# The American Crisis

## Learn A Lesson Of Morality

### A Call To Take Action

### Number Sixteen

As a matter of morality it is the nature of compassion to associate with misfortune; and I address this to you in behalf of a former United States Army Lieutenant Colonel. His name is Terrence Lakin. He challenged the eligibility of Barack Hussein Obama to be the President of the United States of America according to Article II, Section I, Paragraph 5 of the *Constitution for the United States of America*. This clause states that a candidate for the presidency must be born in the United States of America to two American citizen parents. As an American Army officer he was unfortunately doomed to imprisonment in Fort Leavenworth, Kansas. He was sentenced to loss of rank and dismissal from the United States Army for a crime that Barack Hussein Obama originally committed because he is not a natural born citizen.

LTC Lakin's sentence is so extraordinary and the execution so repugnant to every human sensation that it ought never be told without the circumstances which produced it. The victim was found guilty for disobeying an order from the Commander-in-Chief concerning deployment to Afghanistan. LTC Lakin questioned the legality of the order because Barack Hussein Obama cannot prove that he is a natural born citizen and is, therefore, an illegal president whose orders have no legal ground. Furthermore, LTC Lakin was not allowed to introduce evidence on his behalf because according to the presiding military judge Colonel Denise Lind, such evidence would have embarrassed the President. What an anti-American, anti-patriotic standpoint! LTC Lakin still lives on as a true American Patriot! In the hands

of the next presidential administration rests LTC Lakin's official rehabilitation and reinstatement into the United States Army with all entitlements thereto.

Indeed, there are other military personnel whose heads have rolled because there are peacock generals willing to lose their spine of courage because they refused to uphold their oaths to the American *Constitution*.

The spineless peacock generals have willfully guillotined military careers to satisfy Barack Hussein Obama's wishes. For example, Lt. Col. Matthew Dooley, a United States War College instructor who taught military students about radical Islam, was relieved of his teaching duties and his career was cut short because the Pentagon was urged by a collective action of Islamic groups in America to cease such instruction. Although three Army Command Review Board Generals and two Colonels defended LTC Dooley's teachings, the Sharia-compliant four-star General Martin E. Dempsey and the Army Vice-Chief of Staff General Lloyd Austin had LTC Dooley's name removed from the Command List, thus guillotining LTC Dooley's chances of promotion to Colonel and possible later general after 19 years of military service.

A United States military officer takes the following oath of office:

*I, (name), do solemnly swear that I will support and defend the Constitution of (sic: for) the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God. (Note: for proper syntax and legal meaning, **of** should never be stated because it is a possessive preposition and the *Constitution* does not belong to the United States of America. It comes from WE the people *for* the United States of America.)*

This lifetime oath binds military officers to disobey any order that violates the *Constitution*. This oath should apply to Generals Dempsey and Austin as well, or do

they consider themselves to be above oath-taking to uphold the *Constitution* and place their emphasis on crawling into Barack Hussein Obama where the sun does not shine?

As of this writing there have been over one hundred dismissals in the five branches of the United States Armed Forces. They were abruptly fired or relieved of their command on trumped charges, or it was decided that they were not qualified to command. Yet, another reason has been the Barack Hussein Obama regime's statement that these officers had to be released from active duty because of budget cuts. Even an idiot can see through the ruse. Military officers have been forced out of their careers because they disagreed with Obama's ideology or position that one day the United States military must take action against domestic terrorists: WE the People – WE American Patriots! This is nothing more than a calculated shrinkage of military officers who disagree with the usurper-in-chief. In the eyes of American Patriots they are all heroes.

Also as of this writing, the Barack Hussein Obama regime is implementing a new defense policy that can be described as cutting the military fighting capacity and masquerading it as the Obama military strategy. This consists of measures to reduce the American Armed Forces by 8 to 10 percent in 2016. This will be the lowest American fighting force level since before World War II. Obama will eliminate the complete fleet of Air Force A-10 jets. There are eleven aircraft carriers that will have their operations reduced or halted. The *USS George Washington* will be mothballed in 2016. Obama is downsizing and Russia, China, North Korea, and Al-Qaeda are increasing their military fighting capacities. Furthermore, the Obama regime is planning to strip three-star and four-star generals of their commands so that they would not have any authority to oversee the management of their bases. This would undoubtedly cause a disaster in day-to-day operations like repair, training, and military preparedness, which would surely please the anti-defense-of-America-genius-of-nothingness Barack Hussein Obama.

Every American patriotic human breast is filled with such patriotic outrage that American Patriots are determined to eventually punish the present illegal president. Indeed, he should be prevented from issuing further illegal orders and signing illegal

laws. Barack Hussein Obama must be delivered up as a traitor and should suffer the constitutional consequences.

The first reflection which arises on this black business is what sort of men and women must Obama, his peacock generals, and his thugs be, and what sort of order and discipline do they preserve in the United States Army, when in the immediate place of their headquarters, and under the eye and nose of the American public the commander-in-chief, can take a Lieutenant Colonel at pleasure from his duty position or teaching position, and the guillotining of his career be made a matter of sport?

The history of the most savage leaders always produces instances exactly of this kind. They never have a formality in their punishments. With them it is the horridness of revenge, but with Barack Hussein Obama as putative commander-in-chief of the Army it is a still greater crime: the horridness of installing fear and setting an example to officers who take their oaths to uphold the *Constitution for the United States of America* seriously and patriotically follow these oaths.

The Army peacock generals who have succeeded each other have all affected to speak in language to which they have no right because they have failed to keep their oaths. In their proclamations, their addresses, their letters, and their supplications they talk of military honor and credibility; indeed, of constitutional law. WE the People and WE American Patriots whose eyes are open and ears not plugged, who speak the same constitutional language as military lawyers, many of whom were born on the same spot as they, and who can no more be mistaken in military jargon than in military actions, can declare to all the world, that so far as our knowledge goes, there is not a more detestable character, nor a meaner or more barbarous enemy, than the present Barack Hussein Obama. You straw soldiers have forfeited all pretensions to reputation, and it is only by holding you like a wild beast, afraid of your keepers, that you can be made manageable.

I can think no man innocent who has lent his hand to destroy the United States of America and to ruin those that he could not enslave, yet, abstracted from all ideas of right and wrong on the original question, Barack Hussein Obama in the present case, is the guilty man. The villain and the victim are here separated characters. The DemocRATS hold the one and WE the People hold the other. The DemocRATS

disown, or affect to disown and reprobate the conduct of LTCs Lakin and Dooley. The DemocRATS give Barack Hussein Obama a sanctuary, and by so doing the DemocRATS effectually become the executioners of constitutionally responsible military officers, as if the DemocRATS had placed these officers' heads under a guillotine and dismissed them from the world.

Whatever DemocRATS' and POLDS' feelings on this interesting occasion may be are best known to themselves. Within the graves of their own minds lies buried the fate of lifetime military oaths to the *Constitution for the United States of America*. Those who have elected allegiance to Barack Hussein Obama have killed their own oaths of office. These dead oaths become the corpses of DemocRATS' and POLDS' will, or the survivor of DemocRATS' and POLDS' injustice. Deliver up the one, and you ensure fright in the other. Keep those in fright to pay allegiance to Barack Hussein Obama and the others will die by choice.

The case is exceedingly plain: officers have been taken from their careers and their patriotic services to the United States of America have been guillotined and the official killer is at the head of the chain of command. The saying goes that *the fish stinks from the head down*. This fish named Barack Hussein Obama *shines and stinks like rotten mackerel by moonlight*.

Barack Hussein Obama is guilty of a thousand instances of cruelty, but they have been rendered equivocal, and sheltered from personal detection. Despite the propaganda of the enemedias, the crime is fixed. It is one of those extraordinary cases which can neither be denied nor palliated, and to which not even the custom of war applies; for it never could be supposed that such a brutal outrage against officers of the United States Army would ever be committed. It is an original in the history of civilized barbarians, and is truly Obamaesque. Yes, there are those who do lip service to Zero's derrière.

WE American Patriots can have no idea of their honor, or their justice in any future transaction, of what nature it may be, while they shelter an outrageous criminal, and sacrifice respectable officers. If Barack Hussein Obama has no regard for WE the People, he should at least spare the blood which it is his duty to save. Whether the punishment will be greater on him, is, in the nicety of sensation, an undecided

question! It rests with Congress to prevent the sufferings of more military officers. Congress has nothing to do but to impeach and try Barack Hussein Obama for treason and the matter ends. But to protect Barack Hussein Obama, be he who he may or may not, is to patronize his crimes. To trifle them off by frivolous and unmeaning inquiries is to promote them. There is only one declaration Congress can make. There is no promise Congress can give that will obtain credit. It is the man Barack Hussein Obama and not any clemency that is demanded.

DemocRATS and POLDS see themselves pressed on all sides to spare the life of Barack Hussein Obama, for to be executed he must if justice is done. The dismissal of highly decorated Army officers and further Obama crimes are offences not to be borne with, and there is no security which WE the People can have that such actions or similar ones shall not be repeated within the next two years, but by making the punishment of impeachment and treason fall upon Barack Hussein Obama. To destroy the last security of military officers and their oaths of office and to take the constitutional patriot and pass judgment with sportive career guillotining, is carrying barbarity too high for silence.

Evil Barack Hussein Obama must be put to an end. The choice of representative persons rests with WE the People. But if the DemocRAT and POLD attachment to the person guilty of treason is stronger than to the innocent, then the DemocRATS and the POLDS have invented a crime that must destroy what character they have left. If the cause of your king needs to be so supported, forever cease to torture our remembrance with the wretched phrases of Obama honor, Obama generosity, and Obama clemency.

The task before DemocRATS, POLDS and Republicans In Name Only (RINOS), though painful to them, is not difficult. Give up the criminal, and rehabilitate your military officers, as the first outset of a necessary military reformation.

The POLDS are men and women whom predecessors in the DemocRAT Party have instructed in wickedness, the better to fit them to their master Obama's purpose. To make them useful, they have been made vile, and the consequence of their tutored villainy is now descending on the heads of their encouragers. They have been trained like hounds to the scent of blood, and cherished in every species of dissolute

barbarity. Their ideas of right and wrong are worn away in the constant habitude of repeated infamy, till, like men practised in execution, they feel not the value of another's life. Likewise, it is their feeling towards a military officer's reputation and a patriotic concern for the United States of America!

DemocRATS and POLDS! Learn a lesson of morality from this melancholy, anti-American circumstance!
