

FREDERICK WILLIAM DAME

DO NOT CALL BARACK HUSSEIN OBAMA A LIAR

Speech is the mirror of the soul; as a man speaks, so he is.

Publius Syrus (1st Century BC)
Roman writer and poet.

What? That's what it says! You are reading the title correctly! It comes from Yours Truthfully! It is official and has been official for almost four years. Proof of this situation is as follows:

There is a rule of conduct for Congress Representatives that says they cannot call the President of the United States of America a **liar**. Representative Joe Wilson (R-SC) said, "You lie." when Barack Hussein Obama delivered the *Health Care Speech* on September 9, 2009. Although Representative Wilson did not use the word **liar**, the message was that *a lie comes from a liar*.

According to Section 370 of the *House Rules and Manual* a Representative can:

- refer to the government as "something hated, something oppressive."
- refer to the President as "using legislative or judicial pork."
- refer to a Presidential message as a "disgrace to the country."
- refer to unnamed officials as "our half-baked nitwits handling foreign affairs."

At the same time, Section 370 of the *House Rules and Manual* says that a member of Congress cannot:

- **call the president a “liar.”** (Even if the president is one!)
- call the president a “hypocrite.” (Even if the president is one!)
- describe the president’s veto of a bill as “cowardly.” (Even if the president is a coward!)
- **charge that the president has been “intellectually dishonest.”** (Even if the president is intellectually dishonest!)
- refer to the president as “giving aid and comfort to the enemy.” (Even if the president's policies do give the enemy aid and comfort!)
- refer to alleged “sexual misconduct on the president’s part.” (Even if such conduct has occurred by the president!)¹

The highlighted provisions above are as germane to this essay as is the following image. Presently, we can take a look at what is behind Barack Hussein Obama's truth when he speaks. We find this:

Source: <http://www.thesourcefoundation.com.au/truth-and-lies/>

The implication of the image is Barack Hussein Obama's twofold-use:

1. Lies are the truth.
2. The truth is magnified lies.

¹ http://www.politico.com/blogs/glennthrush/0909/House_guidelines_for_Presidential_putdowns.html
 The United States Senate rules on decorum and debate have no prohibition of personal, descriptive references to the President. Evidently the Democrats in Congress (House of Representatives) were well aware of Barack Hussein Obama's continuous penchant for lying, otherwise they would not have passed this rule. Only Barack Hussein Obama and his thugs call persons liars who are not liars!

With Barack Hussein Obama both aspects are valid. Lies make up the truth and will become the truth if the lies are repeated often enough; and in his demented world of reality the truth is nothing more than magnified lies. The real truth becomes nothing and lies become everything. This being the case, it behooves us to investigate what a liar is.

Etymology

A liar is a person who tells a lie. As a noun a **lie** is a falsehood, or "a false statement or piece of information deliberately presented as being true; or "anything meant to deceive or give a wrong impression." As a verb **to lie** means "to give false information with the intent of deceiving; to convey a false image or impression; to put in a specific condition through deceit."² The Indo-European word root of lie is **leugh-**, meaning *to tell a lie*. In Germanic and in Gothic it is **liugan* and in Old English it is *lēgan*, *lēogan*, and *līgan*, which can be traced back to the *Vespan Psalter* sometime in the second or third quarter of the 8th century. In Old Icelandic there is *lyūga*, in Old High German *lugina*, in Middle High German *luc*, all meaning *to lie* and all forming the basis of the noun *lie*.³ In Modern German the word is *Lüge* and *lügen* respectively.

The verb **to lie** (to speak falsely) came into the English language in approximately 1175 as *lien*. By 1200, the word had changed to *ligen* developing from Old English *līgan* and *legan* which developed from *lēogan* that appeared sometime before 725.

The noun **lie** (a false statement) appeared in the English language as *lyge* in about 1175. By 1385 it became *lye*. It developed from the Proto-Germanic **luzin*, from the root **luz/leuz*, which is the source of *lēogan*.⁴

The Indo-European root language always knew what the meaning of liar was. It has not changed since languages have come into existence.

Lies and Liars in History

The following excerpts from *The Holy Bible* concerns liars.⁵

1. Proverbs 19:9. A false witness will not go unpunished, and he who breathes out lies will perish.
2. Revelation 21:8. But as for the cowardly, the faithless, the detestable, as for murderers, the sexually immoral, sorcerers, idolaters, and all liars, their portion will be in the lake that burns with fire and sulfur, which is the second death.”
3. John 8:44. You are of your father the devil, and your will is to do your father's desires. He was a murderer from the beginning, and has nothing to do with the truth, because there is no truth in him. When he lies, he speaks out of his own character, for he is a liar and the father of lies.
4. Proverbs 26:23-28. Like the glaze covering an earthen vessel are fervent lips with an evil heart. Whoever hates disguises himself with his lips and harbors deceit in his heart; when he speaks graciously, believe him not, for there are seven abominations in his heart; though his hatred be covered with deception, his wickedness will be exposed in the assembly. Whoever digs a pit will fall into it, and a stone will come back on him who starts it rolling.
5. Proverbs 14:5. A faithful witness does not lie, but a false witness breathes out lies.
6. Luke 12:1-59. In the meantime, when so many thousands of the people had gathered together that they were trampling one another, he began to say to his disciples first, “Beware of the leaven of the Pharisees, which is hypocrisy. Nothing is covered up that will not be revealed, or hidden that will not be known. Therefore whatever you have said in the dark shall be heard in the light, and what you have whispered in private rooms shall be proclaimed on the housetops. “I tell you, my friends, do not fear those who kill the body, and after that have nothing

more that they can do. But I will warn you whom to fear: fear him who, after he has killed, has authority to cast into hell. Yes, I tell you, fear him!

7. Revelation 22:15. Outside are the dogs and sorcerers and the sexually immoral and murderers and idolaters, and everyone who loves and practices falsehood.
8. Proverbs 13:5. The righteous hates falsehood, but the wicked brings shame and disgrace.
9. Exodus 23:1. "You shall not spread a false report. You shall not join hands with a wicked man to be a malicious witness.

Some famous lies and liars in history that this author can spontaneously list are any dictator; Adolf Hitler and Nazi propaganda; President Bill Clinton and the Monika Lewinsky Affair; President Richard Nixon and the Watergate Scandal; the French Dreyfus Affair; the discovery of the Piltdown Man; the plot to kill Charles II and Titus Oates; Anna (Anastasia) Anderson; Bernie Madoff; the forgeries of Vermeer's paintings by Han van Meegeren; Walter Ulbricht and his statement *Niemand hat die Absicht eine Mauer zu bauen*. (No one has the intention to build a wall.) just before the Berlin Wall was built; the Greeks and their Trojan Horse; the Greeks and their lying about the positive results in their national budget to become a member of the Euro monetary community in 2002; the speeches and daily actions of the putative president Barack Hussein Obama. Yes, Barack Hussein Obama is a liar, but our representatives in Congress cannot call him one.

At <http://www.colony14.net/id495.html> there are essays by this author that unequivocally prove that Barack Hussein Obama is a **liar**. Don Fredrick in *The Obama Timeline* at <http://www.colony14.net/id41.html> (Part One) and at <http://www.colony14.net/id155.html> (Part Two) has documented instances when Barack Hussein Obama has **lied** to the American people and to Congress. The most recent **lie** is that I accept the nomination to be the Democratic Party presidential candidate in 2012 because I, Barack Hussein Obama meet the presidential qualifying requirements of the Constitution for the United States of America.

This is more than Barack Hussein Obama just telling a **lie**. It is a **lie** that has as its framework treason, fraud, immorality, and injustice. This author can claim that Barack Hussein Obama is a **liar** for two reasons:

1. It is the truth!
2. This author is not a member of the House of Representatives of the United States Congress.

Since the words **liar** and **intellectually dishonest** are the only words that a Representative cannot use to describe a president, this author's argument is that a Representative can refer to Barack Hussein Obama with any singular synonym or multiples of the above noun synonyms for **liar** listed above.

Moreover, the above list can be extended by using a number of synonyms for the noun **lie** or change them into a noun referring to the person. For example, *falsehood*

can be changed into *falsehooder* or *a person spreading falsehoods* (*Barack Hussein Obama spreads falsehoods*); *untruth* can be changed into *untruther* or *a person spreading untruths* (*Barack Hussein Obama speaks untruths*). Here is a list of such synonym nouns for lie.

The fact that Barack Hussein Obama cannot be called **a liar** by Congressional Representatives, or that they cannot charge that he **is intellectually dishonest**, causes this author to state the following aspects:

1. Barack Hussein Obama is an illegal president because he does not meet the *natural born citizen* requirement of Article 2, Section 1, Clause 5 of the *Constitution for the United States of America*. Because this is so, Representatives would not be required to adhere to Section 370 of the House Rule and Manual.
2. If Representatives cannot call a president a **liar** when the president is a **liar**, they can surely use other words, in effect synonyms, to convey the truth that the president is a **liar** without using the nomenclature of **liar**. Therefore, let us call Barack Hussein Obama a liar without using the nomenclature. There are enough synonyms for this purpose.

Barack Hussein Obama must be commented on properly. Every patriotic American must truthfully ridicule and tell the truth about Barack Hussein Obama unceasingly. This author can think of no more proper way to tell the truth about Barack Hussein Obama than to use the synonyms presented above. Albeit, one can voice political incorrectness and tell the truth at the same time:

Barack Hussein Obama, you are a liar, a liar, a liar ... !

By saying such a sentence, we are politically correct in telling the truth!
