JT: Am I trashing Obama? I argue that he is trash and he trashes the United States of America.

We read and view a video at <http://dailysurge.com/2014/09/john-kerry-bible-commands-america-protect-muslims-global-warming/> that John Kerry says The Bible Commands America To Protect Muslims From Global Warming.

JT: Now we know why God created weather!

JT: Another spontaneous thought: It's about time for non-Muslims to stop being politically correct and tolerant and recognize Islam for what it is: an evil cult based on fear and spreading fear.

Don Fredrick of *The Obama Timeline* (August issue) tells us: "The BBC reports on a child abuse scandal in Rotherham, England, where as many as 1,400 children as young as 11 'were raped by multiple perpetrators, abducted, trafficked to other cities in England, beaten and intimidated...The inquiry team noted fears among council staff of being labeled 'racist' if they focused on victims' descriptions of the majority of abusers as 'Asian' [that is, Muslim] men. Professor Alexis Jay, who wrote the latest report, said there had been 'blatant' collective failures by the council's leadership, senior managers had 'underplayed' the scale of the problem and South Yorkshire Police had failed to prioritize the issue. ...Revealing details of the inquiry's findings, Prof Jay said: 'It is hard to describe the appalling nature of the abuse that child victims suffered.' The inquiry team found examples of 'children who had been doused in petrol and threatened with being set alight, threatened with guns, made to witness brutally violent rapes and threatened they would be next if they told anyone.' One Rotherham whistleblower complains that she was told she 'must never refer to Asian men,' and was booked 'on a 2 day ethnicity and diversity course to raise my awareness of ethnic issues.' In other words, he or she was told to ignore reality and then subjected to two days of government-sponsored brainwashing by officials afraid of being labeled 'Islamophobes.' Some claim the abuses are continuing, and that little is being done to stop the perpetrators. One victim tells the Daily Mail, 'It is more dangerous in Rotherham today than ever. The sex assaults are still going on, yet the girls are afraid to go to the social workers in case they are put in care. They refuse to go to the police because they do not trust them to arrest the culprits. No one is protecting them.' (The Media Research Center's Brent Bozell later reports at Townhall.com, 'There's been nothing [about Rotherham] on ABC, CBS, NBC or PBS. A Nexis search can't even find any transcripts mentioning the story on CNN or MSNBC, and just one on Fox News. USA Today hasn't found it, and The Washington Post only placed a story online, not in the paper. Do they only care to report on England's royal children? Do no one else's matter? The New York Times and the Los Angeles Times discovered the story briefly on August 27, and NPR aired two reports, on August 26 and 27. The New York Times then put it on the front page on September 2. But none of these stories made any mention of Muslims or Islam. These child abusers were not clerics, but their religious heritage was as politically touchy as their ethnicity. Take the Catholic Church out of it, and child sex scandals aren't particularly scandalous in the eyes of the press.'")

JT: Now why would the prostitute media in the USA, in England or any other European country get upset about the scandal in Rotherham that isn't a scandal? The Muslims are only doing what Muhammad and Allah command them to do. It is their method of bring peace to England and the non-Islamic world. By the way, a phobia is an irrational fear of something.

JT: Spontaneous thought: Those who are called Islamophobes aren't really Islamophobes because they don't have an irrational fear of Islam. Their fears and concerns are rational!

JT: Obama: "Let's fart in unison and scare the future white racists."

JT: This is a JT quickie! Place only in the sentence. You have ten positions. Barry told his lover Reggie that he loved him.

At <http://www.ibtimes.co.uk/isis-disillusioned-british-jihadists-syria-want-safe-return-1464110> we read that “A group of British Islamists affiliated with Islamic State (IS) in Syria has grown so disillusioned with fighting that they are seeking ways to return home without being subjected to stiff jail sentences when they return, it has been reported. A British jihadist claiming to represent 30 fellow nationals said they were increasingly frustrated at fighting against other rebel groups, having originally arrived in Syria to fight the regime of Bashar al-Assad instead. He told researchers that they are willing to give up their arms and restart their lives in the UK but feared long prison sentences, The Times reported. ‘We came to fight the regime and instead we are involved in gang warfare. It’s not what we came for but if we go back [to Britain] we will go to jail,’ the man told researchers from the International Centre for Study of Radicalization and Political Violence (ICSR) at King’s College London, via social media. ‘Right now we are being forced to fight—what option do we have?’ The militant said the 30 were willing to undergo deradicalisation programmes and submit to surveillance if they were allowed back.”

JT: Regarding this situation I don't agree with the de-radicalisation programme. I would take away their citizenship and allow them to exist the rest of their lives in their squalor somewhere in an Islamic dictatorship. Muslims and Islam cannot be trusted. There are no moderate Muslims and there is no such thing as moderate Islam. I would bet that this is nothing but a ploy to get back into Britain and then unleash the learned evilness of Islam. It's all a ruse, which is called al-taqiyya!

<http://weaselzippers.us/198978-dhs-advisor-and-muslim-brotherhood-supporter-mohamed-elibiary-has-left-the-building/> reports that Mohammed Elibiary, a supporter of the Muslim Brotherhood, has resigned his position as a Homeland Security advisor and is going to Texas to establish a Muslim think tank!

JT: Regardless of the terminology *Muslim think tank* being in itself contradictory, methinks the best tank for Mohammed Elibiary would be a septic tank.

An Open Letter to Barack HUSSEIN Obama Regarding Sgt. Andrew Tahmoorissi

By: Diane Sori

Mr. President, While I know you have your hands full with all your leading from behind, and with you trying to 'save face' by cobbling out a strategy of sorts for dealing with ISIS after saying you have NO strategy at all...but you also need to put this on your agenda, Mr. President, so let me give you a memory jolt...remember when you said, "*We don't leave men and women in uniform behind.*" Remember back in June when you tried to justify your five Taliban for one American deserter swap...

Well...I'd say that's NOT quite true, Mr. President (and I will call you that with all sarcasm intended throughout), but you do indeed leave those in uniform and those serving our country behind...do the names Christopher Stevens, Sean Smith, Tyrone Woods, and Glen Doherty mean anything to you...you know of Benghazi fame or should I say shame...you know the ones you NOT only left behind but the ones (I believe) you made sure died.

And does the name Andrew Tahmoorissi mean anything to you...guess NOT as you and your administration have left him behind to rot in a Mexican jail for simply making a wrong turn. Shame on you, Mr. President...shame shame shame on you...as you are deliberately and knowingly leaving a man in uniform behind when a simple phone call to Mexican President Nieto would free him. And this leaves me to wonder if this is your payback for getting caught having your hand in the 'Fast and Furious' cookie jar...or perhaps this is some sort of deal you cut with the Mexican government to appease the drug cartels...to make them 'go away' until after the November mid-term elections so as NOT to hurt your party...just wondering.

And, Mr. President, race-baiter that you are...we all know that if Andrew Tahmoorissi was black instead of white he would have been out of jail and safely home by now...and we all know that if Andrew Tahmoorissi had been a muslim he would have been out of jail and home within a few short days of his arrest...we know it...you know we know it...and you don't give a damn that we do

So in case you've forgotten...what with all you have to do to arrange your next golf date that 'We the People' have to pay for...let me again refresh your memory, Mr. President...Andrew Tahmoorissi is the decorated U.S. Marine Sergeant who was in San Diego to be treated for PTSD resulting from his service in Afghanistan, who by accident ...with 'accident' being the key word here...crossed into Mexico at a very poorly marked border crossing. Andrew Tahmoorissi is the Marine who at the time this happened had in his possession three LEGALLY owned firearms as well as ammunition, which he...honorable man that he is...immediately disclosed to the Mexican border guard as he tried to explain over and over that he had simply made a wrong turn...that he had NOTHING to hide...that he just wanted to turn around and go home.

But the actions of an overzealous guard to what should have been a minor incident...as in an unintentional violation of a Mexican law (involving gun transportation) which citizens of that country violate in our country everyday... turned serious...turned into an international incident of sorts...when the Mexican government decided to arrest Sgt. Tahmoorissi rather than simply escorting him back across the border. They could have even confiscated his guns and sent him back home without them if it was the guns that truly concerned them but NO...they had to arrest him and throw him in a maximum security prison that rumor has it is controlled by the drug cartels...there's that nefarious drug connection rearing its ugly head yet again, Mr. President...just saying.

And to make matters worse, Sgt. Tahmoorissi...who has been held since March... was chained like an animal to his bed...you saw the pictures of this as did we, Mr. President, and yet this did NOT bother you...it did NOT bother you that an American...that a man who put his life on the line to keep America safe and free at home...was being treated so barbarically in a country

that 'supposedly' is a friend to America. It did NOT bother you. Mr. President, for if it had Sgt. Tahmoorissi would now be free.

Some friend Mexico is NOT...what with their sending thousands of anything but immigrants into our country ILLEGALLY every day...but I digress...so easy to do with you, Mr. President, because there is just so much wrong with you and your administration...sigh.

So, despite the fact that hundreds of millions of our tax payer dollars are being sent to Mexico each year for God only knows what...despite the fact that you and your administration turns a blind eye to the millions of Mexican citizens that break NOT just our immigration laws but so many other of our laws on a daily basis... despite the fact that American tourism accounts for more than ten percent of Mexico's economy...you, Mr. President, does NOTHING to put pressure on the Mexican government...on Mexican President Nieto...to release Sgt. Tahmoorissi...and release him now. In fact, you did NOT even mention him in any of your many phone calls to President Nieto. And why NOT, Mr. President...why the hell NOT.

But if memory serves me correctly you did allow Sgt. Tahmoorissi to be sent orders to report for active duty. Pray tell, Mr. President, how is he supposed to do that while rotting behind bars in a Mexican jail...NOT going to happen so I guess you did this just to get pleasure rubbing salt into his wounds...so I guess you did this to get pleasure by making his family...his white non-muslim American family...worry even more than they already do.

So as Sgt. Tahmoorissi awaits yet another day in court...wasting Mexican time and money when they should be out arresting and trying the drug lords and their cartel members that seem to be the ones who are in actuality running their country...while he awaits yet another anything but expeditious process of his case...and it seems his case will drag on and on as there are 108 hours of border crossing tape that still have to be viewed by the judge...I just

wonder, Mr. President, if your lack of concern about the fate of Sgt, Tahmoorissi is because you truly do NOT care about the fate of any American anywhere...remember you went to play golf immediately after issuing that lame statement about the beheading of American reporter James Foley...and that shows where your heart...where your compassion...where your loyalties lie...and they are NOT with America or Americans that's for sure.

Mr. President, if you want this one of many scandals facing you and your administration to 'go away' why don't you pick up that phone with one hand and pick up your pen with your other hand and tell President Nieto that either he has Sgt. Tahmoorissi released now...as in immediately...or you will Executive Order all tourism into Mexico stopped by shutting down border crossings both in and out of Mexico...that you will order all U.S. aid...and I mean all aid...to Mexico stopped...as in you will hit Mexico hard...you will hit them where it will hurt them the most...as in their pocketbook.

So, Mr. President, enough is enough...the American people have spoken through the 100,000 signature petition you so cavalierly addressed and then dismissed...we have spoken in one united voice to demand that you get Sgt. Andrew Tahmoorissi ...one of America's brave warriors...home and get him home now. Screw your placating Mexico...and screw your covering your own butt for we all know that 'Fast and Furious' is behind your actions or should I say your inactions where Sgt. Tahmoorissi is concerned.

And so I will now sign off with all due respect, Mr. President...which in your case is very little if any at all.

The Patriot Factor

JT: I've quoted the complete letter and ask that Just Thinking readers propagate it to all of their friends and even political adversaries.

JT's White House source says that Obama was not enthralled with the letter and told his aides never to show him such a letter again. He wants only letters that praise him, letters from his Islamic friends, and letters on how to be a better golfer.
