In a breaking news report at <http://www.courant.com/breaking-news/hc-hartford-mosque-motor-vehicle-accident-20150718-story.html> we read that a car crashed into a mosque in Hartford, Connecticut on July 18, 2015.

JT: July 18 is a Muslim festival day this year: [Eid-al-Fitr \(End of Ramadan\)](#) Of course, the crash was the will of Allah, because rumor says the Muslims in the mosque were eating pork!!!

Source: <http://iotwreportcom.c.presscdn.com/wp-content/uploads/2015/07/12mostdangerous.jpg>

JT: That's racist BigFurHat! (It's also true!)

Source: <http://iotwreportcom.c.presscdn.com/wp-content/uploads/2015/07/detroit-.jpg>

JT: This is the condition of America after the eight years of the Obama regime. This is also the future of America under the DemocRATS and the RINOS.

JT: From <http://www.friatider.se/har-ar-muhammedjugend> we have the following headline: I Muhammedjugend blir barn jihadist. In English it is:

In Muhammadjugend (Muhammad Youth) children become jihadists.

I say:

In Muhammadjugend (Muhammad Youth) children become jihadists where they learn how to be peaceful and tolerant.

(<http://blueshift.nu/osterrike-folkomrostar-om-eu-uttrade>

JT: Methinks that whatever the costs of the EU are, it is cheaper than war and any replacement by socialism/communism.

Don Fredrick in the July issue of *The Complete Obama Timeline* reports: "On April 26, 2013 the pro-abortion Obama addressed the Planned Parenthood National Conference. He said, 'Planned Parenthood is not going anywhere. It's not going anywhere today. It's not going anywhere tomorrow. As long as we've gotta [sic] fight to make sure women have access to quality, affordable health care, and as long as we've got to fight to protect a woman's right to make her own choices about her own health, I want you to know that you've also got a [person in me] who's gonna [sic] be right there with 'ya [sic], fighting every step of the way. Thank you, Planned Parenthood. God bless you.'"

JT: God bless Planned Parenthood? No, God damn Planned Parenthood forever!!!

Source: BattleDaily via http://iotwreportcom.c.presscdn.com/wp-content/uploads/2015/07/CKdZN1MXAAQ_f-a.jpg

JT: Methinks this is proof that Barack Hussein Obama is a pervert when it comes to honoring America's killed servicemen. He probably thinks that serving in the corps will ultimately make one a corpse. By the way, The Urban Dictionary presents 63 different descriptions of a pervert. Obama is all of them. He is THE DemocRAT Pervert!!!

The New York Times reports that the killer of four American Marines and one Navy man in Chattanooga, Tennessee received a diagnosis of mental illness when he was in his early teens. (<http://www.nytimes.com/2015/07/21/us/chattanooga-gunman-wrote-of-suicide-and-martyrdom-official-says.html? r=0>)

JT: The Muslim Chattanooga killer was emulating Muhammad who also contacted mental illness in his teens. He may have had mental problems at his birth. Consult Dede Korkut, MD, *Life Alert: The Medical Case of Muhammad*, Weinpress Publishing, Enumclaw, Washington: 2001.

JT: Are all of them possibly happy with baby parts? It is also possible that workers from these companies contributed to Planned Parenthood and Planned Parenthood took it upon themselves to list the companies as contributors. That's also a certain kind of abortion!

JT: This must be an Obama statement: PLEASE DON'T BE AN ARSEHOLE TO ME, BECAUSE THEN I'LL HAVE TO BE AN ARSEHOLE TO YOU AND I'M WAY BETTER AT BEING AN ARSEHOLE THAN YOU ARE.

(<http://themetapicture.com/perfect-description-of-me/>). Yes, Obama is speaking!

<http://cdn.themetapicture.com/pic/images/2015/07/22/funny-gif-prank-truck-sign-parking.gif>

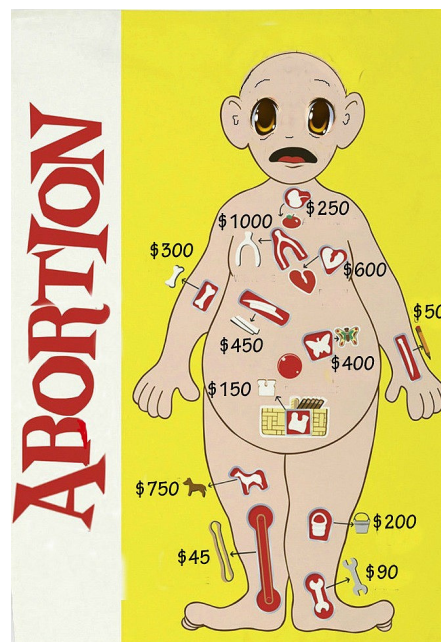

JT: Methinks it applies to male DemocrATS and RINOS because they are boneless, backboneless.

At a hearing of the Senate Judiciary Committee on 21 July 2015, Senator Ted Cruz (R-TX) tells Immigration and Customs Enforcement director Sarah Saldana, "When I asked you how many criminals ICE released in 2013, you were off by a factor of three. You said 30,000; the correct answer is 104,000. ...You're omitting the 68,000 criminal illegal aliens that ICE did not begin deportation proceedings against at all. You've got to add both of those together—it's over 100,000. ...If you want to honor Josh [Wilkerson], if you want to honor Kate Steinle, start enforcing the law and stop releasing murderers, and rapists, and drunk drivers. I don't want to hear from the Obama administration they're sorry while they continue to do the exact same thing

because what we know—more people will be murdered, more people will be raped, more people will be killed by drunk drivers because this Administration refuses to enforce the law. That is wrong. No man is above the law, and that includes ...Obama.” (<http://www.theblaze.com/stories/2015/07/21/watch-as-ice-director-is-forced-to-tell-ted-cruz-hes-absolutely-right-after-he-disputes-her-claim-during-hearing/>)

JT: I am pro- Ted Cruz. Nevertheless, the following has to be said: Because Ted Cruz is a candidate for the office of President of the United States of America knowing that he does not meet the natural born citizen requirement of Article II, Section 1, Clause 5, then he is placing himself above the law.

JT: One interpretation of the actions of Barack Hussein Obama concerning taking no action against illegal immigrants is that he hates America and being a Muslim, he is complying with the will of Muhammad that non-believers must be executed/killed if they don't convert to Islam. What better way is there than to have criminal, illegal immigrants do the killings for you?

Source: http://iotwreportcom.c.presscdn.com/wp-content/uploads/2015/07/abortion1_t670.jpg

JT: This is what Nancy Pelosi and all other pro-abortion idiots would look like had they been aborted.

JT: Someone programmed the teleprompters wrong. The original script was: "If a kid named Barack Obama was born in Nairobi, Kenya to a father who was not an American citizen can end up being President... there's nothing you can't do. Pursue your goals, even if they are illegal!"

JT: A thought on the Obama Regime: Under the crappy, non-leadership of Barack Hussein Obama it has become exceedingly important to delete America's history not to make history.

http://www.foxnews.com/science/2015/07/23/researchers-make-startling-koran-discovery/?intcmp=ob_article_footer_text&intcmp=obnetwork

JT: This discovery does not negate the fact that the Koran is an evil book. To claim that the "treasure that is second to none." underscores the fact that it is on a par with Adolf Hitler's *Mein Kampf*. Read both books and you will easily realize this truth! Read <http://www.frontpagemag.com/fpm/259561/bbc-really-wants-you-believe-quran-authentic-robert-spencer>.

At <http://www.smalldeadanimals.com/2015/07/dear-alberta-hu.html> we read the following:

Dear Alberta Human Rights Commission,

By [Kate](#) on July 24, 2015 1:28 AM | [83 Comments](#)

I'm informed that your Commission (via your proxy) [considers the word "crazy" an insult](#).

I thought of sending a simple "fuck you", but I've thought better of it. I take it back: unfuck you.

You swine. You vulgar little maggot. You worthless bag of filth. As they say in Texas, you couldn't pour water out of a boot with instructions printed on the heel. You are a canker, an open wound. I would rather kiss the Law Society of Alberta than be seen with you.

You're a putrescent mass, a walking vomit. You are a spineless little worm deserving nothing but the profoundest contempt. You are a jerk, a cad, and a weasel. You are a stench, a revulsion, a big suck on a sour lemon.

God created houseflies, cockroaches, maggots, mosquitos, fleas, ticks, slugs, leeches, and intestinal parasites, then he lowered his standards and made you. I take it back; God didn't make you. You are Satan's spawn. You are Evil beyond comprehension, half-living in the slough of despair. You are the entropy which will claim us all. You are a green-nostriled, crossed eyed, hairy-livered, goisher kopf, inbred trout-defiler. You make Ebola look good.

It is hard to believe how incredibly stupid you are. Stupid as a stone that the other stones make fun of. So stupid that you have traveled far beyond stupid as we know it and into a new dimension of stupid. Meta-stupid. Stupid cubed. Trans-stupid stupid. Stupid collapsed to a singularity where even the stupons have collapsed into stuonium. Stupid so dense that no intelligence can escape. Singularity stupid. Blazing hot midday sun on Mercury stupid. You emit more stupid in one minute than our entire galaxy emits in a year. Quasar stupid. It cannot be possible that anything in our universe can really be this stupid. This is a primordial fragment from the original big bang of stupid. A pure extract of stupid with absolute stupid purity. Stupid beyond the laws of nature.

I began this note with the intent of writing something original, but I changed my mind. Originality should not be sacrificed to such a worthless cause. You're unworthy of the effort to string words together in a novel arrangement. In fact, I'm not convinced you're worthy of this [obvious plagiarism](#). Plagiarism is too good for you, certainly plagiarism of material of this quality is too good for you, so I've butchered it badly. Writing this in steaming cat piss on a hot summer sidewalk would be too good for you. Writing this in the writhing bodies of one million wingless flies glued to a barn door with cow shit is too good for you. (OK, that part was original. I'm not without generosity.)

In closing, I hope this finds you unwell.

[Update: A petition](#)

JT: Methinks this viewpoint is an example of what is not politically correct. Every reader can understand it. Read the comments for more anti-political correctness. I'm pleased that there is still hope for the TRUTH!

In the July 2015 issue of *The Complete Obama Timeline*, Don Fredrick writes "The Obama administration has claimed the windfall to Iran will be \$100-\$150 billion. The final amount Iran will gain will ultimately be greater than the total amount of aid given by the United States to Israel since the Jewish state was founded in 1948, about \$124 billion.

JT: Bankrolling wars is politics by other means.

Don Fredrick in the July issue of The Complete Obama Timeline reports, "Portions of the Bergdorf Goodman store on New York City's Fifth Avenue are placed on lockdown while Hillary Clinton gets a \$600 haircut at its John Barrett Salon. A source tells the New York Post, 'Staff closed off one side of Bergdorf's so Hillary could come in privately to get her hair done. An elevator bank was shut down so she could ride up alone, and then she was styled in a private area of the salon. Other customers didn't get a glimpse. Hillary was later seen with a new feathered hairdo.'" (<http://www.bizpacreview.com/2015/07/29/hillarys-600-haircut-closes-off-parts-of-bergdorf-goodman-for-her-privacy-230449>)

JT: It's a good topic for a doctoral dissertation!

In the July 2015 issue of *The Complete Obama Timeline* Don Fredrick writes information from (<http://www.familysecuritymatters.org/publications/detail/you-will-not-believe-who-was-best-man-at-john-kerrys-daughters-wedding?f=must-reads>).

"Michele Hickford reports that not only is John Kerry's daughter, Dr. Vanessa Bradford Kerry, married to an Iranian-American physician, Dr. Behrooz ("Brian") Vala Nahed, the best man at their 2009 wedding is the son of Mohammad Javad Zarif. Zarif is 'the current minister of foreign affairs in the [Hassan] Rouhani administration and has held various significant diplomatic and cabinet posts since the 1990s. He was Kerry's chief counterpart in the nuclear deal negotiations. Secretary Kerry and Zarif first met over a decade ago at a dinner party hosted by George Soros at his Manhattan penthouse. ...Does this bother anyone at all?"

JT: Why should Americans get upset? What Kerry and Zarif agreed to in the nuclear treaty with Iran that is not a treaty but an agreement only, is nothing more than treason against America and Israel. It's DemocRAT politics at its finest evil! Kerry akbar! Obama akbar! Iranian Supreme Leader Ali Khamenei akbar!

During his visit to Kenya, Barack Hussein Obama said that he is the first American President to visit Kenya ... and the first Kenyan-American to be President of the United States of America. (<http://edition.cnn.com/2015/07/26/politics/obama-speech-kenya/>)

JT: Was this a confession that he broke the law of the *Constitution for the United States of America*, namely Article II, Section 1, Clause 5?

Obama also said it is time for Kenya to crack down on corruption. (<http://edition.cnn.com/2015/07/26/politics/obama-speech-kenya/>)
