Just Thinking

Number 129

An email from Michelle Obama

Friend --

I tell this to my girls all the time: This journey we're on is a once-in-a-lifetime opportunity.

You've had Barack's back for two hard elections, for nearly two full terms in office, and you've been there as he's fought for young people, and DREAMers, and hardworking families who are doing everything right and just want a chance to get ahead. You've supported us through good days and some pretty tough days, and you've stood up for the ideals that you and I, as Democrats, are committed to.

Barack still has nearly two years left in office, and that is a once-in-a-lifetime opportunity to do even more to move this country forward.

If you believe as strongly as I do in seizing that opportunity, please say so today!

<http://my.democrats.org/Still-In>

Your hard work has made history, and together we can keep on making that change we all believe in. Thank you for your support so far, and let's keep it up.

Have a great day, and we'll talk soon.

Michelle

JT: My answer: Hello!

I am not your friend and you are not my friend! You appear to be dumber than I thought you might be. Although you and your daughters are always taking tax-payer subsidized journeys, politics is not a journey. Correct politics is a moral undertaking. Neither you nor your hetero know what morality is. You are doing nothing but "getting over" on the American public. It is this fact that means so much!

JT: There are so many poor people in America. JT has pictures of two poor American children who were so poor they had to lie their way through life to get anything.

JT: Rumor has it that Kim Jong-Un let one rip!

JT: NOTICE!!!, NOTICE!!!, NOTICE!!! To all apologists for Islam!!!

There is no such thing as radical Islam in the sense that the lamestream media uses the term. Islam is Islam and it has always been full of violence and terror. Shortly before he died, Muhammad, may no peace be upon him, said "I have been made victorious through terror." Bukhari (4.52.220)

Islamic radicalism, i.e., Islamic terror has always been a part of Islam and it will always be the driving force behind the cancer.

JT: This is surely part of Obama's changing America.

<http://www.reuters.com/article/2015/05/12/usa-chicago-moodys-idUSL1N0Y333Q20150512>

JT: Not only does Chicago have a Moody's credit rating of JUNK. It produces junk, as well: Barry, Michelle, Valerie, Rahm, etc.

JT: Methinks this is result of Obama's dope called change!

Some examples of why the Oxford comma is generally a good idea...

Among those interviewed were Merle Haggard's two ex-wives, Kris Kristofferson and Robert Duvall.

This book is dedicated to my parents, Ayn Rand and God.

Highlights of Peter Ustinov's global tour include encounters with Nelson Mandela, an 800-year-old demigod and a dildo collector.

Source: <http://cdn.themetapicture.com/pic/images/2015/05/14/funny-book-dedication-Nelson-Mandela.jpg>.

JT: Progressives don't know what the Oxford comma is.

At Georgetown University on May 12, 2015, Barack Hussein Obama addresses the *Overcoming Poverty at the Catholic-Evangelical Leadership Summit* and alarmingly says , Obama says, “[A]nd so, if we’re gonna [sic] change how [House Speaker] John Boehner and [Senate Majority Leader] Mitch McConnell think, we’re gonna [sic] to have to change how our body politics [sic; body politic] thinks, which means we’re gonna [sic] have to change how the media reports on these issues, and how people’s impressions of what, what it’s like to struggle in this economy looks like, and how budgets connect to that, and that’s a hard process because that requires a much broader conversation than typically we have on the nightly news.” (<http://www.breitbart.com/big-journalism/2015/05/12/obama-rips-fox-were-going-to-have-to-change-how-the-media-reports/>)

JT: Don Fredrick of *The Complete Obama Timeline* comments: “Obama is not concerned with *facts* and using them to persuade people to change their minds; he is eager to *change and manipulate how people think*. At Townhall.com Matt Barber writes, “How Kim Jong-un of him. In sum: Goal 1) Control thought by, Goal 2) Controlling the media.” (<http://townhall.com/columnists/mattbarber/2015/05/17/draft-n1999950/page/ful>.)

JT: Barack Hussein Obama should definitely stop thinking. It doesn't become him and it surely doesn't become the United States of America.

HOW TO INSTALL A SOUTHERN HOME SECURITY SYSTEM

1. Go to Goodwill and buy a pair of size 14-16 men's work boots.
2. Place them on your front porch, along with a copy of Guns & Ammo magazine.
3. Put four giant dog dishes next to the boots and magazines.
4. Leave a note on your door that reads:

Bubba,

Me and Marcel, Donnie Ray and Jimmy Earl went for more ammo and beer. Be back in an hour. Don't mess with the pit bulls. They got the mailman this morning and messed him up bad.

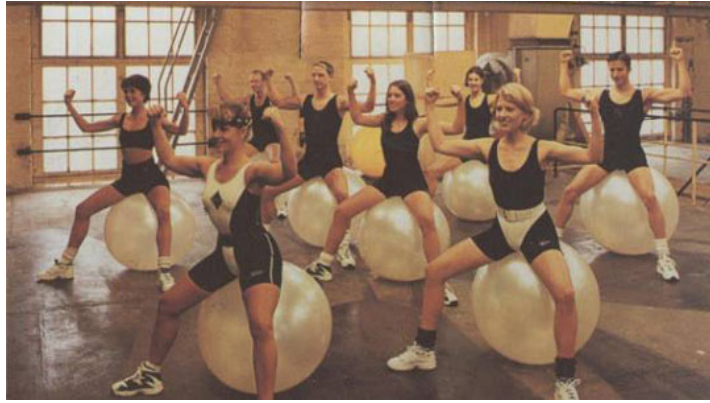

I don't think Killer took part, but it was hard to tell from all the blood. Anyway, I locked all four of 'em in the house. Better wait outside. Be right back.

Cooter

JT: It's freedom of speech Progs, a First Amendment guaranteed right!

Cooter? Isn't that racist or hate speech? After all, a Coot could be a reference to a black man, oops, an African-American. And the hate speech could be that coot also means simpleton. So ... if the nomenclature means a black simpleton, then someone is in for trouble. Go get 'em Barry! Go boy go! Go boy go! Go boy go!

JT: Another spontaneous thought: America was always a beacon of light. Under Barack Hussein Obama it has become a beacon of darkness.

<https://www.youtube.com/watch?t=61&v=RJUZ2fKVqcs>

JT: This is a description of what Barack Hussein Obama should be, but isn't.

JT: At <http://www.thegatewaypundit.com/2015/05/breaking-isis-promises-to-behead-barack-obama-posts-bloody-photo-online/> there is graphic presentation of ISIS' promise to decapitate Obama. Such action is truly barbarian. Civilized people should take a stand against it: This is what Pamela Geller means with her statement: IN ANY WAR BETWEEN THE CIVILIZED MAN AND THE SAVAGE, SUPPORT THE CIVILIZED MAN. Everyone knows I'm no friend of Obama's, even though he calls me his friend when he sends me an email (I'm on the DNC email list.). Nevertheless, Obama should not be beheaded by ISIS. He should be tried for treason against the United States of America, the *Constitution for the United States of America*, and all legal American citizens. Then he should suffer the consequences of an eventual sentencing.

JT: The best quote about Hillary Clinton's presidential election campaign: "Since announcing her candidacy, Hillary Clinton has taken a total of eight questions from the press. By way of comparison, in that same period, Ambassador Stevens hasn't taken a single one."

JT: I guessed the correct answers, but I didn't know who said these Marxist/Communist blurbs until I looked at the answers. As a matter of fact, the person who said the ridiculous anti-American statements does not differ from those who are listed as the possible answers.

JT At the internet site <http://www.breitbart.com/big-journalism/2015/05/19/scandal-rap-sheet-48-excellent-reasons-to-distrust-despise-the-media/> we read truthful reasons why we should not trust the American lamestream media. Read all of them!

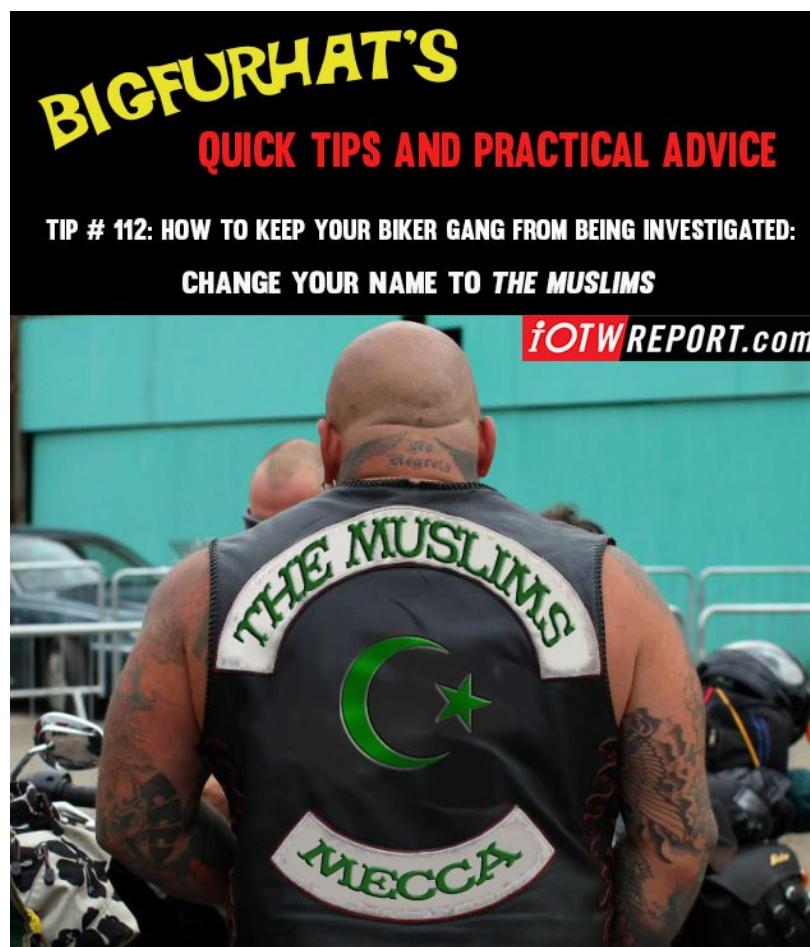

If some changes are made with reference to the subject matter, people, and the country, the reasons can apply to Europe's lamestream media as well.

JT: THINK ABOUT THIS!!!

Counting small countries like the Vatican, Andorra, San Marino, etc., there are 200 countries in the world. Of these 200 countries, only one country is always having its legitimacy questioned.

That country is Israel.

"Both the antizionist and the antisemite rise only at the exercise of Jewish, Israeli self-defense."
