## CENSORING OBAMA

### EPILOGUE

An epilogue is "a short addition or concluding section at the end of any literary work, often dealing with the future of its characters."<sup>1</sup> The purpose of this epilogue is to report additional information concerning the list of unusual and unresolved deaths that have happened before and during the putative Barack Hussein Obama regime.

On April 10, 2013 this author's essay *Censoring Obama* was posted on Don Fredrick's *The Obama Timeline* at <http://www.colony14.net/>. The direct link is <http://www.colony14.net/sitebuildercontent/sitebuilderfiles/censoringobama.pdf> On April 11 2013, the essay was posted and on RightTruth. The link is [http://righttruth.typepad.com/right\\_truth/2013/04/censoring-obama.html](http://righttruth.typepad.com/right_truth/2013/04/censoring-obama.html). On pages 25 to 29 of *Censoring Obama* this author presented a list with documentation relating to unusual deaths of persons who at important times were associated in one way or another, intimately or remotely, with Barack Hussein Obama. *Censoring Obama* has had only a few days of publication. One reader, the award-winning author Joan Swirsky, has provided the author with a *Nachumlist* (Posthumous List) of persons who were connected to the Obama White House but are no longer living. Some of the names are the same that appear on this author's *Censoring Obama* list referenced above. Many are not on the list in *Censoring Obama*.

At the time of writing the essay *Censoring Obama*, the author was unaware of the *Nachumlist*, which is repeated in its entirety below in order to give the reader more information. The link is <http://www.nachumlist.com/deadpool.htm>, which is part of <http://www.nachumlist.com/>. The persons involved in researching and composing the *Nachumlist* are to be commended for their work. At the same time, so-called neutral (of course, pro-Obama) internet sites like <http://www.snopes.com/>, <http://www.huffingtonpost.com/>, and all of the enemedia (enemy media) who praise themselves on their capability to debunk urban legends, but who are also part of some of the legends that they debunk, will claim that none of the persons listed underwent an unusual Obama-regime-related death. We have seen the epitomé of this idiocy in the reporting of the killings of Ambassador to Libya **J. Christopher Stevens**, **Sean Smith**, the United States Foreign Service Information Management officer, and two embassy security personnel, the former Navy Seals **Glen Doherty**

<sup>1</sup> William Morris, editor, *The American Heritage Dictionary of the English Language*, Houghton Mifflin company, Boston: 1976.

and **Tyrone S. Woods** in the Benghazi, Libya terrorist attack that was blamed on irate Muslims who were angry over a not-even-two-bit video criticizing Mohammed.<sup>2</sup>

This author does not claim that the *Nachumlist* is without deficiencies and discrepancies. There is no possible way and research method other than scouring the internet for this author to certify the veracity of the list to any small extent. The readers must decide for themselves.

Concurrently, if only one of the unusual deaths was committed by the Obama regime's censoring policy and assassins, then that, coupled with Barack Hussein Obama's penchant for ordering drone killings,<sup>3</sup> would tell us: *The joy of killing! The joy of seeing killing done – these are traits of the Barack Hussein Obama regime.*<sup>4</sup>

Which means that it was actually written and composed hours before that. State Department press releases in the Secretary of State's name aren't written and released without all kinds of "approvals" and process.
