JT: According to Islamists, the pyramids – at least those in Egypt – must be destroyed because they are an insult to Islam and Muhammad and the pre-Arabian, heathen moon god Allah. (<http://pamelageller.com/2015/03/isis-muslim-preacher-calls-for-destruction-of-pyramids-and-the-sphinx.html/>;

JT: Just Thinking is privileged to have a picture of the contestants of Miss Muslim World, which, it is rumored, will be held in Dearborn, Michigan on the 12th day of the Islamic month of Rabi' al-awwal (Muhammad's birthday according to Sunni Muslims) in Dearborn Michigan, the Islamic capital of the United States of America. The sixth contestant from the left is my favorite. Here they are:

At <http://fellowshipoftheminds.com/2013/12/02/boycott-the-jews/>, we read the following, which deserves to be quoted in its entirety (in Times New Roman instead of quotation marks.)

Ayatollah Khamenei

A Jewish Boycott

A short time ago, Iran's Supreme Leader Grand Ayatollah Ali Khamenei urged the Muslim World to boycott anything and everything that originates with the Jewish people.

In response, Meyer M. Treinkman, a pharmacist, out of the kindness of his heart, offered to assist them in their boycott as follows:

Dr. Paul Ehrlich

“Any Muslim who has Syphilis must not be cured by Salvarsan discovered by a Jew, Dr. Ehrlich. He should not even try to find out whether he has Syphilis, because the Wasserman Test is the discovery of a Jew. If a Muslim suspects that he has Gonorrhoea, he must not seek diagnosis, because he will be using the method of a Jew named Neisser.

Dr. August Wassermann

“A Muslim who has heart disease must not use Digitalis, a discovery by a Jew, Ludwig Traube.

Dr. Ludwig Traube

Should he suffer with a toothache, he must not use Novocaine, a discovery of the Jews, Widal and Weil.

If a Muslim has Diabetes, he must not use Insulin, the result of research by Minkowsky, a Jew. If one has a headache, he must shun Pyramidon and Antypyrin, due to the Jews, Spiro and Ellege.

Minkowski

Muslims with convulsions must put up with them because it was a Jew, Oscar Liebreich, who proposed the use of Chloral Hydrate.

Liebreich

Arabs must do likewise with their psychic ailments because Freud, father of psychoanalysis, was a Jew.

Should a Muslim child get Diphtheria, he must refrain from the Schick” reaction which was invented by the Jew, Bella Schick.

“Muslims should be ready to die in great numbers and must not permit treatment of ear and brain damage, work of Jewish Nobel Prize winner, Robert Baram.

Jonas Salk

They should continue to die or remain crippled by Infantile Paralysis because the discoverer of the anti-polio vaccine is a Jew, Jonas Salk.

“Muslims must refuse to use Streptomycin and continue to die of Tuberculosis because a Jew, Zalman Waxman, invented the wonder drug against this killing disease.

Muslim doctors must discard all discoveries and improvements by dermatologist Judas Sehn Benedict, or the lung specialist, Frawnkel, and of many other world renowned Jewish scientists and medical experts.

“In short, good and loyal Muslims properly and fittingly should remain afflicted with Syphilis, Gonorrhoea, Heart Disease, Headaches, Typhus, Diabetes, Mental Disorders, Polio Convulsions and Tuberculosis and be proud to obey the Islamic boycott.”

Oh, and by the way, don't call for a doctor on your cell phone because the cell phone was invented in Israel by a Jewish engineer.

Meanwhile I ask, what medical contributions to the world have the Muslims made?”

The Jews are NOT promoting brainwashing children in military training camps, teaching them how to blow themselves up and cause maximum deaths of Jews and other non-Muslims.

The Jews don't hijack planes, nor kill athletes at the Olympics, or blow themselves up in German restaurants.

There is NOT one single Jew who has destroyed a church.

There is NOT a single Jew who protests by killing people. The Jews don't traffic slaves, nor have leaders calling for Jihad and death to all the Infidels.

Perhaps the world's Muslims should consider investing more in standard education and less in blaming the Jews for all their problems.

Muslims must ask 'what can they do for humankind' before they demand that humankind respects them.

Regardless of your feelings about the crisis between Israel and the Palestinians and Arab neighbors, even if you believe there is more culpability on Israel 's part, the following two sentences really say it all:

'If the Arabs put down their weapons today, there would be no more violence. If the Jews put down their weapons today, there would be no more Israel.'

Benjamin Netanyahu: General Eisenhower warned us. It is a matter of history that when the Supreme Commander of the Allied Forces, General Dwight Eisenhower, found the victims of the death camps he ordered all possible photographs to be taken, and for the German people from surrounding villages to be ushered through the camps and even made to bury the dead.

He did this because he said in words to this effect: 'Get it all on record now – get the films – get the witnesses – because somewhere down the road of history some bastard will get up and say that this never happened'

Recently, the UK debated whether to remove The Holocaust from its school curriculum because it 'offends' the Muslim population which claims it never occurred.

It is not removed as yet. However, this is a frightening portent of the fear that is gripping the world and how easily each country is giving into it.

It is now more than 65 years after the Second World War in Europe ended.

Now, more than ever, with Iran, among others, claiming the Holocaust to be 'a myth,' it is imperative to make sure the world never forgets.

This e-mail is intended to reach 400 million people. Be a link in the memorial chain and help distribute this around the world.

How many years will it be before the attack on the World Trade Center 'NEVER HAPPENED' because it offends some Muslim in the United States?

JT: Following Ayatollah Khamenei's urging, devout Muslims would surely die sooner than usual. That would definitely be in line with Muhammad's and Allah's wishes for those who hate Jews!

From <https://www.facebook.com/jewsnews/posts/883237415052862>, we read about Obama and the Psychic:

Obama, not feeling well and concerned about his mortality, consults a psychic about the date of his death. Closing her eyes and silently reaching into the realm of the future she finds the answer: "You will die on a Jewish holiday."

"Which one?" Obama asks nervously.

"It doesn't matter," replies the psychic. "Whenever you die, it will be a Jewish holiday."

JT: It will be an American holiday, as well.

At <http://www.scootervanneuter.com/2015/04/the-woman-behind-the-man.html> we read: **The Woman Behind The Man**

Let's face it, a plain or unsexy wife causes tension in a marriage, which inevitably affects what happens in the office. In fact, a recent study found that small-breasted wives are the number one cause of poor job performance for men in positions of power. President Obama is probably one of the best examples of this.

I don't know about you, but for the sake of our country and all we hold dear, I want to know that my next president is relaxed and in control.

Scouter

JT: Does the title apply to Obama's situation? The WOMAN BEHIND THE MAN must be Valerie Jarrett. Either way, Obama is a loser and so is America.

The first Halal Sex Shop started in Turkey in 2013.

Last year, one Muslim business man who runs “*The Hot Crescent*” in Amsterdam [provided exclusive service for Muslims](#) providing girls for sexual pleasure and obtained fatwa approval from three imams. The loophole? These girls do not drink alcohol or take drugs and must perform the five Muslim daily prayers.

The representative for *The Hot Crescent* said: “This is a unique opportunity for Muslims to get some fun without violating their religion, pointing out that the girls go through medical examination every two months. Among the conditions is not to have sex with customers in ways contrary to Islamic law.”

There are Halal brothels in Amsterdam established to service Muslim men since prostitution is legal in Holland where there is an enormous Muslim customer base. There live about one million Muslims in the Netherlands (approximately 6% of the population) and each year thousands of Muslim tourists are visiting the Netherlands.

Islam is the religion of loopholes where prostitution is prohibited, but thanks to Islam, a Muslim can always find a loophole where every sin is sanctioned. Murder, lying, cheating, pedophilia ... ruin ... and every sin under the sun, are all prohibited in Islam, but with certain ‘loopholes’, they are all sanctioned.

JT: Methinks this pleases Allah and Muhammad very much. It is sort of like a continued evolution of Muhammad's rising expectations.

[The Unremarkable Story of the Two Male Penguins](http://iotwreport.com/?p=282190)

(<http://iotwreport.com/?p=282190>)

There is a children's book about the "true" story of two male penguins in the Central Park Zoo who started hanging around with each other instead of hanging with the female penguins.

When they saw the normal penguin couples caring for an egg, the two male penguins tried to hatch a rock.

The zookeeper gave the two male penguins an egg from a NORMAL PENGUIN COUPLE and they hatched it and they pretended to be a biological family.

The baby was named Tango, and at the end of the story the reader says there are millions of penguins but only one Tango – AND THAT IS THE SAD REALITY FOR THE GAYS, NO?

They are too stupid to realize the reality of their own message.

Unless some zookeeper steals them an egg, it's just two dudes hanging around trying to hatch a rock.

(See also: <https://www.youtube.com/watch?v=HlvYTgjs2QI>).

JT: Methinks it's the gay method of rocking and rolling!

<https://www.youtube.com/watch?v=8k1-PdKfKX0>

JT: There are three kinds of truth. There are Hillary Clinton lies that are presented as truth. There are DemocRAT Party lies that are presented as truth. There is TRUTH which is not valued anymore.

[Turkey's Erdogan condemns Pope over Armenia 'genocide'](http://www.bbc.com/news/world-europe-32309044)
<http://www.bbc.com/news/world-europe-32309044>.

JT: Turkey, a Muslim country then and now, committed genocide against the first Christian nation, Armenia. But, ... if you're Turkish, then genocide committed against the Armenians is nothing more than Turkish self-defense.

Hillary Clinton claims her four grandparents were immigrants from Europe. The truth is that only her grandfather was an immigrant. Don Fredrick in the April 2015 issue of the Complete Obama Timeline raises the following point: "Whether Hillary will falsely claim native American ancestry, as has Senator Elizabeth Warren (DMA), remains to be seen."

JT: Methinks Hillary Clinton's ancestry were among the Muslims who were in America before the 'native Americans. Proof of this is in her name. Hillary is a short form of the Muslim female name Hiallahry.

On April 17, in honor of National Poetry Month, Obama hosts a poetry reading at the White House—at which he arrogantly tells guests, “If you want to understand America, you better read some Walt Whitman, Langston Hughes.” Don Fredrick of The Complete Obama Timeline comments: “Obama’s knowledge of poetry is likely no better than his knowledge of English grammar. The proper statement would be, “If you want to understand America, you *had* better read some Walt Whitman and Langston Hughes.” One of the few known poems allegedly written by the-student Obama was almost certainly penned by his communist mentor, Frank Marshall Davis.”

If the readers of The Complete Obama Timeline and Just Thinking, indeed every American, want to understand poetry and America, I humbly suggest reading:
