JT: This is the new restroom sign in Obama's illegally occupied White House. I think it should be left up to the restrooms to accept whom they want as users. This suggestion is just as logical as Obama's position. By the way, here is another solution for gender safe restrooms: top left to bottom middle: females, males, liberals! Of course, Obama could be Putin-inspired and use signs showing a sign for restrooms with a female symbol and two signs for males, one with cojones and another without cojones! Holocaust Denial and Distortion from Iranian Government and Official Media Sources, 1998-2016

Source: <https://www.ushmm.org/confront-antisemitism/holocaust-denial-and-distortion/iran-cartoon-exhibition/antisemitism-and-holocaust-denial-today/timeline>.

January 23, 1998: Ali Akbar Hashemi Rafsanjani, president of Iran from 1989–1997, opened an Iranian Al-Quds Day rally dismissing as “Zionist propaganda” the fact that six million Jews died during World War II.

April 20, 1998: The supreme leader of Iran Ayatollah Ali Khamenei met with convicted French Holocaust denier Roger Garaudy, who wrote about “the myth of the six million” Jewish victims in his book *The Founding Myths of Modern Israel*.

January 13, 1998: The author of an article published in the pro-Khamenei and pro-Mahmoud Ahmadinejad (at this time an Iranian politician) newspaper *Resalat* claimed that Roger Garaudy was brought to trial in France even though his findings were not “far from the truth,” and many scholars considered the reported atrocities of Auschwitz to be a “big lie.” Instead of “writing the history” of Nazi crimes, Western scholars “invented history.”

January 19, 1998: On Tehran TV, President Mohammad Khatami described Garaudy as “a thinker” and “a believer” who was prosecuted solely for “displeasing to the West” with his research.

January 14, 1999: An article published in the Iranian newspaper *Jomhuri-ye Islami*, once managed by Ayatollah Ali Khamenei, declared that the “false slogan of the murder of millions of Jews” was a “ridiculous pretext” Zionists used to convince the world of the need for a Jewish State and that anyone who disproved the “historical allegation on the basis of reliable evidence” was silenced under threat of serious consequences.

January–February 2001: An author writing for the government-run *Tehran Times* claimed that only 150,000 prisoners died at Auschwitz and that most deaths could be attributed to disease. Any purposeful killings that took place were only due to “acts of resistance and sabotage.” Another author writing for the *Tehran Times* attested that no evidence existed to confirm the gassing “of even one human being in a German camp” and that German documents “directly refute” the “Holocaust story.”

April 24, 2001: Ayatollah Ali Khamenei claimed the “exaggerated numbers” of Jews killed during the Holocaust were “fabricated to solicit the sympathy of world public opinion, lay the ground for the occupation of Palestine, and justify the atrocities of the Zionists” while speaking at a conference on Palestine in Tehran.

August 2003: The Iranian government invited Gerald Fredrick Töben, the founder of the Australian-based Adelaide Institute, an online and print publication that distributes Holocaust denialist material, to Tehran to speak at the International Conference on the Palestinian Intifada. Courts in Germany and Australia have found Töben guilty of violating Holocaust denial laws. In his

speech to the conference, Töben alleged that Auschwitz was physically too small for killing mass numbers of Jews.

January 26, 2005: The *Tehran Times* ran an op-ed by Hossein Amiri titled “Lies of the Holocaust Industry.”

December 8, 2005: During an Organization of the Islamic Conference meeting in Mecca (now called The Organisation of Islamic Cooperation), Ahmadinejad stated: “Some European countries are insisting on saying that Hitler burned millions of oppressed Jews in crematoria. They insist so much on this issue that if someone proves the opposite, they convict him and throw him into prison.”

December 13, 2005: In a speech made in the Iranian city of Zahedan, Ahmadinejad claimed that the Europeans “created a myth in the name of the Holocaust and valued that higher than God, religion, and the prophets.” This speech was broadcast on Iranian television.

February 6, 2006: Farid Mortazavi, graphics editor of a national Iranian newspaper *Hamshahri*, announced a contest for cartoons about the Holocaust with gold and cash prizes for the winners. The newspaper, which is publicly owned by the city of Tehran and has the highest circulation rate of any paper in Iran, received almost 1,200 submissions from over 60 countries, including cartoons that deny or minimize the Holocaust.

July 2, 2006: The Supreme Leader Sayyid Ali Khamenei referred to “the myth of the massacre of Jews known as the Holocaust” in an address to Iranian Air Force Servicemen.

August 2006: The Saba Art and Cultural Institute in Tehran opened an exhibition, sponsored by Iranian President Ahmadinejad, of a selection of 200 cartoons from the February 2006 Holocaust cartoon contest.

December 11–12, 2006: The Iranian Foreign Ministry's Institute for Political and International Studies (IPIS) held a conference promoting Holocaust denial titled “Review of the Holocaust: Global Vision.” Rasoul Mousavi, head of the IPIS, referred to the conference as an opportunity for discussion on the Holocaust “away from Western taboos and the restrictions imposed on them in Europe.” Sixty-seven participants from thirty countries attended. Participants included former Ku Klux Klan leader and Holocaust denier David Duke, French Holocaust denier Robert Faurisson, and officials of the neo-Nazi German National Democratic Party (NPD) among others.

2006/2007: The state-run Political Science & Research Institute (PSRI) published Mohammed Taghi Taghipour’s book *Beyond the Holocaust Scene*. The author

argued that no Nazi plan to eliminate all Jews ever existed and that any deaths in Nazi prisoner of war camps were due to typhus.

January 7, 2007: The organizer of the “Review of the Holocaust: Global Vision” conference, Mohammad Ali Ramin, an Iranian politician, political analyst, author, and former Deputy Minister of Culture and presidential advisor under Ahmadinejad, announced the creation of the “World Foundation for Holocaust Research” with himself as the director.

January 26, 2007: Iran attacked UN Resolution 61/255 against Holocaust denial, saying that the Holocaust should be examined to determine its scope.

February 15, 2007: 103 Iranians in Europe and North America published a statement in *The New York Review of Books* condemning the government’s 2006 Holocaust conference and deploring the fact that Holocaust denial “has become a propaganda tool that the Islamic Republic of Iran is using to further its own agendas.”

September 6, 2012: Mark Weber of the California-based Institute for Historical Review (IHR), which publishes material and sponsors conferences denying the Holocaust, visited Iran and spoke at Tehran University.

September 25, 2013: In an interview on CNN with Christiane Amanpour, Iranian President Hassan Rouhani condemned the Holocaust stating: “I can tell you that any crime that happens in history against humanity, including the crime the Nazis created towards the Jews as well as non-Jews is reprehensible and condemnable. Whatever criminality they committed against the Jews, we condemn.” Iranian media later accused CNN of fabricating Rouhani’s comments.

March 20, 2014: In his official 2014 Nowruz address, Ayatollah Ali Khamenei remarked: “The Holocaust is an event whose reality is uncertain and if it has happened, it’s uncertain how it has happened.”

April 1, 2015: Two government-sponsored Iranian cultural organizations announced a second Holocaust cartoon contest, expecting to receive entries from cartoonists in dozens of countries.

December 16, 2015: Organizers of the 11th Tehran International Cartoon Biennial announced a cash prize of \$50,000 for the best cartoon on the Holocaust.

January 27, 2016: On International Holocaust Remembrance Day, Supreme Leader Ayatollah Ali Khamenei released a video titled “Holocaust: Are the Dark Ages Over?” on his website, which included his comments from 2014 questioning the Nazi mass slaughter of more than six million Jews during World War II. In the video, Khamenei remarks: “No one in European countries

dares to speak about the Holocaust, while it is not clear whether the core of this matter is clear or not. Even if it is a reality, it is not clear how it happened. Speaking about the Holocaust and expressing doubts about it is considered to be a great sin. If someone does this, they stop, arrest, imprison, and sue him. This is while they claim to be the supporters of freedom. This is the ignorance that exists in today's world." On the same day, UNESCO Director-General Irina Bokova met with Iranian President Hasan Rouhani and raised the problem of the Holocaust cartoon exhibition then scheduled for June of 2016.

May 14, 2016: An exhibition displaying 150 Holocaust cartoons from the 11th Tehran International Cartoon Biennial will open in Tehran in the art section of the Islamic Propaganda Organization. This date was chosen to coincide with the date of Israel's Declaration of Independence.

JT: This is not even one percent of what the followers (Muslims) of the moon-and-war deity Allah believe. They are insults to all of the direct victims and indirect victims of the Holocaust.

JT: Spontaneous thought: What is America about? It's about life, liberty, happiness, and the pursuit of all who threaten it.

JT: So! ... You think progressives are intelligent. You won't think so after you read these:

1. [Sheryl Crow](#) on Environmentalism: "I propose a limitation be put on how many squares [sic] of toilet paper can be used in any one sitting. Now, I don't want to rob any law-abiding American of his or her God-given rights, but I think we are an industrious enough people that we can make it work with only one square per restroom visit, except, of course, on those pesky occasions where 2 to 3 could be required."

2. [Joe Biden](#) on culturalism: "In Delaware, the largest growth of population is Indian Americans, moving from India. You cannot go to a 7/11 or a Dunkin' Donuts unless you have a slight Indian accent. I'm not joking."

3. [Whoopi Goldberg](#) on 43-year-old Roman Polanski raping and sodomizing a 13-year-old girl: "I know it wasn't rape-rape. It was something else but I don't believe it was rape-rape. He went to jail and [sic] when they let him out he was like "You know what this guy's going to give me a hundred years in jail I'm not staying, so that's why he left."

4. [Joy Behar](#) on Economics: "Isn't it a little [racist](#) to call it Black Friday?"

5. [John Conyers](#) on the Health Care Bill, which he voted for: "I love these members, they get up and say, 'Read the bill ... What good is reading the bill if it's a thousand pages and you don't have two days and two lawyers to find out what it means after you read the bill?'"

6. Former DNC Chairman [Donald Fowler](#) on possible delay of RNC convention due to Hurricane Gustav: "Plus they think the hurricane's going to hit (starts laughing) New Orleans about the time they start. The timing, at least it appears now, that it'll be there Monday. That just demonstrates God's on our side"
7. [Barack Obama](#): "I've now been in 57 states? I think one left to go?"
8. [John Kerry](#) on the troops: "You know, education, if you make the most of it, you study hard, you do your homework and you make an effort to be smart, you can do well. If you don't, you get stuck in Iraq."
9. [Howard Dean](#): "We know that no one person can succeed unless everybody else succeeds."
10. [Rosie O'Donnell](#): "Don't fear the terrorists. They're mothers and fathers."
11. [Al Gore](#): "During my service in the United States Congress, I took the initiative in creating the Internet."
12. Congressman [Hank Johnson](#) on Guam: "My fear is that the whole island will become so overly populated that it will tip over and capsize,"
13. [Alan Grayson](#) on Health Care: "The Republican health care plan: don't get sick ... The Republicans have a back up plan in case you do get sick ... This is what the Republicans want you to do. If you get sick America, the Republican health care plan is this: Die quickly!"
14. [Nancy Pelosi](#) on the economy: "every month that we do not have an economic recovery package 500 million Americans lose their jobs."
15. [Helen Thomas](#): Jews should "get the hell out of Palestine" and "[go home](#)" to Germany and Poland.
16. [Wanda Sykes](#): "I think Rush Limbaugh was the 20th hijacker but he was just so strung out on Oxycontin he missed his flight ... Rush Limbaugh -- I hope the country fails. I hope his kidneys fail, how about that? He needs a waterboarding, that's what he needs."
17. [Bill Clinton](#) on ordinary Americans: "African Americans watch the same news at night that ordinary Americans do."
18. [Barack Obama](#) on a tornado that killed twelve people: "In case you missed it, this week, there was a tragedy in Kansas. Ten thousand people died - an entire town destroyed"
19. [Harry Reid](#) on Iraq: "This war is lost and the surge is not accomplishing anything."
20. [Kanye West](#): "George Bush doesn't care about black people."
21. [Joe Biden](#) on the economy: "The number one job facing the middle class, and it happens to be, as Barack says, a three-letter word: jobs. J-O-B-S."
22. [Bill Maher](#) on Christianity: "I think religion is a neurological disorder."

23. [Joe Biden](#) on History: "When the stock market crashed, Franklin D. Roosevelt got on the television and didn't just talk about the, you know, the princes of greed. He said, 'Look, here's what happened.'"
24. [Ted Rall](#): "Over time, however, the endless war in Iraq began to play a role in natural selection. Only idiots signed up; only idiots died. Back home, the average I.Q. soared."
25. [Michael Moore](#) on terrorism: "There is no terrorist threat. Yes, there have been horrific acts of terrorism and, yes, there will be acts of terrorism again. But that doesn't mean that there's some kind of massive terrorist threat."
26. [Henry Waxman](#) on Environmentalism: "We're seeing the reality of a lot of the North Pole starting to evaporate, and we could get to a tipping point. Because if it evaporates to a certain point - they have lanes now where ships can go that couldn't ever sail through before. And if it gets to a point where it evaporates too much, there's a lot of tundra that's being held down by that ice cap."
27. [Marion Barry](#), former mayor of Washington, DC: "If you take out the killings, Washington actually has a very low crime rate."
28. California Senator [Barbara Boxer](#): "Those who survived the San Francisco earthquake said, 'Thank God, I'm still alive.' But, of course, those who died, their lives will never be the same again."
29. [Wesley Bolin](#), former governor of Arizona: "We'd like to avoid problems, because when we have problems, we can have troubles."
30. Senator [Chris Dodd](#), while on the campaign trail: "Eight more days and I can start telling the truth again" Sen. Chris Dodd, on the campaign trail.
31. [Melissa Lafsky](#), Huffington Post blogger: "[Mary Jo] would have thought about arguably being a catalyst for the most successful Senate career in history ... Who knows -- maybe she'd feel it was worth it."
32. [Joe Biden](#) on the passage of the Health Care Bill: "This is a big f...ing deal!"
33. [Bill Clinton](#): "It all depends on what the meaning of the word 'is' is."
34. [Jerry Brown](#), former governor of California, and current candidate for the same position: "The conventional viewpoint says we need a jobs program and we need to cut welfare. Just the opposite! We need more welfare and fewer jobs."
35. Democratic Convention producer [Don Mischer](#), overheard on CNN having an apoplectic seizure when the balloons failed to drop from the ceiling of the Fleet Center in Boston: "Go, balloons. I don't see anything happening. Go, balloons. Go, balloons. Go, balloons. Stand by, confetti. Keep coming, balloons. More balloons. Bring them. Balloons, balloons, balloons! More balloons. Tons of them. Bring them down. Let them all come. No confetti. No confetti yet. No confetti. All right. Go, balloons. Go, balloons. We're getting more balloons. All balloons. All balloons should be going. Come on, guys! Let's move it. Jesus! We need more balloons. I want all balloons to go. Go, confetti. Go, confetti. Go, confetti. I want more balloons. What's happening to the balloons? We need more balloons. We need all of them

coming down. Go, balloons. Balloons. What's happening balloons? There's not enough coming down. All balloons! Why the hell is nothing falling? What the f--- are you guys doing up there? We want more balloons coming down. More balloons. More balloons."

36. [Marion Barry](#), former mayor of Washington, DC: "I am clearly more popular than Reagan. I am in my third term. Where's Reagan? Gone after two! Defeated by George Bush and Michael Dukakis no less."

37. [Bill Clinton](#): "I have never had sexual relations with Monica Lewinsky. I've never had an affair with her."

38. [Joe Biden](#), on the mother of Irish Prime Minister Brian Cowen, who is, in fact, still alive: "His mom lived in Long Island for ten years or so. God rest her soul. And- although, she's- wait- your mom's still- your mom's still alive. Your dad passed. God bless her soul."

39. [Al Gore](#) on zoology: "A zebra does not change its spots."

40. [Rod Blagojevich](#), former governor of IL: "I'm blacker than Barack Obama. I shined shoes. I grew up in a five-room apartment. My father had a little laundromat in a black community not far from where we lived. I saw it all growing up."

41. Congresswoman [Debbie Wasserman Schultz](#) on the newly passed health care law: "We actually have not required in this law that you carry health insurance."

42. Congressman [John Dingell](#) on freedom: "The harsh fact of the matter is when you're passing legislation that will cover 300 million American people in different ways, it takes a long time to do the necessary administrative steps that have to be taken to put the legislation together *to control the people*."

43. Former Congressman [Eric Massa](#): "Now, they're saying I groped a male staffer. Yes, I did. Not only did I grope him, I tickled him until he couldn't breathe and four guys jumped on top of me. It was my 50th birthday."

➤ "The ending of Hillary Clinton's bid for President of the United States of

America is a very serious issue that goes far beyond politics and or a voter's allegiance to any particular political party's candidates.

The issue is very clear, and promulgates the question; can we justify allowing a criminal, any criminal, to step in to the Whitehouse as President, giving him or her full authority to run our country?

Hillary Clinton is a criminal. To stand idly by and do nothing about our establishment and its law enforcement, i.e. the FBI and US Department of Justice departments, refusal to prosecute Crooked Hillary Clinton, is an acceptance of allowing a criminal to run our country.

Hillary horror! 'Get those f-ing retards out of here'

Shocking insider account details explosive fits of rage

"When are they going to get those f-ing ree-tards out of here?!"

Those are said to be the infamous words of Hillary Clinton - also known as Arkansas' "Mother of the Year" in 1984 - when Hillary reportedly grew frustrated that handicapped children weren't collecting their Easter eggs quickly enough on the lawn of the Arkansas governor's mansion.

"[T]he children were having a wonderful time. But they were having a v-e-r-y, v-e-r-y, v-e-r-y s-l-o-w time of finding and picking up the Easter eggs," wrote Dolly Kyle - a childhood sweetheart of Bill Clinton who had a 33-year relationship with him - in her new book, "Hillary - the Other Woman: A Political Memoir."

Kyle recounted the story as told to her by Arkansas State Police troopers and Louise, a mutual friend of both Kyle and the Clintons and a longtime advocate of what was then the Arkansas Association for Retarded Citizens.

"Hillary had enough. She stomped up the grass to the shaded veranda on the back of the mansion ... and accosted one of the troopers," Kyle wrote. "At this point the story diverges a bit. Some people say there was an open microphone; others said that Hillary could be heard across the yard because she was yelling. ... At any rate, the

frustrated Me-First Lady demanded, 'When are they going to get those f-ing ree-tards out of here?'"

Voted NO on prohibiting minors crossing state lines for abortion.

Voted YES on expanding research to more embryonic stem cell lines.

Voted NO on notifying parents of minors who get out-of-state abortions.

Voted NO on criminal penalty for harming unborn fetus during other crime.

Voted NO on banning partial birth abortions except for maternal life.

Recommended by EMILY's List of pro-choice women, rated 100% by NARAL, indicating a pro-choice voting record.

And because Hillary is seeking the best position politically, she is presenting herself as a "moderate", lying about her voting record, and repeating the mantra: "Abortion should be safe, legal, and rare".

(http://www.ontheissues.org/2016/Hillary_Clinton_Abortion.htm)

➤ New York Times hit piece on Trump backfires!

The New York times interviewed Trump's ex-girlfriend and lied about what she said in their hit piece "Crossing the Line: How Donald Trump Behaved With Women in Private". They are desperately grasping at straws for anything they can to bash Trump, they shredded him in that hit piece only to have the girl they misquoted get invited to Fox News this morning, where she said they lied about everything!

<http://www.politico.com/story/2016/05/ex-trump-girlfriend-new-york-times-223205>.

➤ Gay/trans agenda pushing is probably an act of desperation before a Trump presidency

The zio clan might actually be deeply afraid of a Trump presidency. Trump had a lot of blunders in his speech that let the truth out about what a Trump presidency means. The most key blunder was when he said women should be jailed for abortion, and then backed off to only doctors being jailed a blind man could read between the lines with those statements

And so the elite, who want America's morality smashed that last step into the gutter are pushing the gay/trans issue as hard as they can. Out of the blue, Obama made it mandatory for all schools to have tri-gender bathroom policies. Girls will be showering with boys. Trans-gender books are now being read by third graders:

"A Michigan school has been incorporating LGBT awareness into its curriculum. They're doing so via a book about a "boy in drag dress." Apparently it's a big issue for third graders. As in 8/9-year-olds.

"Morris Micklewhite and the Tangerine Dress" is a children's book about a young boy who likes to wear a dress to school. He also wears high heels and fingernail polish. Morris finds himself isolated and ridiculed but eventually convinces his classmates that he is just a boy who happens to like to wear a dress the color of a tiger and his mother's hair and they eventually accept him."

And then there is the Target bathroom issue, which they are not backing off on. Women are now even facing the draft. They are ram rodding the "gender neutral" policies through at an extremely accelerated pace, and most likely they have stepped up the aggression in this area in preparation for a loss to Trump.

Now we know beyond all doubt where the elite want to take our morality - straight to the lowest possible denominator, in fact, down to no denominator at all. If you think they are going to stop with the gay-trans issue, just wait - let them win with it, and see where they take things next. Truly, there will be no bottom in sight.

All patriotic Americans should pay compliments to Obama on his doing so much for inclusion in America!!! ... , although at most, a fake "temporary White House resident" for those of us who know that the *Constitution for the United States of America* explicitly say such, has to spend his tax-dollar-supported term at doing more than just playing golf!!!

JT: Well! Well! Well! What has happened on the peaceful-and-tolerant-Islamic-loving-of-their-fellow-human-beings front since the last Just Thinking? Here are some peaceful and tolerant accomplishments of Islam during the writing of this issue of Just Thinking from <http://www.thereligionofpeace.com/>.

The peaceful and tolerant undertakings were all accomplished with the silent approval of Barack Hussein Obama. He's such a wonderful leader!!! Barack Hussein Obama loves Islamic atrocities!

Disintegrating Sweden: Visit Number Five

Obama hosted representatives from Nordic countries who lined up like nice school boys and a school girl to listen to Obama's drivel with embedded "home lessons" to implement when he is back again from playing golf.

JT: In his welcome message Obama says, "And we (the USA and Nordic countries) believe in the inherent dignity of every human being. We believe in pluralism and tolerance and respect for free speech and freedom of religion. It's why we welcome the refugee who seeks a better life. It's why we stand up for human rights around the world. The refugees Obama refers to are Muslims refugees from Muslim countries. Therefore, this question is appropriate: Did Obama invite his Nordic guests because he wanted to thank them for playing a major role in destroying Nordic cultures?"

For example, let us look at the situation of multiculturalism in Sweden. "Forty years after the Swedish parliament unanimously decided to change the formerly homogenous Sweden into a multicultural country, violent crime has increased by 300% and rapes by 1,472%. Sweden is now number two on the list of rape countries, surpassed only by Lesotho in Southern Africa."

BEATING Muhammad beat his wives.

... He (Muhammad) struck me (Aisha) on the chest which caused me pain ... (Muslim: bk. 4, no. 2127)

Muhammad's companions also beat his wives and other women.

... (Umar) found the Prophet sitting sad and silent with his wives around him. ... (Umar) decided to say something which would make the Prophet laugh, so he said, "Messenger of God, I wish you had seen the daughter of Kharija when she asked me for extra money and I got up and slapped her on the neck." God's messenger laughed and said, "They are around me as you see asking for extra money." Abu Bakr then got up, went to A'isha and slapped her on the neck, and Umar did the same to Hafsa. (Mishkat Al-Masabih: vol. 2, p. 690; Muslim: bk. 9, no. 3506, Siddiqui)

Narrated Aisha: A necklace of mine was lost at Al-Baida' and we were on our way to Medina. The Prophet made his camel kneel down and dismounted and laid his head on my lap and slept. Abu Bakr came to me and hit me violently on the chest and said, "You have detained the people because of a necklace." ... (Bukhari: vol. 6, bk. 60, no. 132, Khan)

Muhammad's companions beat their own wives.

Iyas b. Abdullah reported God's messenger as saying, "Do not beat God's handmaidens;" but when `Umar came to God's messenger and said, "The women have become emboldened towards their husbands," he gave licence to beat them. Then many women went round God's messenger's family complaining of their husbands, and he said, "Many women have gone around complaining of their husbands. Those are not the best among you." Abu Dawud, Ibn Majah, and Darimi transmitted it. (Mishkat Al-Masabih: vol. 2, p. 692)

In the Qur'an Muhammad commanded that beating was part of the process for controlling a rebellious wife.

And those (wives) you fear may be rebellious admonish; banish them to their couches, and beat them. (Qur'an 4:34, Arberry)

`Umar reported the Prophet as saying, "A man will not be asked about why he beat his wife." Abu Dawud and Ibn Majah transmitted it. (Mishkat Al-Masabih: vol. 2, p. 693)

A woman has the right not to be hit in the face.

Hakim b. Mu`awiya al-Qushairi quoted his father as telling that he asked, "Messenger of God, what right can any wife demand of her husband?" He replied, "That you should give her food to eat, clothe her when you clothe yourself, not strike her on the face, and do not revile her or separate from her except in the house." Ahmad, Abu Dawud and Ibn Majah transmitted it. (Mishkat Al-Masabih: vol. 2, p. 691)

The husband's right to beat his wife is Shari'ah law in every school of Islam.

appendix on beat Here is every other use of the word in the imperative 2:60, 2:73, 4:34, 7:160, 8:12, 18:32, 18:45, 20:77, 26:63, 36:13, 38:44 Volume 6, Book 60, Number 466: Narrated Abdullah bin Zama: That he heard the Prophet delivering a sermon, and he mentioned the she camel and the one who hamstrung it. Allah's Apostle recited:-- 'When, the most wicked man among them went forth (to hamstrung the she-camel).' (91.12.) Then he said, "A tough man whose equal was rare and who enjoyed the protection of his people, like Abi Zama went forth to (hamstrung) it." The Prophet then mentioned about the women (in his sermon). "It is not wise for anyone of you to lash his wife like a slave, for he might sleep with her the same evening." Then he advised them not to laugh when somebody breaks wind and said, "Why should anybody laugh at what he himself does?"

SATISFYING THE MAN'S SEXUAL DESIRES

The Qur'an, speaking figuratively about sex, says of women:

Women are your fields: go, then, into your fields whence you please. (Qur'an 2:223, Dawood)

Muhammad gave strong warnings to women who would not accommodate their husband's or master's desire.

Talq b. `Ali reported God's messenger as saying, "When a man calls his wife to satisfy his desire she must go to him even if she is occupied at the oven." Tirmidhi transmitted it. (Mishkat Al-Masabih: vol. 2, p. 691)

Narrated Abu Huraira: The Prophet (p.) said, "if a man invites his wife to sleep with him and she refuses to come to him, then angels send their curses on her till morning." (Bukhari: vol. 7, bk. 62, no. 121, Khan)

VIRGIN WOMEN ARE A REWARD IN HEAVEN

Lo! those who kept their duty will be in a place secure amid gardens and water-springs, attired in silk and silk embroidery, facing one another. Even so (it will be). And we shall wed them unto fair ones with wide, lovely eyes. (Qur'an 44:51-54, Pickthall)

Surely for the god-fearing awaits a place of security, gardens and vineyards and maidens with swelling breasts, like of age, and a cup overflowing. (Qur'an 78:31-33, Arberry)

Perfectly We formed them, perfect, and We made them spotless virgins, chastely amorous, like of age for the Companions of the Right. (Qur'an 56:34-35, Arberry)

Anas reported the Prophet as saying, "In paradise the believer will be given such and such power to conduct sexual intercourse." He was asked whether we would be capable of that and

replied that he would be given the capacity of a hundred men. Tirmidhi transmitted it. (Mishkat Al-Masabih: vol. 3, p. 1200)

It has recently been fashionable in some circles to say that the Qur'an does not promise Muslim men virgin women in paradise. Instead it is argued that the word for "spotless virgin/maiden" should be translated as "white raisins". However, just reading these verses in context shows that this is a false translation, for white raisins do not have swelling breasts or are chaste and amorous, and you certainly cannot marry raisins. The inescapable truth is that Muhammad claimed that Allah will reward Muslim men with virgin women in paradise. This is part of the way that Islam thinks about women.

Koran 78:31 As for the righteous, they shall surely triumph. Theirs shall be gardens and vineyards, and high-bosomed virgins for companions: a truly overflowing cup. Koran 37:40-48 ...They will sit with bashful, dark-eyed virgins, as chaste as the sheltered eggs of ostriches. Koran 44:51-55 ...Yes and We shall wed them to dark-eyed houris. (beautiful virgins) Koran 52:17-20 ...They shall recline on couches ranged in rows. To dark-eyed houris (virgins) we shall wed them... Koran 55:56-57 In them will be bashful virgins neither man nor Jinn will have touched before. Then which of the favors of your Lord will you deny ?" Koran 55:57-58 Virgins as fair as corals and rubies. Then which of the favors of your Lord will you deny?" Koran 56:7-40 ...We created the houris (the beautiful women) and made them virgins, loving companions for those on the right hand." Koran 55:70-77 "In each there shall be virgins chaste and fair... Dark eyed virgins sheltered in their tents whom neither man nor Jin will have touched before. Volume 6, Book 60, Number 402: Narrated Abdullah bin Qais: Allah's Apostle said, "In Paradise there is a pavilion made of a single hollow pearl sixty miles wide, in each corner of which there are wives who will not see those in the other corners; and the believers will visit and enjoy them. And there are two gardens, the utensils and contents of which are made of silver; and two other gardens, the utensils and contents of which are made of so-and-so (i.e. gold) and nothing will prevent the people staying in the Garden of Eden from seeing their Lord except the curtain of Majesty over His Face."

MONOGAMY OR POLYGAMY?

Muhammad's Sunnah (practice) was polygamy, the Qur'an instructs about polygamy, there are [Muslim leaders in the West who want polygamy](#), Islam is a polygamist religion, and the Qur'an promises Muslim men many virgins in heaven. From beginning to end, Islam is a polygamous religion.

The Muslim male is allowed multiple wives and an unlimited number of slave girls:

And those (men) who preserve their chastity Save with their wives and those whom their right hands possess, for thus they are not blameworthy. (Qur'an 70:29-30, Pickthall)

However, while Muhammad had many wives and slave girls, and taught this in the Qur'an, he would only allow his son-in-law, Ali, to have one wife. Why? Because Ali was married to Muhammad's daughter, Fatima.

Narrated Al-Miswar bin Makhrama: I heard Allah's Apostle who was on the pulpit, saying, "Banu Hisham bin Al-Mughira have requested me to allow them to marry their daughter to Ali bin Abu Talib, but I don't give permission, and will not give permission unless 'Ali bin Abi Talib divorces my daughter in order to marry their daughter, because Fatima is a part of my

body, and I hate what she hates to see, and what hurts her, hurts me." (Bukhari: vol. 7, bk. 62, no. 157, Khan)

What hypocrisy!

Polygamy is fundamentally different to monogamy. In a monogamous marriage the man and women both promise to be sexually faithful to each other and to bind themselves to each other alone. However, in a polygamous marriage only the woman is bound to the man and must be sexually faithful to him. The man is free to keep looking for other women. Polygamy completely changes the way a man thinks about women and what it means to be faithful to them.

Islam is polygamous and monogamous. Some say that the polygamy was only for a certain situation of too many women but paradise has polygamy. Muslims men use the promise of polygamy to entice men to embrace Islam.

(<http://www.abc.net.au/pm/content/2008/s2422121.htm>) polygamy - ... 66:1 A man is allowed to have other women and Muslim men know that they are allowed this. Muhammad never stopped looking for new wives. Any attractive woman he took. (Hadiths from Ibn Sa'd about Muhammad liking women and perfume) He is a bad example for us. Polygamy is a man's right in Islam, 33:50, 66:1 Polygamy is natural; women want one man and men want many. But do women want their man to have many? None of Muhammad's wives expected Muhammad to be faithful to them alone. Many Muslims may choose not to practice polygamy but the Qur'an and Sunnah do teach it. 66:1 says that you not deny what Allah has made lawful and in the context this refers to polygamy. This does not honour women. Muhammad does honour women by doing this, this is not good guidance Volume 7, Book 62, Number 7: Narrated Said bin Jubair: Ibn 'Abbas asked me, "Are you married?" I replied, "No." He said, "Marry, for the best person of this (Muslim) nation (i.e., Muhammad) of all other Muslims, had the largest number of wives."

MUHAMMAD'S ADVICE FOR MARRIAGE cccccc child brides

Narrated Jabir bin 'Abdullah: When I got married, Allah's Apostle said to me, "What type of lady have you married?" I replied, "I have married a matron" He said, "Why, don't you have a liking for the virgins and for fondling them?" Jabir also said: Allah's Apostle said, "Why didn't you marry a young girl so that you might play with her and she with you?" (Bukhari: vol. 7, bk. 62, no. 17, Khan)

This is a very disturbing statement by Muhammad. Don't just ignore it or make excuses for him; it is Muhammad himself who says that he has a preference for young girls. And this is what he did when he was 52 years old.

Narrated Hisham's father: Khadija died three years before the Prophet departed to Medina. He stayed there for two years or so and then he married 'Aisha when she was a girl of six years of age, and he consumed that marriage when she was nine years old. (Bukhari: vol. 5, bk. 58, no. 236, Khan)

You may say that Muhammad's sexual relationship with a 9-year-old girl when he was 52 was just part of the culture of that time. It may have been part of the culture, but this is not the reason that Muhammad gives. He said it was Allah who revealed and justified this relationship:

Narrated 'Aisha: That the Prophet said to her, "You have been shown to me twice in my dream. I saw you pictured on a piece of silk and some-one said (to me). 'This is your wife.' When I uncovered the picture, I saw that it was yours. I said, 'If this is from Allah, it will be done.'" (Bukhari: vol. 5, bk. 58, no. 235, Khan)

Muhammad actions are more than just cultural; they are believed to be the revelation of the perfect Muslim life; they are the basis of Islamic law and attitude to marriage. This is why Imam Bukhari included them in his collection. This was the character of Muhammad and part of the way that orthodox Islam treats women.

Surah 2:228, child bride

ABDUCTING A WOMAN FOR MARRIAGE

Bukhari: Volume 9, Book 86, Number 100: Narrated Abu Haraira: Allah's Apostle said, "A lady slave should not be given in marriage until she is consulted, and a virgin should not be given in marriage until her permission is granted." The people said, "How will she express her permission?" The Prophet said, "By keeping silent (when asked her consent)." Some people said, "If a man, by playing a trick, presents two false witnesses before the judge to testify that he has married a matron with her consent and the judge confirms his marriage, and the husband is sure that he has never married her (before), then such a marriage will be considered as a legal one and he may live with her as husband."

Bukhari: Volume 9, Book 86, Number 101: Narrated 'Aisha: Allah's Apostle said, "It is essential to have the consent of a virgin (for the marriage). I said, "A virgin feels shy." The Prophet; said, "Her silence means her consent." Some people said, "If a man falls in love with an orphan slave girl or a virgin and she refuses (him) and then he makes a trick by bringing two false witnesses to testify that he has married her, and then she attains the age of puberty and agrees to marry him and the judge accepts the false witness and the husband knows that the witnesses were false ones, he may consummate his marriage."

DIVORCE Easy

TEMPORARY MARRIAGES

Volume 6, Book 60, Number 139: Narrated Abdullah: We used to participate in the holy wars carried on by the Prophet and we had no women (wives) with us. So we said (to the Prophet). "Shall we castrate ourselves?" But the Prophet forbade us to do that and thenceforth he allowed us to marry a woman (temporarily) by giving her even a garment, and then he recited: "O you who believe! Do not make unlawful the good things which Allah has made lawful for you." find other hadiths saying not to do it. How is this different from prostitution? Is the West really decadent or just honest? **(Note: Temporary marriages are the Islamic method of condoning prostitution. The prostitute and the sex-craved male marry. The imam tells them that if they both consent to stop their having sex, then they are automatically divorced. They pay the imam a sum and then go off to copulate happily because it is condoned by Allah and Muhammad! This is the reason why Islamic countries can claim that they have no prostitution!)**

CIRCUMCISION

The Qur'an never mentions circumcision. The practice of male or female circumcision comes from the Hadith, Shari'ah and the consensus of Islamic communities.

The Hadith

Narrated Umm Atiyyah al-Ansariyyah: A woman used to perform circumcision in Medina. The Prophet (peace_be_upon_him) said to her: Do not cut severely as that is better for a woman and more desirable for a husband. (Abu-Dawud: bk. 41, no. 5251, Hasan)

The Shari'ah

The following reference to Shari'ah comes from Ahmad ibn Naqib al-Misri, *Reliance of the Traveller - A Classic Manual of Islamic Sacred Law*. This book comes with the approval al-Azhar University.

Arabic Text	As translated in the book	What the Arabic actually says
e4.3 وَيَجِبُ (على كل من الذكر والأنثى) الختان (وهو قطع الجلد التي على حشفة الذكر وأما ختان الأنثى فهو قطع البظر [ويسمى خفاضاً]).	e4.3 Circumcision is obligatory (O: for both men and women. For men is consists of removing the prepuce from the penis, and for women, removing the prepuce (Ar. bazr) of the clitoris (n: not the clitoris itself, as some mistakenly assert). (A: Hanbalis hold that circumcision of women is not obligatory but sunna, while Hanafis consider it a mere courtesy to the husband.) (p. 59)	Circumcision is obligatory (for every male and female) by cutting off the piece of skin on the glans of the penis of the male, but circumcision of the female is by cutting out the clitoris (this is called khufaad).

It is interesting to notice how this translator has softened the Arabic to make it more acceptable to a Western reader. However, the fact remains that female circumcision is Shari'ah law for several of the main Sunni schools.

Female circumcision is practiced in many Islamic countries, for example, Egypt, Sudan, Iraq and Somalia.

He made it a law that they be circumcised and the women, too, and he ordered them not to keep the Sabbath and not to be baptized.

(http://www.trueorthodoxy.org/non_christian_islam_stjohndamascus_fountain_knowledge.shtml.) Add the hadith about circumcision from Bukhari and show how it does not specify men or women and that women have to do what they can. Compare to Bible which says only male.

BEING RECOGNISED IN PUBLIC

The head covering is so that women cannot be recognised. ... No public identity. (<http://www.jihadwatch.org/2007/05/al-azhar-fatwa-on-adult-suckling.html>.) Muslim 3425

MENTAL CAPACITY

The Qur'an says that the testimony of a woman is not equal to that of a man. It says that the testimony of two women is required to be equal to the testimony of one man.

Call in two male witnesses from among you, but if two men cannot be found, then one man and two women whom you judge fit to act as witnesses. (Qur'an 2:282, Dawood)

Why is it that the testimony of a woman is only worth half that of a man? Muhammad explains in the following hadith.

Narrated Abu Said Al-Khudri: The Prophet said, "Isn't the witness of a woman equal to half that of a man?" The women said "yes". He said "This is because of the deficiency of the women's mind." (Bukhari: vol. 3, bk. 48, no. 826, Khan)

Volume 9, Book 88, Number 219: Narrated Abu Bakra: During the battle of Al-Jamal, Allah benefited me with a Word (I heard from the Prophet). When the Prophet heard the news that the people of the Persia had made the daughter of Khosrau their Queen (ruler), he said, "Never will succeed such a nation as makes a woman their ruler."

BEAUTY TREATMENTSMMMMMMMMMM

Volume 6, Book 60, Number 408: Narrated Alqama: 'Abdullah (bin Masud) said. "Allah curses those ladies who practice tattooing and those who get themselves tattooed, and those ladies who remove the hair from their faces and those who make artificial spaces between their teeth in order to look more beautiful whereby they change Allah's creation." His saying reached a lady from Bani Asd called Um Yaqub who came (to Abdullah) and said, "I have come to know that you have cursed such-and-such (ladies)?" He replied, "Why should I not curse these whom Allah's Apostle has cursed and who are (cursed) in Allah's Book!" Um Yaqub said, "I have read the whole Quran, but I did not find in it what you say." He said, "Verily, if you have read it (i.e. the Quran), you have found it. Didn't you read: 'And whatsoever the Apostle gives you take it and whatsoever he forbids you, you abstain (from it). (59.7) She replied, "Yes, I did," He said, "Verily, Allah's Apostle forbade such things." "She said, "But I see your wife doing these things?" He said, "Go and watch her." She went and watched her but could not see anything in support of her statement. On that he said, "If my wife was as you thought, I would not keep her in my company."

Volume 6, Book 60, Number 409: Narrated Abdullah (bin Mus'ud): Allah's Apostle has cursed the lady who uses false hair.

WOMEN ARE UNCLEAR

O ye who believe! Draw not near unto prayer when ye are drunken, till ye know that which ye utter, nor when ye are polluted, save when journeying upon the road, till ye have bathed. And if ye be ill, or on a journey, or one of you cometh from the closet, or ye have touched women, and ye find not water, then go to high clean soil and rub your faces and your hands (therewith). Lo! Allah is Benign, Forgiving. 4:43

THERE ARE MORE WOMEN IN HELL AND LESS IN HEAVEN

Ibn Abbas reported that Allah's Messenger said: I had a chance to look into paradise and I found that majority of the people was poor and I looked into the Fire and there I found the majority constituted by women. (Muslim: bk. 36, no. 6596-6601, Siddiqui)

(Muhammad) passed by the women and said, "O women! Give alms, as I have seen that the majority of the dwellers of Hell-fire were you (women)." They asked, "Why is it so, O Allah's Apostle?" He replied, "You curse frequently and are ungrateful to your husbands. I have not

seen anyone more deficient in intelligence and religion than you. A cautious sensible man could be led astray by some of you." The women asked, "O Allah's Apostle! What is deficient in our intelligence and religion?" He said, "Is not the evidence of two women equal to the witness of one man?" They replied in the affirmative. He said, "This is the deficiency in her intelligence. Isn't it true that a woman can neither pray nor fast during her menses?" The women replied in the affirmative. He said, "This is the deficiency in her religion." (Bukhari: vol. 1, bk. 6, no. 301, Khan)

WOMEN HAVE A CROOKED NATURE

Narrated Abu Huraira: Allah's Apostle said, "The woman is like a rib; if you try to straighten her, she will break. So if you want to get benefit from her, do so while she still has some crookedness." (Bukhari: vol. 7, bk. 62, no. 113, Khan)

CONCLUSION

Has Islam brought light into the world and lead humanity out of ignorance regarding women? Is the harsh treatment of women in Islamic countries just a matter of culture and not religion? In order to answer these questions, you must consider all of what the Qur'an and Hadith teach and not just a select few verses. Dr. Badawi, and Islamic writers like him, only tell half the truth. They select references which make Islam appear attractive. The references I have presented are the other half of what Islam teaches. This teaching becomes important to Muslim leaders not when they are promoting Islam but when they are in power."

Sara! Wake up! You and all Muslim women in the past, the present, and the future have no freedom. You are slaves! You have been brainwashed by 1,400-plus years of Islam. Persons who cannot think outside the parameters of Islam are a danger to the free world!

I pray that the Hebrew Yahweh (the Christian God) take the souls of all people who have been victims of Islam in the past, the present, and the future, into paradise. Only in this scenario will your soul ever enter paradise because you, Sara, are a victim of Islam.
