In Ohio, licensed private investigator Susan Daniels files a sworn affidavit asking that criminal charges be filed against Obama for identity theft via the use of someone else's Social Security number. In the complaint Daniels notes that Obama has been using Social Security number 042-68-4425, a number issued in 1977 from Connecticut—even though Obama never lived or worked in that state and was a teenager in Honolulu at the time. Judge David Fuhry later dismisses the action, arguing, “[N]o where [sic] is it clear that use of an improper social security number is a ground for the [Ohio] Secretary of State to reject the candidacy of ...Obama, or any other candidate for office. Thus, Count One of the Complaint should be dismissed for failure to state a claim.” (<http://obamareleaseyourrecords.blogspot.de/2012/09/judge-david-fuhry-dismisses-obama-ct.html>)

JT: Obama is not the only corrupt person in government. Judges are also in his company!

The editors of Takimag.com write that Barack's and Michelle's daughters are known by two other names: Bulimia and Sausage.

JT: I have always left the Obama children out of my commentaries and others should do so as well. When they are of adult, legal age, they can be asked all kinds of questions: hardball ones and softball ones.

*The Obama Timeline* reports that Kevin DuJan of HillBuzz.com has told "WND he has first-hand information from two different sources that 'Obama was personally involved in the gay bar scene. If you just hang out at these bars, the older guys who have been frequenting these gay bars for 25 years will tell you these stories,' DuJan said. 'Obama used to go to the gay bars during the week, most often on Wednesday, and they said he was very much into older white guys.' Obama, DuJan said, is 'not heterosexual and he's not bisexual. He's homosexual.'"

Cairo protesters scale U.S. Embassy wall, remove flag, Obama apologizes!

Here's the apology from the US embassy in Cairo in the above report:

**'The Embassy of the United States in Cairo condemns the continuing efforts by misguided individuals to hurt the religious feelings of Muslims—as we condemn efforts to offend believers of all religions. Today, the 11th anniversary of the September 11, 2001 terrorist attacks on the United States, Americans are honoring our patriots and those who serve our nation as the fitting response to the enemies of democracy. Respect for religious beliefs is a cornerstone of American democracy. We firmly reject the actions by those who abuse the universal right of free speech to hurt the religious beliefs of others.'**

JT: Politically tar and feather Obama and quarter him into all quarters of HADES! Four years ago we met the enemy and his name is Barack Hussein Obama, or whatever!

\*\*\*

The Obama timeline reports that Obama's State Department twitters a message: "We consistently stand up for Muslims around the world and talk about how Islam is a wonderful religion."

FoxNews.com reports, "A movie attacking Islam's prophet Muhammad sparked assaults on U.S. diplomatic missions in Libya and Egypt on Tuesday. [It is unlikely that the film sparked the violence. The film was used as an excuse for the violence—which was obviously planned for the September 11. Protester in Cairo shout, "We're all Osamas, Obama" and "Obama, Obama, there are still a billion Osamas." That is, "You may have killed Osama bin Laden, but there are millions more of us just like him."] A Libyan security official reported an American was shot to death as protesters burned the U.S. consulate in Benghazi, and in Cairo, protesters scaled the walls of the U.S. embassy walls and replaced an American flag with an Islamic banner." (*The Wall Street Journal* states that the film, reportedly produced with the assistance of Egyptian Coptic Christians, portrays Muslim prophet Muhammed as a "womanizer, pedophile and fraud"—which he arguably was.) Fox later reports that U.S. Ambassador J. Christopher Stevens, age 52 and on the job only since May 22, and three other diplomats or staffers were killed in the attack in Benghazi, Libya. Stevens' body is carried through the streets, a la Somalia in 1993. Obama issues a statement calling the attack "outrageous" and "senseless." Secretary of State Hillary Clinton calls it "an attack that should shock the conscience of people of all faiths." Both Obama and Clinton are incorrect: Muslims will not consider the attack senseless or shocking. Reuters reports, "In the Cairo incident, the American flag, which was flying at half mast to mark the 9/11 attacks, was replaced by an Islamist banner." (Reuters conveniently neglects to identify the "Islamist banner" as the flag of al-Qaeda.)

Check out the language, dialect, and grammar, as well as the characters, some intentionally with blue eyes, the scenes, and the dialogue; moreover, the plot, the clothes, the vehicle, the comments on YouTube! [#3](#) "These rituals remind us of the principles that we hold in common, and Islam's role in advancing justice, progress, tolerance, and the dignity of all human beings."

[#4](#) "America and Islam are not exclusive and need not be in competition. Instead, they overlap, and share common principles of justice and progress, tolerance and the dignity of all human beings."

## **10 Quotes By Barack Obama About Christianity**

[#1](#) "Whatever we once were, we are no longer a Christian nation."

[#2](#) "We do not consider ourselves a Christian nation."

[#3](#) "Which passages of scripture should guide our public policy? Should we go with Leviticus, which suggests slavery is OK and that eating shellfish is an abomination? Or we could go with Deuteronomy, which suggests stoning your child if he strays from the faith?"

[#4](#) "Even those who claim the Bible's inerrancy make distinctions between Scriptural edicts, sensing that some passages - the Ten Commandments, say, or a belief in Christ's divinity - are central to Christian faith, while others are more culturally specific and may be modified to accommodate modern life."

[#5](#) "The American people intuitively understand this, which is why the majority of Catholics practice birth control and some of those opposed to gay marriage nevertheless are opposed to a Constitutional amendment to ban it. [#6](#) From Obama's book, *The Audacity of Hope*: "I am not willing to have the state deny American citizens a civil union that confers equivalent rights on such basic matters as hospital visitation or health insurance coverage simply because the people they love are of the same sex—nor am I willing to accept a reading of the

Bible that considers an obscure line in Romans to be more defining of Christianity than the Sermon on the Mount."

[#7](#) "I find it hard to believe that my God would consign four-fifths of the world to hell. I can't imagine that my God would allow some little Hindu kid in India who never interacts with the Christian faith to somehow burn for all eternity. That's just not part of my religious makeup."

[#8](#) "Those opposed to abortion cannot simply invoke God's will--they have to explain why abortion violates some principle that is accessible to people of all faiths."

[#9](#) On his support for civil unions for gay couples: "If people find that controversial then I would just refer them to the Sermon on the Mount."

[#10](#) "I believe that there are many paths to the same place, and that is a belief that there is a higher power, a belief that we are connected as a people."

JT: He forgot to say one piece of information. "I am Barack Hussein Obama and my moon-god Allah-Hubal and Satan sent me to America to save it from being successful." "I am Barack Hussein Obama and I approve this message."

*The Obama Timeline* has this: Blogger Debbie Schlusel reports, "Well, Obama is finally doing something to fix the economy. The Obama administration sent representatives of major U.S. corporations to jump start it. The problem is, it's not our economy. It's the jihadist one in Egypt. Corporate execs were sent to prop up Muslim Brotherhood rule over Egypt. Sadly, Coca-Cola, Exxon, and Pfizer, were part of the group and plan to do business with pro-HAMAS Egyptian President Mohammed Morsi." According to *The Wall Street Journal*, "A delegation of more than 100 American business leaders is touring Cairo this week, part of a White House-led effort to burnish Egypt's image as an investment destination and help restore the country's flagging economy. The delegation forms the crux of a wider U.S.-led effort to prevent the economy of Egypt—which Washington sees as an important security ally—from becoming more destabilized. Washington and Cairo are in the midst of negotiating the terms for about \$1 billion in debt relief and U.S. diplomats have said they are nudging the International Monetary Fund toward extending a \$4.8 billion loan to Egypt's government."

JT: Methinks it will be a hole without a bottom. This is nothing more than another way of paying Muslims the jizya/dhimmi tax.

Michelle Obama appears on the *Dr. Oz* television program, where she agrees with Dr. Mehmet Oz that obesity is “absolutely” the “number one greatest national security threat.”

JT: The number one greatest threat to national security is:

Source: <http://www.pakalertpress.com/2012/09/05/obama-overthrow-plot-widens-as-us-martial-law-fears-grow/>

This is the reason why Barack Hussein Obama is the number one greatest threat to America's security and to America's guaranteed freedoms: Section 1021 of the National Defense Authorization Act (NDAA). This is what has recently happened:

*The Obama Timeline* reports that "U.S. District Court Judge Katherine B. Forrest makes permanent an injunction against. The provision would have allowed the arrest and indefinite detention of U.S. citizens without due process of law if the federal government merely believes they may be involved in terrorist activities or on "suspicion of providing substantial support" to anyone hostile to the United States. According to WND.com, 'The Obama administration then took only hours to file an appeal... and attorneys also asked her to halt enforcement of her order.' (After Obama signed the NDAA into law on December 31, 2011 he stated he would not abuse Section 1021. Some might argue that his eagerness to appeal Forrest's ruling suggests otherwise. The First, Fifth, and Fourteenth Amendments to the U.S. Constitution apparently get in Obama's way.) Forrest writes that the law 'impermissibly impinges on guaranteed First Amendment rights and lacks sufficient definitional structure and protection to meet the requirements of due process. This court rejects the government's suggestion that American citizens can be placed in military detention indefinitely, for acts they could not predict might subject them to detention, and have as their sole remedy a habeas petition adjudicated by a single

decision-maker (a judge versus a jury), by a 'preponderance of the evidence' standard. That scenario dispenses with a number of guaranteed rights.' "

WND.com reports, "A state board in Kansas that had planned a hearing Monday to examine evidence of Barack Obama's eligibility for the Oval Office was left in limbo today when the plaintiff, citing 'animosity and intimidation,' abruptly withdrew his complaint." Claimant Joe Montgomery tells state officials, "There has been a great deal of animosity and intimidation directed not only at me, but at people around me. I don't wish to burden anyone with more of this negative reaction."

JT: Evidently the thug in chief did a lot of thugging!

At <http://www.examiner.com/article/state-department-stonewalls-on-benghazi-attack-calls-it-a-crime-scene> we are informed (?) that State Department spokeswoman Victorian Nuland says, "I'm going to frustrate all of you, infinitely, by telling you that now that we have an open FBI investigation on the death of these four Americans, we are not going to be in a position to talk at all about what the U.S. government may or may not be learning about how any of this happened—not who they were, not how it happened, not what happened to Ambassador Stevens, not any of it—until the Justice Department is ready to talk about the investigation that it has got. So I'm going to send to the FBI for those kinds of questions and they're probably not going to talk to you about it." According to ForeignPolicy.com, "All aspects of the attack, including what led up to it, its causes, the identity of the perpetrators, and the circumstances surrounding the death of Amb. Chris Stevens and the other three Americans, are off limits for reporters. The new policy leaves many questions about the Benghazi attack unanswered, potentially for a long time, such as the identity of the attackers, whether they were connected to protests earlier in the day in Cairo, what were the exact circumstances and cause of Stevens' death, whether the administration had indications of the threat beforehand, and whether the consulate's security was adequate or not. Many of these questions are sure to be asked by lawmakers, beginning with the leaders of the Senate Homeland Security Committee, who called today for an investigation into the security procedures at the Benghazi consulate before and during the attack."

JT. The outcome of the investigation is in her statement. The FBI will investigate. Therefore it is a crime scene. The findings of the Obama-controlled investigation have already been written: **The attacks and the killings were nothing more than workplace violence in a foreign country outside of the jurisdiction of the United States of Obama!**

Shoebat.com reports, "Two days after an act of war was committed against the United States in both Egypt and Libya, on sovereign American territory, Secretary of State Hillary Clinton was in the Ben Franklin Room in Washington, D.C., celebrating

the end of Ramadan (Eid Mubarak). With her was Ali Sulaiman Aujali, Libya's Ambassador to the United States, who resigned from that position under Gadhafi in early 2011 but became Libya's Ambassador to the U.S. again in August of that year." Clinton told her audience: "Good evening, and although I am many weeks overdue in saying it: Eid Mubarak. No matter how belated we are honoring Eid and the end of Ramadan, this is a cherished tradition here at the State Department. And I would like to thank all of you for being here, including the many members of the Diplomatic Corps."

JT. Another exclusive from JT. Here is Hillarious Clinton giving her Ramadan Rant:

Notice the meaningful seriousness of Hillaripus' facial features, her profound enjoyment at giving her rant, and the exceptional posturing of United States of Obama authority!
