will add to it and begin with number 1 again, and decree them into law at my whimper. The list could continue forever because there are so many honest and legal ... you know what I mean ... things ... that we Democrooks are proud of.

Now let me say some words about some members of my future servant cabinet.

I am proud of my non-natural-born citizen Vice President running mate Kamel Harris who is a superb progressive communist.

I nominate Tony Blinken as my Secretary of State. Tony has extensive egg experience and conflicts of interest in gathering processing and transmitting defense information to China and the Ukraine via Hunter. This was the prime condition for my selecting him. He was my aide on the Senate Foreign Relations Committee and my dope foreign affairs adviser. He was deputy secretary of state during the Barack's regime, as well as deputy national security advisor. He worked for my Penn Biden Center at the University of Pennsylvania and helped me to secure Pennsylvania votes, illegally. He egg experienced and played silent roles in the scandals of the Barack regime. His qualification is that he is in the tradition of Hillary and John Kerry-on, the former Secretaries of State who never made a mistake because they are masters of fraud and lying.

I nominate Reema Dodin as my Legislative Director. Reema who is of Palestinian Arab descent has experience in justifying suicide bombings. She is perfectly two-faced. These two advisers are extremely peaceful and tolerant.

I nominate Shuwanza Goff as my new Deputy Director of the White House Office of Legislative Affairs. She is familiar with affairs. She knows a lot about money, which is important to me and my son Hunter.

I nominate Linda Thomas-Greenfield as Ambassador to the United Nations. Linda is pro-globalization.

I nominate Eric Garcetti of Los Angeles to be a member of my parliament because she is actively involved with BLM.

I nominate Avril Haines as Director of National Intelligence: Avril is a former deputy C.I.A. director and former deputy national security adviser. He held several posts at Columbia University since leaving the Obama regime. I'm proud to have her as my sister.

I nominate Alejandro Mayorkas as Director of Homeland Security. Under Barack Obama he negotiated new understanding politics with Cuba. A perfect Communist country. He will ensure that good relationships exist with communist countries. I'm proud to have him as my neighbor.

I nominate Jake Sullivan as National Security Adviser. Jake was deputy chief of staff to Secretary of State Hillary Clinton and as an adviser on national security issues to Vice-President Biden and he co-founded National Security Action, a left-leaning policy advocacy group that opposed the Trump administration's foreign policy. Finally national security will be progressive under his directorship.

I nominate John Kerry as Special Envoy on Climate. John is an honest politician who will stop climate change. He will do yeah anything for a cabinet post. I'm sure he'll be very unsuccessful at everything he does.

Jennifer Rene Psaki will be my White House Press Secretary. I officially recognize her as Russia's, China's, and CNN's mole in the White House. Her favorite color is pink and her tools are a hammer and sickle. These are his qualifications.

I nominate Janet Yellen as Treasury Secretary. Janet is anti-laissez-faire. She is a labor economist who believes that government regulation and intervention are required to ensure that markets run efficiently. I'm proud of her as my once upon a time wife.

I nominate Elizabeth E. Alexander as the Communications Director to my sister Jill, the new First Lady and an judicial expert on sniffing.

I nominate Kate Bedingfield as the White House Communications Doctor. She will communicate anything I and Hunter want her to communicate.

I nominate Ashley Etienne as Communications Doctor for Vice-President Harrisment She knows how to harrass people with communications.

I nominate Karine Jean-Pierre as Principle Deputy Bress Segredary. As a former worker for the American Civil Liberties Union, she has gained an expert on taking away civil liberties.

I nominate Symone Sanders as Senior Adviser and Chief Spokesperson for the Vice-President. She is old enough to be a Senior Adviser.

I nominate Pili Tobar to be White House Communications Doctor. She took many pills to know how to communicate.

I nominate Neera Tanden as the future Doctor of the Office of Budget and Management. She knows all of the tricks about how Hunter and I can make more dishonest money.

I nominate George Sorrows to be my private financial backer. George knows how to buy off people.

All of my choices are non-political and they know how to lie like good Democrooks. They will be good with people who have weak minds, like the MSM reporders.

They represent what freudent America is and a return to the good ol' days and a much deeper Washington Swamp.

I thank the more than 100 persense of voters who voted for me. I want to thank the massive crowds that attended my campaign rallies. They totaled a fantastic number, more than those of The Donald – in fact 84. I thank the Democrook Party. I thank the crowd of 4 people who welcomed me home for Thanksgiving.

Before I close out this letter I must make a remark concerning the GSA and plagerism.

Even though the General Services Administration has told me. "that Section 6 of the Act imposes reporting requirements on (me) as a condition for receiving services and

funds from the GSA." I will disregard it because it discriminates against me and my surrogates. It is only a law anyway.

I do not plagiarize. I copy sentences and then place them on my own paper. Therefore, the copied information is my information. I have never plagiarized.

We place our trust in Marx. Let's all be in paradise with my new *Gleichaltung*.⁶ I thank you for your attentions. In closing let's sing the following ballot song with joy:

Fraudulent Days Are Here Again

Fraudulent days are here again!
The skies above aren't clear again.
Let us sing a song of crime again.
Fraudulent days are here again!

Altogether shout it now.
There's no one who can doubt it now.
Let us tell the world about it now.
Fraudulent days are here again!

Your cares and troubles aren't gone.
There'll be much more from now on!

Fraudulent days are here again!

⁶ I'm not sure Mr. Biden knows what *Gleichschaltung* Means. The English meaning of the German word/concept is "equalization". However, this is not what the Democrats or Mr. Biden and his lackeys want. *Gleichschaltung* occurred under Adolf Hitler. It was a legally implemented system whereby he wanted all aspects of German life under his control. The best description of *Gleichschaltung* is my translation of the concept as presented by Wikipedia at <https://de.wikipedia.org/wiki/Gleichschaltung>. "In the political and cultural context. *Gleichschaltung* refers to a strategy that gained central importance especially during the National Socialist era. From the 1930s onward, the word referred to the process of unifying the entire social and political life during the Nazi state's conquest of power. By 1934, the goal was to abolish pluralism in state and society. which was understood as a split and to establish a dictatorship with only one center of power.

The aim of the *Gleichschaltung* was to reorganize all areas of politics, society and culture in accordance with National Socialist ideas. This resulted in the integration of many existing organizations into the Nazi associations. For organizations and institutions whose existence was not questioned, *Gleichschaltung* essentially meant three things: the elimination of democratic structures in favor of the *Führerprinzip* (Leadership Principle), the implementation of anti-Semitic principles by removing Jews from leading positions or completely expelling them from the organizations, and a complete or partial change of leadership in favor of supporters of the new regime. In the end, the political will was formed solely by the Führer Adolf Hitler, whose will alone embodied the true will of the people in the National Socialist view. Either the *Gleichschaltung* was carried out on instruction or in anticipatory obedience (so-called *Selbstgleichschaltung*. e.g., such as that undertaken by the Deutscher Hochschulverband (German University Association). Deutscher Richterbund (German Judges Organization), etc.). Other associations and organizations reacted to the pressure by dissolving themselves without replacement and terminating their activities.

In principle, this meant the restriction or loss of individual personality or the independence, maturity, and freedom of a person through rules and laws and other measures to assimilate and unify the masses.

The skies above aren't clear again.
Let us sing a song. Cheers again.
Fraudulent days are here again!

So long sad times. So long Trump times.
We are rid of you at last;
Howdy gay times, cloudy gray times
You ain't now a thing of the bast.

Fraudulent days are here again!
The skies above aren't clear again.
Let us sing a song. Cheers again!
Fraudulent days are here again!
Your cares and troubles are gone
There'll be no more Trump from now on!

Fraudulent days are here again!
The skies above aren't clear again.
Let us sing a song. Cheers again!
Fraudulent days are here again!

Yes, let's go back to the good ol' days when Democroocks and Republicans did nothing
but get their monthly checks paid for by the pee-ons!

Finally, I present yoa'll with my favoride poor trait. I want it hung in the White House
where all of the other gereat Democrat Bresidents are hung.

li tells the viewer everything about me and my suggesful campaign in ... in a nutshell.
(What's a nutshell?)

I wish everybody freudent times!

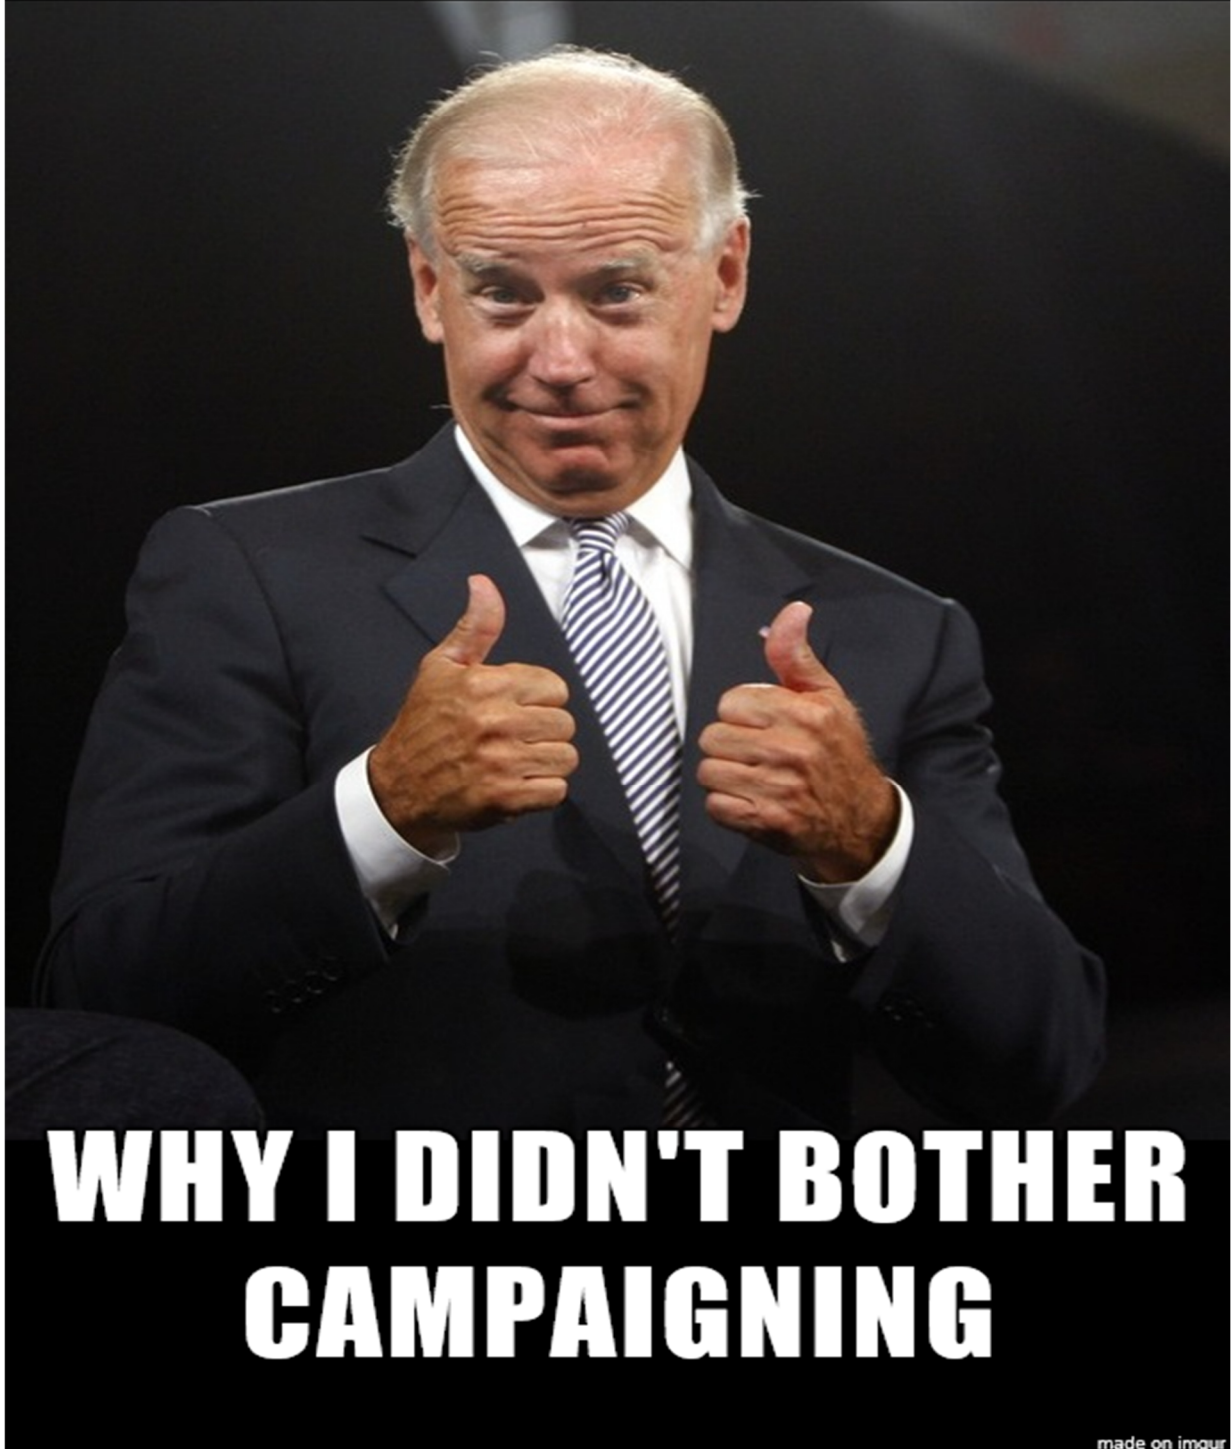

I'm Joe Biden and I approve this letter.

Your devinefader,

The dementing, fraudulent. Robber Baron Joe (Robbin' It) Beijing Biden!

Office of the Fraudulent President

NOW YOU KNOW

Source: <https://i.imgur.com/aai8KcL.png>

American patriots! Do not be proud of your fraudulent-want-to-be 'President! Protest in the millions! Do not allow – as Mr. Biden symbolizes – the Democrooks to destroy the United States of America. Mr. Biden is the symbolical figure of the DemocRAT Party Horror and Treason show!

Methinks Mr. Biden, with his *freudent erection*, is trying to learn Chinese pronunciation of English. I thank Mr. Biden for his scum honesty!

Speaking of scum, I quote BigFurHat of IOTWReport:

"It's time to start calling out Joe Biden for being nothing but absolute scum. Does this ass really think he legitimately received the most votes ever for a presidential candidate? There was zero enthusiasm for this dope. Trump received a stunning amount of support by minorities. He far outpaced his 2016 vote count. Even the messiah, Obama, couldn't do that, falling woefully short of his 2008 total in 2012.

I know he is an egotistic blowhard, but it's impossible to be THAT much of a clueless ass.

The evidence for fraud is stacked a mile high, yet, he's just forging ahead as if this election hasn't been the worst moment in American history.

He, single-handedly, will be creating a divide in this country that will irreversible.

His calling for unity is vomit-inducing. He is a fraud, he knows it, and is not at all interested in examining the evidence. He will turn a blind eye, usurp the will of the people, align himself with evil and pass up the chance to be a patriot and a hero, ascending to the ill-gotten position of most important man in the world.

That's what scum would do."⁷

In closing, I herewith proclaim that a true Democrat's motto is.

HAPPINESS IS WINNING FRAUDULENT ELECTIONS

HONESTLY AND SQUARELY
