JT: Thank Allah! I was so worried that Muhammad had raped Aisha when she was nine years old. Now we all know that consummation was due to climate change. Aisha and climate change were at fault. Now we know that when a Muslim rapes a young girl or even an adult female, climate change is the reason. We must be tolerant and understand that Muslim men who commit rape are really victims. Allah hop! Allah hop! Allah hop!

JT: This is a video about the predictions of three world wars by Albert Pike. ([https://en.wikipedia.org/wiki/Albert\\_Pike](https://en.wikipedia.org/wiki/Albert_Pike)) From the video introductory statement:

"There are websites with this information, however I believe the most important aspect of the predictions is that the Illuminati is using Islam to accomplish its goals. Albert Pike openly stated that Islam will be the central component in a war against the West, and that the Illuminati will lead Islam into direct confrontation with the West. We have already seen what the New World Order has done with Islam, and that is to foment a crisis and watch as Brussels, Belgium, and Paris, France attacks happen. But it's all been planned, setting the stage for WW3. Just as they set the stage for WW1 and WW2. After Islam is used for its purpose, it will be done away with to make way for the religious system of pure Luciferianism. All Muslims will partake in the new system and worship Lucifer."

JT: Well, Muslims worship Muhammad. Is this worship a trial run?

### **BRUSSELS AIRPORT GUARDED BY G4S EMPLOYS ISIS SUPPORTERS**

April 21, 2016

**From RT**

**One of the suicide bombers who blew himself up at the Brussels airport in Zaventem on March 22 had worked on the site for as long as five years, Belgium's VTM television reported.**

**The broadcaster said that a hidden prayer room had been discovered at Brussels airport shortly before the attacks "where radicalized staff gathered to pray in secret." The airport shut down the prayer room at the request of police, VTM said, adding that there's a list of "at least 50 radicalized airport employees."**

**At least 50 supporters of Islamic State (IS, formerly ISIS/ISIL) are currently working at Belgium's Zaventem airport, Belgium's Nieuwsblad newspaper reported late last month, citing airport security officials.**

\*\*\*

<https://secure.marketwatch.com/story/george-soros-heres-my-plan-to-solve-the-asylum-chaos-2015-09-29>

"... Here are the six components of a comprehensive plan.

**First**, the EU has to accept at least a million asylum-seekers annually for the foreseeable future. And, to do that, it must share the burden fairly — a principle that a qualified majority finally established [at a Sept. 23 summit](#).

Adequate financing is critical. The EU should provide 15,000 euros (\$16,800) per asylum-seeker for each of the first two years to help cover housing, health-care and education costs — and to make accepting refugees more appealing to member states. It can raise these funds by issuing long-term bonds using its largely untapped AAA borrowing capacity, which will have the added benefit of providing a justified fiscal stimulus to the European economy.

It is equally important to allow both states and asylum-seekers to express their preferences, using the least possible coercion. Placing refugees where they want to go — and where they are wanted — is a *sine qua non* of success.

**Second**, the EU must lead the global effort to provide adequate funding to Lebanon, Jordan and Turkey to support the four million refugees currently living in those countries.

Thus far, only a fraction of the funding needed for even basic care has been raised. If education, training, and other essential needs are included, the annual costs are at least 5,000 euros per refugee, or 20 euros billion. EU aid today to Turkey, though doubled last week, still amounts to just 1 billion euros. In addition, the EU also should help create special economic zones with preferred trade status in the region, including in Tunisia and Morocco, to attract investment and generate jobs for both locals and refugees.

The EU would need to make an annual commitment to frontline countries of at least 8 billion to 10 billion euros, with the balance coming from the United States and the rest of the world. This could be added to the amount of long-term bonds issued to support asylum-seekers in Europe.

**Third**, the EU must immediately start building a single EU Asylum and Migration Agency and eventually a single EU Border Guard. The current [patchwork of 28 separate asylum systems](#) does not work: it is expensive, inefficient and produces wildly inconsistent results in determining who qualifies for asylum. The new agency would gradually streamline procedures; establish common rules for employment and entrepreneurship, as well as consistent benefits; and develop an effective, rights-respecting return policy for migrants who do not qualify for asylum.

**Fourth**, safe channels must be established for asylum-seekers, starting with getting them from Greece and Italy to their destination countries. This is urgent in order to calm the panic. The next logical step is to extend safe avenues to the frontline region, thereby reducing the number of migrants who make the dangerous Mediterranean crossing. If asylum-seekers have a reasonable chance of ultimately reaching Europe, they are far more likely to stay where they are. This will require negotiating with frontline countries, in cooperation with the UN Refugee Agency, to establish processing centers there — with Turkey as the priority.

The operational and financial arrangements developed by the EU should be used to establish global standards for the treatment of asylum-seekers and migrants. This is the **fifth piece** of the comprehensive plan.

**Finally**, to absorb and integrate more than a million asylum seekers and migrants a year, the EU needs to mobilize the private sector — NGOs, church groups and businesses — to act as

sponsors. This will require not only sufficient funding, but also the human and IT capacity to match migrants and sponsors. ...”

JT: It is interesting that all of these suggestions would cost billions of Euros, possibly hundreds of billions of Euros. Where is the money to come from? Tata! Tata! Tataaaaa! George Soros. He would lend all of those who need money to finance his plan and charge them interest on the loans. The essence is: George Soros has created a George Soros problem! <http://www.breitbart.com/london/2015/11/02/soros-admits-involvement-in-migrant-crisis-national-borders-are-the-obstacle/>

JT: Think about this. America is the land of borderless possibilities.

Barack Hussein became an illegal president without being a natural born citizen. His stated father was Kenyan and his mother was underage, a fact that prohibited her from transferring citizenship the Barry.

Ted Cruz is running for president without being a natural born citizen. He was born in Alberta, Canada to a Cuban father and a British mother.

The borderless possibility of possibilities is the fact that at the University of California at Los Angeles, a student (???) can receive a Master's Degree in English without ever having taken a course on Shakespeare. They probably don't know who William Shakespeare was?

JT: Recently, the Russians have been so cordial in escorting American planes and ships. This is Obama's response!

<http://www.aina.org/news/20100424204029.htm>

Turkey pressures Sweden's TV 4 to stop the presentation of a documentation revealing Turkey's role in the genocide of Armenians, Assyrians, and Greek Christian populations by the Ottoman Empire in 1914-1915. The breakdown of genocide conducted by the Ottoman Turks between 1914 and 1922 is as follows:

#### GREEKS

1914	400,000	conscripts perished in forced labor brigades
1922	100,000	massacred or burned alive in Smyrna
1916-1922	350,000	Pontions massacred or killed during forced deportations
1914-1922	900,000	perish from maltreatment, starvation and massacres; total of all other areas of Asia Minor
TOTAL:	1,750,000	Greek Christians martyred 1914-1922

#### ARMENIANS

1894-1896	300,000	massacred
1915-1916	1,500,000	perish in massacres and forced deportations (with subsidiaries to 1923)
1922	30,000	massacred or burned alive in Smyrna
TOTAL:	1,800,000	Armenien Christians martyred 1894- 1923

#### SYRIANS AND NESTORIANS

1915-1917	100,000	Christians massacred
-----------	---------	----------------------

Between 1893 and 1923, the Ottoman Empire killed 50 million non-Turks. “During 1894-1923 the Ottoman Empire conducted a policy of Genocide of the Christian population living within its extensive territory. The Sultan, Abdul Hamid, first put forth an official governmental policy of genocide against the Armenians of the Ottoman Empire in 1894.

Systematic massacres took place in 1894-1896 when Abdul savagely killed 300,000 Armenians throughout the provinces. Massacres recurred, and in 1909 government troops killed, in the towns of Adana alone, over 20,000 Christian Armenians.”

JT: According to the new mad Turkish caliph Erdogan, there was no genocide. The dead were just killed during the First World War. Erdogan is definitely trying to make his new caliph colony Sweden believe in the unbelievable. By the way, mad Erdogan is mad Obama's friend! The photo is evidently proof that no Turks were involved. No Turks can be identified. Well, as Muhammad said, unbelievers must convert to Islam or they must be killed!!! Finally, for the time being, Erdogan's problem is that he thinks he is Allah's gift to the world. In reality, Erdogan's problem is that he insults himself with his own policies.

The following is a Ted Cruz Certificate of Birth and Timeline (<https://www.scribd.com/doc/256409078/Cruz-Citizenship-Timeline-documented>).

Source: <https://html1-f.scribdassets.com/6gbruzgibk4bgztu/images/3-b001f66de6.jpg>

JT: Ted Cruz's Certificate of Birth is much different from Obama's forged birth certificate.

\*\*\*

The Ted Cruz Timeline:

- October 10, 1928 – Alan Boon Wilson (first husband of Ted Cruz's mother) is born in Fort Worth, Texas;
- November 23, 1934 – Eleanor Darragh (Ted Cruz's mother) is born in Wilmington, Delaware;
- March 22, 1939 – Rafael Bienvenido Cruz Diaz (Ted Cruz's father) is born in Matanzas, Cuba;
- 1955-1956 – Rafael Cruz Diaz is arrested in Cuba by the Fulgencio Bautista regime for his pro-Castro activities;
- 1956 – Eleanor Darragh and Alan Wilson graduate from Rice University in Houston, Texas;

- 1956 – Eleanor Darragh marries Alan Wilson in Houston, Texas;
- August 21, 1957 – Rafael Cruz Diaz reportedly enters the United States via Key West, Florida; he enters illegally, relying on the bribing of a Cuban official in order to get an exit permit stamped on his passport;
- 1958 – Alan and Eleanor Wilson move to London, England;
- January 1, 1959 – Rafael Cruz (Diaz) marries Julia A. Garza;
- September 15, 1959 – Rafael Cruz Diaz is listed as a student by the Immigration and Naturalization Service in Key West, Florida;
- 1961 – Rafael Cruz graduates from the University of Texas with a degree in mathematics;
- 1961 – Rafael Cruz is granted a permanent residence “green card”;
- November 22, 1961 – Miriam Ceferina Cruz is born to Julia Garza Cruz and Rafael Cruz (she dies in 2011);
- November 18, 1962 – Roxana Lourdes Cruz is born to Julia Garza Cruz and Rafael Cruz
- 1962 – In England, Alan Wilson files for divorce from Eleanor Darragh Wilson;
- August 16, 1963 – Alongside Lee Harvey Oswald, Rafael Cruz distributes “Hands Off Cuba!” pamphlets in New Orleans;
- 1963 – The divorce of Alan and Eleanor Wilson is finalized;
- 1964 – in violation of the terms of his green card, Rafael Cruz moves to Calgary, Alberta, Canada, abandoning wife Julia and daughters Miriam and Roxana; (This date is not consistent with other information);
- June 17, 1966 – In London, Eleanor Darragh gives birth to a son; despite having been divorced by Alan Wilson (who states he is not the father), she names the child Michael Darragh Wilson; she places the child up for adoption and moves to Metairie, Louisiana to live with her sister, Caroline Jackson;
- December 7, 1966 – Infant Michael Darragh Wilson dies in London of acute bronchitis;
- 1967 – Eleanor Darragh Wilson moves to New Orleans, Louisiana, and meets Rafael Cruz (a co-worker at Geophysics & Computer Services);

- Jul 1, 1967 – Julia Garza Cruz files a petition for legal separation from Rafael Cruz;
- July 26, 1967 – Rafael Cruz registers with the Selective Service;
- September 24, 1968 – Julia Garza Cruz and Rafael Cruz are divorced;
- December 1967 – Rafael Cruz and Eleanor Darragh Wilson move to Calgary, Alberta, Canada;
- 1968 – Rafael Cruz allegedly becomes a Canadian citizen; he later tells NPR, “I lived in Canada for 8 years and became a Canadian citizen in 1968”; the date is arguably suspicious because Cruz could not become a Canadian citizen after no more than one
- year of residency; Cruz also tells NPR both he and his wife Eleanor are Canadian citizens;
- March 14, 1969 – Rafael Cruz and Eleanor Darragh Wilson are married;
- 1969 – Elizabeth Darragh Wilson allegedly becomes a Canadian citizen; the assumption is that Wilson gained Canadian citizenship quickly because she was probably already a British citizen; that made it easier for Rafael Cruz to be granted Canadian citizenship; it is unlikely that Cruz became a Canadian citizen before Wilson;
- December 22, 1970 – Rafael Edward “Ted” Cruz is born in Calgary, Alberta, Canada;
- 1970 – There is no record of Eleanor Darragh Wilson requesting or obtaining a Consular Report of Birth Abroad (CRBA) to establish U.S. citizen for her son; he has claimed he does not have such a document and does not need one; in fact, the CRBA is required before the child’s 18th birthday or he is not considered a U.S. citizen;
- May, 1974 – The names “Cruz, Raphael” and “Cruz, Eleanor, Mrs.” Appear in a 1974 voter registration list of voters in Calgary, Canada;
- 1974 - There is no evidence of a marriage between Rafael Cruz and Eleanor Darragh Wilson, although she is listed as “Mrs.” on the voter list;
- 1974 – Eleanor Darragh Wilson moves to Houston with son Ted; whether Rafael Cruz moved with them, arrived earlier, or followed later is not clear;

- 1986-1989 – Property owned by Rafael Cruz and Eleanor Wilson/Cruz is foreclosed on and sold at auction;
- November 15, 1996 – Rafael and Julia Cruz file for divorce;
- February 13, 1997 – Rafael Cruz and Eleanor Cruz are divorced; Eleanor registers to vote in Houston under the name Eleanor Darragh;
- 2005 – Rafael Cruz applies for U.S. citizenship and reportedly renounces his Canadian citizenship;
- 2012 – Edward “Ted” Cruz defeats Texas Lieutenant Governor David Dewhurst in the Republican primary for a U.S. Senate seat; Cruz does not tell the voters he was born in Canada and is a Canadian citizen; Cruz defeats his Democrat opponent in November and becomes a U.S. Senator under false pretenses;
- 2013 – Reports surface that Ted Cruz was born in Canada; Toronto lawyer Stephen Green, past chairman of the Canadian Bar Association’s Citizenship and immigration Section, states, “He’s a Canadian.” Ministry spokeswoman Julie Lafortune states,
- “Generally speaking, under the Citizenship Act of 1947, those born in Canada were automatically citizens at birth unless their parent was a foreign diplomat”;
- May 14, 2014 – Ted Cruz renounces his Canadian citizenship, leaving him a man without a country—although he might be considered a citizen of Cuba.

At <http://nation.foxnews.com/2016/04/25/did-anti-israel-bias-keep-france-getting-terror-tech-paris-attacks> we read: “Shortly after the Charlie Hebdo attack in Paris, and nearly a year before terrorists killed 130 in coordinated strikes that rocked the City

of Light, French security officials rejected an Israeli company's offer of terrorist-tracking software that could have helped them flag the deadly terror cell, a security expert said. ...'French authorities liked it, but the official came back and said there was a higher-level instruction not to buy Israeli technology,' a well-placed Israeli counter-terror specialist familiar with the technology and the company behind it told FoxNews.com. 'The discussion just stopped.'"

JT: The French government authorities probably were told to reject the tracking software by Islam Imams, ISIS advisors, and 'Palestinian representatives in France. The French do what the Peaceful and Tolerant Muslims ask them to do. It is interesting that Israel was/is ready to save lives threatened by Islam and its terrorists, but the West (in this case France) is not about to save Jewish lives by supporting Israel.

\*\*\*

<http://pamelageller.com/2016/04/muslim-migrants-leave-blood-feces-semen-smeared-on-asylum-home-walls.html/> reports, "Asylum seekers have left an asylum home and have smeared blood, vomit and faeces [feces] all over the walls according to police. In preparation for the visit of ...Obama, riot police in the German town of Hameln needed somewhere for the officers to stay overnight. The police were offered a barracks that previously held migrants but were shocked to discover that the past residents had smeared faeces, vomit and blood all over the walls of the former asylum home reports *Junge Freiheit*." (*Young Freedom*)

JT: There is nothing wrong with this behavior. They were emulating Muhammad and his policies!

From the same report we read, "Trains had to be disinfected entirely because many migrants did not know how to operate a western style toilet and opted to defecate on the floor or in a urinal.

The problem with migrants and sanitation became so bad that one company created what they called a "multicultural" toilet designed to prevent migrants from defecating on floors and roads. The mobile toilet is designed to allow people from the Middle East and North Africa to squat easier, rather than try and squat on the seat of a toilet, which often breaks.

An article about the new toilet remarked, "and so, as the refugees have brought about many changes in German society solely by their presence... so is it now with the toilet in the future with this pressing issue," and, "with some justification, one could say: Here we can even learn something from the refugees."

JT: Germans must be happy about the learning situation Muslims and asylum seekers create for them! In effect, Muslim and asylum seekers are development helpers.

### Disintegrating Sweden: Visit Number Three.

There has been one more knife murder in an asylum housing ... and the count continues! However, it was "a too obvious locality" for the police to first report the event under code 291! (The code used by the Swedish police for not divulging details of who the culprit/criminal is) <http://www.friatider.se/asylmord-lindesberg>

\*\*\*

The collapse of Sweden and other European countries is deliberately constructed by sinister NOW (New World Order) globalists together with traitorous domestic politicians who lack all traces of national pride! Now Swedes know why former Prime Minister Fredrik Reinfeldt initiated an amendment to the Swedish constitution to make it say: "Sweden shall henceforth be a member of the EU & the UN....." This "remedy" makes it practically impossible to leave (or disobey) either organization in time (quick enough) when the nation's survival is in great danger and close its borders for fortune hunting asylum seekers, or to refuse WHO (World Health Organization) orders of mandatory "slow killing" vaccinations in case "severe" (but faked & man-made) pandemics occur. (<https://southfront.org/foreign-policy-diary-dutch-eu-ukraine-association-agreement-referendum/>)

Here is a video clip that features Fredrik Reinfeldt's "hard-working Muslim men" in a Malmö shopping mall: <http://snaphanen.dk/2016/03/02/report-inside-muslim-majority-neighborhoods-of-malmo/> They really do work hard for Islam. The 42 minutes-viewing are worth it!

\*\*\*

When one listens to the gullible/stupid Swedish woman delivering postal packages/parcels to tenants in densely, Muslim-populated "Rosengård" in Malmö, you come to the conclusion that you have to think of the words of the soviet defector Yuri Bezmenov ([http://wn.com/yuri\\_bezmenov](http://wn.com/yuri_bezmenov) at 1:13:17 into clip) ".....not until they are kicked hard by a soviet military boot in their back will they realize they have cheated themselves." (Jane Fonda still doesn't understand it!) Transformed into today's, and most of all, tomorrow's situation, a cynical travesty of his words would be: "Not until gullible Swedish women are brutally raped or going to be stabbed to death with a knife, will they realize how wrong their views of Muslim men were."

Go to <http://www.newser.com/story/222901/building-material-of-the-future-transparent-wood.html>, where you will learn that Sweden has invented transparent wood. This will make it easier for the government and police to keep an eye on Swedish citizens and make sure that they do not do anything against Muslims in side their four walls.

<https://www.youtube.com/watch?v=sE5obhuvIMA> Here we learn that the Swedish government is a feminist government, even for feminist men. Well the original meaning of woman is female man!

A Swedish woman was raped on 5 March in Eskilstuna, Sweden. However the police are not releasing the name and heritage of the raper. <http://www.friatider.se/valdtakt-eskilstuna-fortegen>

**Inrikes, Sweden. 'On March 2016 "Nathalie Hager, 29, was on her way home from a bus stop when a group of Arabic-speaking men suddenly attacked her outside a church. She managed to fight her way out of a gang rape but was left badly injured. "They beat me black and blue and cut into one of my breasts, while shouting at me that I was a Swedish whore," Nathalie told Fria Tider."** <http://www.friatider.se/nathalie-29-speaks-out-about-assault-they-shouted-swedish-whore-and-cut-my-breast-razer-blade>

**The Muslims rapists apparently don't like the breasts of earthly women. Like the Imam says, the breasts of the 72 virgins in Jannah are fruity.**

How Europe's most liberal nation gagged its own people on migration attacks. Like in other Western countries in Europe, particularly Germany and like in the United States of America, there is a conspiracy to hide the truth about the refugee influx. The Stockholm Train Station is where Muslim refugees get together to demonstrate their peacefulness and tolerance! Is this Istanbul or Ankara? No its the Muslim-evening/night festival at the Central Railway Station in Stockholm!

<http://www.aftonbladet.se/nyheter/article22446652.ab> reports that the Swedish ex-Prime Minister Fredrik Reinfeldt will receive a top position with Meryll-Lynch. (For being a good Swedish boy he was "rewarded" for the damage he did to Sweden as a leading politician listening very carefully to advice he got from his (bank) masters within the Council of Foreign Relations and the Bilderberg group before he got voted out of office in 2014. There is some logic behind this. Promote upwards to get him out of the way!

At <http://www.powerlineblog.com/archives/2016/04/sweden-has-a-problem.php>, we read:

## Sweden Has a Problem

In January, Swedish Foreign Minister Margot Wallstrom accused Israel of “extrajudicial executions” of Palestinians—apparently those who were in the act of perpetrating terrorist attacks—and called for an investigation. Yesterday, Sweden’s housing minister, Mehmet Kaplan, resigned after video emerged of him saying that “Israelis treat Palestinians in a way that is very like that in which Jews were treated during Germany in the 1930s.”

To cap off the trifecta, earlier today Sweden’s Deputy Prime Minister, Åsa Romson, came under fire for her [comments on Kaplan’s resignation](#):

Romson said: “He [Kaplan] has been chairman for Swedish Young Muslims in tough situations like around the September 11 accidents and similar.”

Ms. Romson refused to back down or retract her characterization of the September 11 attacks as “accidents.” She explained:

Romson later defended her comment, saying: “The ‘accident’ [of 9/11] is that we ended up with a very harsh debate on integration and how society grows with different religions side by side, and the discrimination that followed.”

So Romson belongs to the school that holds that the big problem with Islamic terrorism is that it might give people a bad impression of Islam.

I think we are detecting a pattern here. If all the anti-Israel, terror-accommodating Swedish officials were forced to resign, they wouldn’t be able to staff a government.

A Turkish fascist (No, not Turkish Prime Minister Erdogan) at rally in Sweden has called for “Death to Armenians!” (<https://www.youtube.com/watch?v=9gaM1hhaO2U>) The “Barbarian” Barbaros Leylani gave a speech at Sergels Market in Stockholm cherishing the Turkish nationalists the Grey Wolves. The English text is at <https://www.youtube.com/watch?v=dFyg-OH16ho> This has caused a huge problem for Swedish PM Löfven whose minister of housing, a certain Muslim by the name Mehmet Kaplan from the fundamentalist green party, has attended at dinners with said Leylani and other Turkish fascistoid scumbags! (<http://www.friatider.se/har-ater-mehmet-kaplan-middag-med-islamister-och-fascister>) (Kaplan is in the circle and claimed that at a recent dinner they did not even see each other) Evidently Kaplan suffers from short sightedness!

The Swedish Democrats (SD) have been successful in their efforts to throw Mehmet Kaplan, the Swedish Minister for Housing, (figuratively) out into the cold where angry Swedish Wolverines happily feed on *written off* politicians, and out of the government over Kaplan’s contacts with Muslim organizations and the Turkish nationalists. <http://www.friatider.se/misstroendef-rklaring-kan-l-mnas-av-sd>

Mehmet Kaplan

not to be mixed up with a fascistoid

(Related: <https://www.youtube.com/watch?v=K9FNvAkmy24>)

Åsa Romson, the leader of the fundamentalist Swedish Green Party, who is also the Vice Prime minister, and likes to shed tears for Islamic asylum seekers, has now "under the political gallows" so to say, has finally distanced herself from Kaplan.

The Swedish Prime Minister carries a trouble-in-mind facial expression.

Kaplan has resigned (He was fired!), but landed with a parachute worth at least 1.5 million Swedish Krone (\$186,621) Guess who's laughing now!

Swedish Parliament members from the green fundamentalist party, or "the environment party" the *Miljöpartiet de Gröna*, abbreviated MP, have experienced an Islamic coup. A Swedish SVT (Swedish Television) researcher claims, the **"Muslim Brotherhood has infiltrated the MP"** During a SVT transmission from the island of Gotland in July 2015 of an MP meeting, a Muslim man in the background forwarded a greeting to other Muslims on live TV. The rabia sign or R4BIA, which means: "Ready For Brotherhood Independent Army.

The person doing the rabia greeting has been identified as a representative of the Muslim infiltrated green fundamentalists, MP.

The woman in the foreground is likely a reporter working for SVT covering the *Almedal Week* which is held every July in Visby on the island of Gotland ever since Olof

Palme's\* time when he spent his vacations in a summer house on the island just like his neighbor, the film director Ingmar Bergman. During the *Almedal Week* all Swedish political parties that are represented in the Swedish parliament each have one evening for presenting themselves and their views on different political subjects.

Furthermore, Åsa Romson, the leader of the green fundamentalist party MP (with exceptional bad judgement!) and vice\* PM – so titled "just for the protocol" by PM Stefan Löfven to please her ego – has lied since MP claims there exist no connections between MP as a political party and any terror-listed groups despite a 2015 meeting in a Stockholm mosque when she along with her MP co-worker Åsa Lindhagen met representatives of the terror-listed organization Islamic Relief which finances Hamas!

There are protests against a planned migrant barracks to be near a school in the western suburb of Stockholm. A video with English text is at <http://avpixlat.info/2016/04/19/protester-mot-migrantbarackar-nu-oversatta-till-engelska/>

A terror-suspected "Swede" was participating in a movie/video about successful integration! (Remember Mona Sahlin? This is surely what she refers to as a successful Muslim integration. (<http://www.aftonbladet.se/nyheter/article22616250.ab>

Proud integrated "Swede" Osama Krayem posing with an AK4 in front of an ISIS flag.

It's not Sweden, but it is happening in Sweden: A gang of 7 migrants in Trondheim lured an ethnic Norwegian pupil to a locker room where they beat him up bloodily, gave him a with a broken nose bone and concussion:

---> <http://www.friatider.se/video-har-misshandlas-norsk-gymnasieelev-blodig-invandrargang> (A video of the assault by seven "brave" Muslims is at [http://www.nrk.no/trondelag/grov-vold-pa-charlottenlund-videregaende-skole - elev-lokket-med-i-garderobe-og-banket-til-blods-1.12910793](http://www.nrk.no/trondelag/grov-vold-pa-charlottenlund-videregaende-skole-elev-lokket-med-i-garderobe-og-banket-til-blods-1.12910793))

(Till [Dagbladet](#) säger Nilsen att invandrargängets offer alltid är "unga etniskt norska män". Gänget som ligger bakom våldet består uteslutande av invandrare och uppges vara väl integrerade i det norska samhället.)

Policeman Nilsen says to Dagbladet newspaper that the immigrant gang's victims always are "young ethnic Norwegian men". The gang behind the violence consists exclusively of immigrants and are stated (by Norwegian authorities) to be well integrated into the Norwegian society.) (<http://www.friatider.se/video-har-misshandlas-norsk-gymnasieelev-blodig-invandrargang>)

**Now we know what "well integrated" Muslims means  
- in case we didn't know that before!**

**TOO BAD THE NORWEGIANS ARE MUCH BETTER AT SKIING THAN AT  
BOXING!**

This group behavior of congenital need with Muslims of intimidating and humiliating "infidels" should convince any Caucasian, with the capability of "thinking ahead", what the West is facing; that is, if they think their own white lives matter in relation to the violence desired by these primitive creatures!
