Hypocrisy in Green and Blue

The Hypocritical Aspect

In a ceremony on the ellipse in front of the White House on December 1, 2011, Barack Hussein Obama, his wife, and two daughters switched on the lights of the National Christmas Tree. During the short ceremony Satan's gift to the world gave a short speech in which he said the following hypocritical words.

"More than 2,000 years ago, a child was born to two faithful travelers who could find rest only in a stable, among the cattle and the sheep. But this was not just any child. Christ's birth made the angels rejoice and attracted shepherds and kings from afar. He was a manifestation of God's love for us. And He grew up to become a leader with a servant's heart who taught us a message as simple as it is powerful: that we should love God, and love our neighbor as ourselves.

"That teaching has come to encircle the globe. It has endured for generations. And today, it lies at the heart of my Christian faith and that of millions of Americans. No matter who we are, or where we come from, or how we worship, it's a message that can unite all of us on this holiday season."

"So long as the gifts and the parties are happening, it's important for us to keep in mind the central message of this season, and keep Christ's words not only in our thoughts, but also in our deeds."¹

Why are these words hypocritical? There are some important reasons relating to this speech that prove why The Hypocrite is **The Hypocrite of the Modern World**, comparable to the likes of Adolf Hitler, Joseph Stalin, Mao Zedong and Kim Jong Il, to name only a few.

1. Barack Hussein Obama does not practice what he preaches and certainly does not practice what Jesus Christ teaches. In his three-plus years as the illegal occupant of the Oval Office Barack Hussein Obama has not taken one action that would prove that he is adhering to the teachings of Jesus Christ. This author has reviewed his actions, examined his speeches, and searched the internet – even the pro-Obama sites – and cannot find one instance. There are many instances that are constructed by the various bloggers, but on closer examination not one of them has proven to be true. Readers who think otherwise should read *The Obama Timeline*, as well as many other true reports at various internet sites concerning the evil that is Barack Hussein Obama. Many of these sites are linked to via the articles and essays in the left column of *The Obama Timeline*.

2. Barack Hussein Obama is not a Christian. How can anyone claim to be a Christian when that person cannot show a certification of baptism in the Christian religion? Well, you can lie about it. The truth is that Barack Hussein Obama was born into the Islamic world community of the Umma as a consequence of his father being a Muslim. Once born into the Umma, a person is always a member of the Umma community.² Being baptized as a Christian would mean that Barack Hussein Obama would have to pay the price of committing apostasy, except if by becoming a Christian or saying that he is a Christian it is only a ruse to hide his true belief: Islam. This behavior is called *al-taqiyya*.³ the saying or the taking of any action, illegal or legal, moral or immoral as

² *al-Umma al-islamiyya* / الأمة الإسلامية / *al-Umma al-islāmīya*. <http://de.wikipedia.org/wiki/Umma>. The Wikipedia article contains no negative aspects of the Umma vis-à-vis other concepts of nation-states.

³ The best books concerning the history of *al-taqiyya* and the extermination of non-believers are: Andrew G. Bostom, editor, *The Legacy of Islamic Antisemitism From Sacred Texts to Solemn History*, Prometheus Books, Amherst, New York: 2008 and Andrew G. Bostom, *The Legacy of Jihad Islamic Holy War and the Fate of Non-Muslims*, Prometheus Books, Amherst, New York: 2005.

long as by so doing the outcome will assure the advance of Islam. Furthermore, what special honor is there to have been baptized by the Hate-America preacher Dr. Jeremiah Wright(?), unless that honor is to become a disguised Muslim member of Dr. Jeremiah Wright's Hate-America Trinity United Church of Christ, of which Wright is now pastor emeritus.

3. More at the heart of Barack Hussein Obama's Christian faith is the fact that he is a disguised Muslim in stolen Christian identity. Furthermore, Barack Hussein Obama does not behave like a Christian. This author challenges anyone to prove that Barack Hussein Obama has ever loved his neighbor like he loves himself. Being the perfection of narcissism that he is, for Barack Hussein Obama there is no room to love anyone else other than himself ... which may be in line with his sexual inclinations.⁴
4. Although Barack Hussein Obama has released many documents concerning his rise to power as a do-nothing, these documents have all turned out to be forgeries. Therefore, Barack Hussein Obama has proven that he as a Christian forges official documents and lies by claiming that the forgeries are the true documents. Here is a list of up-to-now-non-existing-or-non-released documents.

⁵ The highlighted list was compiled and reported by Don Fredrick in the December 2011 issue of *The Obama Timeline*. For more detailed information read Chelsea Schilling's article *BORN IN THE USA?*

In many religious-oriented speeches at other ceremonies during the past three-plus years, Barack Hussein Obama has stated that the population of America consists of non-believers, Christians, Jews, and Muslims, to whom the United States of America owes so much gratitude because the Muslims are so peaceful.⁶ The term *non-believers* has always been stated. However, on December 1, 2011, the terminology *non-believers* was left out of the hypocritical speech. For a believer in Islam, the nomenclature *non-believer* (*unbeliever*) has a special meaning. By definition that is supported by the history of Islamic conquests, *non-believers* must be either converted to Islam, or they must be killed. There are no exceptions. Even paying the *dhimmi tax*, a tax that is paid by conquered peoples and which is supposed to allow the conquered believers in other religions to live their lives freely, does not exempt such persons from eventual death at the hands of a Muslim. Indeed, it is the Muslim's duty to make sure that Islam remains pure. Islam cannot remain pure if there are non-*dhimmi tax* paying *non-believers* living in the conquered countries.⁷ Barack Hussein Obama did not mention *non-believers* this time because by doing so he would have placed them in the situation of his calling openly for their extermination. This would be unforgiveable at Christmas, a time of Godly love, but not Islamic love. Barack Hussein Obama has taken great pains to say that the United States of America is one of the world's largest Muslim nations and includes the anti-Islamic Jewish and Christian faiths, but because Christians and Jews believe in God, they are ideal as *dhimmi tax* payers. *Non-believers* would be given the opportunity to be *dhimmi tax* payers, but since they do not believe in God, they should be exterminated.

Therein is the hypocrisy of Barack Hussein Obama in his National Christmas Tree lighting ceremony on December 1, 2011.

The Christmas Tree

The Christmas Tree and its custom of being decorated is traceable to Estonia and Latvia (Livonia) of the 15th century. In the Middle Ages in Germany there was the custom of the Christmas Tree being a Paradise Tree decorated with apples, nuts, dates, pretzels, paper-made flowers, and lit with burning candles to symbolize the presence of the Holy Spirit. Fire has always been a symbol for the concept of Spirit. Since the tree stood in the best room of the house, or outside the house, and pointed toward heaven, the connection was tangibly made to the Holy Spirit. The color green has always stood for the strength of life. The single star at the top has always been the symbol of Bethlehem. Coupled with the decorative Christmas tree balls, symbolizing the planets, we have the meaning that the tree is the symbol of the universal Incarnation. In this Incarnation the Holy Spirit unites with Nature, life in all of its manifestations. As such, the beautifully decorated Christmas Tree symbolizes the love that Jesus Christ brought upon the earth through his miracle birth. We are filled with joy that Jesus came to us.

This author surmises that the National Christmas Tree on the ellipse in front of the White House this year has been given a different insulting meaning to Americans similar to what happened in 2010 when the White House Christmas Tree was decorated with decor containing pictures of Mao Zedong.⁸

The National Christmas Tree this year has the dominating colors **green** and **blue**. Think about this author's following interpretation:

It is generally accepted in the Islamic world that the color of Mohammed's tribe was **green** because green was the color of their flags. It is also accepted that green was Mohammed's favorite color and he was the first to wear such a colored robe. In the Koran, Surah 76:21, it is promised that those who come to paradise (for Muslims only!) will wear green robes of fine silk. The Korans are bound in green and green silk covers the graves of the Sufi saints, those who have followed the inner mystical elements of Islam. Islam has considered that green is its symbolical color since the days of Mohammed (c. 570-632).

The color **blue** in Islam symbolizes religion and community. It is a predominant color in decorating mosques. Blue in all of its hues is the color of protection in Islam.⁹ Conclusion:

The green of Islam will protect America with the religion of Islam and its Umma!

American patriots! Is that not more encompassing and more comforting than the *Constitution for the United States of America*?
