Germany Belongs To Islam

"O propheta, certa penis tuus coelum erectus est!"¹

Al-Fatihah – The Opener

The so-called prophet Muhammad not only stretched into the heavens, he also attempted to stretch his delusions throughout the world by giving march commands to his followers to go forth into sundry lands and conquer them in the name of Allah and Islam. In the Koran there are at least eight important Suras that command Muhammad's followers to spread Islam.² They are:

Sura 3:104: "Let there among you be a group that invites to all that is good (da'wah)."

Sura 5:67: "O Messenger! Make known (balagh) all that has been sent down to thee by thy Lord and Sustainer."

Sura 12:108: "Say! This is my way. I call to Allah (da'wah) – on the basis of sure knowledge – I and those who (truly) follow me. Glory to Allah and I am not among those who commit shirk." (Shirk means being in favor of a rival to Allah)

Sura 16:125: "Invite to the way of your Lord with wisdom and good instruction, and argue with them in a way that is best."

Sura 62:2: "He it is who has sent to the unlettered people (illiterates as well as those who do not know Islam) a Messenger from among themselves to convey unto them His messages, and to lead them to purity and spiritual growth (tazkiyah) and to teach them the Book and the Wisdom (ta'lim)"

¹ "O Prophet, without doubt your penis reaches up to heaven!" as ascribed to Ali upon his seeing Muhammad's corpse before burial. What Ali witnessed was a death erection, angel lust, or terminal erection which is medicinally referred to as a priapism. Ali was the youngest son of Abu Talib, who was to become a caliph after Muhammad's death. Cited in Edward Gibbon, *The History of the Decline and Fall of the Roman Empire: Edited in Seven Volumes*, Cambridge Library Collection – Classics, Cambridge, England: 2013, vol. IV, p. 380, note 175.

² No particular translation of the Koran into English is given in this essay. The English translations sometimes have different formulations but they do not change the meaning of the core content of the Sura.

Yet, the most violent of the calls to spread Muhammad's word are:

- Sura 9:5: "Fight and kill the disbelievers wherever you find them, take them captive, harass them, lie in wait and ambush them using every strategem of war."
- Sura 9:73: "Prophet, make war on the unbelievers and the hypocrites and deal rigorously with them. Hell shall be their home: an evil fate."
- Sura 9:123: "Believers, make war on the infidels who dwell around you. Deal firmly with them. Know that Allah is with the righteous."

Edward Gibbon cites how thorough this call for expansion and world domination was in reporting that Akbah (Okba) of Morocco wished to go "to the unknown kingdoms of the West, preaching the unity of (Allah's) holy name, and putting to the sword the rebellious nations who worship any other gods than thee."³

The Islamic drive to control the world has been kept alive throughout history. The aberrational cult of violence that exuded out of Muhammad's delusional conviction that the only god Allah (not the Jewish JHWH, not the Christian God) talked to him is still with us. The most recent example of Islam spreading its evil, poisonous tentacles occurred on 13 January 2015 in Berlin, Germany.

Source: <http://www.tagesspiegel.de/berlin/mahnwache-fuer-charlie-hebdo-18-000-menschen-gedenken-am-brandenburger-tor/11212486.html>. The official reports claim that there were 18,000 people who participated in the vigil. There were German politicians and representatives from Muslim organizations at Pariser-Platz. When we take into account that there are 300,000 Muslims living in Berlin, the numbers present were nothing more than a drop of water on a hot stone. Even the German magazine *Der Stern* with its satirical criticism was of the opinion that there were more German cabinet members and parliament opposition members than there were Muslims.⁴

On Tuesday, 13 January 2015 on the Pariser-Platz in Berlin, Germany there was a solemn vigil to protest the terrorist attack on the offices of *Charlie Hebdo* in Paris on 7 January 2015. The peaceful protest was organized by the German Muslim organizations the Zentralrat der Muslime in Deutschland (ZMD) (Central Council for Muslims in Germany) and the Türkische Gemeinde Berlin (TGB) (German Community in Berlin). Under the general theme *Deutschland ist Charlie*, the vigil for tolerance, freedom of thought, and freedom of religion, the German President Joachim Gauck, the former German President Christian Wulff, and the German Chancellor Angela Merkel were participants.⁵

Suwar – The Suras

The Chairman of the Zentralrat der Muslime, Aiman Mazyek, led the ceremonies.

Source: http://islam.de/images/other/personen/aiman_mazyek_small.jpg. Mazyek was born to a German mother (foreign news correspondent) and a Syrian father (engineer) in Aachen, Germany in 1969. After his school leaving certificate (1989), Mazyek studied Arabic in Cairo, Egypt. From 1992 to 1997, he studied philosophy, economics, and political science in Aachen, where he received his Master of Arts degree. Also during this time he attended seminars on Islam. From 2007 to 2011 Mazyek, was a delegate to the yearly international Islam Conference in Cairo, Egypt. He became chairman of the *Zentralrat der Muslime in Deutschland* in 2010.

Shortly after 6 PM, Imam Sheikh Abdelhak El Kouani, the imam of the large Islamic Othman Ibn Affan mosque in Straßburg, France, began with a recitation of a Koran Sura in singing Arabic.

⁵ <http://mediathek.daserste.de/ARD-Sondersendung/Deutschland-ist-Charlie-Mahnwache-f%C3%BCr-Das-Erste/>

The resonance of the recital of Sura 5:32 caused the people at Pariser-Platz to become silent with an air of being devout. The Sura (Koran 5:32) was then repeated in German followed by another Koran Sura (Koran 49:13). Both Suras deserve an examination because on the surface they appear o-so-human and divine. A closer look below the surface layers will uncover the true meanings and deceit therein.

Koran 5:32

"Aus diesem Grund haben wir den Kindern Israel vorgeschrieben: Wenn jemand einen Menschen tötet, (und zwar) nicht (etwa zur Rache) für jemand (anderes, der von diesem getötet worden ist) oder (zur Strafe für) Unheil (das er) auf der Erde (angerichtet hat), so ist es, als ob er die Menschen alle getötet hätte. Und wenn einer einem Menschen am Leben erhält, so ist es, als würde er das Leben aller Menschen bewahren. Und unsere Gesandten sind doch (im Lauf der Zeit) mit den (klaren) Beweisen zu ihnen gekommen. Aber viele von ihnen gebärden sich nach alledem maßlos (indem sie auf der Erde Unheil anrichten)"

The underlined portion in German from the Arabic by Professor Dr. Hartmut Bobzin in his translation of the Koran⁶ is as follows:

der keinen anderen getötet, auch sonst kein Unheil auf Erden gestiftet hat.

⁶ Hartmut Bobzin, *Der Koran*, Verlag C. H. Beck, München: 2012, page 97.

Furthermore, Hartmut Bobzin leaves out the sections in parentheses, which are an integral part of the translation.⁷ They form important background information in understanding Sura 5:32, which was supposedly revealed between the second and seventh year after the Hijrah, the journeying to Medina in 622, i.e., 624-629.⁸

The English translation of Koran 5:32 is

On that account: **We ordained for the Children of Israel** that if anyone slew a person - **unless it be in retaliation for murder or for spreading mischief in the land** - it would be as if he slew all mankind: and if anyone saved a life, it would be as if he saved the life of all humanity.⁹

Many apologists for Islam quote Koran 5:32 as saying "If anyone slays a person, it would be as if he slew the whole people: and if anyone saved a life, it would be as if he saved the life of the whole people." Thus they contend that the Sura 5:53 denounces killing and genocide. This position, the quoting of the Sura in Berlin, and the translation by Hartmut Bobzin is standard *al taqiyya* and *kitman*: lying and leaving out information are allowed as long as it furthers the advance of Islam. This is part of two-faced Islam. Contending that it is peaceful and tolerant on the one side and promoting terror and killing on the other side.

To make this more understandable, we must realize that Sura 5:32 does not apply to all peoples. It must be comprehended in context. Placing the circumstances in the correct historical setting, we find that the situation is quite different.

Surely there is apparent superficial goodness in part of the Sura. However, we have to get behind it. To do so, we must look at Sura 5:31, which presents the story of Cain and Abel. The *Mishnah Sanhedrin* (189 AD), a commentary by Rabbi Judah the Prince (135 AD-217 AD) on the Jewish *Torah* that placed Jewish oral law code into written form and predates the Koran (beginning in 610 AD – Muhammad's death in 632 AD) by at least 420 years, records the following:

"The voice of thy brother's bloods crieth." (Genesis 4:10).

The *Mishnah Sanhedrin Commentary* is that "It was for this reason that man was first created as one person (viz. Adam), to teach you that anyone who destroys a life (of

Israel) is considered by Scripture to have destroyed an entire world; any who saves a life (of Israel) is as if he saved an entire world."¹⁰

The passage found its way into Muhammad's Koran more than 420 years later by means of Muhammad's plagiarism, not because it was a revelation from Allah. Muhammad had heard about this Genesis story and the Rabbi's commentary on the *Torah* and he presented it to his followers as a revelation. This means that a Jewish Rabbi's commentary is in the Koran!

When the parts that are omitted as indicated above in the highlighted translations are included, the meaning of Koran 5:32 changes.

"On that account: **We ordained for the Children of Israel** that if anyone slew a person - **unless it be in retaliation for murder or for spreading mischief in the land** - it would be as if he slew all mankind: and if anyone saved a life, it would be as if he saved the life of all humanity."

Muslims believe that this is the most correct version.

The left-out reference *mischief in the land* is alluded to in Koran 5:33

"Indeed, the penalty for those who wage war against Allah and His Messenger and strive upon earth [to cause] corruption is none but that they be killed or crucified or that their hands and feet be cut off from opposite sides or that they be exiled from the land." ¹¹

The term "strive upon (to cause) corruption" has the penalty of dismemberment and even killing is permitted, whether it be by crucifixion, or whatever.¹² Exactly, *mischief in the land or (to cause corruption) in the land* encompasses situations like criticizing or demanding a change in Islamic teachings or traditions, sex between a non-Muslim male and a Muslim female, (sex between a Muslim male and a non-Muslim female, even rape, is not mischief), terrorism against Muslims, and considering non-Muslims as innocent people – (only Muslims are innocent people)!

Suras 5:32 and 5:33 are truly warnings to Jews (nonbelievers) not to commit mischief/corruption in the land of the Muslims. The land of the Muslims is always and ever the geographical locality where Muslims live and practice their cult regardless of where that was in history. This is the reason for Muslims demanding that Spain

become Islamic because it was under Islamic rule from 709 to 1614. By this definition, the Federal Republic of Germany is now a land of the Muslims!

The Suras 5:32-33 mean *do not oppose the prophet*. Those who do oppose Muhammad will be banished, mutilated, or crucified. In fact, disbelieving in Allah is the worst possible crime in Islam (Suras 10:17, 11:18-129, 18:15, 32:22) The consequence of this in relation to Sura 5:32 is if killing one person is like killing all humankind is true, then disbelief in Islam is a much worse crime than killing all humankind. In other words, disbelief in Allah and Muhammad is worse than killing a human being.

We know that all male Muslims are to emulate Muhammad, which includes the killing of non-Muslims if they undertake opposition to Muhammad and Islam. Therefore, there is no reason to consider Sura 5:32 as being a peaceful Sura.

The tense of 5:32 is past tense *vorgeschrieben* (ordained). Thus it was intended for the Children of Israel and not for the Muslims. In his Allah voice Muhammad says *We*, indicating that he knew about the situation being revealed at the time of Genesis, which is an impossibility covered in the framework that Muhammad and Allah knew about Jewish history before JHWH. Muhammad has created his revelation via plagiarism and his own additions.

Any and every Sura in the Koran must be understood in light of the complete Koran and the ultimate goals of Muhammad, predominantly the conquering of other religions (9:33, 48:28, 61:9) by two methods: either forced conversion to Islam or the paying of the jizya dhimmi tax until all religion is Islam and the belief in Allah (2:193, 8:39; see 9:5 and 9:29) is established throughout the world. If killing advances Islam, then so be it! Sura 5:32 never had the meaning of not killing unbelievers. Presenting Sura 5:32 at the vigil in Berlin was a sly process of brainwashing the naïve by means of Islamic deception.

The recitation of Koran 5:32 was followed by the quoting of Koran 49:13.

Koran 49:13

Revealed in approximately 631, this Sura says,

"Ihr Menschen, Siehe, wir erschufen euch als Mann und Frau und machten euch zu Völkern und zu Stämmen damit ihr einander kennenlernt. Siehe, der gilt bei Allah als edelster von euch, der Allah am meisten fürchtet, der Siehe, Allah ist wissend, kundig."¹³

¹³ Hartmut Bobzin, *Der Koran*, Verlag C. H. Beck, München: 2012, page 460.

"O (humans), indeed We have created you from male and female and made you peoples and tribes that you may know one another. Indeed, the most noble of you in the sight of Allah is the most righteous of you. Indeed, Allah is Knowing and Acquainted."¹⁴

In Koran 43:3 we are told by Muhammad in his Allah voice that "Indeed, We have made it an Arabic Qur'an that you might understand."¹⁵

This revelation means that the Koran is in Arabic so that Arabs can understand its content. Therefore, the Koran is not for non-Arabic speaking peoples. For example, to say that this essay is for non-English reading people is tantamount to saying that this essay is in English so that those speaking other languages can understand it. Therefore, Muhammad is always speaking to Arabs.

In Sura 49:13 Muhammad is speaking to Arabs who are standing before him. He is telling them in his Allah voice that the Arabs were created man and woman and were placed into peoples and tribes for the purpose of knowing one another. Muhammad is signaling a desire that bickering amongst his followers, particularly over dividing up the spoils of war, must stop and that a unity must take place – a unity of Islamic brothers and Islamic sisters. Nonbelievers are not included because Allah has designated them as being evil. Explicitly, unbelievers are:

- "apes" and/or "pigs" (2:65-66, 5:58-60, 7:166),
- "evil" (16:27, 2:91, 2:99),
- "guilty" of disbelief (45:31, 83:29),
- "miscreants" (2:99, 24:55),
- "the worst beasts in Allah's sight" (8:55),
- "unclean" (9:28),
- "wicked" (80:42, 9:125),
- "worst of created beings" (98:6),
- against Allah (25:55),
- hypocrites (4:61),
- on the side of the Satan and are fighting for him (4:76-77),
- the "enemy" and "perverted" (63:4),
- the "wrong-doers" (2:254, 5:45).

As such, Islam is the source of hate! Criticizing and combating the creed of Muhammad's evil cult is the opposition to hate. Such activity is the love for freedom from submission. Everything that is not Islamic and everyone who is not Islamic is evil. Consider the following commentary from the Koran 49.¹⁶

CHAPTER 49

AL-ḤUJURĀT

(Revealed after Hijrah)

Date of Revelation and Context

The *Sūrah* was revealed in the 9th year of the *Hijrah*, after the Fall of Mecca. When with the Fall of Mecca Islām had become a great political power and large masses of people had entered its fold, it was in the fitness of time that the newly initiated people should have been taught good manners and morals. The *Sūrah* teaches Muslims those good manners and morals. It also deals with some social evils which find their way into a materially-advanced and wealthy society (the Muslims had become such a society after the conquest of Arabia) and speaks of the accession to Islām of great political power and material wealth. Naturally, and quite appropriately, it embodies regulations for the settlement of international disputes. It opens with strict injunctions to Muslims to show full regard and respect to the Holy Prophet which befits his status as a great Divine Messenger. They are further enjoined not to anticipate his decisions but to give unquestioning obedience to him. They should not raise their voices above his voice; this not only constitutes bad manners but also shows lack of proper respect for the Leader which is calculated to undermine discipline in the Muslim Community. The *Sūrah*, then, warns Muslims to be on their guard against giving credence to false rumours, as such rumours are calculated to land Muslims into very awkward situations and lays down, in brief words, rules on which a League of Nations, or a United Nations Organization, can be built on sound and solid foundations. Next, it mentions some social evils which, if not guarded against and effectively checked in time, are calculated to eat into the vitals of a community and undermine its whole social structure. Of these social evils the common ones are suspicion, false accusation, spying, backbiting; and most pronounced and far-reaching in their evil consequences are conceit and pride born of a false sense of racial superiority. The Qur'ān recognizes no basis of superiority save that of piety and righteous conduct.

Nowhere in the above-commentary is there indication that unbelievers are included in hearing the revelation of the complete Sura 49, let alone Sura 49:13.

Dr. Moorthy Muthuswamy writes that "About sixty-one percent of the contents of the Koran are found to speak ill of the unbelievers or call for their violent conquest; at best only 2.6 percent of the Suras of the Koran are noted to show goodwill toward humanity. About seventy-five percent of Muhammad's biography (Sunna) consists of jihad waged on unbelievers."¹⁷

Here are some selected Quotes from the Koran concerning unbelievers in a negative, dehumanizing manner.¹⁸

- (2:1/2:6-2:10) "This Book is not to be doubted.... As for the unbelievers, it is the same whether or not you forewarn them; they will not have faith. Allah has set a seal upon their hearts and ears; their sight is dimmed and grievous punishment awaits them."
- (2:89-2:90) "Allah's curse be upon the infidels! Evil is that for which they have bartered away their souls. To deny Allah's own revelation, grudging that He should reveal His bounty to whom He chooses from among His servants! They have incurred Allah's most inexorable wrath. An ignominious punishment awaits the unbelievers."
- (2:286; 3:147) "Give us victory over the unbelievers."
- (3:85) "He that chooses a religion over Islam, it will not be accepted from him and in the world to come he will be one of the lost."
- (3:28) "Let not believers make friends with infidels in preference to the faithful – he that does this has nothing to hope for from Good – except in self-defense. Allah admonishes you to fear Him: for to Allah shall all return."
- (4:56) "Those that deny Our revelations We will burn in fire. No sooner will their skins be consumed than We shall give them other skins, so that they may truly taste the scourge. Allah is mighty and wise."
- (5:51) "Believers, take neither the Jews nor the Christians for your friends. They are friends with one another..."
- (8:12) "I shall cast terror into the hearts of the infidels. Strike off their heads, strike off the very tips of their fingers."
- (8:59-60) "Let not the unbelievers think they will ever get away. They have not the power so to do. Muster against them all the men and cavalry at your command, so that you may strike terror into the enemy of Allah and your enemies..."
- (9:5) "When the sacred months are over slay the idolaters wherever you find them. Arrest them, besiege them, and lie in ambush everywhere for them."
- (9:28) "Believers, know that the idolaters [non-Muslims] are unclean. Let them not approach the Sacred Mosque after this year is ended."
- (9:73) "Prophet, make war on the unbelievers and the hypocrites and deal rigorously with them. Hell shall be their home: an evil fate."

- (9:123) "Believers, make war on the infidels who dwell around you. Deal firmly with them. Know that Allah is with the righteous."
- (22:19-20) "Garments of fire have been prepared for the unbelievers. Scalding water shall be poured upon their heads, melting their skins and that which is in their bellies. They shall be lashed with rods of iron. Whenever, in their anguish, they try to escape from Hell, back they shall be dragged, and will be told: "Taste the torment of the Conflagration!"
- (48:29) "Muhammad is Allah's apostle. Those who follow him are ruthless to the unbelievers but merciful to one another."
- (98:6) "The unbelievers among the People of the Book [Bible] and the pagans shall burn forever in the fire of Hell. They are the vilest of all creatures."

All of the ca. 18,000 (later estimates were placed at 10,000) people present at Pariser-Platz, were 100 percent sure that the Islamic terrorist/jihadist attack in Paris had nothing to do with peaceful and tolerant Islam. They all thought, and as of this writing somewhat two weeks later, that the quoted Koran Suras were wonderful examples of how peaceful and tolerant Islam is. Indeed, the President of Germany was steadfast in this claim. It only proves the Josef Goebbels' maxim that if one lies often enough, the people will believe that one is telling the truth. Indeed, the attempt, which was successful, was and is to claim peace via deception with the intent of eventual infiltration and the founding of parallel communities as a basis for the establishment of the Islamic Republic of Germany.¹⁹

In his speech on the 20th Anniversary of German Unity on 3 October 2010, which is the same day every year as the Day of Open House (*Tag der Offene Tür*) for Mosques in Germany, the then president of Germany Christian Wulff said, "(D)er Islam gehört inzwischen auch zu Deutschland." (By now Islam belongs to Germany.) On 12 January 2015 the German Chancellor Angela Merkel stated in a press conference after her meeting with the Turkish Prime Minister Ahmet Davutoglu, "Der frühere Bundespräsident Wulff hat gesagt, der Islam gehört zu Deutschland. Das ist so. Dieser Meinung bin ich auch."²⁰ (The former Federal President Wulff said that Islam belongs to Germany. That is the situation. I am of the same opinion.) On 13 January 2015, the German President Joachim Gauck stated that the Muslim protest against terror is a patriotic "'Ja' zu dem Land, in dem wir gemeinsam leben – zu

unserem Land!"²¹ (Yes to the country in which we live together – to our country!) Active applause came from the crowd and from Aiman Mazyek who called out "Wir sind alle Deutschland!"²² (All of us are Germany!) On 21 January 2015, the German Thomas de Maizière, in presenting the annual German Integration Report, stated explicitly "Wir müssen uns an Moscheen gewöhnen."²³ (We must get accustomed to mosques.)

What a most explicit example of two-faced Islam in Germany! It is the same as two-faced Islam everywhere: Good guys on the one side and bad guys on the other side who both make up the two-faced façade of Islam: on the one face there are the terrorist/jihadist murderers, and on the other face there are peaceful appearances embellished with quotes from the o-so-peaceful Koran amidst demands for legal prohibitions on criticism of Islam, all-the-while receiving support from brainwashed politicians and citizens.

The Islamic logic for the gullible ears of naïve politicians and citizens is that placing prohibitions on criticizing Islam will support community peace and integration harmony. Looking just one level deeper one will uncover the fact that there will be threats of more violence if such prohibitions do not become law. The aim of the terrorist/jihadist attackers on *Charlie Hebdo* is the same as the aim everywhere: submission to Sharia blasphemy laws. Once this happens no proper investigations could ever take place and no insights concerning the goals of jihadists could ever be revealed. The ultimate outcome would thus be for the jihadists to be unopposed by the non-Islamic society.²⁴

Four days after the terrorist/jihadist attack on *Charlie Hebdo*,

"Forty-five churches were torched over the weekend (of 17 January 2015) in Niger's capital during deadly protests over the publication of a Prophet Mohammed cartoon by the French satirical weekly *Charlie Hebdo*, police said on Monday.

²⁴ It is important to understand what jihad means. The Shafi'i Sunni manual *Reliance of the Traveler*, which is officially endorsed by the Al-Azhar University in Cairo, says that jihad is "a communal obligation" that consists of making "war against non-Muslims." Further, "...the caliph makes war upon Jews, Christians, and Zoroastrians...until they become Muslim or else pay the non-Muslim poll tax..." "The caliph fights all other peoples until they become Muslim." It is of utmost important that jihad be conducted even if there is no caliph. Consult Ahmed ibn Naqib al-Misri (1999). *Reliance of the Traveler ('Umdat al-Salik): A Classic Manual of Islamic Sacred Law*. (Translated by Nuh Ha Mim Keller, Amana Publications: Beltsville, Maryland: 1999), at the law codifications: o9.0, o9.1 , o9.6, o9.8, and o9.9, respectively.

The protests, which left five people dead and 128 people injured, also saw a Christian school and orphanage set alight, Adily Toro, a spokesman for the national police, told a press conference. Similar protests on Friday (16 January) in the second city of Zinder also saw five people killed and 45 wounded."²⁵

The TGB is the largest umbrella organization of Turkish associations in Berlin. The TGB represents 40,000 Turks in Berlin and advises them on matters pertaining to social matters/conflicts and legal matters dealing with: German law, immigration law, family law, Turkish law, civil law, criminal law, traffic law, and bankruptcy law.

The so-called moderate, peaceful Muslims like Aiman Mazyek of the Zentralrat der Muslime in Deutschland and the Chairman of the Turkish Community in Berlin, Bekir Yilmaz do not condemn the attacks. Indeed, as of this writing they have not condemned the evil Islamic terrorism of Boko Haram in Africa, to be explicit Nigeria, Cameroon, Chad, and Niger. They have no comments. It would make no impression if they did comment, for a Muslim is allowed to say anything as long as Islam is presented in a positive light. Their comments concerning Islamic terror atrocities would most likely be THAT HAS NOTHING TO DO WITH ISLAM and argue that to contend that it does have something to do with Islam, or is Islam, is blasphemy, which must stop!

Well, I take the stance that I and the rest of the unbelievers would be happy to have nothing to do with Islam. However, Islam says it has something to do with me and that means I must combat the cult.

To his right are the Vice-President of the Zentralrat der Juden, Abraham Lehrer, who stated that "*Bis heute steht in der Charta der Hamas die Vernichtung der Juden als Ziel.*" (Even today, the Charter of Hamas has the extermination of Jews as its goal.), which only caused the shrug of shoulders from others who were present.²⁷ Between him and President Gauck is the Roman Catholic Suffragan (Auxiliary) Bishop of Berlin Matthias Heinrich. In the back rows are minor German politicians of the Greens, the Left, and the Social Democrats who support peaceful and tolerant Islam.

The other side of the Islamic stealth jihad is that Muslims in Germany, even those with German citizenship, will likely not want to remain German when Islam gets the upper hand because Muslims owe their allegiance to Islam, the Koran, and Muhammad only, unless Germany becomes the Islamic Republic of Germany.

I implore every non-believer in Islam throughout the world and particularly in Germany and the United States of America to read the following quotes from the Koran. These excerpts, coupled with those above, are surely reasons enough to

never become a Muslim and to combat creeping Sharia and the slimy teachings from Muhammad and the Koran.

- (40:70-72) "Those who deny the Scripture and that wherewith We send Our messengers. But they will come to know, when carcans (iron rings) are about their necks and chains. They are dragged through boiling waters; then they are thrust into the Fire."
- (7:4-5) "How many a township have We destroyed! As a raid by night, or while they slept at noon, Our terror came unto them. No plea had they, when Our terror came unto them, save that they said: Lo! We were wrongdoers."
- (8:1) "They ask thee (O Muhammad) of the spoils of war. Say: The spoils of war belong to Allah and the messenger, so keep your duty to Allah, and adjust the matter of your difference, and obey Allah and His messenger, if ye are (true) believers."
- (5:51-52) "O ye who believe! Take not the Jews and the Christians for friends. They are friends one to another. He among you who taketh them for friends is (one) of them. Lo! Allah guideth not wrongdoing folk. And thou seest those in whose heart is a disease race toward them, saying: We fear lest a change of fortune befall us. And it may happen that Allah will vouchsafe (unto thee) the victory, or a commandment from His presence. Then will they repent them of their secret thoughts."
- (9:113) "It is not for the Prophet, and those who believe, to pray for the [forgiveness](#) of idolaters even though they may be near of kin (to them) after it hath become clear that they are people of hell-fire."
- (25:11-13) "Nay, but they deny (the coming of) the Hour, and for those who deny (the coming of) the Hour We have prepared a flame. When it seeth them from afar, they hear the crackling and the roar thereof. And when they are flung into a narrow place thereof, chained together, they pray for destruction there."
- (5:33-34) "The only reward of those who make war upon Allah and His messenger and strive after corruption in the land will be that they will be killed or crucified, or have their hands and feet on alternate sides cut off, or will be expelled out of the land. Such will be their degradation in the world, and in the Hereafter theirs will be an awful doom; Save those who repent before ye overpower them. For know that Allah is Forgiving, Merciful".
- (60:1) "O ye who believe! Choose not My enemy and your enemy for allies. Do ye give them friendship when they disbelieve in that truth which

hath come unto you, driving out the messenger and you because ye believe in Allah, your Lord ? If ye have come forth to strive in My way and seeking My good pleasure, (show them not friendship). Do ye show friendship unto them in secret, when I am Best Aware of what ye hide and what ye proclaim ? And whosoever doeth it among you, he verily hath strayed from the right way."

- (47:4) "Now when ye meet in battle those who disbelieve, then it is smiting of the necks until, when ye have routed them, then making fast of bonds; and afterward either grace or ransom till the war lay down its burdens. That (is the ordinance). And if Allah willed He could have punished them (without you) but (thus it is ordained) that He may try some of you by means of others. And those who are slain in the way of Allah, He rendereth not their actions vain."
- (45:7-11) "Woe unto each sinful liar, Who heareth the revelations of Allah recited unto him, and then continueth in pride as though he heard them not. Give him tidings of a painful doom. And when he knoweth aught of Our revelations he maketh it a jest. For such there is a shameful doom. Beyond them there is [hell](#), and that which they have earned will naught avail them, nor those whom they have chosen for protecting friends beside Allah. Theirs will be an awful doom. This is guidance. And those who disbelieve the revelations of their Lord, for them there is a painful doom of wrath."

And my very favorite passage in the Quran –

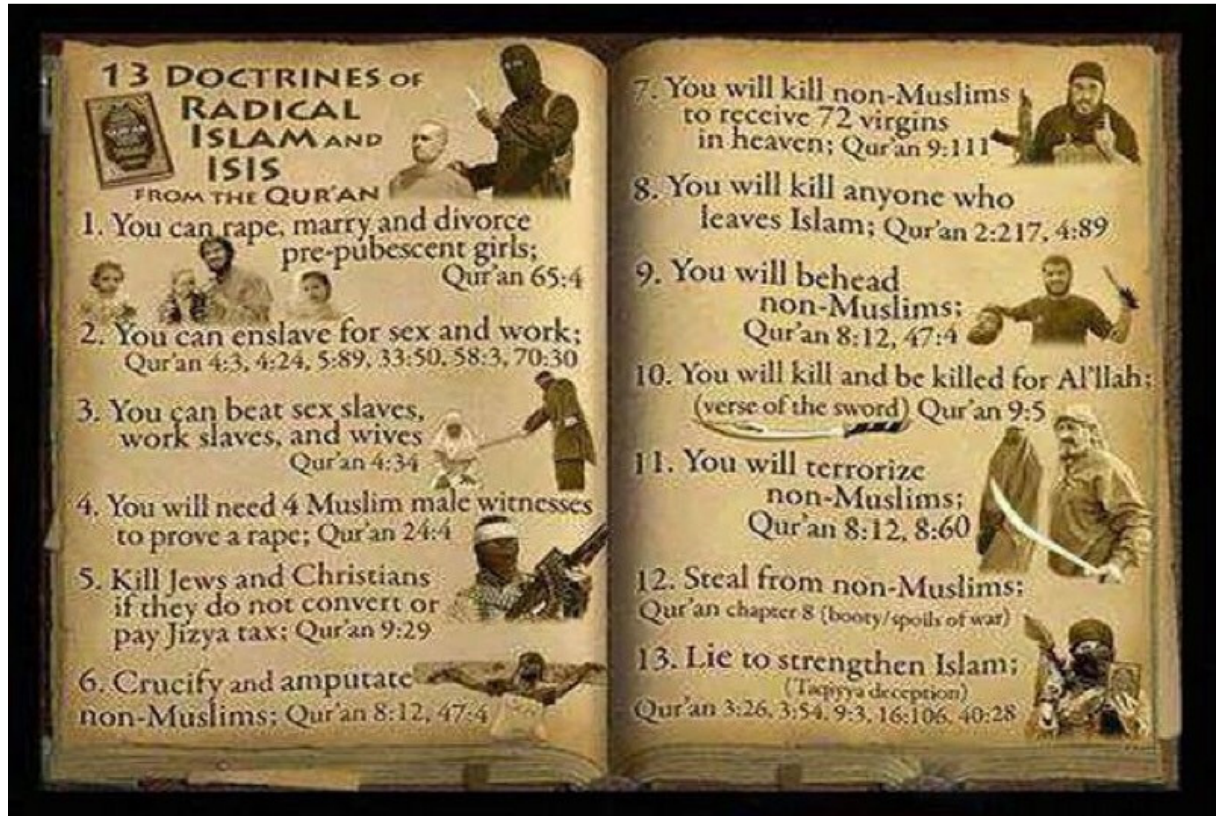

- (4:92-93) "It is not for a believer to kill a believer unless (it be) by mistake. He who hath killed a believer by mistake must set free a believing slave, and pay the blood- money to the family of the slain, unless they remit it as a charity. If he (the victim) be of a people hostile unto you, and he is a believer, then (the penance is) to set free a believing slave. And if he cometh of a folk between whom and you there is a [covenant](#), then the blood-money must be paid unto his folk and (also) a believing slave must be set free. And whoso hath not the wherewithal must fast two consecutive months. A penance from Allah. Allah is Knower, Wise. Whoso slayeth a believer of set purpose, his reward is [hell](#) for ever. Allah is wroth against him and He hath cursed him and prepared for him an awful doom."

This is called the "whoopsie daisy."

While most religious texts preach "thou shall not kill," the Quran goes over the penalties for the adherents of the "religion of peace" if you happen to kill a fellow

muslim by accident when you're out pillaging and marauding and murdering. You should tip the family, because it's all about the benjamins.²⁸

Furthermore, the following thirteen Koran doctrines belong to the core of Islam:

An-Nās – The People

The that-has-nothing-to-do-with-Islam behavior is coming from a people and their politicians who will soon be conquered by Islam. It is thoroughly consistent with the goal of imposing Islam and Sharia law on the society.

The Federal Republic of Germany and German citizens are in the fangs of Islam. The people and the politicians of the republic cannot acknowledge their enemy by its own name. They are following the path of surrender and enslavement, which is what Islam wants. Of course, they are eager to disguise this surrender by inventing misleading labels that they contend have nothing to do with peaceful Islam or tolerant Islam. They say that the evil does not come from Islam, but from what can be called Islamism, Islamists, radical Islam, and Islamic terrorists. It is interesting to notice that there are truly no Islamic terrorists in Islam! Every Muslim will say that. Even Aiman

²⁸ <http://iotwreport.com/?p=271089>. The listed order is BigFurHat's favorite Suras from the Koran and the comments in italics are by BigFurHat. The use of the term *benjamins* in urban language means *being cool, being nice*.

Mazyek says this. What is left to do is to think one step further. There really are no terrorists in Islam! They are called jihadists!

There is no moderate Islam! There is no radical Islam! There is no Islamism! There are no Islamists! There are no Islamic terrorists! They are all from the same source regardless of the differentiating nomenclature: Muhammad and his cult of Islam. Islam is the only acceptable belief (Sura 3:85)! Unbelievers are evil (Sura 7:177)! As a matter of fact, there are approximately 250 separate Suras that condemn those who are not Muslims to hellfire, to eternal torture!

Source: <https://rechtsvorlinks.files.wordpress.com/2014/04/angela-merkel.jpg> With the speech bubble Chancellor Angela Merkel says. "What else can I do for you?" On the German flag is the crescent moon, symbolizing Allah and the Islamic star symbolizing love, fertility, and important for Islam: sex and warfare!²⁹

Faithful, devout Muslims behead Christians, blow up trains, buses, and airplanes, conduct suicide bombings of children in schools, enslave blacks, execute atheists, fly planes into buildings, murder children, rape little girls, stab and run over Jews with vehicles, steal land from Hindus, Christians, Buddhists, Yazidis, and Jews, stone women, throw acid on women, throw homosexuals to their deaths from tall buildings, to name only a few of the activities that are not crimes in Islam, but which are crimes against humanity in civilized countries as opposed to barbarian cults.

Naturally, these are very unusual peaceful and tolerant behaviors that have nothing to do with Islam!

²⁹ <http://en.wikipedia.org/wiki/Ishtar>, <http://en.wikipedia.org/wiki/Inanna>.

In societies where the belief is Hindu, Buddhist, Jewish, or Christian, or a co-habitation of them, these are crimes. They are activities of an anti-human cultism.

Islam means submission.
Islam does not mean peace!

Islam means violence and killings such as prescribed in Sura 9:5 – "kill the unbelievers where you find them", and in Suras 47:4 and 8:12 – "Smite ye above their necks."

Islam does not mean tolerance!
Islam means intolerance!

Islam is heresy at its finest. It is two-faced! On the one evil face Islam claims peace and tolerance, yet the other evil face promotes and condones conducting jihad and subjugation, indeed, even the killing of its opponents, all the while uniting with organizations that are in power in the target country and courting elements that are opposed to the existence of the target country.

The Federal Republic of Germany, like the still surviving democratic republics in Europe and the United States of America, must fight for freedom from the most evil enemy to humankind that has ever appeared on the earth. It devastates, indeed, destroys everything with which it comes into contact. To defeat this enemy Germans – and everyone else – must tell the truth about Islam. This means exposing everything about Islam. Do not be complacent! Question Islam as often as you can! and do not forget how Muhammad expanded his delusions throughout the world. Muhammad said,

"... I have been made victorious with terror (cast in the hearts of the enemy)" ³⁰

"... spoils have been made lawful to me: the earth has been made for me clean and a place of worship; I have been sent to all mankind" ³¹

These statements shortly before Muhammad died are supported by the Koran:

➤ (3:151): "Soon shall We cast terror into the hearts of the Unbelievers, for that they joined companions with Allah, for which He had sent no authority: their abode will be the Fire: And evil is the home of the wrong-doers!"

³⁰ [Sahih Al-Bukhari, Volume 4, Book 52, Number 220.](#)

³¹ [Sahih Muslim, Book 004, Number 1062,](#) 1063, 1066, 1067.

- (8:12-13): "Remember thy Lord inspired the angels (with the message): "I am with you: give firmness to the Believers: I will instill terror into the hearts of the Unbelievers: smite ye above their necks and smite all their finger-tips off them. This because they contended against Allah and His Messenger: If any contend against Allah and His Messenger, Allah is strict in punishment."
- (8:59-60) "Let not the unbelievers think that they can get the better (of the godly): they will never frustrate (them). Against them make ready your strength to the utmost of your power, including steeds of war, to strike terror into (the hearts of) the enemies, of Allah and your enemies, and others besides, whom ye may not know, but whom Allah doth know. Whatever ye shall spend in the cause of Allah, shall be repaid unto you, and ye shall not be treated unjustly."
- (33:25-27) "And Allah turned back the Unbelievers for (all) their fury: no advantage did they gain; and enough is Allah for the believers in their fight. And Allah is full of Strength, able to enforce His Will. And those of the People of the Book who aided them - Allah did take them down from their strongholds and cast terror into their hearts. (So that) some ye slew, and some ye made prisoners. And He made you heirs of their lands, their houses, and their goods, and of a land which ye had not frequented (before). And Allah has power over all things."
- (59:2) "It is He Who got out the Unbelievers among the People of the Book from their homes at the first gathering (of the forces). Little did ye think that they would get out: And they thought that their fortresses would defend them from Allah! But the (Wrath of) Allah came to them from quarters from which they little expected (it), and cast terror into their hearts, so that they destroyed their dwellings by their own hands and the hands of the Believers, take warning, then, O ye with eyes (to see)!"
- (59:4) "That is because they resisted Allah and His Messenger: And if any one resists Allah, verily, Allah is severe in punishment."
- (59:13) "Of a truth ye are stronger (than they) because of the terror in their hearts, (sent) by Allah. This is because they are men devoid of understanding."³²

For Muslims this conduct is a basis for pride!

This is Islamic peacefulness and tolerance!

Islam does not belong to Germany! Germany belongs to Islam!

The cry must not be Allāhu Akbar, but ...

Veritas Akbar !!!
