CROOKED RATIONALIZATIONS ABOUT POLITICS

An Open Letter to the Journalist and Blogger Andrew Sullivan

Dr. Andrew Sullivan!

As a British journalist and blogger living in the United States of America, you should be ashamed of yourself. There are many epitomés of crooked rationalizations about politics. You have formulated two of the worst. They are:

Firstly, you, Dr. Andrew Sullivan, made the preposterous claim that Trig Palin, who has Down Syndrome, was most probably a child that was born to Bristol Palin, the daughter of the former Republican Party Vice-Presidential candidate Sarah Palin. You claim that Trig Palin is the result of a faked pregnancy and that Sarah Palin faked the pregnancy for the purposes of protecting Bristol Palin, for the purposes of political gain, and for a number of other reasons, none of which you can prove. You wrote, "So she is either a self-serving drama queen who didn't realize her story would imply she put her child ... at great risk and then winged it to make her story more plausible; or she is a fantastic hoaxer and liar at a world class meshugana level that, at some point, will make Weingate look like a damp squib."¹ That is quite a mess of contorted rationality concerning an innocent child. Indeed, your position is an insult to a baby boy who cannot defend himself and the mother who gave birth to him. With this concocted crap you, Dr. Andrew Sullivan, have reached about the lowest rung on the ladder of human behavior.

If anyone is *meshugana* (crazy) then it is you Dr. Andrew Sullivan. Trig Trutherism is nothing more than a continuation of the left's conspiracy against patriotic Americans. Of course, being British, you would not understand American patriotism

¹ <http://andrewsullivan.thedailybeast.com/2011/06/the-day-trig-was-born.html>

anyway, to say nothing about Sarah Palin's love for her son. At least Trig was born and not aborted like 1.2 million other American babies.

Yiddish is a beautiful language! Regarding Yiddish and being born: this author poses the following question:

Is your presence in the world the result of *Ahftseloches* (ahf tseh luh chass = inevitable bad luck)?

This is not an insinuation. It is only a question.

You say that, "All I have done is ask for evidence that Sarah Palin is the biological mother, evidence that must be easily available and definitive."² Well, Sarah Palin gave you her answer.³

The same perimeters apply to the question above concerning your presence on this planet. All one asks is for evidence of your biological *raison'd être*, "evidence that must be easily available and definitive."

Trig Palin's birth is really none of your business. You do not accept Sarah Palin's telling the truth. That is the problem with you libtards, obots, and progs. You believe that only you have a monopoly on the truth. Dr. Andrew Sullivan! It is the other way around. Libtards, obots, and progs would not recognize the truth if the Sovereign of the Universe personally communicated it to them.

As an aside, it will surely interest you to know that Trig Palin has a real, legal birth certificate, which Barack Hussein Obama does not have. This is the crux of the truth behind the liar Barack Hussein Obama.

Secondly, this fact leads directly to the second epitomé of your crooked rationalizations about politics, which has to do with believing just about everything that comes from the Barack Hussein Obama regime in Washington, D. C. Is this the story behind the cover story of the January 23, 2012 issue of *Newsweek* titled *Why are Obama' critics so dumb?*, or was the true intent of your article to boost

Newsweek's falling sales? You can pass this present author's solution to the falling sales along to *Newsweek*. All the persons responsible at *Newsweek* have to do is to report the truth, not make up the news!

Your article is filled with illogical faults and misrepresentations of the truth, also known as lies. Two important ones are listed herewith with this author's comments in red to symbolize the bloody truth!⁴

- "Under Obama's budgets both past and projected, he will have added \$1.4 trillion [to the national debt] in two terms." **THE TRUTH: Obama has added ca. 5 trillion dollars to the national debt in less than four years. That is one-third of the cumulative national debt since George Washington was President.**
- Obama's Supreme Court nominees Sonia Sotomayor and Elena Kagan are only "moderately liberal". **That statement is totally delusional. THE TRUTH: Both are ultra left. Sonia Sotomayor had practically all of her former judicial decisions before she became a Supreme Court Justice reversed by a higher court.⁵ Elena Kagan was never a judge and she most likely committed perjury at her nomination hearings.⁶**

Let us now examine Barack Hussein Obama's *successes* in:

Foreign Policy

- Obama has destroyed the peace process with Israel and the Arabs.
- He refused to assist Iranians struggling to oust their repressive regime, while doing his best to give the people of Egypt and Libya new governments that will be even worse than the ones they replaced.
- In Afghanistan, there have been more U.S. troop deaths in three years than in the previous eight, and the administration is now ready to negotiate a *deal* with the Taliban.

⁴ For these and the items listed below, consult the January 2012 Report in *The Obama Timeline* at <http://www.colony14.net/id41.html>

⁵ <http://homeschoolcommunity.files.wordpress.com/2009/06/pros-and-cons-on-judge-sotomayor-being-appointed-to-the-supreme-court.doc>

⁶ <http://blog.heritage.org/2012/01/13/obamacare-litigation-more-%E2%80%9Cgolden%E2%80%9D-reasons-why-justice-kagan-may-need-to-recuse-herself/>

- Obama's only positive foreign policy accomplishment has been the killing of Osama bin Laden—for which he eagerly takes credit but which was the work of the military and intelligence agencies, not Obama personally.

Domestic Affairs

- Obama has taken a terrible economy and made it worse.
- He has added more than \$4 trillion to the national debt in only three years, while wasting money on jobs programs that created virtually no jobs.
- There are two million fewer Americans working than when Obama took office, and thousands more job-killing regulations on the books.

Scandals

- the most noteworthy among many are Operation Fast and Furious, Solyndra, and LightSquared.
- the dropping of the New Black Panther Party prosecution.
- the firing of Inspector General Gerald Walpin.
- the mishandling of the Gulf oil spill and ignoring related court orders.
- violating the rights of bondholders in the Chrysler takeover
- ObamaCare vote bribery,
- refusing to defend certain laws such as the Defense of Marriage Act.
- suing states for daring to take action against illegal immigrants.
- ordering the Department of Justice to ignore voting rights violations when victims are white.
- unconstitutional non-recess appointments.
- issuing countless *ethics waivers* so that lobbyists can work in the White House.
- remaining in office although the *Constitution for the United States of America* in Article II, Section 1, Clause 5. prohibits him from ever occupying that office.

Committed Felonies⁷

18 U.S.C. 371 Conspiracy to Commit Offense or to Defraud United States.

- "If two or more persons conspire either to commit any offense against the United States, or to defraud the United States, or any agency thereof in any manner or for any purpose, and one or more of such persons do any act to effect the object of the conspiracy, each shall be fined under this title or imprisoned not more than five years, or both. If, however, the offense, the commission of which is the object of the conspiracy, is a misdemeanor only, the punishment for such conspiracy shall not exceed the maximum punishment provided for such misdemeanor."
- An analysis by the United States Justice Foundation (USFJ) states that, "As in all conspiracies, there must be two or more persons working in concert to achieve an illegal act, so the president would need a co-conspirator for this statute to apply. The state of Hawaii is being very secretive about the whereabouts or even existence of Mr. Obama's supposed birth certificate. If the officials in charge of keeping these records know of its non-existence, then they would be co-conspirators with the objective of defrauding the United States as to the citizenship status of Barack Obama. There, however, must be an 'in concert' element met, meaning that these officials are withholding the proof at the direction of Mr. Obama. Is it possible that these officials love Barack Obama so much that they are withholding these documents out of the goodness of their own hearts? Yes, possibly, however unlikely. It is reasonable to infer that the Hawaiian officials are working 'in concert' with Mr. Obama to suppress this information, since each would face both civil and criminal suits, not to mention the loss of furthering their own political goals."

18 U.S.C. 911 False Personation of Citizen of the United States.

- "Whoever falsely and willfully represents himself to be a citizen of the United States shall be fined under this title or imprisoned not more than three years, or both."

⁷ <http://www.wnd.com/index.php?fa=PAGE.view&pageId=126137>

- The USJF analysis says: "If Mr. Obama is not a natural born citizen, then he must have other proof of United States citizenship. If he has neither of these, then as acting head of state he is holding himself out to be a citizen of the United States, and is therefore liable under this section as well."

18 U.S.C. § 912 False Personation of Officer or Employee of the United States.

- "Whoever falsely assumes or pretends to be an officer or employee acting under the authority of the United States or any department, agency or officer thereof, and acts as such, or in such pretended character demands or obtains any money, paper, document, or thing of value, shall be fined under this title or imprisoned not more than three years, or both."
- The USFJ analysis is, "Basically this statute calls for 1) fraudulent intent, and 2) an overt act to accomplish the inducement of one giving over a thing of value. If it were found that Barack Obama was not a natural born citizen, as required by the U.S. Constitution Art. II § 1, Clause 5, he will have assumed the office of president fraudulently to obtain money (among other things) by way of his annual salary. The Supreme Court has upheld convictions for False Personations in U.S. v. Lepowitch, (63 S.Ct. 914), and Lamar v. U.S., (36 S.Ct. 535)."

18 U.S.C. 1542 False Statement in Application and Use of Passport.

- "Whoever willfully and knowingly makes any false statement in an application for passport with intent to induce or secure the issuance of a passport under the authority of the United States, either for his own use or the use of another, contrary to the laws regulating the issuance of passports or the rules prescribed pursuant to such laws; or
- Whoever willfully and knowingly uses or attempts to use, or furnishes to another for use any passport the issue of which was secured in any way by reason of any false statement—Shall be fined under this title, imprisoned not more than 25 years (if the offense was committed to facilitate an act of international terrorism (as defined in section 2331 of this title)), 20 years (if the

offense was committed to facilitate a drug trafficking crime (as defined in section 929 (a) of this title)), 10 years (in the case of the first or second such offense, if the offense was not committed to facilitate such an act of international terrorism or a drug trafficking crime), or 15 years (in the case of any other offense), or both."

- The USJF analysis says: "To obtain a U.S. passport one must show a valid birth certificate or some other form of identification showing U.S. citizenship. Barack Obama would have to have furnished some sort of birth certificate or other document showing he is a citizen. Of course, even if he was not a natural born citizen, he could show naturalization or some other citizenship papers. However, if these documents are spurious, then he would be guilty pursuant to the first paragraph, and to then use his illegally obtained passport, he would also be guilty under the second paragraph as well."

18 U.S.C. 1621 Perjury.

- "Whoever—(1) having taken an oath before a competent tribunal, officer, or person, in any case in which a law of the United States authorizes an oath to be administered, that he will testify, declare, depose, or certify truly, or that any written testimony, declaration, deposition, or certificate by him subscribed, is true, willfully and contrary to such oath states or subscribes any material matter which he does not believe to be true; or
- (2) in any declaration, certificate, verification, or statement under penalty of perjury as permitted under section 1746 of title 28, United States Code, willfully subscribes as true any material matter which he does not believe to be true; is guilty of perjury and shall, except as otherwise expressly provided by law, be fined under this title or imprisoned not more than five years, or both. This section is applicable whether the statement or subscription is made within or without the United States."
- The USJF analysis says: "Mr. Obama has taken the oath of office of POTUS, in front of Chief Justice of the U.S. Supreme Court, John Roberts, in which he promises to 'defend the Constitution'. As an illegal alien, or even a non-natural born citizen, he would be acting as an ineligible president. Furthermore, as an

attorney, and a former professor of constitutional law, Barack Obama would have full knowledge of the requirements for an eligible candidate for the office of POTUS. This shows that he has willfully stated that he will and is acting contrary to his presidential oath."

18 U.S.C. 2388(a) Activities Affecting Armed Forces During War.

- "(a) Whoever, when the United States is at war, willfully makes or conveys false reports or false statements with intent to interfere with the operation or success of the military or naval forces of the United States or to promote the success of its enemies; or
- Whoever, when the United States is at war, willfully causes or attempts to cause insubordination, disloyalty, mutiny, or refusal of duty, in the military or naval forces of the United States, or willfully obstructs the recruiting or enlistment service of the United States, to the injury of the service or the United States, or attempts to do so—Shall be fined under this title or imprisoned not more than twenty years, or both."
- The USJF analysis says: "Intent is fully at issue here; however, President Obama made it clear during his campaign that his full intent when entering office would be to scale down the conflict with Afghanistan and Iraq, eventually leading to a full withdrawal. His statements of being a natural born citizen to obtain the office of commander in chief were in effort to interfere with the attempts by the former commander in chief's attempt at engaging the enemy in these two countries, for the purpose of national security.
- In the case of *Schulze v. U.S.* (259 F. 189) Petitioner was convicted under this statute, and the question of intent was at issue. The court stated, 'It is true that in charging the offense it is unnecessary to allege the intent; the offense being one whose very definition necessarily includes intent. In such a case it is necessary only to aver in apt terms the acts done. The intent will be inferred. The charge is not unlike that of treason, the indictment for which needs go no further than to follow the language of the statute which defines the offense. (*United States v. Greathouse*, 2 Abb.U.S. 364, Fed. Cas. No. 15,254)...

- This means that intent is inferred from the act itself. Mr. Obama has already announced that the efforts in Afghanistan will be scaled back, and a full withdrawal is planned Furthermore, the announcement of this strategy works to the aid of our enemy, who now knows to sit in caves and wait out the U.S. for only a year or so. This certainly works to interrupt our operations and promote the success of our enemy."

Corruption

- Barack Hussein Obama is continuously one of the ten most wanted corrupt politicians in Washington, D. C.⁸

Dr. Andrew Sullivan! You conclude your article with a most asinine statement:

"If I sound biased, that's because I am. Biased toward the actual record, not the spin; biased toward a president who has conducted himself with grace and calm under incredible pressure, who has had to manage crises not seen since the Second World War and the Depression, and who as yet has not had a single significant scandal to his name. 'To see what is in front of one's nose needs a constant struggle,' George Orwell once wrote. What I see in front of my nose is a president whose character, record, and promise remain as grotesquely under-appreciated now as they were absurdly hyped in 2008. And I feel confident that sooner rather than later, the American people will come to see his first term from the same calm, sane perspective. And decide to finish what they started."

Dr. Andrew Sullivan! You do not understand American patriots. The very great majority of Americans are not libtards, or obots, or progs like the Andrew Sullivan sort. Americans do not like liars and that is why they do not like the charlatan Barack Hussein Obama. Neither do they appreciate pseudo-intellectual concocted stories like yours in *Newsweek*. The real question regarding your cover article is not

⁸ <http://www.judicialwatch.org/corrupt-politicians-lists/washingtons-ten-most-wanted-corrupt-politicians-for-2011/>

why Obama's critics are so dumb, but *Why is Dr. Andrew Sullivan so dumb as to believe what he writes?*

Dr. Andrew Sullivan, it is you who is unable to see what is in front of your nose. Perhaps your nose is too close to Barack Hussein Obama's rectal voice. Since you are into Barack Hussein Obama so deep and love sexually inverted associations, this author's suggestion is that you apply for the position of Barack Hussein Obama's body servant. You would be number ~~sex~~, oops, six of his body servant entourage: Larry Sinclair, Donald Young, Larry Bland, Kal Penn, Reggie Love ... and Dr. Andrew Sullivan, "one who converses more with the buttock of the night than with the forehead of the morning."⁹
