GIGO – IT'S HARVEST TIME

(A PICTURE ESSAY IN FOUR PAGES)

BARACK HUSSEIN OBAMA'S STATE OF THE UNION ADDRESS BEFORE CONGRESS ON JANUARY 24, 2012.

Barack Hussein Obama did it again: sixty-five minutes and 14 seconds of blah, blah, blah, illogical rhetoric, disguised lying, outright lying, and attempts at brainwashing the American people. (<http://www.youtube.com/watch?v=Zgfi7wnGZIE>)

Above is an official government picture of Barack Hussein Obama giving the 2012 State of the Union Address before the United States Congress on 24 January 2012.

Barack Hussein Obama! Shouting is intimidation and it will get you nowhere with American patriots.

The picture above shows Barack Hussein Obama regime's food stamp packages ready to be delivered to the 45.8 million recipients of food stamps, up 34 percent since the usurper of the presidency Barack Hussein Obama took office illegally. About 21 million households rely on food stamps. That is approximately fifteen percent. The state with the largest portion of its population relying on food stamps is Mississippi with more than 21 percent. One in five people residing in Louisiana, New Mexico, Oregon, and Tennessee receive food stamps. The majority of illegal immigrant families collect welfare. This is happening into Barack Hussein Obama's fourth non-job-creating year in which he boasts of economic recovery. <http://quitenormal.wordpress.com/2011/11/02/15-of-the-u-s-now-receiving-food-stamps-up-8-1-in-the-past-year/>)

Barack Hussein Obama! You do not want economic growth. You prefer handing out food stamps rather than having an economy that creates jobs and monthly paychecks. Forcing every American citizen to become a recipient of government food stamps will enable you to establish completely your policy of **socialist-communist-fascist dope and chains**.

The picture above shows Barack Hussein Obama delivering garbage politics to a local liberal, progressive, obot, union-thug-operated Obama garbage politics reception point. Such local liberal, progressive, obot, and union-thug-operated Obama garbage politics reception points are present in all American communities, more so in those communities that support Barack Hussein Obama and his garbage politics. The exact locations of the Obama garbage politics reception points for the policies of the Barack Hussein Obama regime have been kept a secret to insure that there will be no discrimination against those now dependent on their portion of the Barack Hussein Obama and Democratic Party refuse. Barack Hussein Obama is the driver-in-chief of the wrecked dumpster of Barry's Trucking for Progress Organization. If the reader looks closely, one will readily see that Barry's Trucking for Progress Organization vehicle symbolizes the condition of the United States economy under the control of an anti-free market charlatan.

Barack Hussein Obama! You are the chief dumpster driver and the most criminal person in American presidential history. (<http://www.judicialwatch.org/corrupt-politicians-lists/washingtons-ten-most-wanted-corrupt-politicians-for-2011/>) Manifold times your foul politics have been discharged against America. You have a blasting and a scandalous political breath forward and backward. Your forward voice, now, is to speak well ...; your backward voice is to utter foul speeches and to detract. Your other, backside mouth like your frontal opening doth speak and reek of odious air! (Adaptations of William Shakespeare's *Henry VIII*, 5.3.43-45; *Measure for Measure* 5.1.125; and *The Tempest*, 2.2.91-94 and 2.2.98.)

The picture above shows Barack Hussein Obama as a leader in the harvesting of his GIGO politics. These are the politics that have provided millions of jobs to Americans. The eager followers of Barack Hussein Obama are the first to receive such harvest jobs. One former-occupy-wall-street worker now harvesting for Barack Hussein Obama says, "I am so grateful to our leader Barry. He stands so upright in leading us. I'll always be proud to bend over and pickup his leftover sh_t and scraps. I'll even fill his potato sack so that he can save his strength. We do not know how much sh_t and how many scraps there will be without him. As progressives, we occupiers love Barry's sh_t and scraps. We must collect all that we can get now!"
