Sometimes an ancient artifact symbolizes more than its admirers necessarily imagine. Take for example the silver griffin that was returned by the United States to Iran as a gesture of respect and—at least according to tea-leaf readers—a sign of an emerging thaw between the two nations. There's only one problem: It's a [fake](#).

At <http://chicksontheright.com/posts/item/24835-oh-no-you-didn-t-plymouth-high-school> we read this:

There's a high school here in Indiana - Plymouth High School - whose traditional football game song is the classic 1967 country tune "Rocky Top." Well, it was, anyway. And now? The powers-that-be in the school decided that they didn't have enough to do with their time, [so they've banned the song](#). Why, you ask? Well, because it references "moonshine" and that is "politically incorrect."

Because of COURSE that's why.

Plymouth School Superintendent Dan Tyree is the one responsible for the ban, so we can all blame him. Seriously. Feel free to send him a letter about how ridiculously STUPID this is, considering that the school has used the song for the past 20 years during its football games, and it's the "signature of the Plymouth Rockies, played after all scoring plays at the stadium they call 'The Rockpile.'"

The kids have a petition to try to get the song - and the tradition - reinstated. I hope they win, because they're obviously the only humans with any sense at that school. Hell, most of the kids at the school didn't even know that there *even was* a reference to moonshine until the song was banned.

Rocky Top Lyrics

Wish that I was on ol' Rocky Top
Down in the Tennessee hills
Ain't no smoggy smoke on Rocky Top
Ain't no telephone bills

Once I had a girl on Rocky Top
Half bear, other half cat
Wild as a mink, but sweet as soda pop
I still dream about that

Rocky top, you'll always be
Home sweet home to me
Good ol' Rocky Top
Rocky top, Tennessee
Rocky top, Tennessee

Once two strangers climbed ol' Rocky Top
Lookin' for a moonshine still
Strangers ain't come down from Rocky Top
Reckon they never will

Corn won't grow at all on Rocky Top
Dirt's too rocky by far
That's why all the folks on Rocky Top
Get their corn from a jar

Rocky top, you'll always be
Home sweet home to me
Good ol' Rocky Top
Rocky top, Tennessee
Rocky top, Tennessee

I've had years of cramped up city life
Trapped like a duck in a pen
All I know is it's a pity life
Can't be simple again

Rocky top, you'll always be
Home sweet home to me
Good ol' Rocky Top
Rocky top, Tennessee
Rocky top, Tennessee
Rocky top, Tennessee

JT: Methinks the School Superintendant Dan Tyree is not politically correct. Why?
His name is politically incorrect.

Dan can mean:

- A man of unusual humor, consistently finding strange, and lewd comments amusing ...
- To give the ultimate sexual pleasure to a woman.
- stone cold pimp, mac daddy.
- A MASSIVE PENIS. A PENIS LARGER THAN ANYTHING EVER SEEN. EVERYWHERE, EVERYTHING, MASSIVE. Can also be used to describe anally pandering someone and can really mean anything you want it to.
- Dan is code word for dumb ass nigger. It is used when a white person wants to express his feelings in a crowd of blacks and at the same time avoid being shot.

- A very perverted person that is obsessed by sex and can't live without it. Every sentence he uses or move he makes is somehow related to sex.
- To hump vigorously
- Acronym for dumb ass nigga.(dumb ass nigger)
- A douchebag that will say anything to a girl to keep her in a relationship because he is a self loathing asshole who uses his friends to get ahead in life because he is cheap and lazy.
- An overall always pissed off person. Very anti-social and bi-polar, he'd be best friends with you for 3 days and completely ignore you and act like you are the creepiest person in the world the next. Constantly makes you bring up the question "WTF!?!?" in your mind. Basically someone hard to deal with in life.
- Acronym for Dog Ass Nasty.
- A lazy ass who can't put effort into the simplest things. And is quick in all areas. He comes off as someone he isn't and after about two months, you figure it out.
- A teenage boy, with an extremely large penis!
- An immature, insecure, childish, self pitying man who has no job, no friends, no motivation, no class, lives with his mother past 21 years of age and mooches off anyone around him.
- Someone who's penis is either so small or so thin, you can't even feel it. It can't even be measured on the 0-10 scale.
- Man of ultimate lameness.
- A stationary object perfectly compatible with Newton's First Law: a man on a couch will never leave the couch unless acted upon by an external force
- One who is lame and whines about everything.
- Gay
- A male in his late 20's to early 30's with severe Peter Pan syndrome that prefers to date and socialize with female college co-eds. This male enjoys Red Bull and Vodka and Ke\$sha
- The stain inside your whitey tighties. Racing Stripes To be blunt, a shit stain.
- A fat guy who is usually a dickhead.
- A person who likes to wanker.

Let us now research Tyree.

- The act of catching something by pressing it against your head to control it.
- May apply for all mannerisms outside of football, even if a friend tosses you a bottle and you catch it by using your head.

(All definitions are from the *Urban Dictionary*.)

Well Mr. Dan Tyree, how do you like your politically incorrect name? You should purge yourself for being politically incorrect. Go into self-imposed seclusion some somewhere!

Spontaneous thought: Islam is like kudzu. It is a weed that cannot be controlled. It grows on itself. It devours everything that is not Islam by entwining it and killing it. Like socialism, Islam takes away the fresh air of freedom and individuality.

5 Truths You CANNOT Disagree With:

- 1.** You cannot legislate the poor **into** prosperity by legislating the wealthy **out of** prosperity.
- 2.** What one person receives **without working for**, another person **must work for** without receiving.
- 3.** The government **cannot give** to anybody anything that the government does not first **take** from somebody else.
- 4.** You cannot **multiply** wealth by **dividing** it.
- 5.** When half of the people get the idea that they do **not have to work** because the other half is going to **take care of them**; and when the other half gets the idea that it does no good to work because somebody else is going to get what they work for, **that is the beginning of the end of any nation.**

Margaret Thatcher Worried About US Under Obama

http://atlasshrugs2000.typepad.com/atlas_shrugs/2013/10/margaret-thatcher-worried-about-us-under-obama.html#more

And rightly so. Hardly surprising that the subversive in White House did not attend her funeral.

"New Book: Margaret Thatcher Worried About US Under Obama" Newsmax, October 13, 2013

Late British Prime Minister Margaret Thatcher was concerned by the United States' lean to the left after President Barack Obama took office in 2009, authors of a recently released book about "The Iron Lady" claim.

Thatcher never commented publicly on President Obama's leadership, though the Obama administration's big government agenda runs counter to everything she believed in, former Thatcher aide Niles Gardiner and writer Stephen Thompson, authors of "Margaret Thatcher on Leadership: Lessons for American Conservatives Today" told [The Daily Caller](#).

But even though Great Britain's first female prime minister didn't speak out publicly about Obama, she was privately concerned about the direction the United States had been taking since 2009, along with the declining leadership of the United States as a world power. The book, released this month, is a guide from conservatives that combines her life story with principles and help for conservatives use toward solving their challenges, cutting through bureaucracy and standing up to "aggressive regimes," [an Amazon book description says](#).

Gardiner in particular was very familiar with the late leader. He directs the Margaret Thatcher Center for Freedom at the Heritage Foundation, and was a foreign policy aide to her after she left Downing Street.

Thompson, a writer and consultant from Washington D.C., lived in the United Kingdom throughout Thatcher's term in office.

The former prime minister was always a conservative and greatly admired Sir Winston Churchill, Britain's Conservative prime minister during World War II and from 1951 to 1955.

The authors said Thatcher was a great leader because she was a "conviction politician" with "a clear set of conservative beliefs and principles which she led by" and was a "remarkably decisive leader" with "tremendous physical and political courage."

While Thatcher distrusted liberals, Democrats in the United States also did not honor her conservative viewpoints. In April, shortly after the late prime minister died, Senate Democrats came under fire for [blocking a resolution](#) honoring the long-time friend of the United States.

And [Obama was slammed](#) for declining to attend Thatcher's state funeral, citing a busy week from the aftermath of the Boston Marathon Bombing.

Downing Street was reportedly angered by rejections from Obama, his wife Michelle and Vice-President Joe Biden. However, the United States was also not represented at the funeral by former Republican Presidents George W. Bush or George Bush Sr., nor by Democratic former Presidents Bill Clinton or Jimmy Carter.

JT: The Democrats and the Obamas did not like her because she was politically incorrect. That is, she told (them) the truth.

Here's another excellent statement from Don Fredrick of *The Obama Timeline* (October Issue): Between 1776 and 2013 the United States has apparently devolved from, "Give me liberty, or give me death!" to "Gimme my free stuff, cracka, or we gonna riot!")

Source: <http://alltherightsnark.org/wp/wp-content/uploads/2013/10/Barryerd.jpg>

JT: I second the motion and volunteer to make the arrest.

The October Report of *The Obama Timeline* has the following: "At WashingtonTimes.com Cheryl K. Chumley writes, "A new theory from author Ed Klein—who previously penned 'The Amateur,' about ...Obama's White House leadership—suggests that senior adviser Valerie B. Jarrett orchestrated the chief executive's strategies in the government shutdown. The New York Post reported that Ms. Jarrett held several late-night sessions with Mr. Obama at his residence and from there came the strategy of 'no negotiation,' Mr. Klein believes. She was the 'architect' of that approach, Mr. Klein said. 'It was during one of those nightly sessions that Jarrett devised the no-negotiating strategy that Obama has employed in his fight with the GOP over the government shutdown. She convinced [Obama] that a government shutdown and default offered a great opportunity to demonize the Republicans and help the Democrats win back a majority in the House of Representatives in 2014.' Other contributions from Ms. Jarrett, Mr. Klein said, in the New York Post: 'Valerie also came with the idea of using the words 'hostage' and 'ransom' and 'terrorists' against the

Republicans.’ The Daily Mail said Ms. Jarrett’s nickname is ‘Night Stalker,’ for the very reason that she’s allowed late-night access to [Obama’s] private quarters. In his 2012 book, Mr. Klein wrote that a similar behind-scenes strategy caught up the Republicans. He wrote: ‘The Republicans walked into a trap set up by Valerie Jarrett and ...Obama. The Republicans are in an untenable position.’”

JT: It's now public. The president of the United States of America is Valerie Jarrett, the fecal slum lord from Shitcago.

JT: The guarantee says she'll crack any nut. Hmmmmm!

Todd Starnes of Fox News writes, “American taxpayers have once again been trampled by establishment Republicans—a thundering herd of chicken-hearted Republicans in Name Only (RINOs) galloping to the Left. The debt ceiling deal struck between Senate Majority Leader Harry Reid and Senate Minority Leader Mitch McConnell is a victory for ...Obama and Democrats. ObamaCare is still the law of the land. The government is still spending money it does not have. And thousands of government workers just got a two-week vacation courtesy of the taxpayers. I’m sure we will hear establishment apologists calling the events of recent days a compromise. But seeing how [Obama] refused to compromise, it’s more likely the Grand Old Party was the only one bending. Establishment Republicans always talk about doing the right thing for the nation, no matter the price. But when push comes to shove, they always throw in the towel. And Wednesday, McConnell and his band of merry moderates heaved their towels in an epic demonstration of lily-livered cowardice.” (<http://www.foxnews.com/opinion/2013/10/16/todd-starnes-american-taxpayers-betrayed-by-chicken-hearted-rinos/>)

JT: This reminds me of a Chinese saying that really is an offer of ill will while being polite (politically correct) *May you live in interesting times.* House of Representatives Speaker John Boehner and Mitch McConnell, Minority Leader in the senate and their kind of Republicans have a new slogan. *Hurrah,! We're losers!!!*

Democrat Cory Booker wins the special election in New Jersey to replace the late Senator Frank Lautenberg

JT: Obama and Corey Booker have the ultimate methods to win political elections. It is a three-stage method.

- Stage 1: LIE
- Stage 2: LIE
- Stage 3: LIE

—Barack Obama, in remarks after a health care roundtable with physicians, nurses and health care providers, Washington, D.C., July 20, 2009

2. "It was also interesting to see that **political interaction in Europe is not that different from the United States Senate. There's a lot of --** I don't know what the term is in Austrian, **wheeling and dealing.**"
