A comment from iOwnTheWorld reader PhilSwill is important.

"I don't know if you mentioned this.

The crescent moon liberty flag is the Fort Moultrie Flag 1775
This flag was carried by Colonel William Moultrie's South Carolina Militia on Sullivan Island in Charleston Harbor on June 28, 1776. The "Moultrie" Flag was designed in 1775, and flew over Fort Sullivan (later named Ft. Moultrie) during the battle. The flag was shot away by the British in the

battle, but the British were in turn defeated which saved the south from British occupation for another two years.

This became the flag of the South Carolina "Minute Men" and the modern South Carolina State Flag still contains the crescent moon from this Revolutionary War flag.

Another widespread modern version of this flag has the word "LIBERTY" outside the crescent moon on the blue field and is sometimes incorrectly sold as the historical flag. This modern design has been adopted as the civic flag of the town of Liberty, South Carolina, with a few minor alterations of the thickness of the crescent and styling of the lettering.

With respect to the colonial "AN Appeal to Heaven" flag:

The phrase "An Appeal to Heaven" was created by John Locke from England in the mid 1600's. Locke was one of the great philosophers of his time, he like other English Philosophers were also influenced by the Iroquois in America. "An Appeal to Heaven" comes from his studies on "Natural Laws", a system of right or justice common to all humankind and derived from nature rather than from the rules of society and the only judge is that of our creator. It is in these laws where our unalienable rights come from and the foundation on which this country was formed. The phrase "An Appeal to Heaven" connotes that when all resources and justices on earth are exhausted that only "An Appeal to Heaven" remains. And so is the example of our country when our rights were taken away by the tyrannical acts of King George that we as nation after countless attempts to resolve, Appealed to Heaven as our final judge before breaking ties with the crown."

JT: There are two crescent moon flag types. One is Islamic, submission, which is the opposite of liberty. The other is America, which is LIBERTY, the opposite of submission!

In the August 2013 issue of *The Obama Timeline* Don Fredrick reports that "While U.S. embassies are being closed across the Middle East because of terrorist threats and national security advisors and other key administration officials meet to discuss the issue, Obama plays golf for seven hours with Reggie Love and others and then heads to Camp David to celebrate the eve of his birthday with basketball and bowling. In Obama's absence, the meeting is led by Susan "it was just a response to a video" Rice, whose fear of another Benghazi fiasco likely influenced her desire to close the embassies. Whether Obama's closest aide, Valerie Jarrett, attended the meeting is not known." Don Fredrick comments: "Obama is reportedly briefed after the meeting. Some suggest that Obama ordered the embassies closed *not* because of a terrorist threat but *in honor of the 27th night of Ramadan*—the "night of power" for Muslims commemorating the revelation of the first verses of the Qur'an to their prophet Mohammed. Thus, Obama did not have to attend a meeting to discuss threats to embassies—because his action was meant to mollify the Muslims. August 4 is also Obama's 52nd birthday if, as he claims, he was born on August 4, 1961."

JT: This is not just thinking but truthful reporting. In Europe, particularly in Germany, the mass media praise Obama for keeping steadily up to date on the breaking situation with threats from Al-Qaeda (which according to Obama in the 2012 presidential election campaign claimed that Al-Qaeda was "on the run" and its leaders decimated", in fact that it no longer exists). He is constantly holding meetings and having his staff become active in making sure that the US embassies worldwide are secure. There was not one word of his playing golf for seven hours with his lover Reggie, or a basketball and bowling birthday party at Camp David. Of course, the fact that he went to Camp David was mentioned. But he went there to get away from the Washington, D.C. heat. As far as I'm concerned he is not getting enough heat! I would like to see him and his cronies on the run and obliterated! Another thought I have is that this scare might be a phony scare. Obama knows how to commit phony scares and scandals! Don't let a (manufactured) crisis go to waste! Al Qaeda definitely knows that they can control Obama and his regime like puppets. All they have to do is sneeze and the puppets act their roles!

Another report in *The Obama Timeline*, (July 2013) from CNBC (<http://www.cnbc.com/id/100921864>) says that "Working more could ultimately mean thousands of dollars less for you under a quirk in the new health-care law going into effect this fall. This could prompt some people to cut back on their hours to avoid losing money. ...Under the ACA [ObamaCare], federal subsidies in the form of tax credits to buy insurance on new state health insurance exchanges will be available to millions of people who can start enrolling on those exchanges Oct. 1. The subsidies are available to people or families whose incomes total 400 percent above the federal poverty level [FPL] or less, and are designed to cap their insurance premiums at 9.5 percent of their total income. For a single person, that FPL income maximum is \$45,960 per year. The maximums are adjusted upward for couples and families until maxing out at \$94,200 for a family of four. Under a scenario that ValuePenguin.com identified, a couple in Ohio, both age 50, would be eligible for subsidies worth \$3,452 to purchase a so-called silver insurance plan—a moderately priced level of benefits under the ACA's scheme—that costs \$9,346 annually if they made up to \$62,040 per year. But if they made just \$1 more than that, they would lose the subsidy. ...[T]he couple then would have to earn at least \$65,492 to make up for the lost subsidy. ...In New York, a family of three whose annual income totals \$78,120, would pay \$12,784 for the second-lower-priced silver plan on that state's insurance exchange. After getting a \$5,363 tax credit, the family's net cost for the insurance would be \$7,421. But if the family earned even slightly more than \$78,120, they would have to pay the entire \$12,784 for the insurance because they then wouldn't qualify for the subsidy. To make up for that, the family's annual income would have to reach \$83,483..."

JT: That sounds simple and logical and easy to understand ...if you're a progressive!

business., dirty man... You want us to release Morsi... Hey, Obama, you are a stupid, bad man... Why then [did you] told Mubarak to leave immediately? ...You threaten us with the U.S. aid. Fuck it and fuck you. You are a jerk..."

JT: The music video is by Sama Elmasry. Out of the mouth of a babe! Who says Egyptians don't tell the truth?

We read at <http://www.thecollegefix.com/post/14190/> that a college professor has created a flatulence book for kids.

JT: It is really a book for Obama and his regime. Being farts themselves, flatulence is the only emersion from their non-minds!

The following has been posted at other sites. It is posted again and is quoted in full from ConservativeReport.org (<http://conservativereport.org/benghazi-valerie-jarrett-cic/>)

BREAKING! Benghazi Bombshell: Valerie Jarrett, Commander in Chief

Confidential sources close to Conservative Report have confirmed that Valerie Jarrett was the key decision-maker for the administration, the night of the [Benghazi](#) terrorist attack on 9/11/2012.

The chronology of the evening of 9/11 are as follows:

At approximately 5 PM Washington time, reports came in through secure-channels that Special Mission Benghazi was under attack. Secretary of Defense, Leon Panetta and Chairman of the Joint Chiefs of Staff, General Martin Dempsey summoned the President, and briefed him on the crisis, face to face.

Subsequent to that brief meeting, President Obama proceeded to the White House to dine in his living quarters.

After supper, Barack Obama had a telephone conference scheduled with Israeli Prime Minister Benjamin Netanyahu. Senior Advisor to the President, Valerie Jarrett

was present for that conference, which was held due to problems the President was having with the perception of him [snubbing Netanyahu](#) in previous, formal encounters.

The telephone call between Obama and Netanyahu carried on for a full two-hours, creating the appearance of respect between the two world leaders.

As that meeting drew to a close, Ms. Jarrett, who is also the Assistant to the President for Public Engagement and Intergovernmental Affairs, went from the living quarters to the White House Situation Room, where the attack in Benghazi was being monitored by Dempsey, Panetta and other top-ranking officials.

Whether she was instructed by the President to go there, or if she went of her own volition, is only known by the President and herself.

A critical question that needed to be answered, and the sole military-order that could have launched offensive-actions, neutralizing the Ansar al Sharia terrorists attacks on the Mission (the purpose of which is detailed [here](#)) and its subsequent attacks on the adjacent CIA Annex, was the issuance of “Cross Border Authority”, an order that can **only** be issued by the Commander in Chief, himself.

[As was reported earlier by Conservative Report](#), Cross Border Authority was denied.

Two revelations are deeply troubling:

First, it is reported that an Army Special Forces team was present with an AC-130U Spooky (also known as a Spectre Gunship) on the tarmac at the airport in Tripoli, Libya. The Spooky is a technologically sophisticated, tactical aircraft, operated by the U.S. Air Force Special Operations Command.

It operates under the overall Special Operations Command stationed at MacDill Air Force Base in Tampa, which is reportedly in charge of all military special operations units, including: Army Special Forces, Navy SEALs, Rangers and certain Marine units, as well as the USAF AC-130Us, and “stealth Blackhawks,” used in the Bin Laden raid.

The AC-130U Spooky is equipped with weapons that sync with laser-designators, like those that Woods, Doherty and Ubben had on that [lonely rooftop](#) above the CIA Annex. The laser-designator was used to “paint” the mortar targets during the attack, subsequently claiming the lives of Woods and Doherty, and leaving Ubben without a leg. Had the AC-130U been on station, over the CIA Annex in Benghazi, moments before the mortar rounds were fired, instead of "awaiting further instructions," the entire outcome of the Benghazi fiasco would have been different.

Add to that, a team of Green Berets on the ground to secure and/or evacuate the Annex, and the outcome would have been two SEALs still alive, and a mess of dead terrorists.

The second, and most troubling aspect of the refusal to issue Cross Border Authority is, *who issued the refusal*. Rather than the President, the Commander In Chief, making [critical decisions](#), granting or denying the authority to initiate offensive-actions

in support of our valiant fighting men, *the decision not to take action* was made by a person, whom the people did not elect, nor did the Congress have confirmation power over.

The military-order, not to initiate action, saving our men in Benghazi, was issued by the President's Advisor, Valerie Jarrett.

And this is a “phony” scandal?

JT: This is what happens when America is in the hands of real, dangerous phonies.

At <http://www.foxnews.com/politics/2013/08/05/army-wont-suspend-contracts-with-al-qaeda-tied-companies/> FoxNews.com reports, “The U.S. Army is refusing to suspend contracts with dozens of companies and individuals tied to Al Qaeda and other extremist groups out of concern for their ‘due process rights,’ despite repeated pleas from the chief watchdog for Afghanistan reconstruction. In a scathing passage of his latest report to Congress, Special Inspector General John Sopko said his office has urged the Army to suspend or debar 43 contractors over concerns about ties to the Afghanistan insurgency, ‘including supporters of the Taliban, the Haqqani network and al Qaeda.’ Sopko wrote that the Army ‘rejected’ every single case.” Sopko writes, “I am deeply troubled that the U.S. military can pursue, attack, and even kill terrorists and their supporters, but that some in the U.S. government believe we cannot prevent these same people from receiving a government contract.” Representative Jason Chaffetz (R-Utah) states, “The fact that U.S. taxpayer money has ended up in the hands of terrorists and insurgents in Afghanistan is totally inexcusable. It’s sickening to think that we’ve been giving money to the very people who are killing our brave service men and women.”

JT: Pogo said it already in 1952-1953! *We have met the enemy and he is us!* (http://www.igopogo.com/we_have_met.htm).

Barack Obama says we need to have a conversation about race in America .. Fair enough. But this time, it has to be a two-way conversation.. White America needs to be heard from, not just lectured to....This time, the Silent Majority needs to have its convictions, grievances and demands heard. And among them are these:

First, America has been the best country on earth for black folks. It was here that 600,000 black people, brought from Africa in slave ships, grew into a community of 40 million, were

introduced to Christian salvation, and reached the greatest levels of freedom and prosperity blacks have ever known.. Jeremiah Wright ought to go down on his knees and thank God he is an American.

Second, no people anywhere has done more to lift up blacks than white Americans. Untold trillions have been spent since the '60s on welfare, food stamps, rent supplements, Section 8 housing, Pell grants, student loans, legal services, Medicaid, Earned Income Tax Credits and poverty programs designed to bring the African-American community into the mainstream. Governments, businesses and colleges have engaged in discrimination against white folks — with affirmative action, contract set-asides and quotas — to advance black applicants over white applicants. Churches, foundations, civic groups, schools and individuals all over America have donated their time and money to support soup kitchens, adult education, day care, retirement and nursing homes for blacks.

We hear the grievances. Where is the gratitude??

Barack talks about new 'ladders of opportunity' for blacks. Let him go to Altoona ? And Johnstown, and ask the white kids in Catholic schools how many were visited lately by Ivy League recruiters handing out scholarships for 'deserving' white kids...? Is white America really responsible for the fact that the crime and incarceration rates for African-Americans are seven times those of white America ? Is it really white America's fault that illegitimacy in the African-American community has hit 70 percent and the black dropout rate from high schools in some cities has reached 50 percent?

Is that the fault of white America or, first and foremost, a failure of the black community itself?

As for racism, its ugliest manifestation is in interracial crime, and especially interracial crimes of violence. Is Barack Obama aware that while white criminals choose black victims 3 percent of the time, black criminals choose white victims 45 percent of the time?

Is Barack aware that black-on-white rapes are 100 times more common than the reverse, that black-on-white robberies were 139 times as common in the first three years of this decade as the reverse?

We have all heard ad nauseam from the Rev. Al about Tawana Brawley, the Duke rape case and Jena . And all turned out to be hoaxes. But about the epidemic of black assaults on whites that are real, we hear nothing.

Sorry, Barack, some of us have heard it all before, about 40 years and 40 trillion tax dollars ago. This needs to be passed around because, this is a message everyone needs to hear!!!
OK.....will you pass it on ?

YES. I did but will you?
Because I'm for a better America
I am
Not racist,
Not violent,
Just not silent anymore.

Excerpted from <http://dcclothesline.com/2013/08/08/whistleblower-obama-was-indonesian-citizen-given-financial-aid-as-foreign-student-at-occidental-college/>

"A whistle-blower from Higher Education Services Corporation in Albany New York came forward and advised Attorney Orly Taitz that she personally reviewed Barack Obama's financial aid information, which stated that financial aid was given to Obama as foreign student and as a citizen of Indonesia.

In the original case there were over 100 pages that documented that Barack Obama was a citizen of Indonesia at the time he attended Occidental and that he has used fraudulent means to secure Identification.

However, Superior Court Judge Charles Marginis ruled in favor of Occidental College and denied Taitz's motion to force them to produce Obama's college registration forms.

Kathleen O'Leary, the Chief Judge of the Fourth District Court of Appeals, then re-instated the appeal.

In Taitz's press release she writes, 'Additionally, Obama failed to submit the Appellee's brief in Taitz v Obama, Feinstein, Emken. This is an appeal, which was reinstated by the Chief Judge of the Fourth District Court of Appeal Kathleen O'Leary. Appellant Taitz filed her Appellant's brief.'

'Appellees failed to file an Appellees' brief,' the press release continued. 'They were given additional 15 days and they failed again. Attorney Taitz submitted a notice of failure by Appellees to file an Appellee's brief and provided the court with this additional information, as part of the appeal revolves around the decision by the Superior Court judge Charles Marginis to rule in favor of the Occidental college and deny a motion to compel production of a redacted college registration for Obama in light of over a 100 pages of records showing Obama to be a citizen of Indonesia using forged and fraudulently obtained IDs.'

As a result, Taitz submitted the [new information](#) to the Superior Court claiming 'Whistleblower wrote for Taitz in her own handwriting her first and last name, her work e-mail address, her personal e-mail address and her home and cell phone numbers.'

'Taitz did her due diligence and independently verified that the whistleblower is indeed employed by the Higher Education Services Corporation in Albany, New York' Taitz's submittal read. 'She further checked that Obama transferred from the Occidental college to Columbia University in New York and his financial aid would indeed be handled by the Higher Education Services Corporation in Albany, New York (Hereinafter HESC). Whistleblower advised Taitz that the policy of the HESC is no to destroy records and microfilm is contained in the safe of the corporation. She further advised Taitz that several employees of the HESC made copies of the microfilm, in case the management decides to destroy the evidence. She came forward, as she is concerned about fraud being committed and the fact that as a citizen of Indonesia Obama was not eligible to be the president of the United States.'
