## Just Thinking

Number 109

JT: Good news begins *Just Thinking Number 108*. Eric Holder, head of the United States Department of Justice, has resigned. Holder the criminal was nominated for the position in 2009 by Obama the criminal and confirmed by the Senate criminals. The bad news is that Eric Holder will probably not ever see the inside of a prison cell. Obama will pardon him and all other criminals in the Obama regime.

At <http://dailysurge.com/2014/09/obama-decides-now-great-time-apologize-americas-flaws/> we read the following article by Senior Editor Matt Fox:

There he was, speaking before the United Nations General Assembly once again. Barack Obama has been criticized throughout his entire presidency for behaving like an “Apologist-in-Chief,” beginning with his Cairo speech shortly after being inaugurated. Yet, he’s done precious little to correct course. Some would say he has doubled down on the apologies, all to ensure that the world knows he’s not the same type of evil president as George W. Bush.

But given the state of Barack’s war against ISIS right now, any remaining daylight between the Obama and Bush foreign policies is slowly fading away...and this president is determined as ever to remind the global community that he stands for something greater — even if that means throwing his own country under the bus.

*“I realize that America’s critics will be quick to point out that at times, we too have failed to live up to our ideals; that America has plenty of problems within our own borders. This is true,”* the president said. *“In a summer marked by instability in the Middle East and Eastern Europe, I know the world also took notice of the small American city of Ferguson, Missouri – where a young man was killed, and a community was divided. So yes, we have our own racial and ethnic tensions. And like every country, we continually wrestle with how to reconcile the vast changes wrought by globalization and greater diversity with the traditions that we hold dear.”*

Now, was that entirely necessary? The Michael Brown shooting has been out of front page headlines for several weeks now, yet Barack Obama was almost gleeful this morning to rip that wound wide open again. And for what? His goal is purportedly to build international support for his battle against ISIS, but he seemingly shoots himself in the foot every time he goes out of his way to remind the world that America isn’t quite as “exceptional” as some of us believe it is. Honestly, it’s time to cut that crap out. We’re doing a hell of a lot better in this country when it comes to respect for others than anywhere else around the globe. Inserting these sorts of comments into speeches seen internationally is both counterproductive and petty.

Meanwhile, on the main substance of the address, Obama’s critics are already ripping the thing to shreds...and rightfully so. *“A stunningly abstract and ethereal speech,”* remarked former [UN Ambassador John Bolton](#).

Perhaps if the president would have spent less time figuring out ways to take subtle jabs at George Bush and pondering the reasons why America sometimes sucks, he’d have been a bit more focused.

JT: C'mon now. Get off Obama's back! The poor fellow is doing the worst he can!

At <http://dailysurge.com/2014/09/michelle-obama-apologizes-america-u-n-speech/> we read the following by Jerome Hudson, the Managing Editor:

(N)ot to be outdone, Michelle Obama told a crowd at a United Nations education event that the U.S. is a desert of depression and oppression for American women.

“Women here are still woefully underrepresented in our government and the senior ranks of corporations. We still struggle with violence against woman and harmful cultural norms that tell woman how they are expected to look and act.”

This is the same woman who accidentally admitted that she wasn't proud of America until her husband was elected president.

Nevertheless, Michelle Obama should be absolutely ashamed of herself. She has been tremendously blessed, beyond belief, her entire adult life.

Michelle Obama is Ivy League educated, she is a former hospital administrator (where she made more than her then-state senator husband, Barack), and is now one of the most powerful women in the world.

Michelle Obama and her two daughters aren't forced to live a life of misery in the same way that girls and women in Islamic countries are. Michelle and the Obama girls can drive and where whatever they want—luxuries and basic freedoms that millions of women around the world can't exercise.

For crying out loud, the Obama girls' school tuition cost more per semester than the average American makes in salary in an entire year.

So as far as I'm concerned, Michelle (and Barack) Obama can take her apologies for America and shove them. Because despite her husband's best efforts to destroy it, America is still the greatest place on earth for a person to live and freely pursue his or HER dreams.

JT: Perhaps both speeches were written by the secret president Valerie Jarrett. They're so much alike.

NEW YORK CITY (WNB) - Bill and Hillary Clinton visited the newest member of their family, grandchild Charlotte Clinton Mezvinsky, born to daughter Chelsea and her husband Marc on Friday.

While sources say the fiercely liberal former president and first lady were 'disappointed' their daughter chose not to abort the child, 'now that she's here they couldn't be happier.'

Bill played the part of proud grandfather, reportedly telling anyone who would listen that little Charlotte has 'great legs and a promising rack – especially for an infant.'

### Hillary Clinton's Foul Mouth

<http://www.dcclothesline.com/2013/08/25/the-filthy-mouth-of-hillary-clinton/>

There are tidbits from Ronald Kessler's *IN THE PRESIDENT'S SECRET SERVICE*, (2009) that I had read in 2011 concerning Hillary Clinton's foul mouth. There is a 2010 edition of the book and it appears that this edition has more information. [\*In the President's Secret Service: Behind the Scenes with Agents in the Line of Fire and the Presidents They Protect.\*](#)

The American public must know more about Hillallahry (The spelling is intentional!) Clinton's foul-mouth verbiage. Therefore, I did some research and found the following Hillallahry Clinton o-so-sweet comments:

- "Come on Bill, put your dick up! You can't f\*\*k her here!" From the book *Inside The White House* by Ronald Kessler, p. 243. – Hillary to Gov. Clinton when she spotted him talking with an attractive female at an Arkansas political rally.
- "Where is the G-damn f\*\*king flag? I want the G-damn f\*\*king flag up every f\*\*king morning at f\*\*king sunrise." From the book *Inside The White House* by Ronald Kessler, p. 244. – Hillary to the staff at the Arkansas Governor's mansion on Labor Day, 1991.
- "You sold out, you mother f\*\*ker! You sold out!" From the book *Inside* by Joseph Califano, p. 213. – Hillary yelling at a Democrat lawyer.
- "F\*\*k off! It's enough that I have to see you shit-kickers every day, I'm not going to talk to you too! Just do your G\*damn job and keep your mouth shut." From the book *American Evita* by Christopher Anderson, p. 90. – Hillary to her State Trooper bodyguards after one of them greeted her with "Good morning."

- "Son of a bitch." From the book *American Evita* by Christopher Anderson, p. 259. – Hillary's opinion of President George W. Bush when she found out he secretly visited Iraq just days before her highly publicized trip to Iraq.
- "You f\*\*king idiot." From the book *Crossfire*, p. 84. – Hillary to a State Trooper who was driving her to an event.
- "If you want to remain on this detail, get your f\*\*king ass over here and grab those bags!" From the book *The First Partner*, p. 259. – Hillary to a Secret Service Agent who was reluctant to carry her luggage because he wanted to keep his hands free in case of an incident.
- "Get f\*\*ked! Get the f\*\*k out of my way!!! Get out of my face!!!" From the book *Hillary's Scheme*, p. 89. – Hillary's various comments to her Secret Service detail agents.
- "Stay the f\*\*k back, stay the f\*\*k away from me! Don't come within ten yards of me, or else! Just f\*\*king do as I say, Okay!!!" From the book *Unlimited Access*, by Clinton FBI Agent in Charge, Gary Aldrige, p. 139. – Hillary screaming at her Secret Service detail.
- "Where's the miserable c\*ck sucker?" From the book *The Truth About Hillary* by Edward Klein, p. 5. – Hillary shouting at a Secret Service officer.

**Counting-Up Subtraction Method**

You can subtract two numbers by counting up from the smaller number to the larger number. Subtracting this way is called the **counting-up method**.

1. Write the smaller number. Count up to the nearest multiple of 10.
2. Keep counting up by 10s and 100s.
3. Then count up to the larger number.

**Example** Subtract 38 from 325 by counting up. Write the smaller number, 38, and count up to 325. Circle each number that you count up.

38	
+    ②	Count up to the nearest 10.
40	
+   ⑥①	Count up to the nearest 100.
100	
+ ②①①	Count up to the largest possible hundred.
300	
+   ②⑤	Count up to the larger number.
325	

Then, add the numbers you circled:  $2 + 60 + 200 + 25 = 287$   
 You counted up by 287.

$325 - 38 = 287$

JT: It's been this way since 20o January 2009!

JT: There has been much concern these past years as to why Barack Hussein Obama does not attend his daily national security briefings. The gaga prostitute fool media claim that he does not need such briefings because he is so intelligent that he does not need such input to make decisions concerning national security. He often passes on his responsibility to Valerie Jarrett. According to <http://www.thecommonsenseshow.com/2014/03/18/under-valerie-jarrett-obama-ww-iii-defeat-fema-camps-are-planned/>

"President Obama loves to pose as the savior of the oppressed American middle class who are repeatedly victimized by "fat cat" bankers. Obama is so opposed to the banker influence in government that he appointed one of them to become his Senior White House Advisor. I am speaking about none other than Valerie Jarrett. From 2006-2007, Jarrett was a member of the Board of Directors for the Chicago branch of the Federal Reserve. Shouldn't this be called "sleeping with the enemy?"

Does Obama sleep with Valerie? I don't know. Perhaps. Maybe he and she go off in the morning to a trysting place. Perhaps they stay in bed so late in the morning that they can't make it to the briefings on time.

Well ...

That's only conjecture!

JT believes that Obama meets with John Brennan.

They talk about the implications of implementing Muslin Brotherhood policies in the United States of Islamic America with Obama as the new Caliph.

# Blessing of Animals

by Kevin E. Mackin, O.F.M.

Source: [http://iowntheworld.com/blog/wp-content/uploads/2014/10/st\\_francisofassisi\\_prayer\\_card.jpg](http://iowntheworld.com/blog/wp-content/uploads/2014/10/st_francisofassisi_prayer_card.jpg)

At <http://www.americancatholic.org/Features/francis/blessing.asp> we read the following:

"As autumn arrives, people in various places may notice something odd.

A procession of animals, everything from dogs and cats to hamsters and even horses, is led to churches for a special ceremony called the Blessing of Pets.

This custom is conducted in remembrance of St. Francis of Assisi's love for all creatures.

Francis, whose feast day is October 4th, loved the larks flying about his hilltop town. He and his early brothers, staying in a small hovel, allowed themselves to be displaced by a donkey.

Francis wrote a Canticle of the Creatures, an ode to God's living things. "All praise to you, Oh Lord, for all these brother and sister creatures." And there was testimony in the cause for St. Clare of Assisi's canonization that referred to her little cat!

That there are today over 62 million cats in the U.S. attests to the continuing affection we have for our furry, feathered or finned friends. We've even had a cat called Socks in the White House. Other popular presidential pets range from Abraham Lincoln's Fido to Lyndon Johnson's beagles, named Him and Her.

For single householders, a pet can be a true companion. Many people arrive home from work to find a furry friend overjoyed at their return. Many a senior has a lap filled with a purring fellow creature.

The bond between person and pet is like no other relationship, because the communication between fellow creatures is at its most basic. Eye-to-eye, a man and his dog, or a woman and her cat, are two creatures of love.

No wonder people enjoy the opportunity to take their animal companions to church for a special blessing. Church is the place where the bond of creation is celebrated.

At Franciscan churches, a friar with brown robe and white cord often welcomes each animal with a special prayer. The Blessing of Pets usually goes like this:

*"Blessed are you, Lord God, maker of all living creatures. You called forth fish in the sea, birds in the air and animals on the land. You inspired St. Francis to call all of them his brothers and sisters. We ask you to bless this pet. By the power of your love, enable it to live according to your plan. May we always praise you for all your beauty in creation. Blessed are you, Lord our God, in all your creatures! Amen."*

As the prayer is offered, the pet is gently sprinkled with holy water. Believe it or not, most pets receive this sacramental spritz with dignity, though I must admit I have seen some cats flatten their ears a bit as the drops of water lightly pelt them.

But the owner is happy, and who knows what spiritual benefits may result?

Usually the Blessing of Pets is held outdoors. But I remember it rained one year, and all were invited inside St. Stephen's Church in Manhattan. It was quite a sight to see pairs of creatures—one human, one animal—sitting in the pews. The pastor joined right in with his beagle. Noah's Ark was never like this!

Some people criticize the amount and cost of care given to pets. People are more important, they say. Care for poor people instead of poodles. And certainly our needy fellow humans should not be neglected.

However, I believe every creature is important. The love we give to a pet, and receive from a pet, can draw us more deeply into the larger circle of life, into the wonder of our common relationship to our Creator."

JT: Amen!

## Obama's List of Most Disrespectful Insults to the Military

By [Dave Jolly](#)

October 4, 2014

A lot has been written lately about Barack Obama's 'latte salute' to his Marine guards. There has also been a lot written about his disrespect for the military and for America in general ever since he illegally assumed the highest office in the land. (Don't know if you've noticed but for the past couple of months, I refuse to recognize him as president and will use other terms to denote his ill-gotten position. Yes the office of President deserves respect, but Obama so disrespects the office himself that I refuse to show any respect to him or the office as long as he holds it.)

"Reading through many of the ways Obama has insulted or disrespected the military reminded me of when Bill Clinton was president. Both Bill and Hillary constantly treated their military guards as nothing more than hired servants to be walked on. I know a former Marine who was assigned duty with the Clintons and with George W. Bush and he told me the Clinton's were very rude, harsh and unfriendly to him and his fellow Marines. He said they treated all military people with obvious disdain.

If you remember, it was Clinton that started closing a number of military bases in the US, including one in my home area of Arizona that drastically hurt the local economy. On the flip side, both George W. and First Lady Laura always treated them with the utmost respect. They both often talked with him and his fellow Marines and let them know how grateful they were for their service and protection. My friend told me that he would have taken a bullet without any hesitation for either of the Bushes but would have tripped or stepped aside when it came to the Clintons.

From what I read and hear, it seems that this is a basic difference between Democratic and Republican presidents and Obama is no different. If you need proof of Obama's disrespect for the military that goes beyond his recent latte salute, here is a list of the top 30 most disrespectful insults Obama has made to the military, as compiled by Robert Moon of [Examiner.com](#):

“30) **Looking** past all his civilian aides to order a Marine to hold an umbrella over his head like a butler for an entire speech at the Rose Garden, in violation of military regulations.

29) **Forcing** race-baiting class warfare propaganda, extreme PC "**sensitivity**" measures, and **Gay Pride Month** on soldiers.

28) **Taking** credit for the success of the surge he opposed in Iraq.

27) **Taking** credit for the success of the interrogation policies he opposed that located Osama bin Laden.

- 26) **Skipping** the funeral of the highest-ranking officer to be killed on foreign soil in over 40 years (Major-General Harold J. Greene), to play golf.
- 25) **Smearing** veterans as potential domestic terrorists.
- 24) **Trying** to make wounded veterans cover their own medical treatment through private health insurance plans, which would inevitably end up increasing their out-of-pocket costs.
- 23) **Blaming** our **troops** for the Taliban attacking them...for everything from objecting to pedophilia and advocating women's rights, to not wearing latex gloves while handling Korans and walking in front of Muslims while they are praying.
- 22) **Rushing** in to misrepresent the Ft. Hood massacre that killed 13 soldiers (one whom was pregnant) as mere "workplace violence."
- 21) **Giving** captured terrorists at Gitmo (who are drenched in soldiers' blood) a \$750,000 soccer field, cable TV, entertainment, classes in painting, etc., while stripping away benefits for soldiers at every turn.
- 20) **Ordering** federal agencies to make the sequester cuts as painful as possible for the American people, which ended up **cutting** tuition assistance for soldiers and increasing other college costs for the Armed Forces across the board.
- 19) **Denying** veterans from all over the country access to the WWII Memorial in Washington over a **staged** government shutdown while **allowing** illegal immigrants to hold a political rally on closed federal grounds.
- 18) **Cutting military** health care benefits and pensions while increasing spending on unionized federal bureaucrats (Obama voters).
- 17) **Ignoring** a former Marine frivolously imprisoned in Mexico on **trumped up** weapons charges.
- 16) **Using** soldiers to help a terror-sponsoring dictator fight off outraged civilian protesters.
- 15) **Purging** the military of oath-keeping constitutionalists.
- 14) **Imposing** draconian cuts to the things we are actually *supposed* to be spending tax dollars on under the Constitution (like the military), while exploding spending on things the Federal Government has **no authority** to even be *involved in*, like Obama's trillion-dollar health care takeover.
- 13) **Silencing** and criminalizing Christianity in the military.
- 12) **Banning** time-proven interrogation techniques and insisting on treating foreign terrorists as mere common criminals to be tried in American courts, as civilians.
- 11) **Suppressing** military votes.

- 10) **Imposing** ludicrous rules of engagement on our troops that have needlessly gotten many soldiers killed.
- 9) **Appeasing** our enemies, **backing** down after drawing "red lines" in the sand, **betraying** our allies, and **dismantling** our missile defenses...all of which needlessly endangers our troops.
- 8) **Cutting** troops down to pre-WWII levels, and then **allowing** illegal immigrants into the military.
- 7) **Allowing** veterans to die on secret waiting lists at VA hospitals **all over** the country, after being **warned** about the manipulated numbers and obscene delays in care (welcome to 'universal health care') back in 2008.
- 6) **Abandoning** three decorated veterans and allowing a U.S. ambassador to be dragged through the streets and tortured to death by bloodthirsty Islamic savages in Benghazi, and then falsely blaming it on Americans having the right to disagree with Islam in public.
- 5) **Releasing** numerous terrorists back onto the streets so they could return and attack our soldiers, including one who ended up becoming the **leader** of ISIS.
- 4) **Releasing** five major terrorist leaders to appease the Taliban into releasing one America-hating deserter.
- 3) **Snatching** defeat from the jaws of victory in Iraq while **handing** Afghanistan back to the Islamic fundamentalists who facilitated 9/11 (the Taliban).
- 2) **Openly funding and arming Islamic terrorists.**
  - 1) **Endlessly** trampling the Constitution that soldiers are sworn to defend and attacking the rights they fight, bleed, and die to protect."

Thank you, Robert Moon, for compiling this list for us. When reading through this list, it's obvious that Barack Obama has no business to be Commander-in-Chief of our military.

He should be charged with dereliction of duty, failure to obey orders (US Constitution and Congress) and treason (as defined by [Article 3, Section 3 of the US Constitution](#)). If not shot for his crimes against the military, nation and American people, Barack Obama should be imprisoned, the key thrown away and door welded shut!"

JT: Yes, these punishments should be executed on him. However, let's not forget to punish those in his regime and in the DemocRAT Party who illegally support him, which means everyone who took an oath to the uphold the *Constitution for the United States of America*.
