JUST THINKING

Number 50

JT: **GUNS** Let's look at the word in a semordnilap (spelled backwards) fashion. We have **SNUG**. Therefore, this is exactly what the Second Amendment to the *Constitution for the United States of America* says: American citizens have the right to possess firearms to protect themselves and their families and give them a **snug feeling, a feeling of being comfortably secured**. It's guaranteed by the *Constitution*, ... POLDS!

At <http://foxnewsinsider.com/2013/02/04/watch-ann-coulters-fiery-response-to-president-obamas-gun-control-speech/> and <http://dailycaller.com/2013/02/05/coulter-to-obama-for-suggesting-gun-rights-advocates-dont-care-about-children-screw-you-video/> and reported in the February issue of *The Obama Timeline*, we hear from Ann Coulter: “[Obama] says if we want to do something to reduce these gun shootings all we have to do is for the American people to want to do something, like the hunters [sic]. No, we need the ACLU and the liberals who will not do anything about the mentally ill to be serious about stopping these shootings. ...Connecticut, Aurora, Tucson ...these are crazy people, that is the problem. ...Everything they’re telling you about what they can do about guns is a lie. ...The only people who are not subjected to background checks are collectors giving guns to their sons or they’re selling one to their brother-in-law or something. ...Universal background check means universal registration; universal registration means universal confiscation; universal [confiscation means] extermination. That’s how it goes in history. Do not fall for universal background checks. ...[T]hey must demonize people who are legal gun owners and Obama, ‘oh look at him, he cares about the children.’ Screw you! You think we don’t care about the children? You’re the one who won’t do anything about the mentally ill.”

JT: Methinks the mentally ill Obama and the mentally ill POLDS in Washington, D. C. and all over the United States and the world are making sure that the mentally ill outside of insane asylums have access to guns to present a threat to law-abiding citizens who have legal ownership rights to guns.

A Department of Justice memorandum says that the federal government can order American citizens killed if they are believed to be “senior operational leaders” of al-Qaeda or an “associated force”—even if there is no evidence they may be planning any specific action against the United States. Any American government official can make the decision.

<http://dailycaller.com/2013/02/05/obama-kill-list-paper-leaked-includes-criteria-for-assassinating-us-citizens/>
<http://hotair.com/archives/2013/02/05/obama-admin-drones-can-target-americans-abroad-based-on-one-officials-opinion/>
<http://hotair.com/archives/2013/02/05/scarborough-drone-strike-memo-frightening/>

JT: Methinks that the memorandum must include a usurper president. What is my reasoning? It is this: The Islamic terrorist organization Al-Qaeda certainly hates the United States of America. Barack Hussein Obama definitely hates the United States of America. (<http://godfatherpolitics.com/8769/obama-hates-america-and-must-destroy-the-economy/>; <http://www.westernjournalism.com/politico-yes-obama-hates-america/>, and respective links therein.): Therefore, Barack Hussein Obama and Al-Qaeda are associated forces. Yup! Take them out ... permanently.

Source: <http://suckersonparade.blogspot.com/2013/02/the-women-who-single-handedly-brought.html>

JT: Saul Alinsky would be proud of Hillallahry Clinton. She left the Department of State in a worse off condition than when she took over. Now that is real change!

<http://dailycaller.com/2013/02/04/gaza-university-will-enforce-islamic-dress-code-for-female-students/> reports that Gaza University will enforce the Muslim dress code in order to avoid arousing the sexual desires of male students.

JT: Hmmm! If Muslim male students have sexual desires and at the same time they are doing Allah-Hubal's wishes, this tells me that Allah-Hubal is sexually insatiable.

Concerning females in combat in the US military: One Defense Department official says the military's goal is "to provide a level, gender-neutral playing field." Weekly Standard Columnist Walter Williams: "I'd like to think the goal of the military should be to have the toughest, meanest fighting force possible." (http://www.weeklystandard.com/blogs/toughest-meanest-fighting-force-possible_700242.html)

JT: I add: win battles and win wars!

A new ObamaCare rule will exempt an employer only if it has "religious values as its purpose" and only "employ[s] persons who share its religious tenets." A Catholic church or charity that has a non-Catholic janitor would not be exempted, a Catholic-run hospital or university would not be exempted, and a for-profit business that is run by devout Catholics would not be exempted because its purpose is providing a product or a service, not promoting religion. (<http://healthreform.kff.org/document-finder/hhs/hhs-amendment-to-interim-final-rule-regarding-coverage-of-preventive-services.aspx>)

JT: Methinks this is proof enough that the exemptions to ObamaCare are tailored to meet the requests and needs of Islam. Islamic organizations would never employ non-Muslims!

Across Egypt, thousands of people demonstrate against President Mohamed Morsi and chant, "Freedom!" and "Morsi is illegitimate!" One demonstrator carries a sign that reads, "Obama, your bitch is our dictator." Another reads, "Down with the American Democratic Party the ally of Morsi, down with Morsi the infiltrator of America."

(<http://news.iafrica.com/worldnews/840340.html>)

JT: Certainly the Egyptian demonstrators have better fool-proof intelligence than Obama and his POLDS.

Bishop Nicholas DiMarzio, head of the Catholic diocese of Brooklyn, New York, writes in *The Tablet*, "The so-called 'pro-choice' movement has its roots in the ideology of Margaret Sanger, the founder of Planned Parenthood, who understood her call to be one who would 'assist the race toward the elimination of the unfit.' Of course, a young Barack Obama was precisely the sort of unfit child that Sanger and her allies would want to eliminate.

JT: I've always known that Obama is unfit! For support of this contention read <http://lastresistance.com/1297/is-obama-mentally-fit-to-serve-as-president/>.

Evidently, according to Margaret Sanger, Planned Parenthood did not achieve its goal with respect to Obama. You don't believe me? Consider these quotations from Margaret Sanger:

RACIST AND EUGENICIST STATEMENTS
BY MARGARET SANGER, THE FOUNDER OF PLANNED PARENTHOOD

Source: <http://blackquillandink.com/wp-content/uploads/2012/01/margaret-sanger-quotes.pdf>

1. "We should hire three or four colored ministers, preferably with social-service backgrounds, and with engaging personalities. The most successful educational approach to the Negro is through a religious appeal. We don't want the word to go out that we want to exterminate the Negro population, and the minister is the man who can straighten out that idea if it ever occurs to any of their more rebellious members."

Margaret Sanger's December 19, 1939 letter to Dr. Clarence Gamble, 255 Adams Street, Milton, Massachusetts. Original source: Sophia Smith Collection, Smith College, North Hampton, Massachusetts. Also described in Linda Gordon's Woman's Body, Woman's Right: A Social History of Birth Control in America . New York: Grossman Publishers, 1976.

2. "Our failure to segregate morons who are increasing and multiplying ... demonstrates our foolhardy and extravagant sentimentalism [Philanthropists] encourage the healthier and more normal sections of the world to shoulder the burden of unthinking and indiscriminate fecundity of others; which brings with it, as I think the reader must agree, a dead weight of human waste. Instead of decreasing and aiming to eliminate the stocks that are most detrimental to the future of the race and the world, it tends to render them to a menacing degree dominant ... We are paying for, and even submitting to, the dictates of an ever-increasing, unceasingly spawning class of human beings who never should have been born at all."

Margaret Sanger. The Pivot of Civilization , 1922. Chapter on "The Cruelty of Charity," pages 116, 122, and 189. Swarthmore College Library edition.

3. "Today eugenics is suggested by the most diverse minds as the most adequate and thorough avenue to the solution of racial, political and social problems.
4. I think you must agree ... that the campaign for birth control is not merely of eugenic value, but is practically identical with the final aims of eugenics ... Birth control propaganda is thus the entering wedge for the eugenic educator.

5. As an advocate of birth control I wish ... to point out that the unbalance between the birth rate of the 'unfit' and the 'fit,' admittedly the greatest present menace to civilization, can never be rectified by the inauguration of a cradle competition between these two classes. In this matter, the example of the inferior classes, the fertility of the feebleminded, the mentally defective, the poverty-stricken classes, should not be held up for emulation.
6. On the contrary, the most urgent problem today is how to limit and discourage the over-fertility of the mentally and physically defective."
Margaret Sanger. "The Eugenic Value of Birth Control Propaganda." Birth Control Review , October 1921, page 5.
7. "Give dysgenic groups [people with 'bad genes'] in our population their choice of segregation or [compulsory] sterilization."
Margaret Sanger, April 1932 Birth Control Review .
8. "The third group [of society] are those irresponsible and reckless ones having little regard for the consequences of their acts, or whose religious scruples prevent their exercising control over their numbers. Many of this group are diseased, feeble-minded, and are of the pauper element dependent upon the normal and fit members of society for their support. There is no doubt in the minds of all thinking people that the procreation of this group should be stopped."
Margaret Sanger. Speech quoted in Birth Control: What It Is, How It Works, What It Will Do. The Proceedings of the First American Birth Control Conference . Held at the Hotel Plaza, New York City, November 11-12, 1921. Published by the Birth Control Review , Gothic Press, pages 172 and 174.
9. "In passing, we should here recognize the difficulties presented by the idea of 'fit' and 'unfit.' Who is to decide this question? The grosser, the more obvious, the undeniably feeble-minded should, indeed, not only be discouraged but prevented from propagating their kind. But among the writings of the representative Eugenists [sic], one cannot ignore the distinct middle-class bias that prevails."
Margaret Sanger, quoted in Charles Valenza. "Was Margaret Sanger a Racist?" Family Planning Perspectives , January-February 1985, page 44.
10. "Birth control must lead ultimately to a cleaner race."
Margaret Sanger. Woman, Morality, and Birth Control . New York: New York Publishing Company, 1922. Page 12.
11. "There is only one reply to a request for a higher birthrate among the intelligent, and that is to ask the government to first take the burden of the insane and feeble-minded from your back. [Mandatory] sterilization for these is the answer."
Margaret Sanger, October 1926 Birth Control Review .
12. "[Slavs, Latin, and Hebrew immigrants are] human weeds ... a deadweight of human waste ... [Blacks, soldiers, and Jews are a] menace to the race."

13. "Eugenic sterilization is an urgent need ... We must prevent multiplication of this bad stock."

Margaret Sanger, April 1933 Birth Control Review .

14. "[Our objective is] unlimited sexual gratification without the burden of unwanted children ... [Women must have the right] to live ... to love ... to be lazy ... to be an unmarried mother ... to create ... to destroy ... The marriage bed is the most degenerative influence in the social order ... The most merciful thing that a family does to one of its infant members is to kill it."

Margaret Sanger (editor). The Woman Rebel , Volume I, Number 1. Reprinted in Woman and the New Race . New York: Brentanos Publishers, 1922. Compiled by: American Life League P.O. Box 1350 Stafford, Virginia 22555 (540) 659-4171. Anti-Christian Statement from Margaret Sanger.

15. "[Because of birth control], child slavery, prostitution, feeble mindedness, physical deterioration, hunger, oppression and war will disappear from the earth. There will come a Plato who will be understood, a Socrates who will drink no hemlock, and a Jesus who will not die upon the cross. These and the race that is to be in America await upon a motherhood that is to be sacred because it is free."

Margaret Sanger. Woman and the New Race. Brentanos, 1922, page 161.

JT: This is what will happen to you after being brainwashed by the Saul Alinsky *Rules for Radicals*. You will not be able to focus your vision. Your eyes will no longer be your eyes because they will be the eyes of Satan and the Saul Alinsky zombies who are controlling you from Hell. You will become deranged.

Would you buy a used car from this deranged person? Oops! Would you buy anything from this deranged person?

Reuters reports, "A Florida judge has approved the adoption of a 22-month-old baby girl that will list three people as parents on her birth certificate—a married lesbian couple and a gay man. The decision ends a two-year paternity fight between the couple and a friend of the women who donated his sperm to father the child but later sought a larger role in the girl's life. The ruling means the child's birth certificate will include a biological father and both women as parents in an unusual arrangement approved recently by a Miami-Dade Circuit Court judge." (<http://www.reuters.com/article/2013/02/07/us-usa-florida-adoption-idUSBRE91618L20130207>)

JT: Methinks that Obama says nothing because he really does not know who his real father and mother were/are. It's very difficult to get the legal papers out of Hell!!! Perhaps Obama should enlist the services of this judge to make his counterfeit birth certificates official.

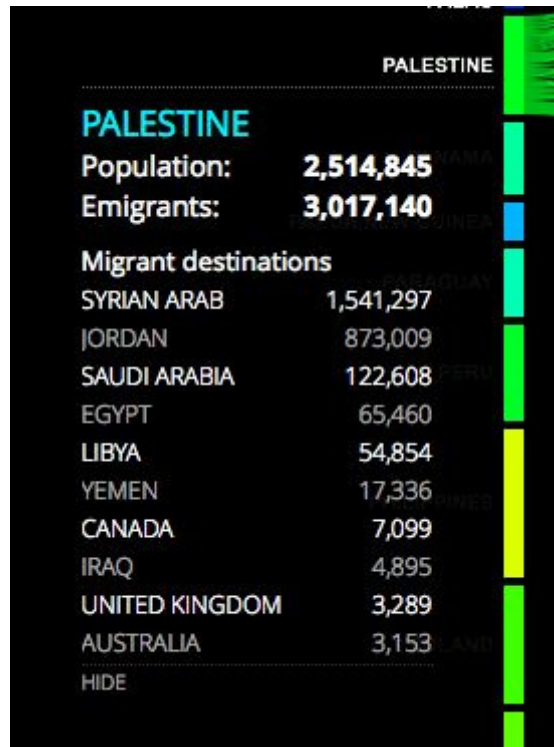

At <http://nation.foxnews.com/barack-obama/2013/02/07/williams-wheres-outrage-over-obamas-drone-policy#ixzz2KIDiEZOQ> John Williams asks where is the outrage concerning Obama's drone policy?

JT: That is a good question. Another good question, even a better one is WHERE'S THE OUTRAGE OVER OBAMA? Americans could learn something from the protesters against Morsi and the Islamic Brotherhood in Cairo, Egypt. (I had to add Egypt because there might be a dumbed-downer who would accidentally read the expertise in *Just Thinking* and not know which Cairo is meant or where it is!)

JT: Look at the number of people leaving Palestine – a difference of 502,295. Why is this? Methinks that the source of the statistic is a Palestinian statistical expert who is including future Palestinians who have not yet been born.

At *The Obama Timeline* we read: "The Egyptian English-language *Al-Ahram Weekly* publishes a letter to Obama from Bahieddin Hassan, head of the Cairo Institute for Human Rights Studies. Hassan states that the Obama administration's support for the Muslim Brotherhood regime is causing the bloodshed in the streets, increased violence, and rape. Hassan writes, in part, '[W]hen I spoke with you in 2010, I asked why the U.S. administration condemns repressive practices in Iran while remaining silent when Arab regimes engage in the same violations. Over recent months, statements by your administration have similarly failed to address violations and have even blamed protesters and victims for violence committed in the context of demonstrations. Indeed, the stances of your administration have given political cover to the current authoritarian regime in Egypt and allowed it to fearlessly implement undemocratic policies and commit numerous acts of repression. Statements that 'Egypt is witnessing a genuine and broad-based process of democratization' have covered over and indeed legitimized the undemocratic processes by which the Constituent Assembly passed the new constitution, an issue which has in turn led to greatly heightened instability in the country.'

'Calls for "the opposition [to] remain non-violent" and for "the government and security forces [to] exercise self-restraint in the face of protester violence" have allowed the police and the current Egyptian administration to shirk their responsibilities to secure demonstrations and to respond to the demands of the

Egyptian people, and have allowed them to place the blame for violence and instability on protesters themselves. Urging 'the opposition [to] engage in a national dialogue without preconditions' undermines the ability of the opposition to play a real role in the decision-making processes of the country, as these "dialogues" seldom result in anything more concrete than a photo-op with the president. Is it a coincidence that the statements issued by your administration reflect the same political rhetoric used by the new authoritarian regime in Egypt? But when these statements come from the world's superpower—the one most able to have a positive or negative impact on policies in Egypt and the region, not to mention the biggest donor and material supporter of the Egyptian regime for the past 35 years—they become lethal ammunition, offering political protection to perpetrators of murder, torture, brutality, and rape. ...My request is quite modest: that spokespeople and officials in your administration stop commenting on developments in Egypt... that as long as they cannot speak the truth about what is happening in Egypt, they keep silent"

JT: How dare the Egyptian English-language *Al-Ahram Weekly* tell The One what to do! They should also tell him where he can go!

On Tuesday, 12 February 2013, Barack Hussein Obama, who has gone by the main aliases Barack Obama, Barry Soetoro, Barry Obama, or variants thereof and who has possessed up to 25 different American Social Security Numbers, and a false Selective Service Registration (<http://www.theobamafile.com/family/anna.htm>; <http://theobamafile.com/eligibility/SocialSecurity.htm/>) delivered his fifth State of the Union Message to Congress and the American people. All of the POLDS received the verbal *massage* from The One with great enthusiasm. They learned among other things that under The One's leadership:

- more people are working and more jobs have been created,
- the American auto industry is producing cars that get 50 miles per gallon,
- America has a vibrant and growing economy,
- The right to bear arms will be taken from American citizens,
- America will become the leading environmental protection country on earth,
- American senior citizens will receive quality care,
- America will save hundreds of billions of dollars,
- American businesses are not and will not be faced with financial crises,
- approximately 70,000 structurally deficient bridges in America will be repaired,
- everything he does will not cost the taxpayers a dime.

JT: Barack Hussein Obama was very convincing. Just Thinking was privy to Barack Hussein Obama's practicing his State of the Union Message. Barack Hussein Obama has a special approach regarding content delivery. That is why POLDS like him so much. Here is visual proof:

At http://www.americanthinker.com/2012/05/americas_historic_cokehead_president.html we read what runs Barack Hussein Obama's brain. Furthermore, we also are presented with very early evidence of the brain food and facts concerning Barack Hussein Obama's first attempts at making a living using capitalist methods to sell exceptional and illegal goods and services to needy consumers at <http://mediamatters.org/blog/2012/05/11/updated-fox-news-smears-obama-as-a-drug-dealer/186407> and with telling photos at <http://chasvoice.blogspot.de/2012/08/barry-dope-dealer-is-why-his-school.html> (It is excellent!) This is not all we learn about the one-half of the greatest fraud couple POLDS love. Concerning Michelle, we can read and view the evidence at <http://giveusliberty1776.blogspot.se/2013/02/disgustingno-class.html> that this non-lady is a true crack herself.

JT: You two young teenage girls, be proud of your father and mother! After all, "what difference does it make?" Barack Hussein Obama and Michelle Robinson Obama have always been criminals with no regard for the law. They have always been as corrupt and cracked-up as they want to be. (Michelle Malkin, *Culture of Corruption Obama and His Team of Tax Cheats, Crooks, and Cronies*, Regnery Publishing, Inc, Washington, D. C.: 2009.)

At <http://www.barenakedislam.com/2013/02/14/olahoma-will-muslim-brotherhood-proxy-cair-again-be-able-to-overturn-the-will-of-the-people-who-voted-to-block-sharia-law-from-state-courts/> we are informed that CAIR (Council on American Islamic Relations), an organization that supports HAMAS and Islamic terrorists, are conducting legal battles with Obama court dhimmi judges on their side to allow sharia law to exist in Oklahoma.

JT: Methinks that the guillotine for sharia law is to recognize Islam for what it truly is: an Arab mutation of fascism disguised as a religion.

Beaufort, N.C.
Jan. 17, 2013
TO THE EDITOR:

Republicans and “so-called” conservatives are at it again. They are claiming that the Constitution gives people the right to have guns without the permission of the government. If that were true, then how could New York and Chicago have laws against it?

We Democrats are sick and tired of Republicans constantly using the Constitution to cover up their true plans, which are to make us all afraid of everyone else. Our great president came from a civilized part of the country where there is strict gun control, and he is only trying to bring the benefits of that more modern way of living to the rest of us. I don't know the exact statistics, but I'm quite certain that Chicago is a lot safer than Morehead City, when it comes to gun violence.

But do Republicans and conservatives listen to the voice of reason? No, of course not. All they want to do is whine and complain about how gun control and wealth redistribution violate the Constitution, as if the Constitution were all that great, anyway. There are a lot of things that need to be changed about the Constitution, I'd say, and President Obama needs to change it.

The Republicans are just trying to stand in the way, because the president is black. They even dared to question whether he was born in this country. I think all this demonstrates that the Constitution needs to be amended when it comes to the qualifications for being president. Right now, it says that a person has to be 35 years old and be a natural born citizen. Well, that is obviously unfair because there are a great many otherwise qualified people who cannot run for president because their mothers had to have a C-section. But because the Constitution was written a hundred years ago, nobody even thought of the discrimination that would result from a doctor having to deliver a baby in this unnatural way. Now that we Democrats are in control of the government, that's just one more thing we should change in our drive to make life fair.

Please withhold my name because I don't want to get crank calls.

PROUD TO BE A DEMOCRAT

JT: You can't beat this for evidence that the true reason America is going down the drain under Democrat Party non-leadership is because the POLDS that vote them into public office are truly dumb!
