**JUST THINKING**

Number 21

**"President Barack Obama's deputies are holding "hundreds" of closed-door meetings with a jihad-linked lobbying group that is widely derided by critics as a U.S. arm of the theocratic Muslim Brotherhood.**

The admission of meetings with the Council on American-Islamic Relations came from George Selim, the White House's new director for community partnerships, which was formed in January to ensure cooperation by law enforcement and social service agencies with Muslim identity groups in the United States."

**JT:** This is more than Just Thinking! Arrest him! Try him! Hang him! That's the penalty for treason! Treason is treason and a traitor is a traitor!

\*\*\*

CNSNews.com reports that Obama's State Department has "removed the sections covering religious freedom from the Country Reports on Human Rights that it released on May 24

**JT:** When will the world realize that there is only Islam, the belief in the Moon-god Allah-Hubal! Obama is doing his evil best to make sure that the world is safe for Islam and unsafe for true religions. Allah hop world! Ala hop!!!

\*\*\*

Google BarrySoetoro.com.

**JT:** It is not important. It's just interesting!

\*\*\*

Obama's press conference on 3 June 2012.

**JT:** Methinks he said nothing. He would have been more interesting if he had picked his nose!

\*\*\*

Don Fredrick of The Obama Timeline reports that "Muslim cleric Safwat Hagazy tells his fellow Egyptians that if Muslim Brotherhood candidate Mohammed Mursi wins the presidential election later in June, the nation's capital will no longer be Cairo, but Jerusalem. Hagazy states, 'We can see how the dream of the Islamic Caliphate is being realized, Allah willing, by Dr. Muhammad Mursi and his brothers, his supporters and his political party. We can see how this great dream, shared by us all. The United States of the Arabs will be restored, Allah willing. The United States of the Arabs will be restored by this man and his supporters. The Capital of the Caliphate, the capital of the United States of the Arabs, will be Jerusalem, Allah willing. ...Our capital shall not be Cairo, Mecca or Medina. It shall be Jerusalem with God's will. Our chants shall be: 'millions of martyrs will march towards Jerusalem' ...Yes, we will either pray in Jerusalem or we will be martyred there.' "

**JT:** The United States of the Arabs will be restored? How can something be restored that never existed? If all of the land mass in the world was pieced together as a puzzle, the geographical center would be Jerusalem. I believe in God. I believe that God will never allow a rival, particularly a Moon-god, to occupy Jerusalem. He will make sure they go where they belong: Hades. There they can pray to Obama!

\*\*\*

DailyCaller.com reports, "...Obama's deputies are holding 'hundreds' of closed-door meetings with a jihad-linked lobbying group that is widely derided by critics as a U.S. arm of the theocratic Muslim Brotherhood," particularly CAIR, as told them by George Selim, the White House's new director for community partnerships.

**JT:** I suppose that George Selim thinks his position is strengthening America. It isn't! But his blabbering of the fact that the Obama gooks have been in contact with anti-American and Islamic organizations is a service to America. It would not surprise me if they were on the payroll of the Muslim Brotherhood and its various sub-organizations. Remember, Obama and his minions are thugs!

\*\*\*

From conservative Ann Barnhardt, we read this on Obama's "the private sector is doing fine" statement: "How could he say such a thing? Well, I'll explain it ONE MORE TIME, because people simply do not want to believe what has happened. Barack Obama is a slack-jawed, mouth-breathing imbecile who doesn't have the brains God gave a goldfish. He is also a hard-core drug user. He smokes weed in 'Choom Wagon One' [Air Force One] to 'mellow' and smokes crack, and probably does cocaine when he needs to be 'up' for campaign appearances. He has no idea what he is saying most of the time, and is so stupid that he lacks the self-awareness to know when he has said something monumentally stupid, such as we saw this morning. He is not smart, hence his complete inability to speak extemporaneously and his mere passing familiarity with the English language. He is in no way competent on any level, hence his staggering lack of command on any topic except sports involving big, sweaty men. He is not actually engaged in any meaningful policy discussion or formation. Obama himself is a puppet front kept entertained with drugs, golf, and gay sex, and the golf may only be a cover for the gay sex. People who play golf with any frequency tend to develop something that resembles a golf SWING. Barack Obama can not swing a golf club competently despite playing more golf than the avid, semi-retired, country club golfers I know. The people running the White House per se are Valerie Jarrett and Michelle Obama, who are themselves profoundly unintelligent people who are getting their material and marching orders from people like [George] Soros, Maurice Strong, Leo Gerard, and maybe even Vladimir Putin and Beijing by extension—the global Communist leaders. Obama is simply a complete idiot. Stop trying to push a square peg into a round hole. Stop trying to process this using the assumption that Obama is in any way intelligent. Face reality. He isn't a Manchurian candidate. He isn't brainwashed. You have to actually have a BRAIN in order to be brainwashed. Obama is a mentally defective, drug-addled, sodomite psychopath that a cadre of Communist oligarchs are using as a theatrical facade."

**JT:** This is excellent! The statement is the best political correctness I've read in a very long time! It's better than what Nobel Prize winners for literature and psychological medicine write. I wish I had written this truthful exposé!

\*\*\*

On June 9 CNN reports that Al-Shabaab, a Somali Islamist terrorist militant group, "has placed a bounty of 10 camels [on] ...Obama and two camels for information on Secretary of State Hillary Clinton."

**JT:** Camels? I thought Obama smoked them. They offered hens and cocks for Hillary Clinton's head. Cocks? I wonder what Bill has to say about that? Rumor has it that Monika Lewinsky claims *maluuš zobr*. (Look it up!) What would they offer for Michelle? I know! A 200 pound hamburger!!! I have a curse for Obama, Clinton and all Islamist terrorist, active and passive: May the fleas of 1000 camels infest your armpits and may your posteriors stay red for the rest of your lives (*Tiizak Hamra*). (This last part needs to be explained. When someone says to an Islamist/Muslim that his/her ass is red, there is an immediate connection in the persons mind that s/he is being seen as a monkey. This is an absolute insult of insults to an Islamist/Muslim.) All of you deserve to be hit with sixty shoes!

\*\*\*

Campaigning in Chicago, Obama stated that government programs are 'what has made this country great.'

**JT:** Independent citizens who were never on the dole and who controlled government made the United States of America great. Obama does not only have diarrhea of the mouth, his brain is infested with it also.

\*\*\*

Congressman Peter King (R-NY), chairman of the House Homeland Security Committee, says on Fox News, "... I give [Obama] credit for a lot that he's done on overseas terrorism."

**JT:** Now that is a fine example of wonderful political correctness! It's like saying Satan is a wonderful person for being Satan!

\*\*\*

CNS reports that the House Oversight Committee and Government Reform Committee "will vote next week [possibly June 20] on whether to hold Attorney General Eric Holder in contempt of Congress" for "failing to turn over documents subpoenaed on October 12, 2011 in the Fast and Furious 'gunwalking' investigation." House Speaker John Boehner (R-OH) states, "The Justice Department is out of excuses. Either the Justice Department turns over the information requested, or Congress will have no choice but to move forward with holding the Attorney General in contempt for obstructing an ongoing investigation."

**JT:** If possible, Holder should be prosecuted for contempt of American Patriots!

**JT:** This is the result of eating too many XXXL hamburgers! I wonder if there is difficulty breathing?

\*\*\*

CNSNews.com reports that Obama's Housing and Urban Development "...recently announced it is spending \$70 million to improve the way its [\$3 billion] grant recipients spend billions in taxpayer cash." Asked, "If I'm reading this correctly, this is a grant to teach people how to spend money they already have?" HUD official Brian Sullivan responds, "Absolutely."

**JT:** I think that another 100 million should be used for teaching those who teach those how to spend money. Better yet, Michelle should get involved. If there is anyone who knows how to spend taxpayer money faster than a wink of an eye, it is Michelle.

\*\*\*

Florida Secretary of State Ken Detzner Fox News, "We need to have fair elections in our state. I want to make sure that when we have elections ...not one person's vote gets diluted by somebody that doesn't have the right to vote. We're doing the right thing. ...We have people that are voting illegally in our races—that's not right."

**JT:** Overheard in the White House: "The Florida Secretary of State Ken Detzner is a racist! Everybody knows that he's a racist! I, Barack Hussein Obama will make sure that all persons who want to vote in the Florida elections can vote in the Florida

elections. It is time for deceased voters to have their say in politics. It is time for voters with alias names, like Barry Soetoro, Barack Hussein, to have their say in politics. I have ordered my obots and their machines to win Florida for me. This is Barack Hussein Obama, the well-known alias, and I approve this message."

\*\*\*

Donald Trump says, "I think Saudi Arabia is doing Obama a big favor. I think he is saying 'Look, you have to do me a favor, I have to get elected, and you can't keep doing like you've been doing the last three years driving it up to \$150 because that's where it was going.' I think Saudi Arabia is doing Obama a big fat favor. I think he asked for the favor and prices are coming down, but also the economy's going bad so maybe it won't help that much. ...Assuming if Obama got elected, you're going to see something with oil like you've never seen before, it will go through the roof. The favor will be repaid many times over."

**JT:** Muslims always stick together. They stick together so closely, that they clone their world views! They are cloned clowns! Ala hop! Ala hop! Ala hop!

\*\*\*

At Newsmax.com Ronald Kessler writes, "A criminal case involving recent leaks of highly sensitive national security information is 'not prosecutable' because ...Obama likely authorized the disclosures."

**JT:** Well, if the highly sensitive leaks contain classified information, confidential, secret, or top secret, then even approving the leaks that place the USA in jeopardy is prosecutable as an act of treason. This means that Barack Hussein Obama is a traitor! Surprised?

\*\*\*

The Department of Justice announces that Ronald Weich, an assistant attorney general for legislative affairs, is leaving the Obama administration to serve as dean of the University of Baltimore Law School.

**JT:** Rumor has it that the University of Baltimore Law School will be renamed the University of Baltimore Weich Lie School.

\*\*\*

At CNN.com Sandra "free ride" Fluke, supporter of free contraceptives and abortions, announces her endorsement of Obama for reelection. "Obama is committed to

rebuilding our economy upon the values of fairness and opportunity and the belief that all Americans, both men and women, must have the rights they deserve. That's why I'm proud to endorse his re-election."

**JT:** Now that's a fluke<sup>1</sup> recommendation.

\*\*\*

Newsy.com says that the Pentagon announces it will hold an event to recognize gay and lesbian troops. (<http://www.newsy.com/videos/pentagon-plans-to-celebrate-gay-pride-for-troops>)

**JT:** The event will be held later in June.

*The New Gaye-Lesbie Military Song*

A Lesbian

Marching we went out like pussy cats  
Awaking up in each other's tattooed arms;  
Then my April cried and stepped aside,  
And I started sexual relationships with May!  
My May was full of promises,  
But she didn't keep 'em quickly enough for me, so with her done!  
And the crowd of doubtin' lesbians and gayes  
Was predictin' that they would never come.

Gayes

But we're comin' by dawn,  
We can feel it come,  
We can feel it in our you-know-whats,  
You can see it in our khakis, at least some.

---

<sup>1</sup> fluke: a situation of bullshit. (Urban Dictionary, definition number 4.)

Lesbians

We can feel it touch our knees.

We can smell it in the breeze.

Gays and Lesbians together (!?!)

Look around! Look straight! Look down!

A Lesbian

My June is a-bustin' out all over,

All over her meadow and her hills!

Buds're bustin' outa bushes

And we're rompin' with our pushies

Ev'ry little gyration that wheels inside the thrills!

My June is a-bustin' out all over

The feelin' is a-gettin' so intense,

That the young vagina creepers,

Have been hating the normal peepers,

Watchin' we mornin' glories o'er the fence.

Because it's My June...

Gayes and Lesbies

Her June, My Jack, Our Junes and Jacks,

Just because she's June, he's June, he's Jack and she's Jack!

A Four Star General

Fresh and alive and gaye and young,

Junes for lesbians, Jacks for gayes,

A love song, sweetly sung,

For all generals with stars in their eyes,

For their lovely comrades highly-strung.

Gayes and Lesbies

Junes and Jacks are a-bustin' out all over!  
The saplin's are bustin' out with sap!  
Love has found my brother,  
And my sister's even loonier!  
And my Ma is gettin' kittenish with another Ma! not Pa!  
Junes and Jacks are a-bustin' out all over.

A Lesbian

Lesbies with lesbians and gayes with gayes  
are a-playin' body servant court.  
Lotsa ships are kept at anchor,  
Jest because the captains hanker,  
For the comfort they can only get in some warm port!

Lesbians, Gayes, and Generals

Because they're Junes... Jacks, Junes, Jacks!  
Just because they're Junes, Jacks, Junes!

A Lesbian

My June makes my bay look bright and new  
Her sails a-gleamin' bright on my sunlit blues

Lesbies, Gayes, and Generals

Our Junes and Jacks are a-bustin' out all over each other,  
The oceans are now full of Jacks and Junes with thrills,  
With their little tails a-swishing',  
Ev'ry lesbie fish is a-wishin',  
And gaye piscars bob and bob with hope and change,  
To grab each other by their love chains.

## A Lesbian

My June is a-bustin' out all over!  
The ladies aren't around anymore!  
The Jacks and rams now chase each other.  
We're all determined there'll be new military sister-brother,  
and the Pentagon won't even be keepin' score!

Lesbians, Gayes, Generals  
On accounta we're Junes! We're Jacks, Junes, Jacks  
Just because we're now Junes, Jacks, lesbians, gayes!  
We're finally having animal magnetism in our own ways.

**JT:** A battalion Sergeant Major is reviewing his troops in a Monday morning attendance countdown to make sure that all are present after a three-day weekend. He orders:

TROOPS! ... COUNT ... DOWN!

The countdown begins with a high falsetto voice counting out *One*, then continues with normal voices, Two, Three, Four, etc.

Suddenly the Sergeant Major shouts: HALT! TROOPS! ... COUNT ... DOWN!

The countdown begins again with a high falsetto voice calling out *One*, then continues with normal voices Two, Three, Four, etc.

The Sergeant Major cries HALT!  
He goes up to number One and asks: Are you One?  
Number One answers: Yes, Are you one, too?

\*\*\*

Former governor of Pennsylvania, Ed Rendell (D) tells Newsmax.TV, "Senator Obama was a legislator all his life."

**JT:** The must be the understatement of the year! I have heard some dumb things in my profession, but this appears to top all of the dumb things I have ever heard.

\*\*\*

June 15, 2012: The Associated Press: "The Obama administration will stop deporting and begin granting work permits to younger illegal immigrants [age 30 and under] who came to the U.S. as children and have since led law-abiding lives."

**JT:** Well, let's undermine America a little more. Let's take away Congress' power to pass laws. Let's not enforce existing immigration laws. Obama is in the USA illegally. He doesn't have a legal work permit. He doesn't have any provable citizenship. He doesn't have any legal papers. He's only identifying with those who are in the same situation!

\*\*\*

Obama has lunch with two members of the military and two barbers at Kenny's BBQ in Washington, D.C. He leaves without paying the \$55.58 bill.

**JT:** Why should he pay the bill? He hasn't ever paid for anything in his whole life. I think we should pay him off in November! Send him and Michelle into poverty!

\*\*\*

*The New York Times* publishes an article that claims Obama personally approves drone strikes because he is "A student of writings on war by Augustine and Thomas Aquinas".

**JT:** Here is what St. Augustine (354-430) advises us to do in life:

*Audi partem alteram. – De Duabus Animabus, XIV, 2.*

Now for you Barack Hussein Obama, because you can't speak Austrian, or any other language except Islamic Arabic, here is the translation: *Hear the other side*. Evidently, you are not a student of St. Augustine because you never hear the other side. You never have, and you never will! The other side is saying you are incompetent!

Here is what St. Thomas Aquinas (c. 1225-1274) says concerning the salvation of humans:

Three things are necessary for the salvation of man: To know what he ought to believe; to know what he ought to desire; and to know what he ought to do. – *Two Precepts of Charity* (1273).

Barack Hussein Obama! Methinks you have turned this into: Three things are necessary for the salvation of man:

To know that he ought to play golf; to know that he ought to play golf; and to know that he ought to play golf.
