

Mr. Sanders
(sung to the tune of “Mr. Sandman”)

Mr. Sanders, bring me a dream
Give me more welfare than I’ve ever seen
Print lots of money that we’ve been needin’
And give us socialism just like Sweden

Mr. Sanders, I’m so alone
Ran out of minutes, my ObamaPhone
Please turn on the spending spree
Mr. Sanders, give us stuff free

Mr. Sanders, beat Rodham please
You’re so much sweeter, less burdened with sleaze
You’re almost better than Che Guevara
And unlike Clinton you don’t need mascara

Mr. Sanders, this Soviet fan
Can’t wait to see your big tax-and-spend plan
Please turn on the tyranny
Mr. Sanders, do count on me
