Who backs ISIS and how		لا إله إلا الله الله أعز وأكبر
<b>Saudi Arabia</b> 	2006: directed by Washington to create the Islamic State of Iraq (al Qaeda) to prevent Iraq getting close to Iran. 2011: armed the Islamist insurrection in Daraa, Syria. Financed and armed almost all the armed Islamists in Syria, maintaining divisions to limit their independent power.	
<b>Turkey</b> 	Enabled safe passage for foreign Islamists to pass into northern Syria. With Saudi Arabia, created a Jabhat al Nusra (al Qaeda) led 'Army of Conquest' to invade north Syria in 2015. Hosts the Islamist leadership. Coordinates sale of Syrian oil stolen by ISIS. Medical treatment for ISIS.	
<b>Qatar</b> 	2011-2013: Put billions of dollars into Muslim Brotherhood linked Islamist groups, like Farouq (FSA). After 2013 Qatar has backed the 'Army of Conquest' coalition and the Turkish-Saudi axis.	
<b>Israel</b> 	Supply of arms and medical treatment to all Islamist fighters in Syria, including Nusra and ISIS. Coordination points at Golan border.	
<b>UK &amp; France</b> 	Supply arms to 'rebel' Islamists, who work closely with the al Qaeda groups, systematically joining and delivering arms to them.	
<b>USA</b> 	Directs and coordinates all of the above, making use of military bases in Turkey, Jordan, Qatar, Iraq and Saudi Arabia. Arms 'Syrian rebels' which then defect to ISIS. Pushes ISIS away from Kurdish areas but lets them attack Syria. Iraqi officials say the US directly supplies ISIS by air drops.	
For documentation of these facts see the forthcoming book: 'The Dirty War on Syria', by Tim Anderson

- Continued as a top seller of tin foil hats as a politician.

From the Boston Herald: "Word from the [Martha's] Vineyard is that police broke up a rowdy party in West Tisbury the other night, and we hear that one of the guests was none other than 18-year-old first daughter Malia Obama. West Tisbury police declined to confirm that Malia was one of the kids who were shooed out of the bash at a private home near the presidential summer digs, citing 'national security.'" BizPacReview.com adds, "Hours after the incident, [Obama] was seen nearby walking and talking with 18-year-old Malia near their vacation home. 'This is [Obama's] worst nightmare!' a source who said he was 'furious' with her over her marijuana smoking, told Radar Online. 'The end of his term is in sight—and the carefully crafted image of a world-beating family is unraveling right before his eyes!' 'I'm sure he had some choice words for his daughter during that walk they took,' the sources said." ## HILLARY HAS STARTED GREEN SCREENING FAKE APPEARANCES, WITH NEVADA POSSIBLY BEING THE FIRST

Hmm, why would Hillary fake an appearance on a green screen? 1. Her health is so bad now that they have to do things in 20 takes. 2. She is afraid she can't show up anywhere now without getting shot. 3. She needs bigger fake crowds.

# BOOM!

**Hillary's Nevada appearance is proven CGI, IT NEVER HAPPENED.**

Hillary is the only thing in focus.  
She is not part of this image.

Hillary is speaking, while this cell phone is shooting video of an empty podium.

Here we have 3 different cell phones, and none of them show what is in front of them

Any way you slice it, this is the type of thing we have only seen in sci-fi tyranny movies like the Hunger Games. Consider the MSM fronted this, AS REAL. This is your Hillary future. One might wonder if she is even alive.

**IMPORTANT:** This "event" started with the cell phones matching the scene, and ended with the same cell phones not matching the scene. This means they can now create total 3d realities where it all matches. But during this fake event, someone screwed up the cell phones in the middle of it, and blew the fakery to kingdom come.

**HEADS UP: THEY CAN DO "LIVE" FAKE EVENTS WHERE IT ALL MATCHES. THIS WAS CAUGHT BECAUSE "COMMON CORE" BLEW IT**

The video that has the captures above is [HERE](#)

IMPORTANT: YOUTUBE REFUSED TO SERVE THIS VIDEO FOR OVER AN HOUR, SHOWING A STATIC SCREEN BUT AFTER I COAXED IT AND COAXED IT AND COAXED IT, YOUTUBE WENT "Oh, this does exist" and it came in.

AUGUST 26 2016 -ANOTHER DAY: Hillary still has the brag line about the election being a hackathon in her source code.

A JT spontaneous scenario:

Many American physicians and some European physicians had voiced their concern for Hillary's health and why her personal doctor(?) has prescribed her an old and dangerous blood thinning(?) medicine instead of today's safer equivalences.

Methinks has become an unintentional victim of ObamaCare. And one of her personal doctors is on a Barack-Hussein-Obama-mandated death panel. This very much coincides with the rigging of the presidential election on November 8, 2012 in Hillary's favor. Obama intends to keep Hillary alive at all costs and become the winner of the presidential election at all costs until the victory is official. Immediately after that Obama will create a crisis, a constitutional crisis. We all know he is such a brilliant Constitutional scholar because Harvard University says he is without requiring a doctoral dissertation from him. After the official announcement of Hillary Clinton's victory, Hillary Clinton will be declared brain dead. (Why this hasn't happened before, I can't understand!!!)

Due to the unusual constitutional situation that will emerge, Obama will then (just like Vladimir Putin), by a personal decree to the US Congress, appoint himself president again for another 4 (possibly 8) years and Tim Kaine, who has already acknowledged that he could not keep up with Hillary, will be Obama's new dunce vice-president.

JT: I just received this email from the DemocRATS. (When I reply without sending money – I have never sent them money – they return my emails unread!) Nevertheless, this is my answer-edited rendition of their email.

Friend -- (I'm not their friend!)

It is insulting to have to listen to someone lie over and over and over again for ninety minutes about ... temperament, credentials, and know-how.

It is baffling to hear (the candidate) promote (failures) as proof of economic savviness.

It is absurd to watch someone repeat "you're wrong" as she's corrected on the facts, law, and statistics because she has chosen to live in an alternate reality (known as her own truths!)

It is outrageous to watch a candidate interrupt and (grin like some stupid puppet of George Soros throughout) the debate.

And it is surreal to think that (Hillary Clinton) is a legitimate candidate for President of the United States -- especially if you watched her standing (because she was high on medicine) last night.

Monday night was a night I will never forget -- especially as I head to the polls this November. And I hope you won't either. Please, don't let your friends, family, or loved ones go another day thinking that this election is one to sit out. Hillary Clinton can never be President. ...

Now for some n

### Nordic Cultural history

The Finnish are very proud of their country. This attitude could/should be carried over to Sweden before it becomes too out-populated with over 50 No-Go Zones controlled by Muslims in Sweden.

Here is an example of Finnish patriotism:

Here's the text: <https://www.youtube.com/watch?v=RKRvD5i44Ko>.

Here's the music: <https://www.youtube.com/watch?v=kLC0bXNE5I>

Here's the explanation (<https://www.youtube.com/watch?v=RKRvD5i44Ko>) "Maamme (Finnish) or Vårt land (Swedish) ("our land") is the title of Finland's national anthem. There is no law on an official national anthem in Finland, but Maamme is firmly established by convention.

The music was composed by the German immigrant Fredrik Pacius, with (original Swedish) words by Johan Ludvig Runeberg, and was performed for the first time on 13 May 1848. The original poem, written in 1846 but not printed until 1848, had 11 stanzas and formed the prologue to the great verse cycle The Tales of Ensign Stål ("Fänrik Ståhls Sägner"), a masterpiece of Romantic nationalism. The current Finnish text is usually attributed to the 1889 translation of Ensign Stål by Paavo Cajander, but in fact originates from the 1867 translation by Julius Krohn.

The Tales of Ensign Stål were much appreciated throughout all of Scandinavia. Up until the time of Finland's independence in 1917--18, when the song began to be recognized as specifically applying to Finland, Pacius's tune and Runeberg's text were often also sung in Denmark, Norway, and Sweden. Note that in the original Swedish text there is no reference to Finland (except for in verses 4 and 10, which are rarely sung), only to a country in the north, but the Finnish text explicitly refers to Finland. The poem's theme is, furthermore, remarkably similar to that of the national anthems of Sweden (Du gamla, Du fria) and Norway (Ja, vi elsker dette landet).

Some Finns have proposed that the Finnish national anthem be changed to Finlandia by Jean Sibelius, with lyrics by V.A. Koskenniemi (Finnish) and Joel Rundt (Swedish).

There are also those who simply prefer Finlandia as a musical piece, although critics claim that it is difficult to sing.

It is said that Pacius composed the tune in a mere fifteen minutes, with no idea that it would become so important to the people of Finland that they would eventually make it their national anthem.

The tune of Maamme has similarities with the German drinking song Papst und Sultan. Many believe that Fredrik Pacius intentionally or unintentionally copied parts of the tune. Another Finnish patriotic song, Sotilaspoika, composed by Pacius, also includes similarities with Papst und Sultan.

The melody of Maamme is also used for the national anthem of Estonia with a similarly themed text, Mu isamaa, mu õnn ja rõõm, My Fatherland, My Happiness and Joy (1869). It is also considered to be the national anthem for Livonians with text Min izāmō, min sindimō, My Fatherland, my native land.

The Swedish police chief Dan Eliasson had a musical hit with the Bad Boo Band in the late seventies with **"Fucking in Bangkok"** (<https://www.youtube.com/watch?v=I9V1sN84Iws>) Under his leadership the solving of crime cases has resulted in an ever decreasing rate. Perhaps he should make another hit tune titled **"Screwing up law enforcement in Sweden"** (<http://www.friatider.se/allt-f-rre-brott-klarar-upp>)

Algerian woman living in Sweden moved back to the Arab world but continued to receive/lift Swedish welfare (parental-, child-, general-, plus housing allowances) worth almost 2 million SEK during 7 years while she and her children (unknowingly to the authorities) most of the time were back in Algeria!

(<http://www.friatider.se/flyttade-tillbaka-till-arabv-rlden-fortsatte-g-p-svenska-miljonbidrag>.)

The (very alert) social insurance office in Malmö became suspicious first in 2014 when she and her (oldest) child didn't show up at the school start in the fall. Her husband was for some reason deported from Sweden already in 2003, so obviously she must have flown "back and forth" to cash in the welfare money here.

From <http://gatesofvienna.net/2016/09/gates-of-vienna-news-feed-982016/> we read: "Simon Wiesenthal Centre Urges Swedish Prime Minister to Cancel Neo-Nazi Associates Stand at Gothenburg Book Fair.

In a letter to the Swedish Prime Minister, Stefan Lofven, the Simon Wiesenthal Centre's Director for International Relations, Dr. Shimon Samuels, expressed shock that "the far-right – reportedly xenophobic and anti-Semite magazine – Nya Tider (New Times) had hired a stand at the Gothenburg Book Fair, to be held 22-25 September and expecting 100,000 visitors, especially youth"

...

The letter noted that “the original ban on Nya Tida was reversed on 31 August by the Fair’s President, on grounds that the Stand and its scheduled Presentations, if banned, would constitute a breach of contract. Ironically, the Fair’s 2016 theme is “Freedom of Expression”, apparently including the freedom to incite, which would arguably make the Fair responsible for the consequences.”

Samuels explained that “for 12 years I have monitored hate on the shelves of the Frankfurt Book Fair, with the support of its management. Incitement to hate and violence is prohibited in Germany, and a violation of exhibitors’ commitment to the Fair. Certainly, Gothenburg contracts should do no less.”

The Centre cites the claims of the EXPO IDAG website – “That New Times editor Vavra Suk – who is scheduled to lead events from his Stand C01: 39 at the Fair – was former editor of National Today, which in 2011 co-organized with the Swedish Resistance Movement a seminar discussing Jewish conspiracies.

...

– Its replacement, New Times, allegedly supported Holocaust denier Richard Williamson, writers who defend Jew-hater, Ahmed Rami of Radio Islam and French convicted anti-Semite, Dieudonné. The New Times was allegedly present at neo-Nazi Nordic Resistance meetings and noted for extolling the notorious Greek Golden Dawn.”

...

The letter was shared with Getachew Engida, Deputy Director-General of UNESCO, who is featured as a keynote speaker at the Fair.”

Handicapped swedes are to be thrown out from a group accomodation property to give place for newly arrived migrants in Vimmerby.

(<http://avpixlat.info/2016/09/13/funktionshindrade-svenskar-kastas-ut-gruppboendet-ska-bli-asylboende/>) In Vimmerby great anxiety has come up among the function handicapped who live in the Haga group accomodation property. It has been decided that the property shall be transformed into an asylum housing. Relatives to the handicapped tenants as well as locals in Vimmerby are furious over the decision.

\*\*\*

Because of Sweden's multi-culti politics, Sweden might vote conservative!
