JT: The above link discusses 9,000 Photos from 1800's British Mandate of Palestine – with no trace of 'Palestinians'. It is fact that Muslim Palestine is a Phantom Nation. The Palestinians were invented as an obstacle to peace between Arabs (Muslims) and Jews. A splendid, documented research is Sha'l ben-Tekoa, *Phantom Nation Inventing the "Palestinians" as the Obstacle to Peace*, 3 vols., DeProgram Program Inc, New York: 2013. In fact, the original internationally recognized Palestine flag before 1948 was

The so-called Palestinians never lost their land to the Jews because the so-called Palestinians never possessed it in the first place.

JT: This is an order from JT! Read **The Secret Racist History of the Democratic Party** by [Kimberly Bloom Jackson](http://www.americanthinker.com/articles/2016/05/the_secret_racist_history_of_the_democratic_party.html) at http://www.americanthinker.com/articles/2016/05/the_secret_racist_history_of_the_democratic_party.html.

The following article was written by Emily Jashinsky.

The Sharon Statement was adopted on September 11, 1960 by a group of 100 young conservatives who convened at the home of William F. Buckley in Sharon, Connecticut with the purpose of creating Young Americans for Freedom. In 2015 The New York Times recognized the Sharon Statement as a “seminal document” of the Conservative Movement and it is widely regarded by historians and thought leaders as one of the most important declarations in the history of American conservatism. Its message is timeless and has been championed by countless conservative leaders since its adoption, including President Ronald Reagan who served as YAF’s Honorary National Chairman. The Sharon Statement continues to function as the foundational document for every YAF chapter across the country.

The Sharon Statement

In this time of moral and political crises, it is the responsibility of the youth of America to affirm certain eternal truths.

We, as young conservatives, believe:

That foremost among the transcendent values is the individual's use of his God-given free will, whence derives his right to be free from the restrictions of arbitrary force;

That liberty is indivisible, and that political freedom cannot long exist without economic freedom;

That the purpose of government is to protect those freedoms through the preservation of internal order, the provision of national defense, and the administration of justice;

That when government ventures beyond these rightful functions, it accumulates power, which tends to diminish order and liberty;

That the Constitution of the United States is the best arrangement yet devised for empowering government to fulfill its proper role, while restraining it from the concentration and abuse of power;

That the genius of the Constitution—the division of powers—is summed up in the clause that reserves primacy to the several states, or to the people, in those spheres not specifically delegated to the Federal government;

That the market economy, allocating resources by the free play of supply and demand, is the single economic system compatible with the requirements of personal freedom and constitutional government, and that it is at the same time the most productive supplier of human needs;

That when government interferes with the work of the market economy, it tends to reduce the moral and physical strength of the nation; that when it takes from one man to bestow on another, it diminishes the incentive of the first, the integrity of the second, and the moral autonomy of both;

That we will be free only so long as the national sovereignty of the United States is secure; that history shows periods of freedom are rare, and can exist only when free citizens concertedly defend their rights against all enemies;

That the forces of international Communism are, at present, the greatest single threat to these liberties;

That the United States should stress victory over, rather than coexistence with, this menace; and

That American foreign policy must be judged by this criterion: does it serve the just interests of the United States?

JT: Every woman should know this: <https://www.youtube.com/watch?v=5NXtlUv5i2w>

The sources cited in the video:

Qur'an 2:282—O you who believe! When you contract a debt for a fixed period, write it down. Let a scribe write it down in justice between you. Let not the scribe refuse to write as Allah has taught him, so let him write. Let him (the debtor) who incurs the liability dictate, and he must fear Allah, his Lord, and diminish not anything of what he owes. But if the debtor is of poor understanding, or weak, or is unable himself to dictate, then let his guardian dictate in justice. And get two witnesses out of your own men. And if there are not two men (available), then a man and two women, such as you agree for witnesses, so that if one of them (two women) errs, the other can remind her. And the witnesses should not refuse when they are called on (for evidence). You should not become weary to write it (your contract), whether it be small or big, for its fixed term, that is more just with Allah; more solid as evidence, and more convenient to prevent doubts among yourselves, save when it is a present trade which you carry out on the spot among yourselves, then there is no sin on you if you do not write it down. But take witnesses whenever you make a commercial contract. Let neither scribe nor witness suffer any harm, but if you do (such harm), it would be wickedness in you. So be afraid of God; and God teaches you. And God is the All-Knower of each and everything.

Qur'an 2:223—Your wives are a tilth for you, so go to your tilth when or how you will, and send (good deeds, or ask Allah to bestow upon you pious offspring) before you for your own selves. And fear Allah, and know that you are to meet Him (in the Hereafter), and give good tidings to the believers (O Muhammad).

Qur'an 4:34—Men are in charge of women, because Allah hath made the one of them to excel the other, and because they spend of their property (for the support of women). So good women are obedient, guarding in secret that which Allah hath guarded. As for those from whom you fear rebellion, admonish them and banish them to beds apart, and scourge them. Then if they obey you, seek not a way against them.

Sahih al-Bukhari 2658—The Prophet said: “Isn't the witness of a woman equal to half of that of a man?” The women said: “Yes.” He said: “This is because of the deficiency of a woman's mind.”

Sunan Abu Dawud 2159—Ibn Abbas said: Ibn Umar misunderstood (the Qur'anic verse, “so come to your tilth however you will”)—may Allah forgive him. The fact is that this clan of the Ansar who were idolaters lived in the company of the Jews who were the people of the Book. They (the Ansar) accepted their superiority over themselves in respect of knowledge, and they followed most of their actions. The people of the Book (i.e. the Jews) used to have intercourse with their women on one side alone (i.e. lying on their backs). This was the most concealing for (the vagina of) women. This clan of the Ansar adopted this practice from them.

But this tribe of the Quraish used to uncover their women intensely, and seek pleasure with them from in front and behind and laying them on their backs. When the Muhajirun (the Immigrants) came to Medina, a man married a woman of the Ansar. He began to do the same kind of action with her, but she disliked it, and said to him: We were approached on one side (i.e. lying on back); do it so, otherwise keep away from me. This matter of theirs spread widely, and it reached the Apostle of Allah. So Allah, the Exalted, sent down the Qur'anic verse: "Your wives are a tilth to you, so come to your tilth however you will," i.e. from in front, from behind or lying on the back. By this the verse meant the place of the delivery of the child, i.e. vagina.

Sunan Ibn Majah 1853—It was narrated that Abdullah bin Abu Awfa said: “When Mu’adh bin Jabal came from Sham, he prostrated to the Prophet, who said: “What is this, O Mu’adh? He said: ‘I went to Sham and saw them prostrating to their bishops and patricians (i.e. aristocrats), and I wanted to do that for you.’ The Messenger of Allah said: ‘Do not do that. If I were to command anyone to prostrate to anyone other than Allah, I would have commanded women to prostrate to their husbands. By the One in Whose Hand is the soul of Muhammad! No woman can fulfill her duty towards Allah until she fulfills her duty towards her husband. If he asks her (for intimacy) even if she is on her camel saddle, she should not refuse.”

Jami at-Tirmidhi 1160—Talq bin Ali narrated that the Messenger of Allah said: “When a man calls his wife to fulfill his need, then let her come, even if she is at the oven.”

Sahih al-Bukhari 5825—Narrated Ikrima: Rifaa divorced his wife whereupon Abdur-Rahman married her. Aisha said that the lady came wearing a green veil and complained to her (Aisha) and showed her a green spot on her skin caused by beating. It was the habit of ladies to support each other, so when Allah’s messenger came, Aisha said, “I have not seen any woman suffering as much as the believing women. Look! Her skin is greener than her clothes!” When Abdur-Rahman heard that his wife had gone to the prophet, he came with his two sons from another wife. She said, “By Allah! I have done no wrong to him, but he is impotent and is as useless to me as this,” holding and showing the fringe of her garment. Abdur-Rahman said, “By Allah, O Allah’s messenger! She has told a lie. I am very strong and can satisfy her, but she is disobedient and wants to go back to Rifaa.” Allah's messenger said to her, “If that is your intention, then know that it is unlawful for you to remarry Rifaa unless Abdur-Rahman has had sexual intercourse with you.” The prophet saw two boys with Abdur-Rahman and asked (him), “Are these your sons?” On that Abdur-Rahman said, “Yes.” The prophet said, “You claim what you claim (that he is impotent)? But by Allah, these boys resemble him as a crow resembles a crow.”

“Ice cream names need to be memorable. For those with a rich imagination, various associations might arise, but this product is for children and is a long way from politics,” it said.

A U.S. official who spoke to Reuters on the condition of anonymity didn’t find the lightheartedness in it.

“While I haven’t seen this particular product for sale, we are disappointed by the media-driven anti-Americanism that has become so prevalent in Russia over the past few years, particularly when it takes on a discriminatory or racist bent,” they said.

In the May Issue of *The Complete Obama Timeline*, at http://thecompleteobamatimeline.com/uploads/3/4/8/7/34872825/may2016_0509.pdf Don Fredrick writes the key to understanding Barack Hussein Obama:

Obama's despicable, "You didn't build that" has been joined by an equally despicable, "You're just lucky." From Obama's perspective, anyone who has had any degree of success owes it to the government and to dumb luck. It is Marxism that drives his remarks; the more people can be led to believe they may not actually be entitled to everything they have, the easier it is to take it away from them. (That is the whole point of the "white privilege" propaganda being spread across college campuses: "You didn't earn that! You have it only because your skin is white.")

There is a deep psychological element to Obama's remarks. He understands that he did not earn the White House in the traditional sense (he had no record of accomplishments); rather, he manipulated his way into the Oval Office it by lying to the voters and appealing to their emotions. Subconsciously, Obama understands that because he never earned anything (since childhood, everything he ever had was given to him or stolen for him, from his education to mortgage deals to credit for legislation

he did not write), everyone else must necessarily have proceeded through life the same way. Thus, Obama cannot believe that others earned anything either. Anyone else who is a success must necessarily be, like him, a thief or a con man—or simply lucky. As a result, it is perfectly logical for Obama to believe in an ideology that takes from the “lucky” wealthy and gives to the “unlucky” poor because, in his mind, it is unfair that some are luckier than others. It is not unfair to tax someone’s “earnings” if they are only “luckings.”

Stuxnet on a plane? "Severe turbulence" suspicious

06 May 2016 Jim Stone

<http://82.221.129.208/ifyouareinamericayouprobablycantseethisw5.html>.

Severe turbulence stories for TWO, not just one, Airbus airliner are too similar and too close together to avoid suspicion, most likely someone is playing around

Scenario 1: On Wednesday May 4, 2016 an Airbus A320, flight EY474 from Abu Dhabi to Jakarta encountered severe and unexpected clear weather turbulence about 45 minutes before its arrival at Soekarno-Hatta International Airport. [Several people were severely injured and hospitalized](#).

Scenario 2: On Thursday, May 5, 2016 an Airbus A319, Allegiant Airlines flight 7001 from Punto Cana to Pittsburgh encountered severe and unexpected clear weather turbulence and was forced to land in Florida. [Several people were seriously injured and hospitalized](#).

Two nearly identical "turbulence" scenarios that resulted in serious injuries in completely different parts of the world with two very similar aircraft from the same manufacturer happened a day apart. YEAH RIGHT. SOMEONE IS PLAYING AROUND WITH A NEW CYBER TERROR TOY or using an old terror toy to prime the public conscience for an upcoming huge event.

Pilots have to fly planes responsibly. Any aircraft, (except for those that have computers to prevent it, like Airbus aircraft have) can be flown to its destruction by the pilot. Airbus has a computer controlled limit at 3 G's of force, and Boeing, which has no limit can be pushed to 7+ G's (where presumably the wings will snap off). That is irrelevant however in this case. What is relevant is the fact that ANY plane can be instructed to fly in a destructive way. And if someone now has a hack on Airbus, they can take over the planes via remote, and give the pilots and passengers one hell of a "turbulence" ride.

No pilot or passenger is going to know the difference between the plane being instructed to rapidly bob up and down, or if real wind turbulence did it. Any of the passenger aircraft flying nowadays can hit positive and negative G forces that will totally mess up the passengers if the pilots, (or hackers) choose to cause it. And that is what I am suspecting in these two cases, they happened too close together in time (a day apart), they were both clear weather incidents, and they happened with aircraft that were too similar and from the same manufacturer.

It looks very suspicious, and is definitely possible. And guess what? As bad as these stories sound, both of these airbus never hit more than +-1.5 g's of force. If you are not belted in that is all it will take to make everyone fly out of their seats.

Trump has a Boeing, which can hit the full 7 g's. What is going to happen if that gets hacked, and told to bob around with let's say +- 3-5 g's of force for a minute or two while the pilots are buckled in? Trump and everyone else except the pilots would be hamburger. Trump would be dead and the pilots would still land the plane in one piece, so people could not say "conspiracy plane crash" AND THESE "TURBULENCE" STORIES MIGHT BE THE PRECEDENT FOR DOING EXACTLY THAT.

PEOPLE NEED TO TELL TRUMP TO WATCH HIS BUTT WHILE FLYING, AND TO BUCKLE IN.

JT: I don't often rely on articles from Jim Stone. However, this is one article with content that I find likely to happen.

JT: This is an article about Donald Trump in 1988 it appeared at the end of the previous article.

Orthodox Child with Rare Ailment is Rescued Aboard Tycoon's Jet
July 20, 1988
NEW YORK (Jul. 19)
The private Boeing 727 of real estate tycoon Donald Trump arrived from Los Angeles at LaGuardia Airport Tuesday morning, carrying aboard an Orthodox Jewish child with a rare and still undiagnosed breathing illness.

The child, Andrew Ten, age 3, arrived with his parents - accompanied by three nurses who attend to him around the clock - to try to seek medical help in the New York area.

Trump made his plane available for the special trip to New York after the boy's parents, Judy and Harold Ten, called Trump and told him of their plight.

Commercial airlines refused to fly the child because he could not travel without an elaborate life-support system, which includes a portable oxygen tank, a suction machine, a breathing bag and an adrenaline syringe.

Mr. Trump did not hesitate when we called him up. He said "yes, I'll send my plane out," 29-year-old Harold Ten recalled shortly after he landed here Tuesday morning.

Asked why he thought Trump made his private jet available, Ten replied, "Because he is a good man. He has three children of his own and he knows what being a parent is all about."

The following warning statement to Donald Trump is from London's newly-elected Muslim mayor, Sadiq Khan. (<http://www.ad-hoc-news.de/sadiq-khan-donald-trump-s-ignorant-view-of-islam-could--/de/News/49607378>)

“Donald Trump’s ignorant view of Islam could make both of our countries less safe—it risks alienating mainstream Muslims around the world and plays into the hands of extremists. Donald Trump and those around him think that Western liberal values are incompatible with mainstream Islam—London has proved him wrong.”

JT: Sadiq Khan! Read this and put it in the disintegrating grey cells between your ears. You, in the past have, among others

- defended the 9/11 killer Zacarias Moussaoui, and called moderate Muslims “Uncle Toms”.
- spoke at a CAGE rally – the extremist group that nurtured British Isis killer Jihadi John. ([here](#))
- was the lawyer for the Nation of Islam in its successful High Court bid to overturn the 15-year-ban on its leader, Louis Farrakhan.
- [visited terror-charged Babar Ahmad](#) in Woodhill Prison. Mr. Ahmed was extradited to the U.S. in 2012, serving time in prison before being returned to the UK in 2015. Mr. Ahmed pleaded guilty to the terrorist offences of conspiracy and providing material support to the Taliban.
- campaigned for the release and repatriation of Shaker Aamer, Britain’s last Guantanamo detainee, who was returned to the UK in November.
- [shared a stage with five Islamic extremists](#), including at sex-segregated events. Even so, his poll numbers remained firm until election day.
- wrote a [letter](#) to the *Guardian* in the wake of the 7/7 terrorist bombings on London, blaming terrorism on British government policy;
- wrote a [chapter](#) in a book, entitled “Actions Against the Police,” which advises on how to bring charges against the police for “racism.” This is the same police force that Mr. Khan as London mayor would exercise authority over;
- defended Islamist extremist Azzam Tamimi. When Dr. Tamimi told a crowd that the publication of cartoons of the Prophet Muhammed would “cause the world to tremble” and predicted “Fire... throughout the world if they don’t stop,” Mr. Khan, who shared a platform with him, dismissed the threats as “flowery language.”

- Shared a political stance with Suliman Gani, a south London imam who has urged female subservience to men and called for the founding of an Islamic state.

(For these and more go to <http://pamelageller.com/2016/05/muslim-anti-semite-elected-london-mayor.html/>.)

Sadiq Khan, I accuse you of being a typical ignoramus ignorant of Islam because you and those like you have been brainwashed by 1400-plus years of propaganda from a sick, epileptic, psychopath. What Muhammad called submission to Allah's will was in reality submission to his will. Sadiq Khan! If you believe in Muhammad, then you believe

- that kafirs must be killed,
- that it is okay to marry nine-year old girls and cause them to give pre-teen births,
- that it is okay to have sex with camels, goats, and/other animals, as Ayatollah Khomeini sanctioned because Islam sanctions it,
- that it is okay to have more than one wife,
- that it is okay to marry one's close relatives, that it is okay to beat your wife, that homosexuals and lesbians must be killed,
- that it is a holy act to fast during the days of Ramadan and then gouge yourself full with food during the evening and nights of Ramadan,
- that it is okay to go on jihad against everything that is non-Muslim.
- that it is okay to kill Jews,
- all of the crap that even came out of Islam,
- on and on **ad infinitum!**

Sadiq Khan! You are of a demented condition. Here are some Muslim wishes for you:

- *May your armpits become infested with the fleas of a thousand camels!*
- *May a thousand Muslim home-made bombs explode in your house!*
- *Get out of London and stay out of London!*

Of course they're coming to the USA after having gone to Sweden, France, Germany, England. They are Al-Capone-style Muslim progressives!

Choose Wisely

Donald Trump may be a mediocre president, or he may be a great president. Hillary Rodham Clinton, on the other hand, will most definitely be a monumentally terrible president.

Your choice on November 8 is to drink from either Glass A or Glass B. Glass A may contain poison or it may be a magic elixir that keeps you healthy well into your nineties. But Glass B definitely contains poison.

Which glass would you select?

Some will say, "Oh, I'm way too smart to choose Glass B!" yet lack the courage to drink from Glass A. But they do not understand the situation: if you refuse to drink from either glass, the contents of Glass B will be poured down your throat.

Choose wisely, voters.

Disintegrating Sweden: Visit Number Four

Remember Mona Salin, the Swedish bosom friend of peaceful and tolerant Muslims? Well, according to <http://www.aftonbladet.se/nyheter/article22760205.ab>, Mona Salin resigned as **National coordinator against violence affirmative extremism** due to "untrue confirmation" (=forgery), in order to help* an ex. bodyguard (a police inspector!) to buy a very expensive house. See also: www.svd.se/har-blivit-en-del-av-sahlins-sorgliga-monster and <http://www.friatider.se/mona-sahlin-skrev-falskt-intyg-at-livvakt>

She falsely stated that her ex-body guard and "associate" had an income (a too high present income) that did not match what he actually received. Mona risks two years in prison, *Insha' Allah!* (Allah willing). Of course she did it out of pure love and understanding.

According to <http://www.aftonbladet.se/nyheter/article22763547.ab>, her body guard has also resigned his position. Methinks he did it out or love and understanding. Well, that makes that makes two stupid socialistic flies swatted in one smash - just great!

It seems that the Swedish moderates have hushed down their Islamist scandal. This is Abdirizak Waberi, a Swedish (!!!???) Islamic moderate (contradiction in terms) politician who has disappeared from Swedish politics without any Swedish media attention due to his ties with Islamists. Apparently he was/is expendable. The Swedish parliament president Hanif Bali (Swedish !!!???) also no ethnic Swede https://en.wikipedia.org/wiki/Hanif_Bali, says that Abdirizak Waberi is no longer welcome to be a candidate for the Swedish parliament. <http://www.friatider.se/islamistisk-m-politiker-petades>.

Muslim hugger Åsa Romson (with the phony title "Vice PM") steps down from her government post. <http://www.aftonbladet.se/nyheter/article22783352.ab>. The reason: She wants to give her party, the Greens, and new starting slate. Here are the reasons why the Swedish Greens need a new start! <http://www.thelocal.se/20160506/swedens-green-party-tumbles-towards-trapdoor>.

<http://pamelageller.com/2016/05/sweden-mother-opens-home-to-refugee-who-sexually-assaults-10-year-daughter.html/>

Evidently the Swedish mom failed to understand Muslim culture and that Muslim men always try to emulate Muhammad, who had sex with Aisha when she was nine years old!

<http://avpixlat.info/2016/05/10/norge-i-chock-over-tillstandet-i-sverige/> Do a google translation into English and you will learn that Norway is in shock over the situation in Rinkeby (suburb to Stockholm) where Swedish law cease to apply and the police have lost control. This is a horror example of how bad things can turn when migrant policy and the political correctness is allowed to go amuck.

Have you ever seen a Swedish woman who has enjoyed the peacefulness and toleration of Muslim immigrants/asylum seekers in Sweden? Here is a photo of such a woman:

<http://www.aftonbladet.se/nyheter/krim/article22796692.ab>

In January an 88 year-old Swedish woman was robbed and beaten bloody in her Stockholm home. The perpetrators? Peaceful and tolerant Moroccans!!!

<http://www.friatider.se/asylsokare-missnojda-med-maten-slog-sonder-porslin-i-protest>

tells us that the poor refugees possibly suffering from PTSD didn't like the food they were served at the asylum housing so the smashed the porcelain in protest!

As far as I 'm concerned, they can eat off the floor with their hands!

.....

JT: Well! Well! Well! What has happened on the peaceful-and-tolerant-Islamic-loving-of-their-fellow-human-beings front recently? Here are some peaceful and tolerant accomplishments of Islam during the writing of this issue of Just Thinking from <http://www.thereligionofpeace.com/>. The peaceful and tolerant undertakings were all accomplished with the silent approval of Barack Hussein Obama. He's such a wonderful leader!!!
