# ENRAGED

## STARTER

I am enraged, alarmed, and insulted by the adoring media blindness and willful deafness in both the United States of America and the Federal Republic of Germany and their respective news reporters and politicians!

The image above served as the title photograph of the German political talk show *HartaberFair* (*HardbutFair*) on January 18, 2021. (75 minutes). The program claimed that the persons in the image are Donald J. Trump supporters as they were rioting at and in the Capitol Building in Washington D. C. The source of the information was the *Washington Post*. German news media practically always quote *CNN*, *The New York Times*, and *The Washington Post* for their presentations of so-called facts.

I have written *HartaberFair* and notified them that *The Washington Post* printed a retraction of this claim and challenged *HartaberFair* to announce that the people rioting at the Capitol Building were not Trump supporters. *HartaberFair* has not retracted its false statement.

Frank Plasberg has been the moderator of *HartaberFair* since 2001.

Frank Plasberg's journalistic career in fast forward:

Mr. Plasberg began the program with the following statement:

"The Capitol stormed, democracy shaken – how dangerous are these days of power transfer for the USA? And even if Trump leaves as President, will he remain as an eternal divider? Does the poison of his lies continue to have an effect, in America and perhaps also as a model for populists here?" The statement was followed by this:

NOTICE: I have translated the short biographies of the above-presented *HartaberFair* guests as they appeared on the program Website of *HartaberFair* at <https://www1.wdr.de/daserste/hartaberfair/sendungen/die-letzten-tage-des-donald-trump-gelingt-ein-machtwechsel-ohne-weitere-gewalt-100.html>. I have written *HartaberFair* an email in German. It contains the following information that I have translated into English for this article and divided it into a menu because *HartaberFair* expects its viewers to swallow and digest what it reports.

In medias res!

I challenge *HartaberFair* and its editors to read this email and all of its linked contents!

I do not mince words. I tell the truth, not as I interpret the truth like the vast majority of mainstream media reports and articles do, but precisely what the truth is.

I viewed the *HartaberFair* telecast on Monday, January 18, 2020. I heard nothing but anti-Trump crap from its guests, with the sometimes exception of the Bundes-WirtschHartaberFairtsminister Peter Altmaier. But even he was wrong in some of his statements.

The most severe form of lousy, sub-par information was from *HartaberFair* guest Cathryn Clüver Ashbrook of the Harvard Kennedy School in Cambridge, Massachusetts. Cathryn Clüver Ashbrook's contributions are content-wise symbolic of the cloaca of leftist information concerning President Donald J. Trump. Cathryn Clüver Ashbrook elevates the destructive policies of the American Democrat Party to the highest levels of adoration. Such is the proof that excrement floats on the top. Cathryn Clüver Ashbrook's positions are typical of leftist propaganda that has no substantial depth.

Joesph Robinette (Robbing It) Biden, Jr. is not a legal president. He is abetting and supporting the treasonous position of Kamala Harris, who does not meet the constitutional requirements of being Vice-President of the United States of America. [Article II, Section 1, Clause 5](#) of the *Constitution* decrees that "No Person except a *natural born Citizen*, or a citizen of the United States, at the time of the Adoption of this Constitution, shall be eligible to the Office of President." (<https://granitegrok.com/blog/2020/10/kamala-harris-potential-october-surprise>) The

12th Amendment to the *Constitution* says "... no person constitutionally ineligible to the office of President shall be eligible to that of Vice-President of the United States." ([https://en.wikipedia.org/wiki/Twelfth\\_Amendment\\_to\\_the\\_United\\_States\\_Constitution](https://en.wikipedia.org/wiki/Twelfth_Amendment_to_the_United_States_Constitution))

Joseph Robinette Biden, Jr. supports Kamela Harris' treasonous candidature just like he supported Barack Hussein Obama's treasonous candidature. Obama was not a natural-born citizen of the United States of America either. Joseph Robinette Biden, Jr. supported Obama's intentional and repeated violations of the laws of the United States of America and its *Constitution*! Barack Hussein Obama must be impeached! (<https://www.wnd.com/2021/01/10-reasons-impeach-barack-obama/>) (<https://newspunch.com/obama-broke-law-presidency/>) (<https://www.cato.org/publications/commentary/top-10-ways-obama-violated-constitution-during-presidency>) These minute examples are only the tip of the iceberg concerning Obama's, Biden's, and Harris' political criminality.

The Democrat Party does not recognize gender appellations. The Democrat Party has placed an **it** as an illegal President in the Oval Office and has placed another **it** as an illegal Vice-President in the Oval Office.

I am an angry, logically thinking American patriot who served as a career officer in the United States Army, ready to sacrifice his life for his country.

Why am I angry? The answer is simple: I did not serve my country to allow felons to become Presidents of the United States of America. Joseph Robinette Biden, Jr. is under investigation for crimes, and yet, he campaigned for the presidency. ([BREAKING: Joe Biden Officially Under Federal Criminal Investigation! \(freedomheadlines.com\)](https://freedomheadlines.com/BREAKING-Joe-Biden-Officially-Under-Federal-Criminal-Investigation/)) There is a law that says persons being investigated for a crime cannot be candidates or hold official government positions. Well, there is nothing to see here! The mainstream media, leftist academicians, and the Democrat Party say it is okay!

I did not serve my country to see a horny pedophile, fraudster, plagiarist, woman molester, blackmailer, criminal, liar, and demented person become an illegal president. (<https://thehill.com/opinion/campaign/499065-lies-damned-lies-and-the-truth-about-joe-biden>)

Joseph Robinette Biden, Jr. is racist. Kamala Harris is racist. The history of the Democrat Party is replete with racism. Southern Democrats

- Founded the Ku Klux Klan
- After the Civil War, passed the Jim Crow Laws, which were in effect until the Republican Congress in the 1960s, convinced President Lyndon B. Johnson and the Democrats to pass anti-racist legislation.
- Antifa and BLM are full of Democrats and Democrat Party sympathizers who conduct reverse racism.

The American federal government is corrupt. It has been corrupted by both Democrats and the Republicans In Name Only (RINOs) of the Republican Party, kowtowing to evil leftists.

Donald Trump easily defeated cellar-interned Joseph Robinette Biden, Jr. in the recent 2020 presidential election. Anyone who believes that Joseph Robinette Biden, Jr. won the presidential election honestly is willingly and totally blind to the facts of a comprehensive, preliminary investigation. (<https://navarreport.com/>)

There is devastating evidence of Biden-Democrat Party election fraud.

President Trump's lawsuits presenting this evidence of election fraud did not receive fair hearings. Court hearings were dismissed or even denied without even allowing the evidence to be presented before a law court!

What is the verbal and attested evidence of election fraud? Statements by Joseph Robinette Biden, Jr. that election fraud was intended and did not need any votes.

- Joseph Robinette Biden, Jr. bragged about having "the most extensive and inclusive voter fraud organization in the history of American politics") (<https://t.co/wjRKvYi4l2> [pic.twitter.com/hC8j4ljpr7](https://pic.twitter.com/hC8j4ljpr7)) and (<https://thefederalist.com/2020/10/24/joe-biden-says-democrats-created-the-most-extensive-and-inclusive-voter-fraud-organization-in-american-history/>)
- Robinette Biden, Jr. says, "I don 't need you to get me elected ... ." (<https://www.bing.com/videos/search?q=Biden+says+he+doesn%27t+need+votes+to+get+elected&qvrt=Biden+says+he+doesn%27t+need+votes+to+get+elected&FORM=VDRE.>)
- hundreds of affidavits of witnesses under penalty of perjury,
- video recordings of unlawful handling and counting of voters' ballots,
- presentation of believable statistical improbabilities and impossibilities. For example:  
The odds of Joseph Robinette Biden, Jr. winning the election honestly in Pennsylvania, in Michigan, in Wisconsin, and Georgia is 1 in 1,000,000,000,000,000. (<https://thepalmerreport.com/former-harvard-statistician-odds-of-biden-winning-pa-mi-ga-and-wi-one-in-a-quadrillion/>)

This is similar to the outcome of throwing a coin in the air one thousand times and have it land on heads one thousand times.

This symbolical meme says it all! [IT AINT HOLY WATER: Morning Chuckle](#)

The United States Supreme Court argued its standard, ridiculous excuse: the PRESIDENT OF THE UNITED STATES had "no standing." (<https://legal-dictionary.thefreedictionary.com/standing>)

Contrary to what happened in December 2000 in the Bush-Gore Supreme Court hearing, the United States Supreme Court in 2020 refused to read President Trump's legal accusations. Chief Justice John Roberts stated that the President of the United States of America did not have a legal right to petition the court to hear his argument. That decision is a sign of the demise of America's constitutional republic.

By the way, the United States of America is not a democracy. It is a constitutional republic. The word democracy is never mentioned in the *Declaration of Independence* and the *Constitution for the United States of America*. *HartaberFair* should also be aware that the country in which *HartaberFair* broadcasts, Germany, is also not a democracy. It is a Bundesrepublik. There is a difference. In a democracy, the minority assures that there is the rule of the mob by whatever means necessary for political control. These methods of control are most usually illegal. A republic guarantees that minorities have legal rights.

What makes me extremely angry is what is happening to the United States of America: the Democrat Party-intended downfall of the constitutional republic and its historical traditions and culture. Consider the collected and accurate information in the video from Sky News Australia: <https://www.youtube.com/watch?v=2JoDqJUosPc>. The precise and correct information contained therein is censored in the United States of America by the leftist media. As of this writing, the video was still censored in the United States of America.

Should *HartaberFair* refuse to view it and listen, *HartaberFair* is refusing to exercise intellect and unbiased curiosity. The same situation concerns not wanting to know the truth about Joseph Robinette Biden, Jr.

*HartaberFair* insinuated that *HartaberFair* has much faith in the Biden team. (<https://www.ndr.de/ndrkultur/Cathryn-Cluever-Ashbrook-lch-setze-grosse-Stuecke-auf-die-MannscHartaberFairt,audio817208.html>) Evidently, the following reports show wherein *HartaberFair's* faith lies: [#Pedogate Problems With Joe Biden - JustPaste.it](#) A President of whom Americans can be proud! View the links therein!

Imagine how the world would react if President Donald J. Trump or Vice-President Mike Pence, or anyone who is not a leftist, or anyone who is not a member of the Democrat Party were the subject(s) of such verified reports.

(See also these truths: <http://itaintholywater.blogspot.com/2021/01/the-eyes-tell-all.html>; <http://itaintholywater.blogspot.com/2021/01/picture-this.html>).

Methinks *HartaberFair* very aptly falls under the justified judgment attributed to Dorothy Parker. *HartaberFair* "undresses its character, and the program does not cut a very good figure."

Because *HartaberFair* believes that Joseph Robinette Biden, Jr. is a legal President, I have a few questions that *HartaberFair's* so-called omnipotent knowledge can surely answer. If Joseph Robinette Biden, Jr. won the election fairly, then ...

- How can *HartaberFair* justify the immorality of the Joseph Robinette Biden, Jr. administration and the Democrat Party platform? <https://freedomfirstnetwork.com/2021/01/joe-bidens-first-day-in-office-shows-just-how-immoral-the-democrat-platform-truly-is>
- How can *HartaberFair* justify the conclusion that domestic terrorists are Trump supporters? [https://www.youtube.com/watch?v=5\\_gcf2chdJ4&feature=emb\\_logo](https://www.youtube.com/watch?v=5_gcf2chdJ4&feature=emb_logo)

The information here is related: <https://www.frontpagemag.com/fpm/2021/01/i-watched-bidens-inauguration-first-hand-katie-hopkins/>

I challenge *HartaberFair* to view this summary of Joseph Robinette Biden, Jr. 's policies. [This is Joe Biden's first 2 days as President - YouTube](#)

There are innumerable examples of leftist stupocrisy, but *HartaberFair* will counter them with *HartaberFair's* blind vision and deaf hearing!

I am convinced that *HartaberFair* will not publicize this information. *HartaberFair* will continue to quote the mass media propaganda and lies of *CNN*, *The Washington Post* and *The New York Times*, and others. *HartaberFair* will thus prove that *HartaberFair* is no better than the American mainstream media. This conduct alone is reason enough to stop viewing *HartaberFair's* programs.

Nevertheless, I have decided to send *HartaberFair* this information so that *HartaberFair* can never state or argue that *HartaberFair* was not informed.

*HartaberFair* looks up to Barack Hussein Obama and Joseph Robinette Biden, Jr. They are vile politicians.

Frank Plasberg and *HartaberFair*! Heed these words: "The wicked walk on every side, when the vilest men are exalted." Psalms 12:8

*HartaberFair* did not answer my email. I am not surprised. *HartaberFair* is no better than the lamestream mass media in the United States of America.

## **Sweets**

Joseph Robinette Biden, Jr.'s 47 years in politics is full of fraud. He is the epitome of political criminality and perversion. *HartaberFair* can broaden its minimal knowledge of Joseph Robinette Biden, Jr. and the American Democrat Party with the truths contained in the following links. The conclusion is that Joseph Robinette Biden, Jr. will go down in history as the first criminal and perverted President of the United States of America.

*HartaberFair!* I have seen, heard, and read many *HartaberFair* reports and comments. I am not favorably impressed!

Donald J. Trump is no longer in the Oval Office. There is no need for Trump-bashing now. *HartaberFair* believes that Joseph Robinette Biden, Jr. is an excellent choice for President of the United States of America. All available evidence attests to the contrary conclusion.

Although *HartaberFair* has never reported such truths about Joseph Robinette Biden, Jr. in the past, *HartaberFair* most likely will not tell the truth about Joseph Robinette Biden, Jr. in the future! Nevertheless, I challenge *HartaberFair* and its editors to report the truth about Joseph Robinette Biden, Jr., as listed in the above links!

In the first ten days of Joseph Robinette Biden, Jr.'s illegal occupation of the Oval Office, he has issued 30 presidential decrees destroying the United States of America. They are not forward-oriented orders. They are regressive and counter logical thinking. Rest assured that the listing of documented truths about Joseph Robinette Biden, Jr. will increase daily.

The Democrat Party, Joseph Robinette Biden, Jr., Kamala Harris, and Barack Hussein Obama are perfect case study subjects for psychiatrists. They are not fit, American patriots. All of their appointments to government positions were and are insults to patriotic Americans.

Barack Hussein Obama, Joseph Robinette Biden, Jr., Kamala Harris, and the Democrat Party have transformed the United States of America into a banana republic!
