JUST THINKING

Number 27

From Judy M. via Joan Swirsky

Disgusting, but not surprising. What a disgrace.

Only 3 Times

In all the years since D-Day, there are three occasions when the president failed to go to the D-Day Monument that honors the soldiers killed during the Invasion.

The occasions were...

1. Barack Obama 2010

2. Barack Obama 2011

3. Barack Obama 2012

For the past 68 years, all presidents, except Obama, have paid tribute to the fallen soldiers killed on D-Day.

This year, instead of honoring the soldiers, he made a campaign trip on Air Force One to California to raise funds for the upcoming election.

HOPE ALL THE FINE CITIZENS WHO VOTED FOR THIS PIECE OF CRAP ARE PROUD OF THEM SELVES...

JT: American Patriots think the same of you Barack Hussein Obama or whoever you are!

Go to <http://iowntheworld.com/blog/?p=145115> and click on the video!

JT: Evil Obama says that evil Islam is a great religion! Respect it!

In Chicago fundraisers Obama says, “Too many folks still don’t have a sense that tomorrow will be better than today. And so, the question in this election is which way do we go? Do we go forward towards a new vision of an America in which prosperity is shared? Or do we go backward to the same policies that got us in the mess in the first place? I believe we have to go forward. I believe we have to keep working to create an America where no matter who you are, no matter what you look like, no matter where you come from, no matter what your last name is, no matter who you love, you can make it here if you try. That’s what’s at stake in November.”

JT: Obama let the cat out of the bag! He wants to pull the wool over the sheeple as he did four years ago and has been doing ever since. For example:

1. *I believe we have to keep working to create an America where no matter who you are.* **He’s correct. Americans don’t know who he is!**
2. *no matter where you come from* **This is also correct. Americans don’t know where he comes from!**
3. *no matter what your last name is* **Correct again! Americans don’t know his last name!**
4. *no matter who you love* **Correct Again! We don’t know who Obama loves. Michelle or one or two, or more of his body servants!**
5. *you can make it here if you try* **This is true, but this is not correct with respect to Obama. Obama never tried anything. He always let others do the hard work and when it was finished, he threw them under the bus!**

Charles Krauthammer on Special report comments on Paul Ryan as vice-president candidate, “... And I think he brings youth and energy, which is something Obama had in 2008 that he has entirely spent in these four years.”

JT: Mr. Krauthammer forgot something! "... And I think he brings youth and energy, which is something Obama had in 2008 that he has entirely spent in these four years *doing nothing and playing golf!*"

JT: Michelle: *Nobody tells me how to grunt. When I grunt, I grunt the way I want to grunt!*

At <http://www.buzzfeed.com/chrisgeidner/world-net-dailys-corsi-asks-was-obama-married-t> Jerome Corsi, a WorldNetDaily writer and one of the most aggressive figures questioning President Obama's citizenship, has moved on to a new target: Obama's sexual orientation.

In [a video](#) released this past week by Corsi, he says "a persistent set of questions" have been raised about Obama's sexual orientation — based almost entirely on what he calls the "wedding ring mystery." Corsi asks, "Was he married before he was married? Was he married to a guy? What's the deal? I think these are legitimate questions."

JT: An exclusive photo of Michael Rob's Son Obama before he became Michelle Obama seems to substantiate Jerome Corsi's theory.

At <http://iowntheworld.com/blog/?p=145428> we read [“Crumb And Get It” Business Owner to Biden Visit: You’re Not Invited](#)

This is hilarious... glad to see a small business owner **stick to his principles**. When the Biden advance team asked Chris McMurray if the Vice President could visit his cookie shop, **he flatly refused!** *Here’s why:*

“Very simply, ‘you didn’t build that’” McMurray said. “Speaking of small businesses and entrepreneurs all across this country and actually last night my wife was up all night. **No sleep, she’s worked a full 24 hours.**”

When “Crumb and Get It” said ‘no’, “River City Grill,” just around the corner, said ‘yes’ and has the pictures to prove it, and didn’t care about the politics.

C’mon! You gotta give it up to the guy! He could have gotten lots of press from the Biden visit, but instead took a stand for business!

Here’s the back story, we’re told that shortly after Crumb and Get It told Biden’s advance people ‘no’ — **the secret service walked in** and told Chris McMurray “Thanks for standing up and saying ‘no’ — then **they bought a whole bunch of cookies and cupcakes.**

[more](#)

JT: I would have given Obama the same answer that Mr. McMurray gave to Joe Biden’s advance team, if Obama had wanted to visit me, except that I would have said, “I know I didn’t make myself in the beginning, but I made out of my American patriotic and productive life what I am myself! If you, Barack Hussein Obama, come up to my academic levels, moral levels, and natural born citizen level with the proper documentation I’ll think about granting you a visit.” ... I still don’t think that it would take me long to say NO!

JT: Although it is four years old, it is still happening in Europe, Canada, and the United States of America.

CNSNews.com reports, "The money the U.S. government owes to foreign entities rose to a record \$5.2923 trillion in June, according to data released by the U.S. Treasury Wednesday afternoon. ...The U.S. government's indebtedness to foreign interests has grown by 72.3 percent during ...Obama's term in office. In January 2009, when Obama was inaugurated, the U.S. government owed \$3.0717 trillion to foreign entities, according to the Treasury Department. That has increased by \$2.2206 trillion—or 72.3 percent—to the record \$5.2923 trillion reported for yesterday."

JT: Why not? It's not his money and the USA is not his country!

At <http://cnsnews.com/news/article/social-security-administration-explains-plan-buy-174000-hollow-point-bullets>, we read SSA posted a "[Request for Quote for Ammunition](#)"

on the FedBizOps.gov website on Aug. 7. The [request listed](#) the commodity that SSA desired as ".357 Sig 125 grain bonded jacketed hollow point pistol ammunition." The quantity listed was "174 TH." Furthermore, SSA states it has 295 special agents that "have full law enforcement authority, including executing search warrants and making arrests. Our investigators are similar to your State or local police officers. They use traditional investigative techniques, and they are armed when on official duty."

JT: Methinks that all 295 SSA agents should concentrate on Barack Hussein Obama's Social Security Number fraud! While they are at it, they can investigate Michelle's SS Numbers, as well!

At <http://iowntheworld.com/blog/?p=145719> there is a hardball question answer contest. Readers can answer the hardball questions as if they were putting the answers in the lying mouth of Barack Hussein Obama.

JT: Here are the questions and JT's answers.

1 "If you had a super power, what would it be?" A deodorant to stop my thug odor.

2 "What's your favorite song to work out to?" *Hi ho, Hi ho, it's off to golf we go!*

3 "Is [the campaign bus] comfortable?" *No. But I really don't know what make or model it is.*

4 "Do you actually get to use your blackberry?" *Ask Reggie Love.*

5. "Red or Green [Chiles]?" I didn't know that Chiles, of course, you mean Chilenians, has a color. I wish I could speak Chilean.

6. "What's your favorite New Mexican food?" New Mexican dogs.

7. "If we were to visit Chicago, what place would you recommend to get some really good soul food?" I know a shoemaker who claimed to have good soles. I don't know if he ate them.

8. "I know your real favorite song has got to be "Call Me Maybe." You can tell us. It's okay." My favorite song is *The Communist Internationale*. We are all one big world community, the Ummah, you know.

I'm glad that this pseudo president is asked tough questions!!! They reflect his authenticity.

Go to <http://www.guardian.co.uk/commentisfree/2012/aug/17/mitt-romney-tax-returns-voter-fraud-theory>. The emphasis is on MAY and MIGHT with absolutely no proof.

JT: Methinks the Guardian would do better to investigate Obama's frauds. They are real frauds, no felonies! There is no MAY or MIGHT. Obama committed them.

A **felony** (*Webster's Dictionary*) as it applies to this essay is. d: *a crime for which the punishment in federal law may be death or imprisonment for more than one year*. The word *felony* derives from the Medieval Latin word *fellō*, from Vulgar Latin *fellōf* (unattested), meaning *wicked, malignant*, which in turn comes from Frankish **fillo*; **filljo*, meaning *a person who whips or beats, a scourger*. It may be related to the Latin word *fel*, meaning *gall, an evil poison*, which has its Indo-European word root in the suffixed full-grade form **ghel-n-*, which means *bile*. However this is not one-hundred percent certain. The word *felony* came into the English language in about 1290, at which time it meant *treachery, villainy, crime*.

The unconvicted felon is Barack Hussein Obama. A felon is a person who commits a felony. An archaic meaning of felon is a person who is evil. Barack Hussein Obama's felons are many.

Here is a list <http://www.wnd.com/index.php?fa=PAGE.view&pageId=126137>:

18 U.S.C. 371 Conspiracy to Commit Offense or to Defraud United States.

"If two or more persons conspire either to commit any offense against the United States, or to defraud the United States, or any agency thereof in any manner or for any purpose, and one or more of such persons do any act to effect the object of the conspiracy, each shall be fined under this title or imprisoned not more than five years, or both. If, however, the offense, the commission of which is the object of the conspiracy, is a misdemeanor only, the punishment for such conspiracy shall not exceed the maximum punishment provided for such misdemeanor."

An analysis by the United States Justice Foundation (USFJ) states that, "As in all conspiracies, there must be two or more persons working in concert to achieve an illegal act, so the president would need a co-conspirator for this statute to apply. The state of Hawaii is being very secretive about the whereabouts or even existence of Mr. Obama's supposed birth certificate. If the officials in charge of

keeping these records know of its non-existence, then they would be co-conspirators with the objective of defrauding the United States as to the citizenship status of Barack Obama. There, however, must be an 'in concert' element met, meaning that these officials are withholding the proof at the direction of Mr. Obama. Is it possible that these officials love Barack Obama so much that they are withholding these documents out of the goodness of their own hearts? Yes, possibly, however unlikely. It is reasonable to infer that the Hawaiian officials are working 'in concert' with Mr. Obama to suppress this information, since each would face both civil and criminal suits, not to mention the loss of furthering their own political goals."

18 U.S.C. 911 False Personation of Citizen of the United States.

"Whoever falsely and willfully represents himself to be a citizen of the United States shall be fined under this title or imprisoned not more than three years, or both."

The USJF analysis says: "If Mr. Obama is not a natural born citizen, then he must have other proof of United States citizenship. If he has neither of these, then as acting head of state he is holding himself out to be a citizen of the United States, and is therefore liable under this section as well."

18 U.S.C. § 912 False Personation of Officer or Employee of the United States.

"Whoever falsely assumes or pretends to be an officer or employee acting under the authority of the United States or any department, agency or officer thereof, and acts as such, or in such pretended character demands or obtains any money, paper, document, or thing of value, shall be fined under this title or imprisoned not more than three years, or both."

The USFJ analysis is, "Basically this statute calls for 1) fraudulent intent, and 2) an overt act to accomplish the inducement of one giving over a thing of value. If it were found that Barack Obama was not a natural born citizen, as required by the U.S. Constitution Art. II § 1, Clause 5, he will have assumed the office of president fraudulently to obtain money (among other things) by way of his annual salary. The Supreme Court has upheld convictions for False Personations in U.S. v. Lepowitch, (63 S.Ct. 914), and Lamar v. U.S., (36 S.Ct. 535)."

18 U.S.C. 1542 False Statement in Application and Use of Passport.

"Whoever willfully and knowingly makes any false statement in an application for passport with intent to induce or secure the issuance of a passport under the authority of the United States, either for his own use or the use of another, contrary to the laws regulating the issuance of passports or the rules prescribed pursuant to such laws; or

Whoever willfully and knowingly uses or attempts to use, or furnishes to another for use any passport the issue of which was secured in any way by reason of any false statement—Shall be fined under this title, imprisoned not more than 25 years (if the offense was committed to facilitate an act of international terrorism (as defined in section 2331 of this title)), 20 years (if the offense was committed to facilitate a drug trafficking crime (as defined in section 929 (a) of this title)), 10 years (in the case of the first or second such offense, if the offense was not committed to facilitate such an act of international terrorism or a drug trafficking crime), or 15 years (in the case of any other offense), or both."

The USJF analysis says: "To obtain a U.S. passport one must show a valid birth certificate or some other form of identification showing U.S. citizenship. Barack Obama would have to have furnished some sort of birth certificate or other document showing he is a citizen. Of course, even if he was not a natural born citizen, he could show naturalization or some other citizenship papers. However, if these documents are spurious, then he would be guilty pursuant to the first paragraph, and to then use his illegally obtained passport, he would also be guilty under the second paragraph as well."

18 U.S.C. 1621 Perjury.

"Whoever—(1) having taken an oath before a competent tribunal, officer, or person, in any case in which a law of the United States authorizes an oath to be administered, that he will testify, declare, depose, or certify truly, or that any written testimony, declaration, deposition, or certificate by him subscribed, is true, willfully and contrary to such oath states or subscribes any material matter which he does not believe to be true; or

(2) in any declaration, certificate, verification, or statement under penalty of perjury as permitted under section 1746 of title 28, United States Code, willfully subscribes as true any material matter which he does not believe to be true; is guilty of perjury and shall, except as otherwise expressly provided by law, be fined under this title or imprisoned not more than five years, or both. This section is applicable whether the statement or subscription is made within or without the United States."

The USJF analysis says: "Mr. Obama has taken the oath of office of POTUS, in front of Chief Justice of the U.S. Supreme Court, John Roberts, in which he promises to 'defend the Constitution'. As an illegal alien, or even a non-natural born citizen, he would be acting as an ineligible president. Furthermore, as an attorney, and a former professor of constitutional law, Barack Obama would have full knowledge of the requirements for an eligible candidate for the office of POTUS. This shows that he has willfully stated that he will and is acting contrary to his presidential oath."

18 U.S.C. 2388(a) Activities Affecting Armed Forces During War.

"(a) Whoever, when the United States is at war, willfully makes or conveys false reports or false statements with intent to interfere with the operation or success of the military or naval forces of the United States or to promote the success of its enemies; or

Whoever, when the United States is at war, willfully causes or attempts to cause insubordination, disloyalty, mutiny, or refusal of duty, in the military or naval forces of the United States, or willfully obstructs the recruiting or enlistment service of the United States, to the injury of the service or the United States, or attempts to do so—Shall be fined under this title or imprisoned not more than twenty years, or both."

The USJF analysis says: "Intent is fully at issue here; however, President Obama made it clear during his campaign that his full intent when entering office would be to scale down the conflict with Afghanistan and Iraq, eventually leading to a full withdrawal. His statements of being a natural born citizen to obtain the office of commander in chief were in effort to interfere with the attempts by the former commander in chief's attempt at engaging the enemy in these two countries, for the purpose of national security.

In the case of *Schulze v. U.S.* (259 F. 189) Petitioner was convicted under this statute, and the question of intent was at issue. The court stated, 'It is true that in charging the offense it is unnecessary to allege the intent; the offense being one whose very definition necessarily includes intent. In such a case it is necessary only to aver in apt terms the acts done. The intent will be inferred. The charge is not unlike that of treason, the indictment for which needs go no further than to follow the language of the statute which defines the offense. (*United States v. Greathouse*, 2 Abb.U.S. 364, Fed. Cas. No. 15,254)...

This means that intent is inferred from the act itself. Mr. Obama has already announced that the efforts in Afghanistan will be scaled back, and a full withdrawal is planned for 2011. Furthermore, the announcement of this strategy works to the aid of our enemy, who now knows to sit in caves and wait out the U.S. for only a year or so. This certainly works to interrupt our operations and promote the success of our enemy."

Senator Tom Coburn (R-OK) is a good friend of Obama.

JT: Methinks that Senator Coburn has no judgment in friends. In this case, Senator, show me your friend and I'll show you America's enemy.

At <http://www.shoebat.com/2012/08/16/crucifixion-now-being-implemented-in-egypt/> we read that the Arab Spring brings crucifixion.

JT: The barbarian heathens have returned! Crucifixion was a common practice among heathen tribes, peoples, and kingdoms. The Romans used it approximately throughout the 70 years before Christ was crucified. The Roman Emperor Constantine I outlawed crucifixion in 337 AD. When the Muslims controlled Spain (711-1492), they reinstated the punishment of crucifixion. After the *Reconquista* and the forcing of the Muslims and Islam from the Iberian Peninsula, crucifixion was again outlawed. Now Barack Hussein Obama's and Hillary Clinton's peaceful Islamic Brotherhood has reinstated it in Egypt. Welcome to peaceful Islam. That's progress!!!
