MEANINGS AND ETYMOLOGY

The meaning of **scum** is:

1. A filmy layer of extraneous or impure matter that forms on the rise to the surface of a liquid or body of water.
2. The refuse or dross of molten metals.
3. Any refuse or worthless matter.
4. An element of society regarded as worthless.¹

The Indoeuropean word root of **scum** is **skeu**, which means *to cover*. In Germanic it is **skuma*, meaning *foam or scum, that which covers the water*.²

Scum first appears in the English language in approximately 1392 in *Ayenbite of Inwyt*, where it means *foam or froth*. The title *Ayenbite of Inwyt* means *again-biting of inner wit*. The English title is *Remorse (Prick) of Conscience*, a prose work written in Middle English (1066-15th century) that is really a Kentish dialect translation of the French *Somme le Roi*, the *Book of Vices and Virtues*.³ In *Remorse (Prick) of Conscience* we read,

“6. selling by short
weight, as the
taverners do who
fill the measure
with scum;”⁴

This is a description of the *Eighth Bough of Avarice* that shows that tavern keepers would fill mugs with froth or foam to deceive the purchasers of ale.

The first reference to **scum** as being *the residue of society* is in Christopher Marlow's *Tamburlane the Great* (1586) a play in two parts. In referring to the spread of Islam's

conquests, Christopher Marlow (1564-1593) writes of Tamerlane, the Muslim ruler of Samarkand, whose byname in history is *The Sword of Islam*,

“A monster of five hundred thousand heads,
Compact of rapine, piracy, and spoil,
The scum of men, the hate and scourge of God,
Raves in Aegyptia, and annoyeth us:”

...

“These are the cruel pirates of Argier,
That damned train, the scum of Africa,
Inhabited with straggling runagates,
That make quick havoc of the Christian blood:
But, as I live, that town shall curse the time
That Tamburlaine set foot in Africa.”⁵

“In sending to my issue such a soul,
Created of the massy dregs of earth,
The scum and tartar of the elements,
Wherein was neither courage, strength, or wit,
But folly, sloth, and damned idleness,
Thou hast procur'd a greater enemy
Than he that darted mountains at thy head,
Shaking the burden mighty Atlas bears,
Whereat thou trembling hidd'st thee in the air,
Cloth'd with a pitchy cloud for being seen.”⁶

The meaning of **bag** is:

1. A container in the form of a sack or pouch, made from a flexible material, such as paper, cloth, or leather.
2. A woman's handbag: purse.
3. A collection of persons or things.
4. An unattractive woman.

The word **bag** comes from the Old Norse **baggi**, which was the North German language spoken between the 9th and 13th centuries in Scandinavia.⁸ Originally it meant *a bundle, a pack, a bale, a haybale, a (mental) burden*.⁹

When we put the two words together yielding the nomenclature **scumbag** (also **scum bag**), we have a reference that means something holding scum. This can be an allusion to persons, males and females, i.e., a person is full of scum!

Maxine Moore Waters uses the phrase **scumbag** in a hateful manner. The phrase is derogatory slang. Therefore, it is logical to explore the various meanings of the nomenclature as it is used by such people. The *Urban Dictionary* has 75 meanings of **scumbag**. Excluding repetitions, they are:¹⁰

All of the meanings apply to big-crap-mouthed leftists who in reality are fascist to the core. It is a proven, historical fact that *Leftism is Fascism!*¹⁸

If we give Maxine Moore Waters the benefit of the doubt that not all of the meanings apply to her – they have been crossed through – but only selected ones apply, there are 35 out of 75 meanings that aptly describe her essence. Thus, we can conclude, as the author and columnist Ann Coulter does, that Maxine Moore Waters is not the most intelligent person by any standard. “She, I think, actually, is very, very stupid — despite the fact that she’s black! It is possible to be black and stupid.”¹⁹

Maxine Moore Waters covers herself with stupidity. Indeed, Maxine Moore Waters is so stupid that she admitted that she is a liar and a fraud. On February 21, 2017, Maxine Moore Waters appeared on the talk show *The Real* and said that when she was a teenager she lied about her age in order to get a Social

¹⁷ A wop is a person without papers. It was originally used to describe illegal Italian immigrants.

¹⁹ It is also possible to be white and stupid! Perhaps Congresswomen Nancy Pelosi (D-CA, born in 1940) and Senator Elizabeth Warren (D-MA, born in 1949) could be considered in this regard. They have a lot of competition from former Member of the United States House of Representative Corrine Brown (D-FL, born in 1946) who served in Congress from 1993-2017.

Security Card and a job in a restaurant. One may argue that lying about one's age as a teenager in order to obtain a Social Security Card and get a job was not a serious matter. However, a lie is a lie and it was used to deceive the United States Government.²⁰ Maxine Moore Waters suffered no legal repercussions. Neither has Barack Hussein Obama suffered any repercussions for lying about the status of his citizenship and fraudulent social security status.²¹

STATEMENT

To recapitulate using appropriate selections from the above meanings, we can say that a **scumbag** is “a liar” and an “unattractive woman” whose personality is “a filmy layer of extraneous or impure matter” forming figuratively from her liquid or body” and that this impure matter includes at least 47 percent of the meanings of **scumbag** in the *Urban Dictionary*!
