JT: I don't understand what Obama means with "whip it out". Does he want Michelle to beat him with her whip?

JT: Impress this statement into your minds!!!

From: http://www.familysecuritymatters.org/publications/detail/muslims-dont-assimilate-they-infiltrate?f=must_reads#ixzz49MpqpLbY

Muslims don't assimilate, they infiltrate

Let us first, dispense with the pretense.

Every notion we in the West have adopted in terms of dealing with Muslims, both individually and collectively, is wrong.

It is a policy based more on political correctness than on rational analysis, more on a misunderstanding of culture than religion.

The [term "Islamophobia" was invented](#) and promoted in the early 1990s by the International Institute for Islamic Thought, a front group of the Muslim Brotherhood. It was designed as a weapon to advance a totalitarian cause by stigmatizing critics and silencing them, similar to the tactics used by the political left, when they hurl the accusations of "racist," "sexist," "homophobe" and "hate-speech."

<http://www.veteranstoday.com/2016/05/20/cameron-stands-by-his-criticism-of-trump-stupid-divisive-and-wrong/>

JT: David Cameron is against Donald Trump and his position concerning Muslims. This is another good reason why Trump is qualified to be President.

<http://www.veteranstoday.com/2016/05/20/russia-proposes-us-led-coalition-to-strike-syrian-terrorists-with-moscow-def-minister/>

JT: This could be a start to repatriate Muslim migrants in Europe back to Syria, Iraq and Afghanistan after first being relocated to temporary camps in the Saudi Arabian desert.

EDUCATION: Planned Enslavement Through Lack of Knowledge

"The aim of public education is not to spread enlightenment at all, it is simply to reduce as many individuals as possible to the same safe level, to breed and train a standardized citizenry, to put down dissent and originality." H. L. Mencken 1880-1956

"Silent Weapons for Quiet Wars"
EXCERPT FROM Page 7

"The quality of education given to the lower class must be of the poorest sort, so that the moat of ignorance isolating the inferior class from the superior class is and remains incomprehensible to the inferior class. With such an initial handicap, even bright lower class individuals have little if any hope of extricating themselves from their assigned lot in life. This form of slavery is essential to maintain some measure of social order, peace, and tranquillity for the ruling upper class."

"I don't want a nation of thinkers. I want a nation of workers."
- John D. Rockefeller
Created the General Education Board (GEB) in 1903 to dispense Rockefeller funds to education

JT: Methinks the DemocRATS and the Progressives of every political party took H. L. Mencken and John D. Rockefeller opinions as educational gospel! American society has been DUMBED DOWN!!!

JT: Think about this: What is of the utmost importance in the world? It is to give love and to receive love. Muhammad never gave anything but hate, exploitation, genocide, and ethnocide. What has the world received since Muhammad? Over one billion people killed in the name of Islam!

“According to the BBC, 55% of Pakistani-Britons are married to a first cousin, and as a corollary to that produce ‘just under a third’ of all children in the UK with genetic illnesses, despite being only 3% of the total births. As a direct result of inbreeding, the Muslim population is the only population on earth that is mentally and physically devolving. This inherent weakness makes Muslim populations more susceptible to nefarious, oppressive leadership and mass manipulation. The amount of objective evidence supporting this statement is colossal and obvious.” (<http://www.barnhardt.biz/the-one-about/the-one-about-muslims-being-inbred/>)

JT: Methinks this is so much like the DemocRATS! Particularly the underlined part!

At <http://www.wsj.com/articles/dear-grads-you-need-a-p-l-1463950545> Andy Kessler writes “...capitalism is not about greed. It is a system that weeds out dumb ideas from smart ones. The former generate disdain and losses; the latter generate delight and profits.”

JT: Methinks this is a description of the Obama regime because the Obama regime, a dumb idea, was not weeded out, but the smart, conservative politics were weeded out and the result was the generation of disdain and losses to the United States of America.

Obama's former "green jobs czar," communist Van Jones, defends the Clintons, saying, "Do you know how hard it is to stay married in America? A lot of people are proud of the Clintons for being able to stick it out." [93258, 92359, 92360, 92376]

<http://www.frontpagemag.com/fpm/262936/muslim-world-permanent-refugee-crisis-daniel-greenfield>

JT: It must be the answer of a progressive.

At <http://nypost.com/2016/05/24/sneaky-schumer-added-loop-hole-to-halt-911-saudi-suits/> we read: "Last week's unanimous passage of a Senate bill making it easier for 9/11 families to sue Saudi Arabia and other foreign terror sponsors was widely heralded as a major victory. It's more of a cruel hoax. It turns out that just before the vote, Sen. Charles Schumer [D-NY] and other proponents of the Justice Against Sponsors of Terrorism Act stuffed an amendment into the final draft allowing the attorney general and secretary of state to stop any litigation against the Saudis in its tracks. Yes, JASTA would remove the statutory restrictions that have prevented 9/11 families from taking the Saudi kingdom to court. But Schumer helped craft an entirely new section to the original bill, giving the Justice and State departments the power to stay court action indefinitely. All they have to do is inform the judge hearing the case that the US government has engaged with Riyadh in diplomatic talks to resolve the issue."

JT: Is Charles Schumer of Jewish-American heritage or Saudi heritage, or did the Saudis purchase a Schumer fix?

JT: This could be a possible solution to the problems of the DemocRAT Party. They already have Obots!

In the May 2016 issue of *The Complete Obama Timeline*, Don Fredrick reports that the "The Obamas are going to take up residence in Washington's tony Kalorama neighborhood after leaving the White House, inhabiting the home of Bill Clinton Press Secretary Joe Lockhart..."

Don Fredrick then notes: "(The nine bedroom, 8-1/2 bath, 8,200 square foot mansion will be rented by the Obamas, for a reported \$22,000 per month;)"

JT: Where is this money coming from? George Soros? Some Muslim-Arab account(s)? A foreign government for which Obama has been spying during the last eight years? The US taxpayers who have been paying into a secret Obama account for the past eight years without knowing it?

JT: I think I have come up with a possible program for Muslims that will win them a gold medal in any Olympic Games, summer or winter. Make rape an Olympic discipline and I'm sure Muslims would win! The medal could be called *The Emulation of Muhammad Golden Rape Medal!*

It is a mild virus that causes no symptoms in 3 out of 4 people, and does not cause birth defects. It is such a mild virus that labs that stocked it would ship it out to anyone who ordered it ever since 1960.

Obama and his cronies will destroy practically every written piece of information that was written before and during the regime's usurpation of power.

POLD Politician (PP) Let's talk. I'm a politician and knowledgeable about everything.

Military Veteran (MV): Okay! What shall we talk about?

PP: (Thinking the MV is dumb!) Let's talk about nuclear power and the role of politics.

MV: That's a very interesting subject. But before we get into detail, let me ask you a question.

PP: Okay! Ask!

MV: Horses, cows, and deer all eat grass. Yet, deer excrete pellets, cows excrete flat potty, and horses excrete lumps. Why?

Disintegrating Sweden: Visit Number Six

In a recent poll, the Green fundamentalist party MP is under 4%. It risks being expelled from the Swedish parliament at the next election. That could be a positive development for Sweden, However, perhaps the empty seats will be filled by Muslims candidating for a position in the parliament.

(<http://www.friatider.se/mps-jatteras-aker-ur-riksdagen-i-annu-en-matning>)

In the following photo you see Yasri Khan (first on the left) and the Jewess Barbara Lerner Spectre (second on the left) with MP friends in Sweden.

Source: <http://www.arvsfonden.se/projekt/one-sweden-for-ett-socialt-och-ekonomiskt-framgangsrikt-sverige?page=2>

At Wikipedia we read: “**Yasri Khan** (born 2 April 1986 in [Stockholm](#)) is a [Swedish politician](#) and the leader of peace organization [Swedish Muslims for Peace and Justice](#). Khan was a member of the [Swedish Green Party](#), but left the party due to heavy criticism for refusing to shake hands with a female reporter from [TV4](#).^[1] Khan himself stated that he was raised in the way that a handshake was too intimate, but didn't mean to disrespect women, and also noted that politics was not the right field for him.^[2]

Khan was invited to participate in the United States' International Visitor Leadership Program in 2011.^{[3][4]} This experience^[5] is run by the U.S. Department of State "through public-private partnerships and tax payer funding.^[6]"

At Wikipedia, we also read: “**Barbara Lerner Spectre** (born 1942) is an academic^[1] who is the founding director of Paideia,^[2] the European Institute for [Jewish Studies](#) in [Sweden](#), a non-denominational academic institute established in 2001.

She served as a scholar in residence for the United Synagogues, Midwest Regions in 1987, 1990, 1992, 1996 and has lectured extensively throughout the United States. In 1999, she immigrated to [Sweden](#) and settled in [Stockholm](#), joining her husband Philip, who was then serving as the Rabbi of the [Stockholm Synagogue](#), and in 2000 she wrote the foundational paper to the Swedish government for the formation of Paideia, the European Institute for Jewish Studies, which she has continued to direct. In its 10 years of existence (2011) Paideia has educated over 200 persons from 35 countries for leadership positions in the renewal of Jewish culture in Europe. In 2013 an interview in which Spectre discussed the role of Jews in promoting multiculturalism went viral online.”

JT: I could not identify by name the other MP members on the picture. There's no link attached to the photo which gives away the names of those who raise their innocent fingers. However, the text under the photo say the persons on the pic work for project *One Sweden* and, believe it or not, each participant's one raised finger should symbolize this.

One Sweden is a network of Swedish organizations with the common goal to safeguard and develop the force and potential of young people and to create

meetings and dialogue between different groups for a more democratic, inclusive, and economic prosperous society.

Source: <http://www.arvsfonden.se/projekt/inlagg/one-sweden-pynt>

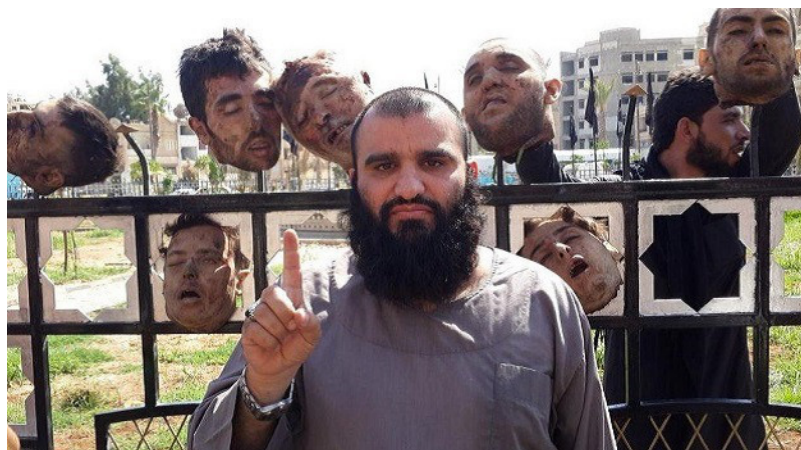

These do-gooder and do-better Swedes are stupid and gullible, and politically correct green fundamentalists or even commies. For a Jewess to make the Muslim one finger salute and believe Sweden will prosper and be more democratic if it just has a "dialogue", or a policy of "cooperate with" and "include" (= let in, soak up) more Muslims into Swedish society is catastrophic. There is no Muslim country in the world that is prosperous because it is Muslim!

Barbara Lerner Spectre is a traitor to all Jews who have lost their lives to Islam and because of Islam.

As such Barbara Lerner Spectre and all those who identify with this sign are a disgrace to humanity.

For information on the Muslim one finger salute read: <http://www.ibtimes.co.uk/isis-what-story-behind-islamic-state-one-fingered-salute-1506249>.

JT: Methinks it way too late!

Breitbart.com reports, "A Swedish police report into rape and sexual assault committed by migrants has blamed 'Nordic alcohol culture,' 'ignorance' and the 'non-traditional gender roles' of European women for the growing problem. The report notes that Sweden has the worst rates of physical and sexual violence committed against women in the European Union (EU), according to a survey by the EU's rights agency. ...Migrants, it says, might not be able to 'handle the alcohol,' simply feel 'horny,' have 'ignorance of the consequences for the girls,' 'have misplaced feelings,' be 'expressing anger in this way' or be acting due to 'peer pressure.'"

(<http://www.breitbart.com/london/2016/05/24/report-swedish-police-excuse-migrant-rape-blame-culture-ignorance/>)

JT: Well, if that statement is not apologetic, I don't know what is. Sweden is already the rape capital of the Western World!

This Syrian man with in Denmark with three wives and twenty children wants to go to wants to go to Sweden because the monthly social payments are greater than in Denmark.

Source: <http://speisa.com/modules/articles/index.php/item.2801/syrian-man-with-3-wives-and-20-kids-to-get-214-000-in-child-benefits.html>

But he was stopped at the Swedish border control. In Denmark he would get a yearly subsidy of 26,303 dollars (for the children only). In Sweden he would get double that amount for the children only. Other social amenities like housing heating, electricity, water, telephone, are extra subsidies paid by the Swedish taxpayers. (<http://www.friatider.se/han-vill-till-sverige-med-sina-tre-fruar-och-20-barn>)

JT: Speaking of Swedish taxpayers and citizens, read the following article!

“The people suffering most cruelly in the “New Sweden” are the elderly. The costs of immigration borne by the welfare state have led to a quarter of a million retirees living below the EU poverty line. Meanwhile, the government recently added another 30 billion kronor (about \$3.6 billion) to the migration budget. The 70 billion kronor (\$8.4 billion) Sweden will spend on asylum seekers in 2016 is more than what the entire police force and justice system cost, more than national defense costs, and twice the amount of child benefits.

Sweden’s 9.5 million residents are thus forced to spend 70 billion kronor on letting citizens of other countries come in. In comparison, the United States, with its 320 million residents, spent \$1.56 billion on refugees in 2015. The editorial columnist PM Nilsson commented in the business paper, *Dagens Industri*: “To understand the scope of the increase in spending, a historic look back can be worthwhile. When the right bloc came to power in 2006, the cost was 8 billion [kronor] a year. In 2014, it had gone up to 24 billion. That summer, then Minister of Finance Anders Borg talked

about the increase being the most dramatic shift in the state budget he had ever seen. The year after, 2015, the cost rose to 35 billion, and in 2016, it is projected to rise to 70 billion.”

For many years, the politicians managed to fool the Swedish people into thinking that even if immigration presented an initial cost, the immigrants would soon enable the country to turn a profit. Now, more and more research indicates that the asylum seeker immigrants rarely or never find work. The daily newspaper *Sydsvenskan* reported in February, for example, that 64% of Malmö’s immigrants are still unemployed after living in Sweden for ten years. The government openly calculates in its budget that in four years, 980,000 people will be living on either sickness benefits, disability pensions, unemployment benefits, “introduction benefits” or social welfare.

Swedes, who for many years have paid the highest taxes in the world without whining, are now taking to social media to express their anger that their money is going to citizens of other countries. More and more Swedes are choosing to emigrate from Sweden, mainly to the other Nordic countries, but also to Spain, Portugal and Great Britain, where taxes on pensions are considerably less.

But there are worse problems than the economic aspect. A sense of insecurity and fear has gripped the many Swedes who live close to asylum houses. On some level, the government seems to have grasped that danger: in a recent decision to continue maintaining border controls, Interior Minister Anders Ygeman wrote: “The Swedish Civil Contingencies Agency (Myndigheten för samhällsskydd och beredskap), MSB, makes the assessment that the flow of migrants still brings challenges to upholding security in society, when it comes to the ability to maintain certain important public functions, among other things. Several of these challenges are expected to persist over time. The Police Authority’s assessment is still that a serious threat to public order and internal security exists. The Immigration Service still advocates border controls.”

JT: This is intentional destruction of Sweden by immigration infiltration and the undermining of Swedish culture. It is no wonder that Robert Fico, the Prime Minister of Slovakia, has said “It may look strange but sorry ... Islam has no place in Slovakia”. The problem is not migrants coming in, but “rather in them changing the face of the country.” (Source: <http://www.politico.eu/article/robert-fico-islam-no-place-news-slovakia-muslim-refugee>.)

For the first time since record-keeping began in 1749, [Sweden] now has more men than women. Swedes don't quite know what to make of this sudden male surplus, which is highly unusual in the West, where women historically have been in the majority in almost every country. But it may be a sign of things to come in Europe as changes in life expectancy and migration transform demographics. 'This is a novel phenomenon for Europe,' said Francesco Billari, a University of Oxford demographer who is president of the European Association for Population Studies. 'We as researchers have not been on top of this.'" (<http://qz.com/695369/for-the-first-time-in-centuries-swedish-men-outnumber-women/>)

JT: Evidently Sweden counts male Muslim immigrants as part of the Swedish male population. The women don't count in the figures!

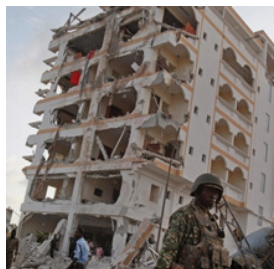

JT: Here is another Jewish traitor who doesn't like the truth about Islam. Well, I take that back. Perhaps he doesn't know that he is of Jewish heritage or even what that means! Steve Zuckerberg's *Facebook* has deleted the account of the Gatestone Institute's expert on Sweden, Ingrid Carlqvist, for noting the 1,500 percent increase in rapes in the country and daring to suggest that it might have something to do with the huge numbers of Muslim immigrants. (<http://www.gatestoneinstitute.org/8188/facebook-censorship-carlqvist>)

Oh! Mr. Steve Zuckerberg! You are so pure in your actions!

JT: Well! Well! Well! What else has happened on the peaceful-and-tolerant-Islamic-loving-of-their-fellow-human-beings front since the last Just Thinking? Here are some peaceful and tolerant accomplishments of Islam during the writing of this issue of Just Thinking from <http://www.thereligionofpeace.com/>.

The peaceful and tolerant undertakings were all accomplished with the silent approval of Barack Hussein Obama. He's such a wonderful leader!!! Barack Hussein Obama loves Islamic atrocities!
