## JUST THINKING

Number 96

<http://www.youtube.com/watch?v=Whkc0Sv10ts> "Islam is a peaceful religion. Respect it!" – Barack Hussein Obama

The horror. As a woman, I sympathize with anyone who would want this man to get the harshest possible penalty. At the same time, this video demonstrates the savagery of the Iranian government: they're piling their own Sharia-derived barbarity on top of his.

[\(Warning Disturbing Video\) Public Execution in Iran, Man Cries Begs to See His Mother for The Last Time, Tries to Escape Before Being Hanged](#) (Thanks to Halal Pork Shop)

A video has emerged of a man making a last-ditch attempt to flee his public execution in Iran, while onlookers cheer him on.

In the video below, the young man is about to be hanged in front of a large crowd that has gathered to watch the execution. He was condemned for having gang-raped a pregnant woman along with two other men back in 2008. As a result, the woman reportedly miscarried and lost her baby. The executions of all three men took place on February 26. According to Iranian media, they took place in three different suburbs of Karaj, where the crime occurred. However, it's not clear in which one the execution of the man in the video took place.

As he's about to be publicly hanged, he begins crying and begs to see his mother one last time. When the executioners refuse his last request, he lashes out and knocks several of them down.

Immediately, swarms of policemen rush onto the platform to restrain the condemned man. They forcefully wrap the noose around his neck, before lifting him onto a podium. The public rally to his side, initially supporting his attempt to break free of his executioners. Moments before his death, he can be heard asking his mother and the public to pardon his crime. Some people in the crowd respond by saying they forgive him.

The FBI lists the top 10 most dangerous cities in the United States.

<http://www.examiner.com/article/most-dangerous-cities-2014-fbi>

1. Camden, New Jersey (Mayor Dana Redd, Democrat)
2. Flint, Michigan (Mayor Dayne Walling, Democrat)
3. Detroit Michigan (Mayor Dave Bing/Mike Duggan, Democrat(s))
4. Oakland, California (Mayor Jean Quan, Democrat)
5. St. Louis, Missouri (Mayor Francis Slay, Democrat)
6. Cleveland, Ohio (Mayor Frank Jackson, Democrat)
7. Gary, Indiana (Mayor Karen Freeman-Wilson, Democrat)
8. Newark, New Jersey (Mayor Corey Booker/Luis Quintana, Democrat(s))
9. Bridgeport, Connecticut (Mayor Bill Finch, Democrat)
10. Birmingham, Alabama (Mayor William A. Bell, Democrat).

JT: The political party affiliation is more than revealing!

\*\*\*

Corey Booker, the former Mayor of Newark, New Jersey (crook, liar, and whatnot) and now senator from that state says that when he (crook, liar, and whatnot) got his driver's license at the age of 17 his first trip was a drive to Hawaii. (<http://www.breitbart.com/Breitbart-TV/2014/03/11/Senator-Cory-Booker-Claims-He-Drove-To-Hawaii-as-a-Teen-With-His-New-Jersey-Drivers-License>)

JT: Methinks he was born in Hawaii. The present Director of Hawaii's Department of Public Health has already verified his original Hawaiian certificate of live birth! At the age of 17 the crook, liar, and whatnot was visiting his birth hospital and his grandmother before she died! Rumor has it that he will be the next Democrat Party candidate for President. In the footsteps of Barack Hussein Obama, the results of the next presidential election are already in and the winner is and will be Corey Booker, crook, liar, and whatnot! Yup, in the footsteps of Barack Hussein Obama, crook, liar, and whatnot!

*The Obama Timeline* reports: "On March 11 Obama designates Point Arena-Stornetta Public Lands, a 1,665-acre nature preserve in California, a national monument. Legislation to designate the area a monument has been sitting in the Democrat-controlled Senate for months. The Senate inaction was almost certainly intentional, so that Obama could instead take credit for the eventual action. At PJMedia.com Bridget Johnson writes, "...Obama whipped out his pen today and used the 1906 Antiquities Act to declare the coastline protected land, proclaiming that he needed to use his executive authority to do so. 'In my State of the Union address, I said that I would use my authority to protect more of our pristine federal lands for future generations,' Obama said in a statement. 'Our country is blessed with some of the most beautiful landscapes in the world. It's up to us to protect them, so our children's children can experience them, too. That's what today is about.'" Of course, the area could have been protected months earlier had the Senate simply voted on the bill. ...

Congressman Rob Bishop (R-UT) states, "[Obama's] use of the Antiquities Act to expand the Coastal California National Monument is disappointing to say the least. It is also purely political and undermines sincere efforts to reach consensus on questions of conservation. The House passed legislation to incorporate these public lands into the national monument with bipartisan support—both at the committee level and on the House floor. The fact that this bill hasn't yet been considered in the Senate is not an oversight, it was intentional. The legislation was held up in the Senate so [Obama] could usurp the congressional process. In other words, the House was punked by [Obama]. ...Had the Senate done its job, the bill would have been considered and passed under regular order. There was broad support for the measure. [Obama] seems to view the legislative process as relevant only when it is politically convenient. Unfortunately, that is not how our founding fathers intended for the federal government to operate. I am troubled by the way ...Obama and [Senate Majority Leader] Harry Reid [D-NV] misuse the powers entrusted to them by the American people. This only hurts our country as we move forward tackling some of the biggest issues facing the American people."

JT: Well, well, well, Mr. Representative Bishop. So you're "troubled by the way ... Obama and [Senate Majority Leader] Harry Reid [D-NV] misuse the powers entrusted to them by the American people."

**That is really a spew of troubled anger coming from you! I'm troubled by your wishy-washy comment. Get on Obama's back, damn it! Put a (~~rhetorical~~) rope around his neck, and tighten it as quickly and as often as you can!!!**

\*\*\*

At <http://canadafreepress.com/index.php/article/61712> we read that Bossy Moosechelle has issued a first lady (contradiction in terms) executive order that bans 'bossy,' 'failure,' 'weak,' 'Obamacare,' 'Jimmy Carter' 'disaster,' 'indecisive,' 'unemployment,' 'job loss,' 'vacations,' 'royalty,' 'lavish,' 'wasteful,' 'debt,' 'extravagant' 'gowns' and 'overspending,' to name a few," the First Lady (contradiction in terms) replied sternly. "These shall not henceforth be used publicly on pain of fine and imprisonment."

"At the risk of sounding disrespectful—which is not my intent—you have risen to the highest level of power in the country and being "bossy" if you will pardon my language has not stopped you from attaining your position," Hugh suggested. "And by presuming to ban words from our common language are you not, ironically, being *bossy* yourself?"

"No, I am not "bossy," I am simply '*assertive*'" she replied. "And words mean what I choose them to mean, neither more nor less.... As my husband said: 'elections have consequences.' And this is just one."

JT: Mrs. (which in your case is an insult to the abbreviation) ass (ertive) Moosechelle! Read this! Read this! Read this! I herewith say that you, your cuckold husband and the regime you support (or rather support you) in Washington, D. C. are: Tataa! Tataa! Tataaa!

'bossy,' 'failure,' 'weak,' 'Obamacare,' 'Jimmy Carter' 'disaster,' 'indecisive,' 'unemployment,' 'job loss,' 'vacations,' 'royalty,' 'lavish,' 'wasteful,' 'debt,' 'extravagant' 'gowns' and 'overspending,'

At least in one respect ass (ertive) Mooschelle is correct. Elections have consequences, and this answer is one of them. Words mean what the English language, etymology, and historical usage say they mean. Methinks Moosechelle has been dumbed down!!!

CNSNews.com reports, "Ten U.S. Islamic organizations have formed a new umbrella group to serve as a 'representative voice' for American Muslims, and one of their first tasks will be to carry out a census of the community. Other focus areas for the new U.S. Council of Muslim Organizations (USCMO), according to speakers at the body's launch in Washington on Wednesday, include enhancing Muslim political engagement and participation in forthcoming elections, civil rights issues, combating 'Islamophobia' and having an impact on U.S. foreign and domestic policy. Participating organizations include high-profile groups that have been dogged by controversy, such as the Muslim American Society (MAS), founded by Muslim Brotherhood members, and the Council on American-Islamic Relations (CAIR), which was named by the Justice Department in 2007 as 'unindicted co-conspirators' in its case against the Holy Land Foundation in Texas, subsequently found guilty of raising money for Hamas." JT: How about nominating the new U.S. Council of Muslim Organizations (USCMO) for the next Nobel Peace Prize and making sure they get it. After all, Islam is so peaceful!!! Islamists never murder, kill, intentionally, or mutilate, or take slaves, or force non-believers to convert to Islam!!!

On 15 March Barack Obama (I thought he had a middle name like Hussein.) sends an email with the subject: **Hey** is an interjection. *The American Heritage Dictionary of the English Language* gives the first definition of interjection as 1. An exclamation; ejaculation. Now we all know that Barack Hussein Obama always likes to talk folksy. But I don't know what he means with **Hey**. Given his penchant for unusual sexual relationships, he might mean ejaculation. On the other hand, he might mean one or more of the following definitions from the Urban Dictionary, which is very folksy.

Definition 14: the text greeting form of "hey" when someone is pissed off.

Definition 20: 1. Common greeting among almost anyone who can talk. (Well, uh, err, ah Barry uh ah err can, er ah uh, err talk err, ah ur...

Definition 23: Shortened for "Hello you spit fuck, get your ass over here and let me beat your ass until the skin flaps off." Or also could be short for "Hello, get your bitch ass, punk ass, bitch made face out of here and get the coke I supplied you with, Mutha Fucka." (Just Quoting. It's not my way of speaking, but it surely could be Barry's Chicago threat language.)

Definition 35: i Love You and i want you in my bed to night baby! (Barry wants all of the email recipients in bed with him? The enemedia isn't enough? Zero just can't get any satisfaction!

\*\*\*

On 20 March the Central Committee of the American Communist Party, also known as the Democrat Party, sent an email with the following subject: **Obamacare is working. Stand up for it.**

JT: Methinks there is a misspelling and a wrong formulation. It should be Obamacare is wrecking. Stand up for it so that we can see who to wreck next.

\*\*\*

On March 21, Joe Biden, whoever that is, sent an email with the following subject: **We need 20 people in your area**

JT: My comment back is that you don't need 20 people, you need 20 idiots. Where I live we don't have idiots. We sent them to Washington in 2008 and 2012.

\*\*\*

On 22 March this person

Source: <http://www.aim.org/wp-content/uploads/2013/11/debbie-wasserman-schultz.jpg>.

Debbie Wasserman Schultz, Chair of the Democrat National Committee, a front organization for the Communist Party, sends out an email with the subject: **This makes my heart sink.**

JT: Although Debbie Wasserman Schultz decries the voting of Republicans against Obamacare, JT has uncovered the true reason why Debbie Wasserman Schultz's heart sinks. Here is photo proof:

JT: Methinks this image is quite revealing for two reasons:

1. For every day of her sojourn in China Moosechelle has vowed to eat at least 50 XXXLLL egg rolls. She is well on her way to being the first White House blimp!
2. It is reported that her shoe size is 58 – a size for each of Barry's 57 states and one for Washington, D. C.

There is a wonderful Latin nomenclature for such yuckkiness: *C. Dromedarius!*

\*\*\*

JT: has just learned that Moosechelle's desserts are being flown to China every day for her consumption. Here's an example:

JT: I have often asked myself what would happen if all illegal immigrants were deported from the United States of America. I found a researched answer at <http://giveusliberty1776.blogspot.se/2014/03/added-benefit-they-wouldnt-be-able-to.html>. It is reprinted with the original emphasis, links, and grammar corrections.

In **California**, if **3.5 million** illegal aliens moved back to Mexico, it would leave an extra **\$10.2 billion** to spend on overloaded school systems, bankrupt hospitals and overrun prisons. It would leave highways cleaner, safer and less congested. Everyone could understand one another as English became the dominant language again.

In **Colorado**, **500,000 illegal** migrants, plus their **300,000** kids and grandchildren would move back 'home', mostly to Mexico. That would save Colorado an estimated **\$2 billion** (other experts say **\$7 billion**) annually in taxes that pay for schooling, medical, social-services and incarceration costs. It means **12,000** gang members would vanish out of Denver alone.

**Colorado** would save more than **\$20 million** in prison costs, and the terror that those **7,300** alien criminals set upon local citizens. Denver Officer Don Young and hundreds of Colorado victims would not have suffered death, accidents, rapes and other crimes by illegals.

**Denver Public Schools** would not suffer a **67%** dropout/flunk rate because of thousands of illegal alien students speaking 41 different languages. At least 200,000 vehicles would vanish from our grid locked cities in Colorado. Denver's **4%** unemployment rate would vanish as our working poor would gain jobs at a living wage.

In **Florida**, **1.5 million** illegals would return the Sunshine State back to America, the rule of law, and English.

In **Chicago, Illinois**, **2.1 million** illegals would free up hospitals, schools, prisons and highways for a safer, cleaner and more crime-free experience.

If **20 million illegal** aliens returned 'home', the **U.S. Economy would return to the rule of law**. Employers would hire legal American citizens at a living wage. Everyone would pay their fair share of taxes because they wouldn't be working off the books. That would result in an additional **\$401 Billion** in IRS income taxes collected annually, and an equal amount for local, state and city coffers.

**No more push '1' for Spanish or '2' for English**. No more confusion in American schools that now must contend with over 100 languages that degrade the educational system for American kids. Our overcrowded schools would lose more than two million illegal alien kids at a cost of billions in ESL and free breakfasts and lunches.

We would **lose 500,000 illegal criminal alien inmates** at a cost of more than **\$1.6 billion** annually. That includes **15,000 MS-13 gang members** who distribute **\$130 billion** in drugs annually would vacate our country.

In **cities like L.A.**, **20,000** members of the '18th Street Gang' would vanish from our nation. No more Mexican forgery gangs for ID theft from Americans! No more foreign rapists and child molesters!

Losing more than **20 million** people would **clear up our crowded highways and gridlock**. Cleaner air and less drinking and driving American deaths by illegal aliens!

**America's economy is drained**. Taxpayers are harmed. Employers get rich. Over **\$80 billion** annually wouldn't return to the aliens' home countries by cash transfers. Illegal migrants earned half that money untaxed, which further drains America's economy which currently suffers an **\$8.7 trillion** debt. **\$8.7 trillion debt !!!**

**At least 400,000 anchor babies would not be born in our country**, costing us **\$109 billion** per year per cycle. At least 86 hospitals in California, Georgia and Florida would still be operating instead of being bankrupt out of existence because illegals pay nothing via the EMTOLA Act. Americans wouldn't suffer thousands of TB and hepatitis cases rampant in our country-brought in by illegals unscreened at our borders.

**Our cities would see 20 million less people driving, polluting and grid locking our cities**. It would also put the 'progressives' on the horns of a dilemma; illegal aliens and their families cause **11% of our greenhouse gases**.

Over **one million** of Mexico's poorest citizens now live inside and along our border from Brownsville, Texas to San Diego, California in what the New York Times called, 'colonias' or new neighborhoods. Trouble is, those living areas resemble Bombay and Calcutta where grinding poverty, filth, diseases, drugs, crimes, no sanitation and worse. They live without sewage, clean water, streets, roads, electricity, or any kind of sanitation.

The New York Times reported them to be **America's new ' Third World ' inside our own country**. Within **20 years**, at their current growth rate, they expect **20 million** residents of those colonias. (I've seen them personally in Texas and Arizona; it's sickening beyond anything you can imagine.)

By enforcing our laws, we could repatriate them back to Mexico. We should invite **20 million** aliens to go home, fix their own countries and/or make a better life in Mexico. We already invite a million people into our country legally more than all other countries combined annually. We cannot and must not allow anarchy at our borders, more anarchy within our borders and growing lawlessness at every level in our nation.

**It's time to stand up for our country, our culture, our civilization and our way of life.**

### **Interesting Statistics!!!!**

Here are **14 reasons** illegal aliens should vacate America, and I hope they are forwarded over and over again until they are read so many times that the reader gets sick of reading them:

(1. America doesn't need them!)

2. **\$14 billion to \$22 billion** dollars are spent each year on welfare to illegal aliens. (**that's Billion with a 'B'**). <http://tinyurl.com/zob77.html>.

3. **\$7.5 billion** dollars are spent each year on Medicaid for illegal aliens. <http://www.cis.org/articles/2004/fiscalexec.html>.

4. **\$12 billion** dollars are spent each year on primary and secondary school education for children here illegally and they still cannot speak a word of English! <http://transcripts.cnn.com/TRANSCRIPTS/0604/01/ldt.01.html>.

5. **\$27 billion** dollars are spent each year for education for the American-born children of illegal aliens, known as anchor babies. <http://transcripts.cnn.com/TRANSCRIPTS/0604/01/ldt.01.html>.

6. **\$3 Million Dollars 'PER DAY'** is spent to incarcerate illegal aliens. That's **\$1.2 Billion a year**. <http://transcripts.cnn.com/TRANSCRIPTS/0604/01/ldt.01.html>

7. **28% percent** of all federal prison inmates are illegal aliens. <http://transcripts.cnn.com/TRANSCRIPTS/0604/01/ldt.01.html>.

8. **\$190 billion** dollars are spent each year on illegal aliens for welfare & social services by the American taxpayers.

<http://transcripts.cnn.com/TRANSCRIPTS/0610/29/ldt.01.html>.

9. **\$200 billion** dollars per year in suppressed American wages are caused by the illegal aliens. <http://transcripts.cnn.com/TRANSCRIPTS/0604/01/ldt.01.html>.

10. The illegal aliens in the United States have a **crime rate that's two and a half times** that of white non-illegal aliens. In particular, their children are going to make a huge additional crime problem in the US.

<http://transcripts.cnn.com/TRANSCRIPTS/0606/12/ldt.01.html>.

11. During the year 2005, there were **8 to 10 MILLION** illegal aliens that crossed our southern border with as many as 19,500 illegal aliens from other terrorist countries. Over **10,000** of those were **middle-eastern terrorists**. Millions of pounds of drugs, cocaine, meth, heroin, crack, Guns, and marijuana crossed into the U.S. from the southern border. <http://tinyurl.com/t9sht>.

12. The National Policy Institute, estimates that the total cost of mass deportation would be between **\$206** and **\$230 billion**, or an average cost of between **\$41** and **\$46 billion** annually over a five year period ... <http://www.nationalpolicyinstitute.org/publications.php?b=deportation>.

13. In 2006, illegal aliens sent home **\$65 BILLION** in remittances back to their countries of origin, to their families and friends. <http://www.rense.com/general75/niht.htm>.

14. The dark side of illegal immigration: Nearly **one million sex crimes** are committed by illegal immigrants in the United States.

[!http://www.drdsk.com/articleshtml](http://www.drdsk.com/articleshtml).

**Total cost, a whopping \$538.3 BILLION DOLLARS A YEAR!**
