## Thrills Running Up Legs

### Prelude

Some incredible anti-American and anti-patriotic actions have occurred this past year. The United States of America under the direction of the Secretary of the Navy Ray Mabus has named some of its ships after some questionable characters who do not deserve the honor<sup>1</sup>: Democrat Congressman John Murtha (†), the most criminal United States Congressman before Charlie Rangel; socialist labor leader Cesar Chavez, who agitated for the recognition of illegal immigrants; and the civil rights activist Medgar Evers, not only famous for his campaign for civil rights but also for the statement "Our only hope is to control the vote," which Barack Hussein Obama did in 2008 with voter intimidation through the assistance of the New Black Panther Party and the Association of Community Organizations for Reform Now (ACORN). They are really one-and-the same type of organization!

Iran captured an American spy drone over its airspace, most likely with the assistance of communication jamming equipment and experts from Russia.<sup>2</sup> Barack Hussein Obama refused to have the spy drone destroyed by a missile strike and has thus allowed that enemy government, and possibly some others like Russia, China, North Korea, access to American top secrets.<sup>3</sup>

Mr. PP (putative president) barred Holy Bibles from being given to wounded soldiers at Walter Reid military hospital. Only after

Representative Steve King (Republican: Iowa) protested, did the Walter Reid military hospital say that it would rescind the order.<sup>4</sup>

Why? Who needs the last rites, anyway?

On November 15, 2011, the Senate Armed Services Committee approved S. 1867, the Defense Authorization Act.<sup>5</sup> That bill would not only "legalize the U.S. government's detainment and murder of Occupy Wall Street protesters and the assassination of talk show hosts, bloggers, journalists and anyone who holds a so-called *anti-government* point of view"<sup>6</sup>. Quite immediately after the passage, the Federal Emergency Management Agency (FEMA) began the erection of detention camps in all 50 states.<sup>7</sup> Surely it is not possible that Barack Hussein Obama and his co-traitors would violate the sixth amendment to the *Constitution* and detain American citizens indefinitely without a trial!

These anti-constitutional and anti-patriotic events are only the murky surface of Barack Hussein Obama's cesspool of hope and change.

## The Nitty Gritty

The Defense Authorization Act also has a provision that Article 125 of the *Uniform Code of Military Justice* be repealed. The article in question states:

"(a) Any person subject to this chapter who engages in unnatural carnal copulation with another person of the same or opposite sex or with an animal is guilty of sodomy. Penetration, however slight, is sufficient to complete the offense.

(b) Any person found guilty of sodomy shall be punished as a court-martial may direct."<sup>8</sup>

In spite of the fact that the department of Defense has stated that such actions could be prosecuted under Article 120 of the *Uniform Code of Military Justice*,<sup>9</sup> it is illegal and immoral for human beings to engage in sodomy and it is illegal for human beings to engage in bestiality.

When on December 5, 2011, Lester Kinsolving, a radio host and reporter for WorldNetDaily, asked the White House Press Secretary Jay Carney, the following question:<sup>10</sup>

"Does the commander-in-chief approve or disapprove of bestiality in our armed forces?"

Carney answered:

"I don't have any comment on — I don't have any comment on that. Let me go to another question. Let's get to something more serious."<sup>11</sup>

Jay Carney may not think that the matter is serious, but this author does think it is of utmost importance.

To this author it is obvious that progressive Senate Democrats and the putative president Barack Hussein Obama are the source of this evil repeal. Moreover, the atmosphere in the United States military is being prepared for the full acceptance and integration of the Islamic Sharia law, which allows sodomy, as well as sex with animals. These behaviors – sodomy and sex with animals – are accepted behaviors of Islam and the Koran, ... probably as long as it is done peacefully, with no groaning and shouts of *Oh, yes, let me give you more!*

Collectively, sodomy is an anal or other copulation-like act with a woman, but most especially between male persons, or between a man or a woman and an animal. The latter is called bestiality or zoophilia.

Such peaceful behavior is not only practiced by the peaceful Islam. It is condoned and allowed. The following article *Sodomy in Islam* deserves to be quoted in its entirety.

### *Sodomy in Islam*<sup>12</sup>

"In Pakistan, the mullahs are notoriously famous for child abuse and molestation. Every day we hear news about a mullah sodomizing his beardless student – a very common phenomenon in Pakistan. Almost everyone knows what happens in *Madrassas* (Islamic seminaries in Pakistan). Even one of my friends narrowly escaped from being sodomized by his Qur'an teacher when he was taking the Qur'an memorizing lessons.

(The logical question is why do such mullahs commit sodomy, which is allegedly condemned in Islam, against their Qur'an students? Are Muslims not exceedingly vocal in commending sodomy, homosexuality, and zoophilia? They are known to attack homosexuals in various parts of the world.)

---

<sup>12</sup> <http://dev.faithfreedom.org/articles/op-ed/sodomy-in-islam/>. This author has made corrections regarding syntax. Some explanatory comments are in parentheses.

The true answer is that according to the mullahs masturbation is *haram* (forbidden). Seeing any *na mehram* (not covered with a hijab) girl is also prohibited. The only way left to satisfy their lusty desires is to sodomize one of their pupils. While reading from a shia (the second largest denomination in Islam) Website, <http://www.answering-ansar.org/><http://www.answering-ansar.org/>, I came across the fact that the root of sodomy lies in the Islamic text and Islamic history. Here are some examples of the gems from the history and authentic books of Sunni Islam.

### **Umar indulged in sodomy and Allah was forced to legitimize this practice in the Qur'an**

For evidence you can consult the following texts:

- Jami al Tirmidhi, Bab al Tafseer (commentary), Volume 2, page 382, Ayat (sign of Allah) Hars.
- Fathul Bari, Volume 8, page 191, Kitab Tafseer Ayat Hars.
- Gharab al Qur'an, Volume 3, page 249, Ayat Hars.
- Tafseer al Ibn Katheer, Volume 1, page 261.
- Fayl ai Lawathar, Volume 6, page 229.
- Tafseer Qurtubi, Volume 1, page 92, Ayat Hars

Lets quote verbatim from Jami al Tirmidhi:<sup>13</sup>

*"Ibn Abbas narrates that Hadhrath Umar went before Rasulullah (s) (s = said) and "Master I am destroyed!". Rasulullah (s) asked 'what thing has destroyed you?'. Umar replied last night I had anal sex. Rasulullah (s) did not give a reply to Umar, then Allah (swt=said) sent down this revelation "Your wives are as a tilth unto you; so approach your tilth when or how ye will; the words '[i]kabool wa Dhabar[i]' (the anus is accepted)" (were stated).*

**Abdullah Ibn Umar deemed sodomy to be halal (permissible), like his old man.**

For evidence, please consult the following authentic Sunni texts:

- Tafseer Qasmi, Volume 2, page 220, by Jamaladeen Qasmi.
- Tafseer Qurtubi, page 92, Ayat Hars.

Here is the direct quote from Tafseer Durre Manthur:

*“Traditions wherein Abdullah ibn Umar believed sodomy with women are well known and Sahih”. (shahi = healthy, authentic)*

**Ulema of Madina believed that sodomy was halal (permissible).**

Please see the following Sunni sources:

- Fayl al Lawathar, Volume 6, page 154, Kitab Nikah, Bab Mut’ah.
- Tafseer Qasmi, Volume 2, page 223, Ayat Hars.
- Tafseer Ibn Katheer, Volume 1, page 262, Ayat Hars.
- Fathul Bari, Volume, 8 page 191, Ayat Hars.
- Tafseer Mazhari, Volume 3, Page 19.

Quoting directly from Fayl al Lawathar (we read):

*“Imam Auzai stated of the Fatwas from Hijaaz that are famous: one fatwa is from the people of Makka (Mecca) is that they deemed Mut’ah with women to be permissible, the other from the people of Madina (Medina), that sodomy with women is permissible.”*

Ibn Kathir in his Tafseer (commentary) also stated:

*“Statements on the permissibility of sodomy with women have come from the jurists of Madina (Medina)”.*

**Companions of Mohammed deemed sodomy with women to be permissible**

We read in Tafseer Qurtubi, Volume 3, page 93, Ayat Hars:

*“Fatwas (Islamic legal opinion) on the permissibility of sodomy with women Saeed bin Maseeb Nafi, ibn Umar, Muhammad bin Kab, Abdul Malik, Imam Malik, a large group amongst the*

*Sahaba (Those who associated with and accompanied Mohammed) and Tabaeen (tabieen=the generation of Muslims born after Mohammed's death) deemed sodomy to be permissible”.*

### **Imam Sha’afi deemed sodomy to be permissible!**

Please see the following Sunni texts:

- Tafseer Durre Manthur, Volume 1, page 266, Ayat Hars.
- Tafseer Ruh al Ma’ani, page 125, Ayat Hars.
- Tafseer Ahkam al Qur’an, Volume 1 page 265.
- Tafseer Qasmi Volume 2, page 228, Baqarah Verse 223.
- Al Mahzoorath, page 268.

We read in Tafseer Durre Manthur:

*“On sodomy with women, Imam Sha’afi no Sahih narration’s have reached us from Rasulullah (s = said) as to whether it is halaal or haraam (forbidden) and logic suggests that this is halaal”. (permissible)*

### **Imam of Ahl’ul Sunnah Abu Maleeka suggested ‘in times of trouble’ use a stick!’**

We read in Tafseer Durre Manthur, Ayat Hars:

*“Abu Maleeka was asked whether it was permissible to practice sodomy with women. He (said) ‘Last night I practiced sodomy with my servant, penetration became difficult hence I sought the assistance of a stick”.*

### **Imam Malik believed sodomy with women was halaal (permissible)**

We read in the following Sunni sources:

- Ahkam al Qur’an, Volume 1, page 352, Ayat Hars.
- Tafseer Gharab al Qur’an, Volume 2, page 249, Ayat Hars.
- Durre Manthur, Volume 1, page 111, Ayat Hars.
- Fathul Bari, Volume 8, page 190, Kitab Tafseer Ayat Hars.

Quoting verbatim from Ahkam al Qur'an:

*"Sahil asked Imam Malik: 'Is sodomy with women permissible? Imam Malik replied 'I just did this act and have just washed my sexual organs'".*

### **Imam Abu Hanifa's esteemed student Ibn Mubarak was also a homosexual**

We also read in 'Muhadarat al-'udaba', p. 199, Chapter 1, "Al hada al Saani" that:

*"Hakim (the independent decision of) Tabaristan made Abdullah bin Mubarak a judge, who was addicted to the anus (homosexual). He said to Hakim 'Sir I need some men who can help.' Hakim said, 'I was aware of your need before this' ".*

### **The Salaf deem it permissible to pray Salat behind a homosexual Imam**

We read in Sahih al Bukhari, p. 96, Kitab Bab ul Salaat, narrates a tradition from Zuhri Sahih al-Bukhari, p. 96, 1375

*"The Imamate of a mukhanath at a time of necessity is Sahih (the collection of the authentic tradition)".*

**(Note:** Arabic word *Mukhanath* means homosexual. This hadith has been removed from the English version of Bukhari, but exists in old copies of the Arabic version, for example in this 1375 Hijri (Muslim calendar) print.)

So I think that the mullahs sodomizing little girls and boys are not wrong at all. They are just following the Sunnah (the way) of the prophet and his companions."

(The Koran speaks of homosexuality. We read the following: The color of the peaceful Koran and Islam is green. Blue is the symbol of protection in Islam.)

**"(Koran 52:24)** *Round about them will serve, to them, boys (handsome) as pearls well-guarded.*

**(Koran 56:17)** *Round about them will serve boys of perpetual freshness.*

**(Koran 76:19)** *And round about them will serve boys of perpetual freshness: if thou seest them, thou wouldst think them scattered pearls.*

Mohammed could not make up his mind about Sodomy. He prohibits it on earth, but then he says that Muslims can enjoy homosexuality in Paradise. It is a well established fact that many famous Muslims were practicing homosexuals who looked towards the Qur'an to justify their actions. For example, Babar, the Moghul King was madly in love with a young boy named Baburi. Kuttubuddin Aibak, another Muslim ruler of India, used to dress up as a woman and dance in a vulgar manner.

Another example is Abu Nuwas – one of the greatest poets in the Arabic language – who writes in the *Perfumed Garden*:

O the joy of sodomy! So now be sodomites, you Arabs. Turn not away from it – therein is wondrous pleasure. Take some coy lad with kiss-curls twisting on his temple and ride as he stands like some gazelle standing to her mate. A lad whom all can see girt with sword and belt not like your whore who has to go veiled. Make for smooth-faced boys and do your very best to mount them, for women are the mounts of the devils."

(This is the peaceful sodomy behavior of the peaceful Islam. There is more concerning peaceful sodomy and peaceful<sup>14</sup> bestiality from James Earl Carter's revered Iranian holy man the Grand Ayatollah Seyyed Ruhollah Mosavi Khomeini, commonly known as the Ayatollah Khomeini, who wrote a tract with such inspiring peaceful themes as its subject. Khomeini was such a religious saint! Very human! Yes, very human! Digest the following presentation quoted in its entirety!<sup>15</sup>)

## Perversion in Iran's Theocracy

From the disgusting sayings of the Ayatollah Khomeini

"The *Tahrirolvasyleh* (commentaries on Islamic jurisprudence) quotes seem to be doing the rounds on the net and are causing much distress to the Khomeini kids, who either feign ignorance or deny the book exists. That reaction is interesting, because *Tahrirolvasyleh* is one of Khomeini's major works and is studied in detail by the Akhoonds (Persian Muslim clerics). Then again it was written in Arabic, making it inaccessible to most Iranians. *Tahrirolvasyleh* is an Iranicised version of its Arabic title *Tahrir al Wasilah*, Khomeini's ramblings on *fiqh* (Islamic Jurisprudence). It comes in two volumes and was written by Khomeini whilst he was in Turkey.<sup>16</sup>

A man can have sexual pleasure from a child as young as a baby. However, he should not penetrate vaginally, but sodomising the child is acceptable. If a man does penetrate and damage the child then, he should be responsible for her subsistence all her life. This girl will not count as one of his four permanent wives and the man will not be eligible to marry the girl's sister... It is better for a girl to marry at such a time when she would begin menstruation at her husband's house, rather than her father's home. Any father marrying his daughter so young will have a permanent place in heaven.<sup>17</sup>

A man can have sex with animals such as sheep, cows, camels, and so on. However, he should kill the animal after he has his orgasm. He should not sell the meat to the people in his own village, but selling the meat to a neighbouring village is reasonable.

If one commits the act of sodomy with a cow, a ewe, or a camel, their urine and their excrement become impure and even their milk may no longer be consumed. The animal must then be killed as quickly as possible and burned.

Wine and all intoxicating beverages are impure, but opium and hashish are not.

<sup>17</sup> *Tahrirolvasyleh*, fourth edition, Qom, Iran, 1990

If a man sodomises the son, brother, or father of his wife after their marriage, the marriage remains valid.

During sexual intercourse (before puberty), if the penis enters a woman's vagina or a man's anus, fully or only as far as the circumcision ring, both partners become impure, even if they have not reached puberty; they must consequently perform ablutions.

A woman who has contracted a continuing marriage does not have the right to go out of the house without her husband's permission; she must remain at his disposal for the fulfillment of any one of his desires, and may not refuse herself to him except for a religiously valid reason. If she is totally submissive to him, the husband must provide her with her food, clothing, and lodging, whether or not he has the means to do so. A woman who refuses herself to her husband is guilty, and may not demand from him food, clothing, lodging, or any later sexual relations; however, she retains the right to be paid damages if she is repudiated.

If a father (or paternal grandfather) marries off his daughter (or granddaughter) in her absence without knowing for a certainty that she is alive, the marriage becomes null and void as soon as it is established that she was dead at the time of the marriage.

It is not illegal for an adult male to 'thigh' or enjoy a young girl who is still in the age of weaning; meaning to place his penis between her thighs, and to kiss her.<sup>18</sup> (Ayatollah Khomeini sexually abused a four-year-old girl with parents' consent.)<sup>19</sup>

If a man commits adultery with an unmarried woman, and subsequently marries her, the child born of that marriage will be a bastard unless the parents can be sure it was conceived after they were married. A child born of an adulterous father is legitimate.

Ali [son-in-law of Mohammed], having cut off the hands of two thieves, treated their wounds and offered them his

hospitality, and this affected them so much that they became utterly devoted to him; or again when he heard that the marauding army of Muawiyah (Mohammed's secretary who converted to Islam in 630) had abused a woman of one of the tribes, he was so upset and moved to pity he declared: "If a man died after such an occurrence, no one could blame him." And yet, despite a nature as sensitive as that, Ali bared his sword and hacked the perpetrators to pieces.<sup>20</sup>

### Pedophilia is Legal in Iran

"In June, 2002, Iranian authorities approved a law raising the age at which girls can marry without parental consent from 9 to 13. The elected legislature actually passed the bill in 2000, but the Guardian Council, a 12-man body of conservative clerics, vetoed it as contradicting Islamic Sharia law. Iran's clerical establishment insists that the marriage of young girls is a means to combat immorality. The Expediency Council, which arbitrates between the elected parliament and the theocratic Guardian Council, timidly passed the measure. The law however does not change the age at which children can get married (9 for girls and 14 for boys), but says that girls below the age of 13 and boys younger than 15 need their parents' permission and the approval of a Righteous Court. Reformists state that the new law does not protect children, since most of those who marry at such a young age do so by force.

A religious decree by Khomeini ordered that girl prisoners who are virgins must be raped before execution, to prevent them from entering heaven. A Guard conducts the rape the night before execution. The next day, a marriage certificate is issued by a mullah, who sends it to the girl's family, along with a box of chocolates as a wedding gift.

It is quite common in Iran for older men to marry children, as long as they pay the appropriate bride-price to the girl's family. This basically means that a father can sell his daughter to whomever he wants, whilst the mad mullahs see this as a means of maintaining purity. (This is none other than

<sup>20</sup> This is the meaning of justice. "The Sayings of Ayatollah Khomeini, Political, Philosophical, Social and Religious" (The Little Green Book).

child prostitution and rape, especially given that Iran's clerics approve of the 'tradition' of 'temporary marriage' (Mut'a), which can last less than 24 hours and may be repeated as many times as desired. This form of exploitation is widespread and legitimizes sex with young children. The man may even visit his temporary wife every weekend at her father's house, for about \$10 per visit." (Are they not excellent at pimping?)

Khomeini on prostitution and Mut'a (temporary marriage)

"It is permissible to do Mut'a with an adulteress, but with aversion, particularly if she is a well-known prostitute. If Mut'a is done with her, she should be told to give-up her profession."

\*\*\*\*\*

Grand Ayatollah Seyyed Ruhollah Mosavi Khomeini<sup>21</sup> often said that Islam is a religion of peace and love. Now we know what he meant! Opium and hashish will give you peace and from the rear side you can love an animal, or any female, or male person regardless of how young s/he is. Does this mean that Islam supports a backward-oriented behavior? Are such utterances of pseudo-philosophical intellectualism not a hate crime against morality and human dignity?

Perhaps these are the reasons Barack Hussein Obama did nothing to support reform activity in Iran in the summer of 2009. The above Grand-Ayatollah-Seyyed-Ruhollah-Mosavi-Khomeini actions mirror his mindset!

---

<sup>21</sup> An *ayatollah* is a *marja*, meaning a *source of emulation*. The name *Seyyed* can be translated as *Mr.*, but it is also spelled *Sayyid* and is an honorific title that says that *males bearing this name are males accepted as descendants of the Islamic prophet Mohammed through his grandsons*. *Ruhollah* means the *spirit of Alah*. *Mosavi* implies that the person is a *direct descendant of the seventh of the Shi'a twelver Imams: namely Musa al-Kazim ibn Jafar as Sadiq*. The name *Khomeini* means a *son of the town of Khomein*, located about 350 kilometers south of Tehran. Therefore we have the following name: **A Source of Emulation, A Male Who Is An Accepted Descendant Of Mohammed Via His Grandsons, A Direct Descendant Of Musa al-Kazim ibn Jafar as Sadiq, From The Town Of Khomein, Iran.**

This author is a direct descendant of Charles Martell (688-741) the grandfather of the first Holy Roman Emperor, Charlemagne (742-814, Emperor from 800). Charles Martell defeated the Arab Muslims at the Battle of Tours (Battle of Poitiers) in 732. This victory essentially saved Europe from being overrun by Islam, thus guaranteeing the existence of Christianity in the Western World. Pray that it stays that way!

Given his non-existing morals, particularly on abortion, Barack Hussein Obama, being the true Muslim believer that he is, can surely not contradict the teachings and philosophy of the Grand Ayatollah Seyyed Ruhollah Mosavi Khomeini, for Khomeini received his knowledge from Allah and that knowledge was truly taught by Mohammed. Now they are both in other worlds, which is where they were when they were alive. We noted above that Barack Hussein Obama is having his pp (putative presidency) daily. Do Mohammed and the Grand Ayatollah Seyyed Ruhollah Mosavi Khomeini have their pp (plausible possibilities), as well? The question is: Which one: paradise or purgatory?

## Epilogue

The leftist television reporter and commentator Chris Matthews always got a tingle up his leg when Barack Hussein Obama gave speeches in the 2008 presidential primaries.<sup>22</sup> Chris Matthews can surely get tingles up his legs now, knowing that Islam sanctions sodomy and bestiality. I suggest that Chris Matthews convert to Islam so that the cause of these tingles cannot be questioned in a court of law.

Michelle I-have-never-been-proud-to-be-an-American Obama can get tingles running up her legs with her possible secret service body man when they have their frequent tingles away from the Muslim in chief in the Oval Office.<sup>23</sup>

Barack Hussein Obama definitely had tingles running up his legs with his body servants Donald Young (Murdered for doing so?), Larry Bland (Murdered for doing so?), Nate Spencer (Murdered for doing so?),<sup>24</sup> Larry Sinclair, Reggie the-pp-body-servant-czar Love, and the Hindu Kal Penn,

It is high time that the United States of America – all of the fifty states – rid themselves of Barack Hussein Obama, Michelle Obama, and all of their tingles – the sooner and the most legally, the better!
