Introduction

On August 10, 2011, the putative president Barack Hussein Obama held an Iftar Dinner¹ for honored(!) Muslim guests at the White House. During the dinner Barack Hussein Obama gave a short greeting with lies that lasted eight minutes. Barack Hussein Obama slobbered praise all over Islam, crawling into the ideology as far as anyone can where the sun does not shine and inviting Islam to crawl into him as far as the sun does not shine. At the same time, Barack Hussein Obama threw the culture, history, traditions, and the United States of America under the bus for the umthousanth time.

¹ The word *Iftar* means *breaking the fast of the ninth month*, Ramadan, which is a fasting month in Islam. Nowadays the Iftar Dinner after sunset is a gouging banquet festival, whereas in former days there were only small snacks, mostly with figs and dates.

What Barack Hussein Obama said is enough to make every American patriot vomit! The following, edited portions of the dinner greeting with this author's commentary in red will make this assertion become vivid!²

Barack Hussein Obama's Words and Commentary

Good evening, everyone, and welcome to the White House. (Barack Hussein Obama really means his party house!) Tonight is part of a rich tradition here at the White House of celebrating the holy days of many faiths and the diversity that define us as a nation. (The Iftar Dinner tradition is not rich in its being celebrated in the White House. The Iftar Dinner has taken place in only three presidencies. The banquet was begun by the destructive American President William Jefferson Clinton. It was carried on by President George W. Bush in the hopes that Islam would be placated. It has been continued by the putative president and Islamic agent Barack Hussein Obama.) So these are quintessentially American celebrations -- people of different faiths coming together, with humility before our maker, to reaffirm our obligations to one another, because no matter who we are, or how we pray, we're all children of a loving God. (They are not quintessentially American celebrations. Other nations have them as well, particularly Christian nations and Israel! In Islamic nations different faiths do not come together: there is only one accepted belief!)

Now, this year, Ramadan is entirely in August. That means the days are long, the weather is hot, and you are hungry. (Laughter.) (HUMMMM! Sheeple!) So I will be brief. (It would be a gift to the United States of America if Barack Hussein Obama's being *brief* meant that he will disappear!)

I want to welcome the members of the diplomatic corps who are here (Who no longer recognize Israel as an independent nation-state.); the members of Congress, including

² The portions of the speech that the author deleted concern those who died on September 11, 2001 with the attack on the United States of America (World Trade Center and The Pentagon) by terrorists of o-so-peaceful Islam, as well as those fallen American patriots who have died in Iraq and Afghanistan. The author will let them rest in peace, as Barack Hussein Obama should do, unless, of course, Barack Hussein Obama thinks that such occasions are perfect photo-ops!

two Muslim American members of Congress -- Keith Ellison and Andre Carson (**Two more agents of Islam.**); and leaders and officials from across my ~~administration~~ (**regime**).

...

To the millions of Muslim Americans across the United States and more -- the more than one billion Muslims around the world, Ramadan is a time of reflection and a time of devotion. (**Ramadan is a time of not eating during the time of sunlight but gouging down as much as one can before the next sunrise! Proper and correct fasting is undertaken by Christianity during the time of Lent³ and by the Jewish religion.⁴**) It's an occasion to join with family and friends in celebration of a faith known for its diversity and a commitment to justice (**The sharia is not justice!**) and the dignity of all human beings. (**The Koran teaches that only Muslims have dignity! All other peoples must pay the *dhimmi* tax.**)⁵ So to you and your families, Ramadan Kareem.⁶

³ Lent is from Ash Wednesday to Easter. Through prayer, repentance, alms-giving, and self-denial (fasting) Christians prepare themselves for the yearly commemoration of the Holy Week: the death and resurrection of Jesus Christ, the Son of God.

⁴ The fast of **Yom Kippur**: Day of Atonement. A day set aside for fasting, depriving oneself of pleasures, and repenting from the sins of the previous year.

Tisha b'Av The Ninth of Av, a fast day that commemorates the destruction of the First and Second Temples, as well as other tragedies.

The Fast of **Gedaliah**: Tishri 3 commemorates the killing of the Jewish governor of Judah, a critical event in the downfall of the first commonwealth.

The Fast of **Tevet**: Tevet 10 is the beginning of the siege of Jerusalem. It has also been proclaimed a memorial day for the six million Jews who died in the Holocaust.

The Fast of **Esther**: Adar 13 commemorates the three days that Esther fasted before approaching King Ahasuerus (Perhaps Artaxerxes II of Persia, ca. 435 or 445 BC-358 BC, reigned from 405-404 to 359-358 BC), on behalf of the Jewish people. The fast is connected with **Purim**, a holiday celebrating the rescue of the Jews from extermination at the hands of the chief minister to the King of Persia. If Adar 13 falls on a Friday or Saturday, it is moved to the preceding Thursday, because it cannot be moved forward a day because it would fall on Purim.

The Fast of the **Firstborn**: Nissan 14 is a fast observed only by firstborn males, commemorating the fact that they were saved from the plague of the firstborn in Egypt. It is observed on the day preceding Passover.

The Fast of **Tammuz**: Tammuz 17 is the date when the walls of Jerusalem were breached, another major event leading up to the destruction of the First Temple. Consult <http://www.jewfaq.org/holidaye.htm>.

⁵ A *dhimmi* is a non-Muslim living in a state/country governed by sharia law. The *dhimmis* have to pay a special tax, in hopes that they will not be killed. There is no guarantee against being killed by Muslims, even if one does pay the *dhimmi* tax. It is a tax for the right to reside under sharia law.

This evening reminds us of both the timeless teachings of ~~a great religion~~ (a violent ideology) and the enduring strengths of a great nation. (Barack Hussein Obama means the nation of Islam.) ...Islam has always been part of our American family (steer stooling), and Muslim Americans have long contributed to the strength and character of our country (more lies and steer stooling), in all walks of life. This has been especially true over the past 10 years. (The epitome of steer stooling! The statements in this paragraph are prime examples of Barack Hussein Obama's revisionism of American history. Islam never contributed anything positive to American history or culture! Barack Hussein Obama likes to repeat this theme as often as he can. It is another method of Barack Hussein Obama executing al-taqiyya, the saying of what one thinks, whether truthful or not, or the doing of what one wills, whether moral or immoral, as long as it supports the advancement of one's goals, in this case, the advancement of the ideology of Islam.)⁷

...

Nor let us forget that every day for these past 10 years Muslim Americans have helped to protect our communities as police and firefighters, including some who join us tonight. (It is a rule of Islam that Muslims must protect Islam first, themselves second. There is no third.)⁸ Across our federal government, they keep our homeland secure (They are doing a great job on the American-Mexican border and they love to physically search airline passengers who are legal American citizens!), they (mis)guide our intelligence (Israel does not exist anymore, according to the White House Internet site and Jerusalem is only a city in Palestine, according to the United States Department of State.)⁹ and counterterrorism efforts (Muslims and Islam counter American

⁶ Ramadam Kareem can be translated as Happy Ramadan or Blessed Ramadan.

⁷ This author knows American history in all of its details. He has searched all kinds of written works and the internet. Never has he found one positive contribution of Islam to the development of American culture, history, and tradition.

counterterrorism efforts!)¹⁰ and they uphold the civil rights and civil liberties of all Americans. (Muslims cannot uphold what they do not have. Islam has no civil rights.) So make no mistake, Muslim Americans help to keep us safe. (Thank you Nidal Malik Hasan! This author will not refer to him with his military rank. Nidal Malik Hasan is a dreg and an insult to humanity! Nidal Malik Hasan is symbolical of the evil of the o-so-peaceful-Islam jihadists.)

...

An America where we treat one another with respect and with dignity, remembering that here in the United States there is no “them” or “us;” it’s just us. (For Barack Hussein Obama the "us" are blind Democrat followers only ... or any kind of obot followers!) An America where our fundamental freedoms and inalienable rights are not simply preserved, but continually renewed and refreshed -- among them the right of every person to worship as they choose. (Barack Hussein Obama does this every day by worshipping himself and breaking as many laws of the *Constitution for the United States of America* as he can.) An America that stands up for dignity and the rights of people around the world. (That's right, Mr. PP [putative president], you tell Americans to respect Islam and sharia! They are exceptional examples of dignity!),¹¹ whether a young person demanding his or her freedom in the Middle East or North Africa, or a hungry child in the Horn of Africa, where we are working to save lives. (Where Barack Hussein Obama is working to support Islamic takeovers!)¹²

Put simply, we must be the America that goes forward as one family (The different American cultures are not one commune!!! Americans are individuals who in 1787 formed a republic and empowered it with laws in order that the citizens would be protected and remain free from dictator regimes and traitors.), like generations before us, pulling together in times of trial, staying true to our core values and emerging even stronger. (Patriotic Americans always stay true to their core values! Mr. PP does not!

Mr. PP stays true to his warped and evil self!) This is who we are and this is who we must always be. (Barack Hussein Obama is an al-taqiyya agent of Islam!)

Tonight, as we near a solemn anniversary, I cannot imagine a more fitting wish for our nation. (This author can imagine a perfect, fitting wish for the American Nation! Send Barack Hussein Obama into oblivion.) So (May) God bless you all and (May) God bless the United States of ~~America~~. (It is now the United States of Obama with 57 states.) Thank you. (Which really means Thank Me, Barack Hussein Obama!) (Applause!) (Sheeple do such things!)

Summa Sumarum

Barack Hussein Obama has again conducted an act of sedition against the United States of America. Seditious is an overt conduct like speech and organization which aims at insurrection against an established order. (All of Barack Hussein Obama's speeches are full of lies that are against the established order of the United States of America. His Organizing for America is fully against the established order of republicanism, federalism, and capitalism. Barack Hussein Obama is completely (national-)socialist-communist-stalinist-maoist.) Seditious includes the subversion of the *Constitution* and an incitement of discontent to lawful authority. (Barack Hussein Obama's election, conduct, and speeches are anti-*Constitution*. Often they incite discontent to lawful authority. One only has to examine Barack Hussein Obama's position regarding the role of the Wisconsin teachers' union and their activities in protesting against Governor Scott Walker's (R) salary-control bill in the winter and spring of 2011.)

This author's opinion of and rebuttal to Barack Hussein Obama and his selected lies at the Iftar Dinner is one word:

CRAP!

American patriots! Barack Hussein Obama is a master crapper! As long as people continue to accept his crap it will be possible for Barack Hussein Obama to continue dispensing it in order to continue his destruction of the United States of America.
