At <http://conservativepapers.com/news/2012/06/07/spain-takes-first-step-to-ban-the-quran/>, we read the following reasons why the Koran should be banned:

1. The Quran is not a sacred and religious book, but a violent book, full of hatred and discrimination.
2. Quran is a horrible book which provokes a community it calls Muslims to undertake Jihad, kill innocent people and destroy the peace of the world.
3. The Quran is responsible for all the terrorism we have seen in recent years in which thousands of people lost their lives.
4. The Quran is a book which contains evil teachings and forces its believers to capture the entire world and total power at any price.
5. The Quran is a book which legally permits and incites hatred and violence, and for that reason it is not compatible with the modern world, including Spain.
6. The Quran is a book which directly discriminates between human beings.
7. The Quran is a book which does not allow either freedom of expression or religious freedom.
8. The Quran is a book which causes women to suffer and be tortured through the totality of its injustice and macho laws.
9. The Quran is a book which, rather than teaching unity, teaches disunity, and in this way does not allow its believers to form friendships with those who are not Muslims, because in the eyes of Quran they are infidels.

10. The Quran is a major threat to the free society of Spain. It is a book which clearly preaches the messages of jihad, killing, hate, discrimination and revenge. For that reason it cannot be compatible with the Spanish system in any sense. It is a book totally contrary to what the law and constitution of Spain say, and it incites hatred and violence in our country.

ISRAELI P.M. B. NETANYAHU responds to a disgusting gesture with utter class
<http://jokes.conservativepapers.com/2015/10/09/netanyahus-gift-to-the-palestinians/>

Netanyahu received an item from the leader of HAMAS. During the recent cease-fire, the leader of the Palestinian terrorist organization Hamas, Khaled Mashal, sent a “gift” (actually, it was a gesture of hate and contempt to the Prime Minister of Israel Benjamin Netanyahu), in an elaborate box with a note. After having the box checked for safety reasons, Prime Minister Netanyahu opened the box and saw that the content was cow dung. He opened the note, handwritten in Arabic by Mr. Mashal, which said, “For you and the proud people of the Zionist Entity.”

Mr. Netanyahu, who is literate in Arabic, pondered the note and decided how best to reciprocate. He quickly did so by sending the Hamas leader an equally handsome package, also containing a personal note. Mr. Mashal and the other leaders of Hamas were very surprised to receive the parcel and opened it, very carefully, similarly suspecting that it might contain a bomb. But to their surprise, they saw that it contained a tiny computer chip. The chip was rechargeable with solar energy, had a 1.8 terabyte memory, and could output a 3D hologram display capable of functioning in any type of cellular phone, tablet or laptop. It was one of the world’s most advanced technologies, with a tiny label, stating this item was “Invented and produced in Israel.”

Mr. Netanyahu’s note, personally handwritten in Arabic, Hebrew, French, and English, stated very courteously... “Every leader can only give the best his people can produce.”

The New Liberal Ten Commandments

1. **I am the LORD your God, who brought you out of the land of Egypt, out of the house of bondage. You shall have no other gods before Me.**
Liberal Version: The Government is your sovereign, almighty and supreme, which raised some of you from the ranks of American citizens, lavished you with riches, privileges, and power, granted you immunity from prosecution, and rendered you secure in your lives for the rest of your days. You shall worship no other sovereigns before the government.
2. **You shall not make for yourself a carved image – any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them. For I, the LORD your God, am a jealous God, visiting the iniquity of**

the fathers upon the children to the third and fourth generations of those who hate Me, but showing mercy to thousands, to those who love Me and keep My commandments. *Liberal Version: You shall create images of worship that include the environment, approved groups, prominent government officials, and selected entertainment icons, forcing all citizens to venerate the same or suffer penalties of defamation, ruination of lives and livelihoods, or imprisonment. The government will not tolerate rivals to its edicts, despoiling generations of those against it and granting privileges indefinitely to those and their progeny who have gained its favor and obeyed its commands.*

3. **You shall not take the name of the LORD your God in vain, for the LORD will not hold him guiltless who takes His name in vain.** *Liberal Version: You shall not mock the government, nor criticize it, nor utter any words derogatory or dismissive, in jest or inadvertently, about any group, person, or symbol considered special by government, academic, or media personages, and you shall revile your country, express contempt for its citizens and its history, appease its enemies, and scorn those who wish America well.*
4. **Remember the Sabbath day, to keep it holy. Six days you shall labor and do all your work, but the seventh day is the Sabbath of the LORD your God. In it you shall do no work: you, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your cattle, nor your stranger who is within your gates. For in six days the LORD made the heavens and the earth, the sea, and all that is in them, and rested the seventh day. Therefore the LORD blessed the Sabbath day and hallowed it.** *Liberal Version: You shall treat the first day of the week as you would any other day, expunge the word "Sabbath" from your thoughts and speech, submit cheerfully to commemorations of days bereft of any significance for you or the United States, and obey every edict that establishes special events for designated groups, while strictly observing admonitions about micro-aggressions, trigger warnings, and safe spaces, and preventing cultural appropriations of any self-proclaimed aggrieved person or group.*
5. **Honor your father and your mother, that your days may be long upon the land which the LORD your God is giving you.** *Liberal Version: You shall observe the Woodrow Wilson Rule on raising children, making them as unlike their fathers and mothers as possible, by instructing them in educational institutions filled with credentialed people who dismiss marriage and the family while endorsing any relationships that inflict damage on the same, remembering at all times that the land you think you own is controlled by the government.*
6. **You shall not murder.** *Liberal Version: You may murder unborn children if it suits your lifestyle or convenience, pay scant attention to murders within designated groups, while defaming those who, in the line of duty, take lives of*

individuals not of their own race, gender, or ethnicity, and tolerating murders committed by illegal aliens against American citizens.

7. **You shall not commit adultery.** *Liberal Version: You may engage in any sexual relationships you desire, while celebrating unions among members of the same gender, or transgender, or bi-gender, and suffer ruinous penalties, condemnation, and/or threats against you for failures to comply with judicial or bureaucratic edicts that support so-called non-traditional marriage and self-designated sexual orientations.*
8. **You shall not steal.** *Liberal Version: You may take as much property from others as you can, through taxation, confiscation, or administrative extortion, while sympathizing with rampaging mobs, looters, and destroyers of property and neighborhoods, all the time justifying your actions as striving for social justice.*
9. **You shall not bear false witness against your neighbor.** *Liberal Version: You may bear false witness against others whenever necessary to further progressive goals, while waging war against freedom of speech, patriotism, Christianity, police officers, America's military, so-called traditional families, equality of opportunity, and the right to bear arms, and lying about those who favor border security against invaders who live off the public dole, scorn our country, murder our citizens, and receive approbation for refusing to assimilate.*
10. **You shall not covet your neighbor's house; you shall not covet your neighbor's wife, nor his male servant, nor his female servant, nor his ox, nor his donkey, nor anything that is your neighbor's.** *Liberal Version: You may covet anything that is your neighbor's, by dividing America into groups based on race, religion, creed, ethnicity, class, gender, and other useful categories, and creating invidious comparisons among them, pitting all citizens against each other, the better to exalt the power of government to covet the goods and honor of everyone in the United States of America.*

A summary of these commandments is that you must worship the state with all your heart, mind, and soul, and love yourselves as well, in order better to proclaim your moral superiority over the vast majority of the country's inhabitants, endeavoring always to reduce them to the status of your subjects, servile, obedient, and helpless.

Source: <http://izquotes.com/quotes-pictures/quote-i-think-that-s-what-makes-many-swedes-jealous-of-immigrant-groups-you-have-a-culture-an-identity-mona-sahlin-263999.jpg>.

The image above is of Mona Ingeborg Sahlin, born in 1957. The quotation tells the reader what she thinks of Sweden as opposed to immigrant groups, which in this case means immigrant Muslims. Mona Ingeborg Sahlin is a Swedish politician who was the leader of the Social Democrats from 2007-2011. She is the only leader of the Social Democrat Party who did not become Prime Minister. Although she does not hold any important government posts, she is still very active in Swedish politics, mainly as a supporter of Islam and Muslims. In this capacity she appears to believe that she is the reincarnation of Muhammad's child wife Aisha and that has been sent to Sweden to do Muhammad's and Allah's work in seeing that the Muslim immigrants are duly welcomed and receive Swedish benefits, more benefits than hard-working Swedes receive. In this video <https://www.youtube.com/watch?v=GRCLdV0mJqM> she argues for the integration in Sweden of former ISIS fighters in Syria and says that they should receive total health care, including jobs and therapy.

I believe Mona Ingeborg Sahlin needs therapy, and immediately. She is so much into Islam's derriere that she cannot see sunlight! Her problem is that she's brain dead and, therefore, cannot be prosecuted as a traitor to Sweden. It appears that her goal is to make Sweden into a Muslim Jana. Perhaps she desires other-oriented virility flings!)

Here <https://www.youtube.com/watch?v=QVSaXiw7hm0> we see Mona Ingeborg Sahlin welcoming ISIS fighters to Sweden. However, she does not warn them about raping Swedish women! Evidently she is unaware of the realities of welcoming Muslims as the results show in over-Muslimized England. <https://www.youtube.com/watch?v=6DsG9yQrdD4>. Of course, Mona Ingeborg Sahlin thinks that these scums should be better understood and be fully integrated.

Sweden has started to establish certain centers in order to combat extremism. (<http://www.thelocal.se/20151126/sweden-introduces-knowledge-centres-to-combat-extremism> and <http://www.cage8.com/trends/se/nov-2015/mona-sahlin.html>.)

Mona Ingeborg Sahlin needs to attend an alternative knowledge center before it's too late.

Here https://www.youtube.com/watch?v=3-fQm_v3DGG Mona Ingeborg Sahlin does her best to kowtow to Islam. This is more than kowtowing. It is ass kissing, brown nosing, sucking up, butt kissing, sycophanting, and being a bitch all in one.

She is against violence by supporting extremism because Muslims are an important factor in Swedish society. They are so important that Sweden is giving Muslims sniper training. (<http://newobserveronline.com/sweden-state-funded-muslim-sniper-training/>.)

Apparently Sweden is giving Muslims government-paid courses at shooting ranges so that Muslims can continue their war on Sweden in a manner that would please Muhammad and Allah. The Swedish government is condescending to Islam and is on the path to committing suicide for the greater worth of pleasing Muhammad and Allah and all of their evilness. Yes, Sweden is slowly disintegrating, even though the present government had said it will deport 80,000 refugees. Yet, saying they'll be deported doesn't mean that they will be deported. There must be a country(countries that will accept them. (See also <http://pamelageller.com/2016/01/sweden-state-funded-muslim-sniper-training.html/#sthash.qCaoivtZ.dpuf>.)

In light of this, the Muslim will shout "Allahu akbar, if you throw me out I'll take the life of ten Swedes!" video at <http://www.friatider.se/allahu-akbar-om-ni-kastar-ut-mig-kommer-jag-ta-tio-svenskars-liv>. The chief of police wants 2500 more policemen <http://www.aftonbladet.se/nyheter/article22143977.ab> in case Muslims in Sweden will do the same as Muslims in other parts of Europe. (<http://www.infowars.com/bowels-emptied-women-molested-german-media-reveals-monstrous-cctv-footage-of-refugee-pool-mayham/>) and because some crimes have already happened. (<http://www.breitbart.com/london/2016/01/26/police-sentry-posted-to-swedish-swimming-baths-after-child-rape/>)

It is interesting that Mona Ingeborg Sahlin has nothing to say about Muslims who say they have come to Sweden to murder, rape, and molest children or who want to stay forever, and not work. (<http://www.friatider.se/asyls-karen-abdullah-jag-har-kommit-f-r-att-stanna-f-r-evigt-inte-jobba>)

Further, Mona Ingeborg Sahlin has nothing to say about blonde Alexandra aged 22, who was stabbed to death from behind by a 15 year-old migrant in a house for asylum seekers. (<http://www.breitbart.com/london/2016/01/25/22-year-old-swedish-asylum-centre-worker-dead-at-hands-of-migrant/>. <http://www.thelocal.se/20160125/swedish-refugee-centre-worker-dead-in-stabbing>.)

To make the situation worse, a memorial service for Alexandra was banned at the refugee center because the authorities felt the refugee children there would become traumatized. It is interesting to note that Mona Ingeborg Sahlin has no comment on the killing and the banning of the memorial service. Moreover, the police chief sympathizes with the murderer. (<http://www.dailymail.co.uk/news/article-3419094/Who-knows-horrors-Police-chief-sparks-anger-sympathising-Somali-boy-stabbed-refugee-worker.html>.)

Perhaps Mona Ingeborg Sahlin, Islam's guardian angel in Sweden, can get him acquitted and integrate him into the Swedish population because, as we all know, Islam and Muslims are peaceful and tolerant.

There are also quasi-masked Swedish football hooligans who have attack Moroccan gangs that for some time have drifted around in the city of and committed theft and sex crimes. The hooligans consider themselves Swedish patriots. Thank you Mr Soros and your Khazarian Mafia for creating an alternative to the Swedish police force which cannot do the job! (<http://www.friatider.se/maskerade-huliganer-angriper-marockanska-g-ng-i-stockholm> and <https://www.rt.com/news/330697-sweden-immigrant-pogrom-stockholm/>. Even the leftist newspaper journalist Katerina Janouch is calling calls for Civil war against the Moroccan street hoodlum." In 2014 she "cheered" the postmen who threw away Sweden Democrat ballots instead of placing these in mail boxes! Has she received new directives from her masters?

(<http://www.friatider.se/expressen-profil-efterlyser-inb-rdeskrig-mot-det-marockanska-gatusl-ddret>)

An armed migrant gang attacked travelers at Odenplan subway station in Stockholm city. Police with MP5 automat carbines responded but no migrant attacker was arrested! (<http://www.friatider.se/bevagnade-invandrare-gick-till-attack-vid-odenplans-tunnelbanestation>.)

An ex bureaucrat and writing desk occupant has been appointed Chief of the Swedish Police. He's confident he's ready for the challenge. (<https://www.youtube.com/watch?v=IGKHPnxfvJE> and <https://www.youtube.com/watch?v=JpD34e9aqlE>)

But the police force failed to round up the Moroccan tormentors once and for all. Swedish hooligans consider the social contract between citizens and state has been broken. Therefore, they have decided to do the job! Quite understandable

The Haninge Municipality, a part of the Stockholm urban area, decided to erect asylum housing for single males next to a school. At a meeting one father of three girls who attend the school said,

"I warn you if something happens to any of my daughters - cause then you got blood on your hands!" The question is: How will the politicians be able to protect the school children since guards/custodians or a single policeman in the past have not intervened when they have seen immigrant gangs. (<http://avpixlat.info/2016/02/04/protest-mot-baracker-for-ensamkommande-pa-skolornaden>) Perhaps they will call Mona Ingeborg Sahlin for protection.

JT: My Conclusion. If you want to go to Sweden, go as a Muslim male or a Muslim female. Request to speak with your Muslim guardian angel Mona Ingeborg Sahlin who will support you in becoming an integrated Muslim. She will make sure that her contacts with the police will protect you. Should you become a murderer, she won't say anything against you! Neither will she criticize your Islam because Islam is peaceful and tolerant!

<https://www.youtube.com/watch?v=Q7vMZYuWCsQ>.

JT: What a wonderful, logical solution.

Source: <http://www.faz.net/aktuell/politik/fluechtlingskrise/die-multikulti-toilette-ein-klo-das-jeder-benutzen-kann-14043644.html>

JT: The article claims that this mobile multi-culti toilet (Klo) would be good for Muslim immigrants because they don't understand how German toilets function. I don't think Muslim immigrants would use them because these immigrants would rather urinate and excrete in public parks and people's gardens and public swimming pools. (<http://www.barenakedislam.com/2015/10/09/germany-has-to-teach-muslim-economic-refugees-how-not-to-behave-like-savages/>; <http://www.barenakedislam.com/2016/01/22/germany-muslim-invaders-are-pooing-and-ejaculating-in-the-pool-and-sexually-harassing-german-girls/>) Further, most Muslims will refrain from using the MCK because it looks too much like a Caterpillar or farming vehicle (band tractor) and they might think that using this would force them to work. They are not in Germany or Europe to work! They abhor work!

<https://www.youtube.com/watch?v=ZoTABav4inA>

JT: Suggestions from a German mayor, possibly another next Chancellor of Germany.

The Zika Virus: The Zika virus, which has been known about for 70 years, has never done anything to babies while the mother was pregnant. Zika results in a mild cold and is all over the world now doing nothing to anyone with a mortality rate of ZERO.

QUESTION: why did it suddenly blow the brains out of thousands of babies in ONE LOCATION – Brazil in the past two months alone when ZERO reported cases of this outcome have ever been recorded prior?

ANSWER: Because a new Tdap vaccine, **which was spawned to destroy babies** before they were born rather than after birth (due to the new awareness that autism is caused by intentionally destructive vaccines) was launched in Brazil in May of 2015. (<http://theconversation.com/explainer-where-did-zika-virus-come-from-and-why-is-it-a-problem-in-brazil-53425>)

In late 2014, the Brazilian minister of health announced that a new Tdap shot would be mandatory for all expectant mothers starting in 2015. Since it's mandatory, mothers with birth defect babies received this newly formulated vaccine while pregnant. The timeliness of the Tdap vaccine and the sudden rise in birth defects is more than just a little coincidental. The consequences of this untested vaccine is

being swept under the rug. Which brings us once again to Bill Gates, the King of Eugenics and Vaccines.
