JUST THINKING
Number 35

At <http://www.islamist-watch.org/blog/2012/06/life-under-sharia> we read the following about the Religion of Peace:

Brutality and Injustice

[Islamist Watch](#), a project of the [Middle East Forum](#), defends the freedoms and liberties of Western society against "stealth jihad," a campaign by Islamists to slowly and methodically implement a Sharia-compliant theocracy in the West. Sharia is Islamic law, based on the Koran and the teachings and personal actions of Mohammad (known as The Sunnah, noted and reported in the Hadiths).

Below are very personal examples of life under Sharia in Islamist societies. The intolerance, the brutality, the inhumanity. The extreme lack of religious pluralism, women's rights, free speech and equality under the law.

- 1. Sudanese Woman Lashed (Video)**
- 2. Saudi Woman Harassed in Mall By Sharia Police for Wearing Nail Polish (Video)**
- 3. Woman Stoned to Death Along Pakistan-Afghanistan Frontier (Graphic Video)**
- 4. Turkey Indicts World-Famous Pianist for Atheist Tweet**
- 5. Kuwait Man Receives 10 Years In Prison for Anti-Mohammad Tweet**
- 6. Homosexuals Executed in Iran (Graphic Photos)**
- 7. Tunisian Demonstration Demands Death for Man Accused of Heresy (Video)**
- 8. Tunisian Islamists Slaughter Convert to Christianity (Extremely Graphic Video)**

Scroll down the page and you can see all of the revealing about the Religion of Peace. Mohammed (if he ever lived, may no peace be upon him) and Allah-Hubal sanction this.

Conclusively, women have the right to be stoned to death.
Conclusively, men have the right to be stoned to death.

Conclusively, the men and the women have the right to not have rights.

Do savages do this? Of course they do. A savage is a person who is barbarous, cruel, ferocious, fierce, untamed, uncivilized, and wild. But wait, they did it in the name of their religion and their tradition and because Mohammed and the Koran and the Sharia and the Sunnah and the Hadiths say that it is okay. Even if it is really a sin, that is also okay because Allah-Hubal is all-knowing and all-forgiving.

JT: This ad by Pamela Geller in some of the New York Subway stations is considered by many to be racist!

If, according to POLDS, the first ad is racist (Israel is not a race! Jihad is not a race! A savage is not a race!) and if, according to POLDS, ads like the second are not covered by the First Amendment to the Constitution for the United States of America; I wonder what POLDS think these sample verses from the Koran are:

- 2:63-66 Jews are turned into apes and pigs
- 2:191 kill the infidels wherever you find them
- 4:34 beat disobedient women no matter who they are
- 4:89 kill the apostates wherever you find them
- 5:59-60 Jews are presented as apes and pigs again
- 7:166 Jews are presented as apes and pigs again
- 8:39 fight until the whole world submits to Islamic law
- 9:5 kill the infidels wherever you find them again
- 9:29 fight the Jews and Christians until they submit and pay the jizya
- 47:4 behead the infidels

And so on, and so on, and so on... ! Allah hop! Allah hop! Allah hop!

This is only a handful of the Koran's commandments: So much for the religion of peace.

On MSNBC Chris Matthews says "Obama should watch MSNBC, my last point. He will learn something every night on this show and all these shows. This stuff we're watching, it's like first grade for most of us. We know all this stuff."

JT: Here is what Obama will learn if he watches Chris Matthews and MSNBC:

Obama's Campaign manager James Messina comments on the first debate, "I think [Obama] did exactly what he did in his convention speech. We don't believe in decisive moments" A campaign is about "telling a story over a period of time."

JT: The translation is: The Obama campaign and Obama is about "telling lies over a period of time."

U.S. District Court for the District of Columbia, Judge Rosemary Collyer, is an example of one judge who this time does not have the proverbial *head in the sand*, and who is this time evidently not kowtowing! She issued the following ruling:

"ORDERED that Plaintiffs' Motion for Preliminary Injunction [Dkt. 2] is GRANTED under the First Amendment to the United States Constitution; and it is

FURTHER ORDERED that Washington Metropolitan Area Transit Authority display Plaintiffs' advertisement no later than 5 p.m. on October 8, 2012.

The Court issues its Order promptly and will issue an opinion hereafter. SO ORDERED."

In a post-debate interview on MSNBC, Maryland Governor Martin O'Malley inadvertently refers to Mitt Romney as "President Romney." Asked, "If you could do ten minutes of coaching with [Obama] on the next debate, based on what you saw tonight, what would you tell him to do differently?" O'Malley responds, "Uh, I don't know."

JT: It is a shame that MSNBC didn't ask me! The best, different thing that Obama can do is to resign immediately and leave the country.

The Obama Timeline reports: "Obama issues a Twitter message: 'I'll use the money we're no longer spending on war to pay down our debt and put more people back to work.'"

JT: This is Don Fredrick's true analysis: "The government has been running deficits for more than a decade. The 'money we're no longer spending' was borrowed money. Ending the wars does not make that money available for paying down the debt, as the money itself was debt. Ending the wars results in reduced deficits. It does not provide a surplus that can be used. The economic illiteracy of Obama's statement is stunning. If a teenager borrows \$50 from his parents to pay his cell phone bill and reduces his usage to \$40 the following month, the teenager does not 'have' an extra \$10 to give his parents to pay the \$50 he owes for the prior month. He simply owes \$90—\$50 plus \$40—rather than \$100."

The problem that Don Fredrick (not only Don Fredrick) encounters is that POLDS are incapable of understanding this economic logic!

At <http://www.wnd.com/2012/10/obamas-ring-there-is-no-god-but-allah/> we read that "according to Arabic-language and Islamic experts, the ring Obama has been wearing for more than 30 years is adorned with the first part of the Islamic declaration of faith, the Shahada: "There is no god except Allah."

JT: I wonder if Obama knows that Allah is really Allah-Hubal, a moon-god? Obama is a walking lunatic. Allah hop! Allah hop! Allah hop!

If you haven't seen it yet, you can see it here. IOwnTheWorld has photo proof that Barack Hussein Obama did attend Columbia University.

Real or Fake

Source: <http://iowntheworld.com/blog/?p=153265>

JT: Of course it's real. Making appointments to play golf are truly more important than saluting and absolutely more important than national security. The USA doesn't have to worry about national security anymore anyway. The USA is no longer Number 1 in anything, except having a dolt as its non-leader.

JT: That image represents the situation of the Islamization of America. If the work by Pamela Geller, Robert Spencer, Ibn Warraq, and others won't convince you, then read the article at the above source, and if that doesn't open American minds to Islamic reality, I don't know what will.
