

THE DEVOUT ASTERISK

OPENING STATEMENT

Joseph Robinette Biden Jr. is the illegal President of the United States of America from the Democrat Party because he *won* the 2020 presidential election by frauding the American electorate and President Donald J. Trump. Biden openly declared that he used illegal means to defeat President Trump. On December 11, 2020, the dement presidunce stated, "THAT'S HOW THEY BEAT THE HELL OUT OF US THROUGHOUT THE WHOLE COUNTRY."¹ The informative tweet has been deleted, and Twitter has canceled the account.² Before the 2020 election, the presidunce, who makes the sun rise in the East and banned using the term Wuhan Virus,³ stated in a video that "Secondly, we're in a situation where we have put together, and you guys did it for our administration — President Obama's administration before this — we have put together I think the most extensive and inclusive voter fraud organization in the history of American politics."⁴

Nevertheless, CNN reporters spun the 2020 presidential election with their lies. They state that it was a miracle election for Joseph Robinette Biden, Jr., who won because it was the "safest and most secure election in history."⁵

The Democrat Party is a political crime syndicate. Its bosses are Mafia-types like Chuck Schumer, Nancy Pelosi, Adam Schiff, Gerry Nadler, and even the present and former RINOs (Republicans in Name Only) from the House of Representatives, such as but not limited to, Rep. Kevin McCarthy, R-California; Rep. David Kutsoff, R-Tennessee; Rep. Lee Zeldin, R-New York; Rep. John Katko, R-New York; Rep. Adam Kinzinger, R-Illinois; Rep. Jamie Herrera Beutler, R-Washington; Rep. Dan Newhouse, R-Washington; Rep. David Valadao, R-California.; Rep. Peter Meijer, R-Michigan; Rep. Tom Rice, R-South Carolina; Fred Upton, R-Michigan; Rep. Anthony Gonzalez, R-Ohio, Liz Cheney; R-Wyoming. And from the Senate, the present and former RINOs such as, but not limited to, Sen. Richard Burr (R-North Carolina), Sen. Bill Cassidy (R-Louisiana), Sen. Susan Collins (R-Maine), Sen. Mitch McConnell (R-Kentucky), Sen. Ben Sasse (R-Nebraska), Sen. Mitt Romney (R-Utah), Sen. Lisa Murkowski (R-Alaska) Sen. Pat Toomey (R-Pennsylvania), who function as the Republican executioners for the Democrat Party.

Joseph Robinette Biden, Jr. Refers to himself and a devout Catholic. What is a "devout catholic"? Well, concerning Mr. Biden, "*a devout Catholic* is a politician who claims to be Catholic, yet dissents from the church's social teaching on causes that are near and dear to leftist pundits"⁶ and their followers. In The Devout Asterisk's case, a devout Catholic is one who is implementing an anti-God administration in his cabinet.⁷

Election fraud has been a winning strategy of the Democrat Party since the Age of Reconstruction (1865 – after the American Civil War.⁸ The devout politician in question has always been a proud member of the Democrat Party, which has become aligned with Marxist-Socialism during the past three generations.⁹

Because the presidence committed election fraud, his occupying the Oval Office is marked with an asterisk to indicate this election fraud. How do we know The Devout Asterisk is devout? The Devout Asterisk itself tells us such. It is the same as Muhammad telling us 91 times in the *Koran* that he is the most perfect human being to have ever lived and who will have ever lived!

ETYMOLOGY

Devout

For a better understanding, it is necessary to present the etymological development of the term *devout* that when used in describing Joseph Robinette Biden, Jr. means *deeply religious, displaying reverence or piety, and sincere earnest, devoted, dedicated, and faithful*. The term *devout* comes from the Middle English *devo(u)t*, out of the Old French *devot*, in turn coming from Late Latin *dēvōtus*, the past participle of *dēvovēre*, meaning *to vow*. These language sources have their origin in the Indo-Germanic stem **wegwh-**, meaning *to preach, to speak solemnly*, which developed into its zero-grade form ***wogwh-eyo-**, meaning *to pledge, to vow*.¹⁰ *Devout* came into the English language most likely before 1200 in the work *Ancrene Riwe* (*Rule for Anchoresses* written between 1225 and 1240), Part 1, *Of Devotions*.¹¹

Asterisk

An asterisk is the symbol *****. It is often used in writing to indicate an aberration. Thus it points out a particular aspect that necessitates correction of the inaccuracy, particularly a corrupt accomplishment. Its Indo-Germanic etymological word root is **ster-³**, meaning **star**.¹² It developed into the Late Latin *asteriscus* from the Greek *asterikos* meaning *little star*, the diminutive of *astér*, the genitive of *astéros*. According to the *Chambers Dictionary of Etymology*, the *asterich* came into the English language

¹⁰ Julius Pokorny, *Indogermanisches Etymologisches Wörterbuch*, Band I, A. Frenke Verlag, Tübingen und Basel: 2005, entry *eyeguh-*, p. 348. The use of the asterisk in ***wogwh-eyo-**, means that the zero-grade form has been recreated by linguists.

sometime before 1382, where it appears in the *Prologue* to the *Wycliffe Bible* (John Wycliffe, 1320-1384).¹³ Sometime before 1387, *asterick* appears as *asteriscus* in Volume VI, page 128 in *John Trevisa's Translation of Polychronicon of Ranulph Higden*: "... and pere they liadde lasse pan was in Hebrewe, oper speke¹⁹ derkliche, he made a signe pat hatte asteriscus and is i-shape liche a sterre."¹⁴

As used in this essay, the *asterisk* means there was/is a corrupt accomplishment associated with the present Asterisk Occupier of the Oval Office in Washington, District of Columbia. The Devout Asterisk's election as the 46th President of the United States of America cannot be legally recognized. The Devout Asterisk is an illegal entity!

The Devout Asterisk has described himself as a "devout Catholic," a description enthusiastically repeated by his press secretary and the media. Archbishop Joseph Naumann of Kansas City, who also serves as chairman of the United States Conference of Catholic Bishops' (USCCB) Committee on Pro-Life Activities, argues that The Devout Asterisk's open support for legalized abortion is contrary to God's creation of life in His image. With elaboration, the position to legalize abortion with tax dollars or any other form of financing is hostile to natural marriage, inconsistent with God's love, and opposed to the origin of the Judeo-Christian code of law in the Ten Commandments. To support politics that are adverse to these principles is not being a devout Catholic.¹⁵

How much of a devout Roman Catholic is The Devout Asterisk? Let us examine this question by using the Ten Commandments as a basis for the comparison of how The Devout Asterisk's actions in the past and present have shown his devoutness.

The Democrat Party and The Devout Asterisk personally violate the moral guidelines of the Ten Commandments.

The Devout Asterisk, is the politician of socialism and its ism-offshoots – communism, fascism, democratic socialism, and National Socialism (Nazism). All of them, including the Democrat Party, consecrate the state above the powers of God. There is no place for God in a state controlled by the Democrat Party. This is why the Democrat Party is in a perpetual war with the teachings of the Catholic and Protestant Churches. The Democrat Party and The Devout Asterisk are determined to create a society that does not believe in God. The only belief that the citizens are to have is the belief in the Democrat Party, which will eventually replace the government of *We The People!*

The Devout Asterisk is an illegal president supported by the Democratic Party. The political party is classified as an anti-United States Constitution syndicate and presided over by some of The Devout Asterisk's colleagues. The Devout Asterisk has subscribed to the Roman Catholic religion for an extended period and branded himself as a staunch Christian. However, his views have been oddly rejected and have contradicted the religious doctrines and beliefs.

The presidence openly supports many political issues contrary to Christianity, proving that he is not a firm believer in the Christian faith.¹⁶ Attending church should be accompanied by great deeds, fulfilling one's obligation towards one's faith and abiding by the doctrines. However, The Devout Asterisk seems to attend church to prove that he is of religion but fails to live up to his Christian responsibilities.

The illegal presidence Joseph Robinette Biden, Jr., better known as The Devout Asterisk, and his Democratic Party have violated and broken the Ten Commandments, which form the basis of Judeo-Christian law.

The Devout Asterisk and the Ten Commandments¹⁷

The Ten Commandments are laws of God's making. They are the laws of His speaking to human beings. They reflect the eternal majesty of God's paradise in Heaven and on earth. God is the King of Kings, and where God's word rules, there is divine power.

The Lord said to Moses, "Come up to Me on the mountain and be there; and I will give you tablets of stone, and the law and commandments which I have written, that you may teach them." (Exodus 24:12)

The following Ten Commandments are from the *New King James Version of the Bible*.

The First Commandment: "I am the Lord your God, who brought you out of the land of Egypt, out of the house of bondage. You shall have no other gods before Me." (Exodus 20:2-3.)

This commandment concerns the object of our worship. It forbids the worship of false gods and goddesses, *idolatry* and excludes *polytheism*, insisting on *monotheism*, the faith in one God. This commandment forbids building temples to Isis, making golden calves, and worshipping statues of Caesar, for example. It thus forbids the worshipping of the political party and the state that are fictitious deities. They will not always exist. God will always exist.

Socialism and the related isms such as communism, fascism, democratic socialism, and National Socialism (Nazism) – consecrate the state above all other powers. There is no place for God. This is the reason socialists are in a perpetual war with religion. They want to create a faith-free society.

The commandment articulates on maintaining God's image and refraining from idolizing other objects. Power, wealth, and politics subscribe to the idols that the

doctrine has overruled and from which humanity is to abstain. The Devout Asterisk and his political party violate the First Commandment. The Devout Asterisk is the proprietor of the socialist philosophy, and he strives hard through his party to incorporate the belief into the community.¹⁸ Socialism tells the citizens to believe in the country's leadership and the created notion that the country's growth and development is because of the unity with the individuals. The Devout Asterisk pushes the idea since he comprehends that citizens will be controlled by the state party, which he wishes to be the only political party in the United States of America while believing in the fallacy of living in a free nation. People fail to analyze some of the subunits of socialist philosophy that the Democrat Party has rampantly spread throughout the American Republic in its goal of rewriting the established freedoms in the American *Constitution* into a socialist/communist catalog of required behavior.

The Holy Scriptures teach us that God owns the world and all the wealth. He is the creator of the universe; thus, all humanity owes Him gratitude through worship. However, The Devout Asterisk and his political party strive to accumulate all the power and wealth for the state. The primary goal is to trap citizens and make them believe in the state. God is not welcomed in places where humanity values wealth and power more than God is accorded.¹⁹ The Devout Asterisk violates the First Commandment by intentionally misleading the populace to focus on growing and developing more wealth instead of uniting the country in the Judeo-Christian legal foundation. The Devout Asterisk's central objective is to create a faith-free community manipulating the people into believing they have the needed independence. At the same time, The Devout Asterisk is striving and putting all the illegal administration's efforts into establishing a socialist economy that will eventually lead to a communist state. Since The Devout Asterisk is a firm believer in socialism, he will always violate the First Commandment according to the motto, "Put trust and faith in our government."

President Donald J. Trump stated, "In America, we don't worship government. We worship God."²⁰

The Second Commandment: "You shall not make for yourself a carved image, or any likeness of anything that is in Heaven above, or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them. For I, the Lord your God, am a jealous God, visiting the iniquity of the fathers on the children to the third and fourth generations of those who hate Me, but showing mercy to thousands, to those who love Me and keep My Commandments. "You shall not make for yourself a carved image, or any likeness of anything that is in Heaven above, or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them. For I, the Lord your God, am a jealous God, visiting the iniquity of the fathers on the children to the third and fourth generations of those who hate Me, but showing mercy to thousands, to those who love Me and keep My Commandments." (Exodus 20:4-6)

The Second Commandment deals with how we worship God. Graven images are idols. They are teachers of lies. Idols are substitutes for God in the ranking of values. A graven image is a gross piece of ignorance, delusion, and impudence.

Sheer control over the individual is an idol in socialism. Building utopias is another idol. It is a unicorn of government, and such perfect societies do not exist.

This holy rule forbids Christians from idolizing other images or objects. God is supreme, and He warns humanity from worshiping other gods. The commandment expounds on God's wrath against individuals who focus on praising self-made idols. Idols are present in various forms, thus not necessarily a curved image.²¹ An idol is that item that steals an individual's focus away from dedicating one's time to God. The Devout Asterisk idolizes politics and power in formulating the socialist philosophy that aspires to eradicate Christianity. The Devout Asterisk breaks that commandment by

manipulating the citizens from believing in God. He does not make any public statement declaring that act but uses his actions to reveal the hidden message. For instance, American citizens who believe in the Democrat Party accept how it came to their illegal Presidunce's rescue. Therefore, people have focused more on idolizing the party and shifted their concentration from God's promises to humanity.

The commandment articulates God's promises for mercy to the believers and punishment to the non-believers. Some Christian leaders blame the current global Corona pandemic as punishment to humanity for trusting in the wrong leaders who draw their subjects away from their duty to praise and worship God. The Devout Asterisk knows that declaring a world without God is blasphemy, but introducing the socialist state takes precedence over God's existence.²² The Devout Asterisk-Democrat Party mechanism focuses on the citizen's weaknesses and establishes a faith-free community. The citizens hoped for a leader who would eradicate all the social injustices when assuming his presidential justice.

Therefore, The Devout Asterisk and the Democratic Party promised Americans better leadership. The Democrat Party propagandized the American voters to idolize him and told them that The Devout Asterisk would establish a coveted system of Democrat Party leadership in America. The Devout Asterisk violates the second holy commandment because he uses propaganda of untruths that have as their goal the fulfillment of his promises and thus create an atmosphere of idolization of his person.²³ The Devout Asterisk gave the voters the goal of unification that would bring massive changes to the state without placing their prayers and hope in God. However, The Devout Asterisk took the chances through manipulation and falsely holding on to the Catholic doctrine, thus exploiting the dumbed-down citizens' faith.

The Third Commandment: "You shall not take the name of the Lord your God in vain, for the Lord will not hold him guiltless who takes His name in vain. (Exodus 20:7)

²² Ost, *op. cit.*, p. 71.

²³ Strang, *op. cit.*, p. 72.

The Third Commandment presents the serious and reverent manner in which we worship God. Once a culture becomes socialistic, it metamorphosizes into depravity and perversity. Socialists openly blaspheme God and Jesus Christ in their goal of enforcing their new, immoral order. Leftist Hollywood actors, actresses, directors, and producers shock audiences with their immoral and unethical films.

People of the Judeo-Christian faiths honor the name of God because they love God with all their heart, soul, mind, and strength. The faithful passionately and vigorously respect God and do not swear by using the name of the Lord.

The commandment asks Christians to accord God's name the needed respect and refrain from situations that insult supreme power. It is another commandment that The Devout Asterisk has violated. The Devout Asterisk's life story indicates a man in despair, and he should have relied on God's grace and goodness, which delivers God's children from anguish and gloom. The Devout Asterisk superficially subscribes to the Catholic faith, thus comprehending the punishment in calling God's name in vain. Although The Devout Asterisk has proclaimed his faith publicly, The Devout Asterisk has never chosen humility over pride and trampled over God's people in the United States of America and God's chosen people in Israel. The Devout Asterisk does not uphold the Third Commandment since he acknowledges the blessings and the great things in his life that the Democrat Party has given him. The Devout Asterisk's political journey reflects a man who was always controlled by the power of the Democrat Party, and thus it stained any association with God and prevented a positive relationship with God. Therefore, even during his swearing-in ceremony as president, and superficially calling on God's name and asking Him for guidance throughout his presidency to fulfill his leadership duties and responsibilities as dictated by the Democrat Party, The Devout Asterisk was not respecting the Third Commandment because he was not calling on God's title at the right time for the right purpose. However, it was placing the goals of the Democrat Party above the plans of God. This act underscores The Devout Asterisk's hypocrisy and is a form of taking God's name in vain.

Moreover, The Devout Asterisk allows support to come from blasphemous Hollywood actors and actresses, pop singers, and rappers who regularly take the name of God in vain. The Devout Asterisk does not understand the meaning of God's

guidance in his oath of office. The Devout Asterisk knew when he took the oath of office that he would never obey this oath in God's name.

The Fourth Commandment: "Remember the Sabbath day, to keep it holy. Six days you shall labor and do all your work, but the seventh day is the Sabbath of the Lord your God. In it you shall do no work: you, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your cattle, nor your stranger who is within your gates. For in six days, the Lord made the heavens and the earth, the sea, and all that is in them, and rested the seventh day. Therefore the Lord blessed the Sabbath day and hallowed it. (Exodus 20:8-11)

The Fourth Commandment deals with the time of worshipping God. The command to "remember" emphasizes that humans are to directly engage in observing the day of rest. In socialist societies, Sunday is a typical day. In countries like atheist, communist China, Sunday-church Gowers are easily identified and persecuted. Even in market-based, capitalist societies, materialism has placed respect for Sundays at the margin of reverence.

The Jewish celebration of the Sabbath (*Shabbat*) begins at sundown on Friday evening. It lasts until sunset on Saturday. Catholic, Protestant, and Orthodox Christians attend church services on Sunday and treat the day as the Lord's Day, honoring the day Christ rose from the dead.

The commandment reminds Christians to set aside the Sabbath Day and praise and worship God. It is a consecrated day where human beings should avoid indulging in manual labor and focus on listening to God's words. The Devout Asterisk claims he is a devout Christian. Even before his illegal presiduncial era, he kept up appearances like Leftists do and attended church services in various cities in his home state, Delaware. On numerous occasions, he was spotted with his grandchildren after attending a communal service. Some news reporters engaged him in conversations, and he acknowledged the significance of attending the church services and listening to God's words. He maintains he is a firm believer in God's words and promises of hope without realizing the consequences of God's wrath when confronted with superficial believers. But in actuality, he replaces church attendance with taking part in

Democrat Party meetings and conventions where the message is completely opposite that of Sunday sermons.

This is not being respectful of the Sabbath Day because he never separates politics from praise and worship of God. He has never kept his private life from the political limelight. Yet, at the same time, he undertakes the Machiavellian approach to conduct himself as a good Christian while embracing the Satanic policies of the Democrat Party to make the United States of America and the world a better place for the Democratic Party and not a better place for Americans and people of other countries. Evidently, the messages in Catholic Church sermons do not penetrate his cranium. The Fourth Commandment's primary goal is abiding and emphasizing the citizens' significance of nurturing their spiritual life and restoring their hope in the Lord during the Sabbath Day. The sole abiding, stressing, and promoting that The Devout Asterisk has undertaken is that of his person.

The Fifth Commandment: "Honor your father and your mother, that your days may be long upon the land which the Lord your God is giving you. (Exodus 20:12)

This Fifth Commandment references the duties we have to our family relations, particularly those of the children to their parents. It also includes step-fathers, step-mothers, guardians, and nurses for children and adults. The commandment obligates believers to respect their parents — as children *and* adults. Children are guided to obey their parents, and when they become adults, they must respect and take care of their parents when the latter become old and ill.

Since the French Revolution in 1789, socialism has been in an ever-continuing conflict with marriage and the family. The left-wing, revolutionary French Jacobins wanted to destroy Christianity and replace it with a totalitarian government to supplant the family. Frederich Engels, the co-author with Karl Marx of *The Communist Manifesto*, argued for the necessity of exterminating marital fidelity and raising children in the commune. Socialists have always considered the family to be a competition to government authority and a bastion of the church blocking the establishment of collectivist regimes. Socialism is anti-family.

The Fifth Commandment emphasizes the significance of obedience and respecting the parents. A devout Catholic comprehends that parents are like a physical representation of God in their lives, thus obligated to treat them with utmost significance. The Devout Asterisk's greatness and wisdom cannot be reflective of his parents' character, for apparently, he did not comprehend their importance in his upbringing since he failed in the father-son education of his corrupt-drug-addict-son Hunter Biden. Moreover, he is also involved in several corrupt activities.

In his advancing condition of dementia, The Devout Asterisk does not have the strength to take charge and introduce a strong patriotic leadership system for the American citizens. His actions and readiness to manifest anti-American change within the state indicate that he was not raised and taught the significance of compassion and patriotism to *the Constitution for the United States of America*. There are no indications that The Devout Asterisk fulfills the Fifth Commandment by emulating his parents' teachings. The Devout Asterisk performs the constructed lies of the Democrat Party that tells him what to do.

The Sixth Commandment: "You shall not kill." (Exodus 20:13)

The Sixth Commandment concerns the conduct of our personal life and the life of our neighbor, whereby neighbor is not limited to a person living next door to us but can encompass persons whom we know to exist regardless of the geographical area. The command can also mean not to stab a person's character, conduct plots, conspiracies, and contrivances of malice and revenge resulting in death.

There is a moral difference between taking innocent human life and executing murderers. Abortion, a long-time goal of socialists, is the direct elimination of innocent human life. Socialists claim it is a necessary method to liberate men and women from the responsibilities of being a parent.

The better translation from Hebrew is "Thou shalt not murder." This is a subtle distinction, and it is an essential distinction to the Judeo-Christian religions. The killing of an innocent person is murder. The killing of an unjust aggressor to preserve your own life is also killing. However, it is not considered murder or immoral.

The holy commandment articulates that God is the sole giver of life; thus, He should take it. An individual does not have to kill to have broken the commandment necessarily. Supporting a motion that upholds taking away life is murder. The Devout Asterisk has broken this holy law, and it is one of the primary reasons he should not subscribe to the Catholic faith. The religion upholds that all individuals are entitled to live their lives, and God will take it at his perfect timing. Bishop Naumann rebels against The Devout Asterisk's concept of being a devout Catholic since he has broken the Sixth Commandment. The Devout Asterisk has supported and legalized abortion in America. His stand has broken the Catholic doctrine since abortion is forcefully ending a child's life even before it is born. His stance on pro-abortion is the same as that of the Democrat Party, and that stance supports the murder of God-created life, thus violating God's law.

For The Devout Asterisk to be acknowledged as a staunch and law-abiding Christian, he should take the step to denounce his support of abortion. He should reprimand the Democrat Party and all pro-abortion organizations for supporting the murder of innocent infants. The Devout Asterisk should strive to formulate rules that punish young girls and mothers contemplating abortion.

The Devout Asterisk condoned the murder of the Navy Seals Team Six for political purposes. Additionally, as Vice-President under Barack Hussein Obama, The Devout Asterisk took no action to save the lives of the Navy Seals Team Six, whom he publicly boasted were responsible for eliminating the Muslim terrorist Osama Bin Laden.²⁴ Despite his massive power and authority as president, The Devout Asterisk

will never control Christianity's concept and change the laws. What The Devout Asterisk does to citizens is to confuse their beliefs in the Gospel. Furthermore, through the Democrat Party, he manipulates citizens and incorporates their tax financing to support abortion facilities. It is an incredibly wrong step since The Devout Asterisk forces all the citizens to break the Sixth Commandment, warning people against ending innocent lives. The Devout Asterisk does not comprehend that supporting murder is a grave sin that no Christian should condone despite the circumstances.

Furthermore, The Devout Asterisk was involved in the deaths of American agents in China²⁵ and the deaths of the United States Ambassador J. Christopher Stevens, United States Foreign Service Officer Sean Smith, CIA contractors Tyrone Woods, and Glenn Doherty in Benghazi, Libya, on September 11 and 12, 2012.²⁶

The Seventh Commandment: "You shall not commit adultery." (Exodus 20:14)

The Seventh Commandment deals with our own and our fellow human beings' chastity. It is a command against whoredom and fornication, including unnatural lusts and copulations such as bestiality, incest, and sodomy, as well as unchaste thoughts, affections, desires, obscene words, impure gestures and motions, and everything unclean or borders on uncleanness. since the early 1800s. In the 1960s, it became commonplace to protest for free love. Abortion, adultery, pornography, prostitution, and sex outside of marriage weigh in against marriage fidelity.

The Sixth and Ninth Commandments honor human sexuality. This Seventh Commandment forbids the actual, physical act of having immoral sexual activity, specifically adultery, which is sex with someone else's spouse or a spouse cheating on their partner. This commandment also includes *fornication*, sex between unmarried people, prostitution, pornography, homosexual activity, masturbation, group sex, rape, incest, pedophilia, bestiality, and necrophilia.

Lusting after a woman or a man in your heart with the goal of having immoral sex with them is a sin of the heart. Human life is a gift from God, as is human sexuality. Therefore, both must be defended, protected, and respected. The Judeo- religions believe that sexuality is a divine gift. It is sacred, and the proper context is marriage.

The Catholic doctrine holds that women and men should protect their minds from sexual thoughts. The Devout Asterisk has not always abided by this Catholic restriction and has a wife and family. He has public scandals with women who accuse him of adulterous and promiscuous activity. The Holy Scriptures uphold monogamy, and that man should be satisfied by one wife. But The Devout Asterisk has lived a double standard and thinks that he can still stand in God's presence.

Tara Reade is a former aide to The Devout Asterisk. In 1993, Reade accused her former boss, at that time Senator, of sexually assaulting her. Reade said in 1993 that the then-Senator pushed her up against a wall and penetrated her with his fingers.²⁷

But The Devout Asterisk claims that he has become a victim due to some past accusations regarding his lack of respect towards women. This assertion has no substance. Closely related to the desire for other women is The Devout Asterisk's desire for young girls. Here's the proof: (All links were accessed on 10 May 2021.)

The Eighth Commandment: "You shall not steal." (Exodus 20:15)

The Eighth Commandment relates to our persona estate, wealth, possessions, and estates, wealth, and possessions of other human beings. We are not to take another person's property by force or fraud. Socialism is theft by the state, whose goal is to take wealth from productive people and redistribute it so that a dependency on those giving it out will exist and create a basis for their political power. There is nothing that socialists would like more than placing the citizen in the form of slavery with total taxation of their incomes. That is the reason socialists want to control the fruits of one's labor. Once socialists are in control, private property will cease to exist. Remember, Karl Marx in *The Communist Manifesto* stated the goal in one sentence: "Abolition of private property."

Free societies respect and honor the private possessions. The Eighth Commandment forbids the seizure of private property. Some interpretations believe that the Eighth Commandment also forbids cheating people of their money or property and depriving workers of their just wage. Stealing is also embezzlement, fraud, tax evasion, and vandalism.

The holy law warns Christians against false property ownership or any material possession that does not rightfully belong to them. An individual is expected to follow

the correct procedure, which allows them to acquire the item in question. After The Devout Asterisk *won* the election, former President Donald J. Trump blamed him for rigging the polls. The Devout Asterisk's goal was to become the president at all costs. Therefore he broke the Eighth Commandment. This was a typical Democrat Party political use of the motto: *The end justifies the means*. The Devout Asterisk did not have a higher affinity with the citizens, and he did not use his manifesto to win their trust and collect more votes than Donald Trump but used illegal means to win the rigged election. The Devout Asterisk proved that he was involved in fraud and scandals, massively corrupting Americans' trust in political leadership.

Additionally, The Devout Asterisk thrived from the illegal support of the Democratic Party, which fulfilled their goal of winning the 2020 presidential election at all costs. This was public theft on the grandest scale possible. The Devout Asterisk comprehended that rigging the votes would negatively affect the state in the long run. But that was not important. The goal was to win! CNN maintained that the vote-counting procedure was fair and just, and all the polling stations honestly reported their results. Since January 20, 2021, what has been uncovered concerning the 2020 presidential election proves that the Democrat Party and The Devout Asterisk stole the election and committed fraud on a grand scale. Here is a listing of the collected proof of election fraud researched between January 21, 2021, and the date of this writing:

Bellwether states are states that set voting trends for Obama, Trump, and Biden.

The Ninth Commandment: "You shall not bear false witness against your neighbor.
(Exodus 20:16)

The Ninth Commandment involves our good name and the good names of fellow human beings. It denounces lying. The commandment is a law against making false accusations, swearing a false oath, hurting or damaging a person by whispering negative opinions, backbiting, slandering, telling lies, traducing a person's character with innuendos, insinuations, and evil suggestions which will cause a person to suffer in character, reputation, and business dealings.

God is the Author of all Truth. God is the Word, and the Word is the Truth! Judeo-Christian religions teach that humans have an obligation to honor the truth and the best way to do this is not to lie. We are not to lie in a court of law. We are not to lie to advance our well-being.

Socialism is constructed on lies about human nature. Therefore, socialism must use violence to establish itself. Socialism will resort to violence to achieve its goals. Karl Marx wrote that "The ends justify the means." This means you can do or say anything as long as it advances the revolution towards the establishment of socialism.

The Ninth Commandment warns about intentionally implicating another individual with false accusations. A devout Christian is expected to stay loyal to their peers to refrain from breaking the holy law. The Devout Asterisk indicates he is a devout Christian who has never broken the Ninth Commandment in his past or present life. The Devout Asterisk adamantly claims that he never made false accusations or witness against his fellow political leaders. On the contrary, the reality shows that shortly after usurping the Oval Office, The Devout Asterisk made several claims that were lies.²⁸ Here are a few selected examples:

The Devout Asterisk has lied so much in his life that he would not know the truth if it bit him.

The Tenth Commandment: "You shall not covet your neighbor's house; you shall not covet your neighbor's wife, nor his male servant, nor his female servant, nor his ox, nor his donkey, nor anything that is your neighbor's." (Exodus 20:17)

The Tenth Commandment is directed at the root of human relationships: coveting. It forbids the inner and initial ideas of the mind to commit external acts of

the sin of desiring that which does not belong to one's own person as a result of proper living and positive work. Coveting another person's property is coveting a corrupted covetousness.

Socialism's motor is the jealousy of others who have more. Pride, envy, and socialism are forms of coveting a desired divinity. The Tenth Commandment and the Seventh Commandment forbids us from wanting or taking someone else's property. The Tenth Commandment condemns theft and the feelings of envy, greed, and jealousy in reaction to what other people have.

The Tenth Commandment urges Christians to refrain from craving for what is beyond their reach. Coveting leads an individual to sin and might indulge in wrong behaviors pursuing what belongs to another person. Some of The Devout Asterisk's previous scandals have indicated his violation of the commandment. Its inner message is that people should learn to accord respect and privacy to what does not belong to them. However, serious allegations were staged against The Devout Asterisk, where a series of women complained of lack of respect.²⁹ He bluntly sexualized women since some of them pointed out that mistake. The Devout Asterisk did not deny any of those allegations but promised to be a better person and accord more respect to people's privacy. The commandment points out that he is not a devout Christian.

Any man living after God's ways will respect women and view them as equal beings rather than sexual idols. One woman admitted to being harassed by the Democrat Party because she refused to oblige the presidunce's demand to serve the campaign attendees.³⁰ The individual did not belong to The Devout Asterisk, and therefore admiring and forcing her to do something she refused to do breaks the Tenth Commandment. The woman could have been a native citizen's wife. The woman later pointed out that she lost her job because she brought into question The Devout Asterisk's leadership ability.

CLOSING STATEMENT

The Devout Asterisk's administration is full of anti-God proponents. They consider themselves to be above Almighty God.³¹ Their stance mirrors the demise of the American family, a long-time goal of the Democrat Party.³² It is full of false pride. It sheds innocent blood. It is wicked. It is full of liars. It plants discord.

"These six things the Lord hates, Yes, seven are an abomination to Him: A proud look, A lying tongue, Hands that shed innocent blood, A heart that devises wicked and evil plans, Feet that are swift in running to evil, A false witness who speaks lies, And one who sows discord among brethren."
(Proverbs 6:16-19)

The Devout Asterisk is a corrupt hypocrite. His family dealings raise many ethical questions.³³ Yet, The Devout Asterisk's position is: "I have never done anything

wrong in my whole life. I'm not sorry for any of my intentions. I'm not sorry for anything that I have ever done."³⁴ This is The Devout Asterisk's statement of his perfection. It is pure hypocrisy and earns The Devout Asterisk a place in *The Divine Comedy* (1307 bis 1320) written by Dante Alighieri (1265-1321), specifically in the ninth circle of treachery where sinners who promote scandals, schism, and discord belong. Demons will forever torment them because they committed treason against their country and treachery against God. The Devout Asterisk thus has the company of the false Prophet Muhammad. Both wear the badge of shame.³⁵

Jesus said of Satan, "When he lies, he speaks his native language, for he is a liar and the father of lies."³⁶ This also applies to The Devout Asterisk.³⁷

God is the beginning. God is the Word, which means He is the origin! – the origin of life, natural marriage, and love and the Ten Commandments. It is not a mystery as to where the deceptive bread of socialism is oven-baked: in Hell. This is no mystery. Those who ascribe to satanic socialism are themselves servants of evil. A simple comparison shows this obvious fact. Socialism teaches that common

³⁶ The Gospel According to Saint John 8:44

³⁷ For what it is worth, and non-the-least clever, "Dilbert creator Scott Adams claims he unraveled a satanic conspiracy within the campaign slogan of Democratic presidential candidate Joe Biden.

Scott Adams, the creator of Dilbert, claims to have discovered a satanic message within former Vice President and current Democratic presidential candidate Joe Biden's campaign slogan.

On Twitter, Adams claimed Biden's slogan "Build Back Better" shows a disguised "666" by using the only "letter that the numeral six would fit inside completely." He went on to add that there is "a satanic coincidence" in Biden's name. "Did you know if you took the capital letter J—just imagine the capital letter J in your mind—now think of the next letter in 'Joe.' It's an O. Now just move with your mind the O to the left until it's on top of the J. It's a backward six," Adams explained. "Now suppose the next letter is the lowercase E. What does a lowercase E look like if you turn it upside down? Well, it looks like a six. So you've got the J and O together. If you combine them, it looks like a backward six. You've got this lowercase E that looks like an upside-down six, but that's just two sixes. Six, six wouldn't mean anything, right? But the next letter is capital B for Biden, and capital B is where you hide your six." Adams then clarified that the "iden" in "Biden" stands for "identity," meaning that Biden's full name would be "666 identity." <https://rumble.com/vgxpj7-build-back-better-is-code-for-666-beast.html>, accessed 12 May 2021.

ownership by the state should control wealth. This is the reason for the Democrats' constant push to have government confiscate more income and ever more power. The Bible proclaims that God owns all things. Human beings are merely stewards of His creation. When we examine each of the Ten Commandments, we see that each one is directly at odds with socialism. The Ten Commandments are eternally ethical and moral. The politics of The Devout Asterisk and the Democrat Party are the politics of socialist deception.

A devout Christian is obligated to uphold the Ten Commandments and incorporate them into one's livelihood. When judging by the commandments, The Devout Asterisk is a false Christian who willingly breaks the holy rules. His claim to be a devout Catholic is only superficial, for appearances only, to his occupation's nature. He attends church to keep up the impression of being pious.

The Devout Asterisk is not a devout Christian. His human nature has always been susceptible to sin. All human beings are prone to sinning, and The Devout Asterisk is not an exception. His socialistic political views contradict the Christian doctrine. He has more allegiance to the Democrat Party than to any Christian teaching and the *Constitution for the United States of America*. The Devout Asterisk is obligated to keep the anti-American movement of the Democrat Party alive at all cost. Therefore, The Devout Asterisk and the Democrat Party violate all of the Ten Commandments. The Devout Asterisk will never change his political views and align them with Christianity and American patriotic beliefs. The Devout Asterisk's dementia condition and his life-long dependence on the Democrat Party rule out this necessity.

The Devout Asterisk cannot heal the American soul because it has been kidnapped and is in the process of being destroyed by the immoral and unethical Democrat Party and politicians like The Devout Asterisk.

"God is not mocked, for whatever one sows, that will he also reap."
