Just Thinking

Number 166

WASHINGTON, D.C. – President Obama and NASA have confirmed that the Earth will experience 10 days of total darkness between November 25 and December 5, 2016. The event, according to NASA, hasn't occurred in over 1 Million years.

Who says this kind of "event" could not happen shortly before the presidential election on November 8th in case it is "man-made" and not even George Soros' voting machines could stop Donald Trump from beating Hillary Rottenham Clinton?

Source: <https://www.whitehouse.gov/the-press-office/2016/10/13/executive-order-coordinating-efforts-prepare-nation-space-weather-events> and <https://www.youtube.com/watch?v=QJNFCxseyaY> and <https://www.youtube.com/watch?v=ljO04bxsUy0>

JT: I've got news for the world. The world has been in a special kind of darkness since Barack Hussein Obama became the illegal President of the United States of America. It's called OSSD – Obama's Steer Stool Darkness!

<http://dailycaller.com/2016/10/18/soros-connected-company-provides-voting-machines-in-16-states/https://www.rt.com/usa/363564-obama-emails-podesta-revealed/>

JT: Hillary has already won in these sixteen states!

JT: Black Trampolines Matter! This comment is not racist. We can't just never mention black trampolines! That would be racist!!!

JT: Don Fredrick in the October Issue of *The Complete Obama Timeline* writes with clarity: "Some may question why women would be offended by Trump's use of the word 'pussy' when they have been the primary purchasers of the raunchy novel *Fifty Shades of Grey*, which depicts (bondage, discipline, dominance and submission), abusive relationships, female submission, and sex toys and which has sold more than 125 million copies worldwide by June 2015. Others, referring to the huge number of people who have been associated with the Clintons who have had 'untimely deaths,' may remark, 'Trump may shoot off his mouth, but Bubba and Rodham shoot witnesses.' (Underlined emphasis by JT.)

From: <http://ijr.com/wildfire/2016/10/710446-11-extremely-vulgar-comments-that-came-out-of-the-mouth-of-hillary-clinton/> "As the news media go into attack mode over Donald Trump's inappropriate comments caught, now would be a good time for Americans to recall that Hillary Clinton has quite the foul mouth herself. The following are 13 documented quotes from Hillary Clinton—and some of them are sexually explicit.

The *Daily Mail* reports the activity of ISIS in the United States of America (<http://www.dailymail.co.uk/news/article-3810273/America-s-enemies-SIXTY-TWO-ISIS-attackers-plotters-just-year-half-immigrants-children.html>) Here is a summary of ISIS terrorist activity:

"A total of 62 people—overwhelmingly men—have launched attacks or been accused of taking part in the Islamic terror group's activities in just over a year. The 62 were responsible for 48 attacks or alleged ISIS-inspired activities—from mass stabbings to attempts to send money and munitions to Syria. ...[S]ix six ISIS-inspired attackers have died and 54 have been arrested. The figures also show that 34 of those ISIS attackers and alleged plotters were either immigrants or the children of immigrants. They included six people who came to the U.S. as refugees from countries including Palestine and Somalia. ...In total 64 people have been murdered and at least 121 wounded in the U.S. by ISIS inspired attackers."

What the *Daily Mail* doesn't report is that the ISIS Commander in the United States of America is a woman. Here is a picture of her with her staff:

- At Bloomberg: Michelle Obama Excoriates Donald Trump for 'Predatory Behavior'
- At Vox: Watch: Michelle Obama's powerful speech on the Trump sexual assault allegations

With such accusations to his character, most would expect Trump to respond to the first lady. Keep in mind: A first lady who just used her world stage to identify a man that millions of Americans are planning to vote for as a sexual predator of sorts.

But the White House doesn't want Trump reacting, so they issued him a one-line warning, via [Politico](#):

“I can’t think of a bolder way for Donald Trump to lose even more standing than he already has than by engaging the first lady of the United States,” principal deputy White House press secretary Eric Schultz told reporters during a gaggle aboard Air Force One.

JT: It's a trap Mr. Trump! Don't respond and attack perfect Michelle. If she wants to believe all of the lies and sexual accusations coming from former employees and beauty queens, let her believe them. She has had a lifetime experience in believing lies, particularly the lies coming out of two-faced Barack Hussein Obama!

From the Book of Proverbs (6:16-19) we read

There are six things the Lord hates, seven that are detestable to him:

1. haughty eyes,
2. a lying tongue,
3. hands that shed innocent blood,
4. a heart that devises wicked schemes,
5. feet that are quick to rush into evil,
6. a false witness who pours out lies
7. and a person who stirs up conflict in the community.

Let's visualize these seven points:

GatestoneInstitute.org, reports: "A growing number of Germans are abandoning neighborhoods in which they have lived all their lives, and others are leaving Germany for good, as mass immigration transforms parts of the country beyond recognition. Data from the German statistics agency, Destatis, shows that 138,000 Germans left Germany in 2015. More are expected to emigrate in 2016. In a story on brain drain titled, 'German talent is leaving the country in droves,' Die Welt reported that more than 1.5 million Germans, many of them highly educated, left Germany during the past decade. The statistics do not give a reason why Germans are emigrating, but anecdotal evidence indicates that many are waking up to the true cost—financial, social

and cultural—of Chancellor Angela Merkel's decision to allow more than one million mostly Muslim migrants to enter the country in 2015. At least 300,000 more migrants are expected to arrive in Germany in 2016, according to Frank-Jürgen Weise, the head of the country's migration office, BAMF.”

(<https://www.gatestoneinstitute.org/9154/germans-leaving-germany>)

JT: Methinks this is not an illogical occurrence. After all, the German Presidents, Christian Wulff and Joachim Gauck repeatedly said that Islam belongs in Germany and the Chancellor Angela Merkel has also repeatedly said that Islam belongs in Germany.

JT: Another top 10 are the following cities that are infested with the most rats (<http://www.orkin.com/press-room/chicago-holds-top-spot-on-rattiest-cities-list/>):

- Washington D.C.
- Los Angeles
- San Francisco-Oakland-San Jose
- Baltimore
- Philadelphia
- Minneapolis-St. Paul
- Detroit
- Denver

However, I can't believe that the top ten are correct. Washington, DC should be number one for the simple reason that it has an exceedingly large number of DemocRATS.

 7. [Mrs. Clinton](#)’s spokesman mocked Catholics and evangelicals as “severely backwards.”
 8. [Mrs. Clinton](#) admitted she has a hard time relating to the struggles of the middle class.

<http://www.dailymail.co.uk/news/article-3861392/Trump-prepares-Gettysburg-address-unveiling-100-days-agenda-aides-say-Hillary-just-waiting-clock.html>

FIRST: propose a Constitutional Amendment to impose term limits on all members of Congress;

SECOND: a hiring freeze on all federal employees to reduce federal workforce through attrition (exempting military, public safety, and public health);

THIRD: a requirement that for every new federal regulation, two existing regulations must be eliminated;

FOURTH: a 5 year-ban on White House and Congressional officials becoming lobbyists after they leave government service;

FIFTH: a lifetime ban on White House officials lobbying on behalf of a foreign government;

SIXTH: a complete ban on foreign lobbyists raising money for American elections.”

Disintegrating Sweden: Visit Number Eleven

<https://fellowshipoftheminds.com/2016/10/12/wheelchair-bound-woman-raped-by-refugees-at-sweden-asylum-center/>

From [Fox News](#): **A wheelchair-bound woman was gang raped by six asylum seekers, Swedish police have said.**

The unnamed disabled woman had asked to use a toilet at a nearby asylum center after sharing a taxi with one of its residents. But after she was invited inside, **the woman, in her 30s, was attacked by the man and six of his fellow migrants.**

A furious group of more than 100 Swedes have since attacked the centre in Visby, pelting it with rocks.

The victim's lawyer Staffan Fredriksson told local newspaper [Aftonbladet](#): "She followed him in and had no fears that something would happen. Then the man took advantage of the situation. The abuse started in the toilet." He added: **"She is completely broken down."**

Five men, all aged in their 20s, have since been arrested by Swedish police following the incident on October 2. **They are yet to release the men's nationalities or identities.**

Sweden has been at the forefront of efforts to accept migrants fleeing conflicts in places like Syria and Afghanistan. Last year alone it is estimated to have taken in more than 200,000 asylum seekers – around 2 percent of its population.

Germany, by comparison, accepted the equivalent of 1 percent over the same period.

"She got paralyzed in this situation and was not able to bring herself to resist physically, other than saying no."

NOTE: George and Amal Clooney have no comment!

A result of the attack on the wheelchair-bound woman is that Sweden has lost the beautiful island of Götland. But it was not Russia that invaded the pearl of the Baltic Sea. It was a bunch of ungrateful "newly arrived" Muslim hoodlums that made the islanders lose their faith in the Swedish police and law enforcement when 5 young Afghans were

"released" from custody after they had raped a wheelchair bound woman!

Seen with refugee children - but against sexism & racism! Ex. Communist party leader Gudrun Schyman, today party leader of Fi, to demonstrate in the wake of the rape in Visby of a 44 year-old wheelchair-bound woman who didn't "fight enough" against the "peaceful and tolerant Muslim attackers" to have the assault labeled as rape!

Rosengård in Malmö is a no-go zone where the Islamic Sharia law presides over Swedish law!

Inrikes. En afrikansk pastor som söker asyl i Sverige med homosexualitet som grund tog sig in hos en svensk kvinna i Falun och våldtog henne medan han mässade besvärjelser. Nu döms han till två och ett halvt års fängelse och utvisning.

Domestic. An African pastor who has applied for asylum in Sweden and who states homosexuality as reason, broke in to a Swedish woman's home in Falun and raped her while uttering religious invocations. He has now been sentenced to two and a half years in prison and deportation.

Note: Now that's racism and methinks he is as bad a liar or Christian as is Hillary.

A Stupid African migrant boasted on Instagram that he had become so rich in Sweden (selling drugs!) Regarding this African jewel (or more accurate, "colored engraved art work") in the bathtub, it really hurts to read about a newly arrived hard-working migrant with such entrepreneurial disposition and see his wet black dreams of a better life won't come through due to racists within Sweden's law enforcement!

(Black Lives Matter - especially when they are prosperous you know). Am snooping Swedish cop found the picture which immediately made him do a check (Thanks for doing so!) with the local Social Welfare Service and was told that their client in principle was "cash strapped"! The priceless pic then appeared on the site "Fria Tider" (<http://www.friatider.se/>)

At <http://sverigesradio.se/sida/artikel.aspx?programid=83&artikel=6440836> there is a picture of the parliamentary opposition in Sweden. From left to right in civilian attire they are: Annie Lööf, the Centre party (the modest Green party) (C), Jan Björklund, the Liberals (L), Ebba Busch Thor, the Christian Democrats (KD), and Anna Kinberg-Batra, the Moderates (M). They are famous because they have no political bite, i.e., they are politically toothless. Moreover, they have been dubbed *The Sewing Junta*. The photograph was taken in the Stockholm city region of Husby, a well-known section where the Muslims have declared a no-go zone for non-Muslims. It is so safe there that *The Sewing Junta* needed police protection!!!

This will keep you safe in Sweden!!! And In Germany,!!! And in Freance!!! And in England!!! And in Europe!!! and in ...

Inrikes. **31-årige Abdullah från Somalia dömdes i veckan till fyra månaders fängelse för att ha misshandlat och ställt sig och urinerat på sin gravida fru.**

Domestic. 31 y/o Abdullah from Somalia was sentenced this week to four month in jail for having physically abused and urinated on his pregnant wife/common-law spouse.

snippet from swedish text:

Motivet: Hon var barnvakt

Under utredningens gång kommer det fram att Abdullah provocerats av att sambon ställt upp som barnvakt för sin treåriga systerdotter. Kvällen den 8 augusti vill han att flickan omedelbart hämtas av sin mamma, något som inte är möjligt.

När han kommer hem från en festkväll denna tisdag går han därför till rasande attack. 31-åringen tvingar ned hustrun på golvet, slår henne med knytnävarna, sparkar henne i ansiktet och hämtar en burk öl som han häller över henne. Därefter knäpper han upp byxorna och ställer sig vid två tillfällen och urinerar på den kvinna han väntar sitt andra barn tillsammans med. "Hon låg ner vid båda tillfällena och urinen träffade från magen och uppåt. Hon var alldeles blöt i håret av bl.a. urin", skriver domstolen i sin dom.

The motive: She was baby sitting

During the investigation it has emerged that Abdullah was provoked by the fact (and unknown to him) his spouse had agreed to baby sit for her sister's 3 y/o daughter. The night of August 8th, when Abdullah came home intoxicated/drunk from partying with friends in town, he immediately demanded the child be picked up by her mother, which was not possible. This made the 31 year-old Somalian outraged, so in a furious mode he started to attack his spouse. He forced her down on the floor, beats her with his fists, kicks her in the face and fetched a can of beer which he poured over her. Then he unzipped his fly and stands twice above her and urinates on the woman who expect his second child (!!!) "She lay down and the urine hit her from stomach and upwards. She was completely wet in her hair from urine and beer", writes the court in its verdict.

Slutord: Så sent som förra året dömdes 31-åringen för misshandel och ofredande. Den somaliska familjen fick till slut en hyreslägenhet av bostadsbolaget Balder där de bott tillsammans fram till augusti i år. Familjen lever, liksom många andra invandrare från Somalia, på socialbidrag. Under domstolsförhandlingen under veckan fick Abdullah hjälp av en somalisk tolk.

Trots att 31-åringen upprepade gånger är dömd för våldsbrott, lever på bidrag, inte är svensk medborgare eller lärt sig svenska språket yrkade åklagaren inte på att få honom utvisad.

Closing comment: As late as last year the 31 year-old Somalian was sentenced for battery and molesting. The Somalian family finally* got a rental apartment from the housing company Balder in Sundsvall where they have lived together up to now. The family lives, like many other migrants from Somalia on social welfare. During the court proceedings Abdullah got help from a Somalian interpreter.

Although 31 year-old Abdullah several times before has been sentenced for battery in Sweden, lives on social welfare, is not a Swedish citizen nor has learned the Swedish language, the prosecutor did not demand his deportation!

Five years earlier, when the family lived in a suburb west of Stockholm, the police learned this Somalian was a very violent person who among other things in one of the premises there that belonged to Stockholm municipality had thrown one of its computers on the floor and smashed it. (see below)

Ökänd hos polisen Notorious/infamous with police

En **slagning** (computer check) på Abdullah visar att han finns med ett antal gånger i **polisens belastningsregister** (police crime register). **För fem år sedan** (5 y/ago) fick han ett **utbrott**

(tantrum) i Stockholms stads lokaler i Hässelby Gård och slog i samband med det sönder en **datorskärm** (computer screen) genom att kasta den i golvet.

There's nothing to get upset about. What's wrong with flying an Islamic State flag in an Islamic State country?

Culture-Enriching Rapist Freed on Appeal, Sues the Swedish State

(<http://gatesofvienna.net/2016/10/culture-enriching-rapist-freed-on-appeal-sues-the-swedish-state/#more-41200>.)

The following report from yesterday's *Fria Tider* contains explicit descriptions of sexual violence that may be disturbing to sensitive readers.

Many thanks to Tania G. for having the fortitude to translate this nasty piece of business:

Asylum seeker participated in gang rape — and is awarded 140,000 (Swedish crowns) in damages.

One of the African asylum seekers from Eritrea who was present when a woman in Ludvika was brutally gang-raped has now been granted 140,000 Swedish kronor in damages from the Swedish taxpayers. This despite the fact that he had participated in the rape and even kissed the woman, reports the *Dala-Democrat*.

The gang rape took place in central Ludvika at 12:30am the night of Saturday, 17th of October last year.

The woman was on her way home when she stopped at the ATM machine at Fredsgatan. At the ATM several African men stopped her and asked her for cigarettes. Upon leaving, one of the Africans followed her to an alley by the restaurant Trädgården where he asked her to give him a kiss.

“No, I have a boyfriend,” the woman explained to no avail, as the African then shoved his tongue into her mouth.

Two other Africans suddenly appeared and the woman thought they would come to her rescue. Instead, the Africans formed a circle around the woman, pulled down her pantyhose and panties and subjected her to both anal and vaginal rape while the others helped hold her.

The woman was shocked, and screamed for help during the gang rape, which lasted fifteen to twenty minutes. Finally, a Swedish man arrived at the scene and asked the Eritreans what they were doing, which led to the Africans scattering in different directions.

When she was found, she lay completely battered on the ground without both panty-hose and panties.

“I was in a panic and completely destroyed,” the woman told the hearing.

The district court sentenced each of the three Eritreans to four years in prison, the penalty for aggravated rape. But the Court of Appeal chose to free the Africans because the victim described “one of the men as more passive during the rape,” reports the *Dala-Democrat*, and the court decided therefore that all three men would be acquitted.

“The Court of Appeal claims that there was no evidence that he had been involved. Nor it is considered proven who did what, even if the Court of Appeal also speculates about it. The conclusion is that no one can be charged,” writes the local newspaper.

And now one of the Africans has been awarded damages by the Attorney General, JK. He will receive 140,000 Swedish crowns for the time he was detained, according to the government decision, the *Dala-Democrat* reports. According to the local newspaper, given this decision the other convicted African rapists can also sue for damages at the Swedish taxpayers’ expense.

I think that this is only right. Remember Muhammad said that you can undertake any action against non-believers. To criticize this is to criticize Muhammad, and we all know that is a No-No!
