

# A CASE OF TRUMP-BASHING ON GERMAN TV

## INTRODUCTION

A regular Monday evening German television information program on Channel One of the ARD (Allgemeine Rundfunkanstalten Deutschland [General Broadcasting Corporations Germany]) is a program titled *Hartaberfair* (Hard But Fair). The title is misleading when the subject matter is President Donald J. Trump. Since his candidacy in 2016 and his election, the *Hartaberfair* presentations have been anti-Trump. Indeed, they have been Trump-bashing! This action is symptomatic of German news media in general. I know of only a few Internet sites that are objective in their reporting on President Donald J. Trump and his presidency. The majority are anti-Trump!

On Monday, August 24, there was a discussion of the topic that is hyperlinked under the opening image:

[Wahlkampf mit allen Mitteln: Zerbricht Amerika an Donald Trump?](#)

Election campaign with all means: Is America crumbling because of Donald Trump?

## THE *HARTABERFAIR* OPENING STATEMENT

"Final spurt in the US election campaign. It threatens to become dirty - with all the tricks and fouls. What if Donald Trump manages to be elected for another four years? What if Trump loses, but doesn't want to go? And what does it mean for us (Germany) if America breaks down in the fight for the election?"

MY COMMENT: I find it interesting that directly after the terms "tricks and fouls" is stated in the second sentence, the third sentence immediately says *Donald Trump*. I believe that the two-sentence relationship is a subconscious suggestion that the "tricks and fouls" are to be associated with Donald Trump. My personal feeling borders on 100 percent surety. With the question, *What if Trump loses, but doesn't want to go?* is suggestive that Trump would break the law because he has a dictatorial character. The last sentence of the introductory statement *And what does it mean for us (Germany) if America breaks down in the fight for the election?* is suggestive of an outcome (America breaks down) that *Hartaberfair* might like to see happen.

## THE MODERATOR

The *Hartaberfair* moderator is Frank Plasberg. His career vita is under the image.

**Frank Plasberg**

His moderation style is one of the trademarks of the show.

A fast-track career in journalism:

- with 18 traineeships at the "Schwäbische Zeitung" newspaper
- afterwards police reporter and editor at the "Abendzeitung" in Munich
- 1980 studies in Cologne (theater studies, politics and education), parallel to this the first radio broadcasts at SWF3 in Baden-Baden
- 1987 the first meeting with Christine Westermann - for 15 years the two of them moderate the "Aktuelle Stunde" on WDR television
- 1993 Takeover of the editorial management of "Aktuelle Stunde", simultaneously responsible for numerous special programs in the third edition for eight years
- since January 2001: Frank Plasberg turns completely to work in front of the camera. He moderates "hart aber fair" and since spring 2002 also other current programs in Channel One, such as the ARD-Wahlcheck (Election Check) and was an interviewer for the ARD at the Kanzler-Duell 2009.
- since 2005: together with Jürgen Schulte producer and owner of the TV production company "Ansager & Schnipselmann".
- from 2008 to 2014: Moderation of the WDR program "plasberg persönlich"
- since 2009: Presenter of the primetime show "Das große ARD-Jahresquiz"
- 2016/2017: permanent candidate of the ARD evening-quiz show "Paarduell - wer schlägt Anne Gesthuysen und Frank Plasberg" (Couple duel - who beats Anne Gesthuysen and Frank Plasberg) Plasberg is married to Anne Gesthuysen.

### THE DISCUSSION GUESTS

*Hartaberfair's* guests on Monday, August 24, are presented below. Their short vitae are under their pictures.

#### **Tamika Campbell**

Tamika Campbell was born in New York City in 1974. She grew up in the Ansaaru Allah sect in Brooklyn until she left the sect at the age of 13.

In 1999 she emigrated to Germany. She lived first in Recklinghausen and then in Berlin. Campbell has worked in various fields and completed several training courses: as a hotel manager, as a carpenter, as a make-up artist.

In 2007 she started a career as a comedian and performed on small stages. In 2018 she had her first nationwide solo tour, followed by performances at the "SWR Nachtcafé", the "Comedy Champions", at "nightwash" etc.

In 2020 her book was published: *Wie die Freiheit schmeckt: Wie ich einer Sekte entkam und das Leben entdeckte*. (How freedom tastes: How I escaped a sect and discovered life.)

MY COMMENT: Tamika Campbell's delivery style is very often base and Lumpenproletariat-oriented.

### **NORBERT RÖTTGEN**

Norbert Röttgen was born on July 2, 1965, in Meckenheim and grew up in Rheinbach. He completed his law studies in neighboring Bonn, where he passed the first state examination in law in 1989 and the second state examination in law in 1993. His doctorate followed in 2001.

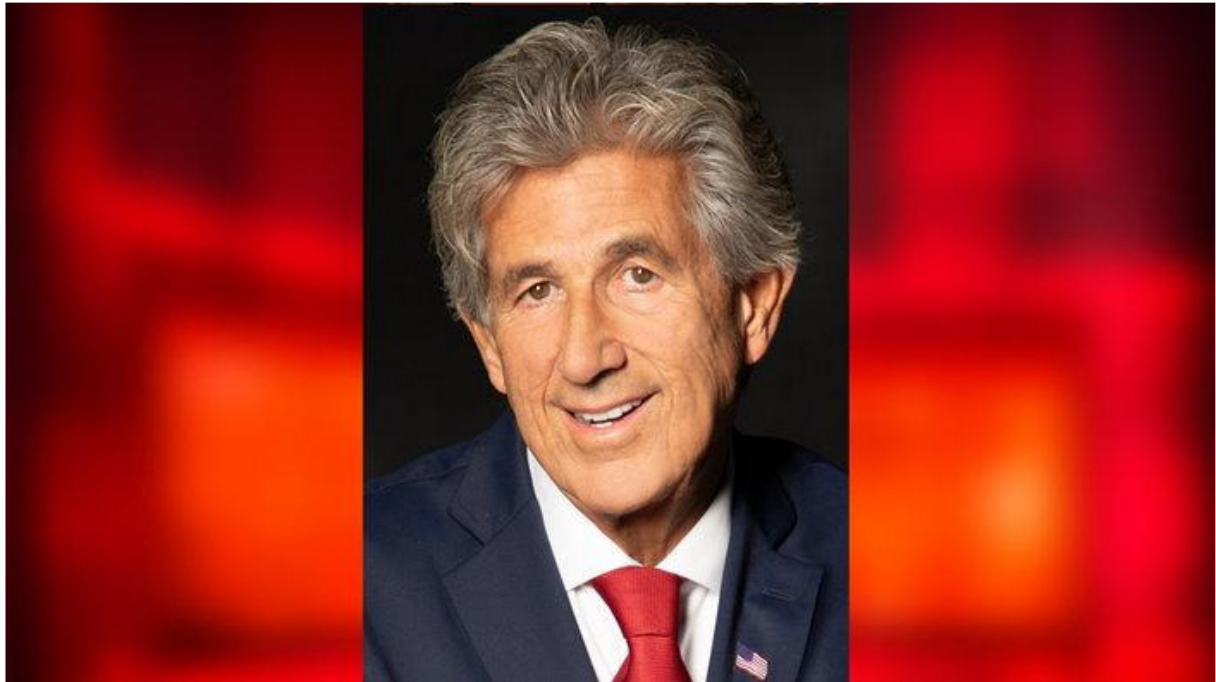

Already in 1982, Röttgen decided to join the political party CDU (Christian Democratic Union). In 1992 he was elected chairman of the Young Union of North Rhine-Westphalia. In 1994, he ran for the German Bundestag for the first time and has since been directly elected in every federal election.

In Bonn and later in Berlin, Norbert Röttgen initially focused on legal policy issues. For several years, he was the legal policy spokesman for the CDU/CSU parliamentary group in the Bundestag and chairman of the Federal Working Group of Christian Democratic Lawyers (BACDJ). (NOTE: The CSU – Christian Socialist Union – exists as a political party only in Bavaria.)

In February 2005, Röttgen took over the office of the 1st Parliamentary Secretary of the CDU/CSU parliamentary group in the Bundestag, before he was appointed Federal Minister for the Environment, Nature Conservation, and Nuclear 5

Safety in October 2009. Norbert Röttgen has been Chairman of the Foreign Affairs Committee since January 2014. He is running to be the next CDU Chancellor candidate.

**GEORGE WEINBERG**

George Weinberg was born in Katowice, Poland in 1948. After graduating from high school, he studied business administration at Boston University. In 1974 he received his Master's degree in civil engineering from the RWTH (Rheinisch-Westfälische Technische Hochschule [Rhine-Westfalen Technical University]) Aachen University.

In 1982 he received his doctorate from the RWTH Aachen University. In the same year, he became an American citizen. Initially, he was a partner and Vice-President for Construction and Development at Atlantic Realty Corporation in New Jersey.

In 1990 he moved back to Germany and worked as a real estate entrepreneur. Since 2004 he is managing director of the real estate agency "Grundwert USA".

George Weinberg is a member of the Republicans Overseas since 2014. He belongs to the advisory board of the umbrella organization and is managing director of *Republicans Overseas Germany*.

#### **CHRISTIANE MEIER**

Christiane Meier is a German television journalist and moderator.

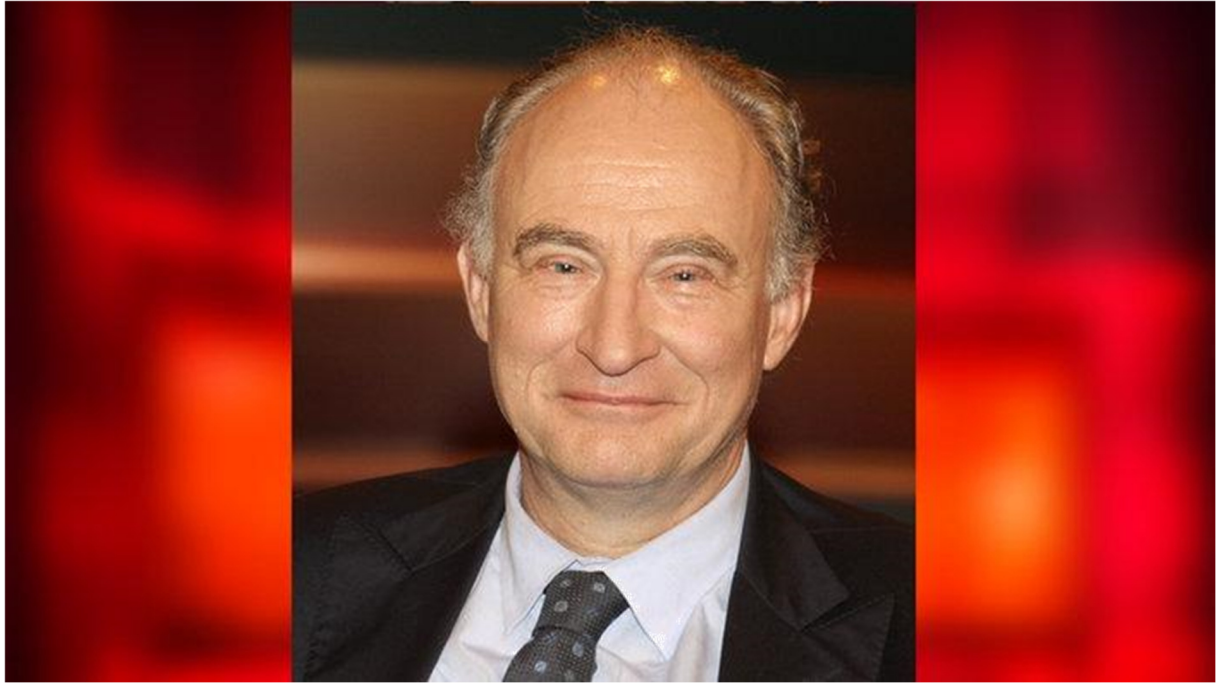

Christiane Meier was born in 1956.

She completed a traineeship at the NDR (North German Radio) and subsequently worked as an editor for Radio Bremen and the WDR (West German Radio).

From 2000 to 2007, she was a correspondent at the ARD studio in Washington, D.C., where she was most recently also the studio manager.

In 2007 Christiane Meier returned to Berlin to the ARD capital city studio. There she headed the team of the ARD *Morning Magazine* from 2012.

In 2018 she returned to the United States of America as head of the ARD studio in New York.

### **ANSGAR GRAW**

Ansgar Graw was born in Essen in 1961. After graduating from high school, he studied history and political science in Hamburg.

\*\*\*

There was some discussion concerning how terrible President Trump's tweets and challenging statements are.

None of the participants understood that President Trump is a master at trolling.

At the end of the program, Mr. Plasberg asked *Who will win?* Dr. Weinberg said President Donald J. Trump and Vice-President Mike Pence would win.

Tamika Campbell, Norbert Röttgen, Christiane Meier, and Ansgar Graw said Joe Biden and Kamala Harris will win because they are true patriots who represent the American electorate, tell the truth, and will heal the rift in America.

In their opinion, Trump does nothing for the United States of America. He is only interested in himself.

Joe Biden and Kamala Harris are the opposite. Biden made many patriotic policies in his career for America, and Kamala Harris fought for justice as a District Attorney in San Francisco and as a Senator in Washington, D.C.

I decided to send Dr. Weinberg, the only Trump supporter on the discussion panel, an email with more information that I have collected in my spare time the last couple of days.

To broaden *Hartaberfair's* horizon concerning President Donald J. Trump, I sent the email to *Hartaberfair* as well.

## THE EMAIL

Frederick William Dame

August 24, 2020

Greetings Dr. Weinberg:

In medias res!

I watched *Hartaberfair* on August 24, 2020.

(<https://www1.wdr.de/daserste/hartaberfair/sendungen/wahlkampf-mit-allen-mitteln-zerbricht-amerika-an-donald-trump-100.html>)

I was surprised that Mr. Frank Plasberg invited a Donald Trump supporter to take part in the very one-sided discussion against President Trump. (I suspect that the target to destroy President Trump was already decided upon before the program was organized! They wanted some Trump-bashing!)

- You provided formidable and well-stated answers to Mr. Plasberg's questions.
- The comments by Christiane Meier showed little intellectual and journalistic depth. They tended to show hatred!
- Tamika Campbell said that she did not know what to say about Trump, except that he is a racist and is full of sh\_t!

My opinion is that if this response is the level of her intellectual capabilities and that is all she has to offer, then she should have stayed, and should stay quiet.

- Norbert Röttgen was completely off target, particularly with his statements on democracy.
- Ansgar Graw of *The European* tried to be decisively more objective.
- Mr. Plasberg's interruptions, as always, are inexcusable!

I am taking the freedom to send you some information concerning Barack Hussein Obama's illegality as President. He was elected because the court cases arguing that he is not a natural-born citizen were struck down by Democrat Party-oriented judges claiming that there was *no standing*, which is a legal argument. According to Wikipedia (which is not always correct in what it states, but this article is correct), *standing* is as follows:

"In law, **standing** or *locus standi* is the term for the ability of a party to demonstrate to the [court](#) sufficient connection to and harm from the law or action challenged to support that party's participation in the case. Standing exists from one of three causes:

1. The party is directly subject to an adverse effect by the [statute](#) or action in question, and the harm suffered will continue unless the court grants relief in the form of [damages](#) or a finding that the law either does not apply to the party or that the law is void or can be nullified. This is called the "something to lose" doctrine, in which the party has standing because they will be directly harmed by the conditions for which they are asking the court for relief.
2. The party is not directly harmed by the conditions by which they are petitioning the court for relief but asks for it because the harm involved has some reasonable relation to their situation, and the continued existence of the harm may affect others who might not be able to ask a court for relief. In the United States, this is the grounds for asking for a law to be struck down as violating the [First Amendment to the Constitution of the United States](#), because while the plaintiff might not be directly affected, the law might so adversely affect others that one might never know what was not done or created by those who fear they would become subject to the law – the so-called "[chilling effects](#)" doctrine.
3. The party is granted automatic standing by act of law.<sup>[1]</sup> Under some [environmental laws](#) in the United States, a party may sue someone causing pollution to certain waterways without a federal permit, even if the party suing is not harmed by the pollution being generated. The law allows them to receive [attorney's fees](#) if they substantially prevail in the action. In some U.S. states, a person who believes a book, film or other work of art is obscene may sue in their own name to have the work banned directly without having to ask a [District Attorney](#) to do so.

In the United States, the current doctrine is that a person cannot bring a suit challenging the [constitutionality](#) of a law unless the [plaintiff](#) can demonstrate that he/it is or will "imminently" be harmed by the law. (My Comment: In Obama's case, the whole country was to be harmed by a person who committed a felony!) Otherwise, the court will rule that the plaintiff "lacks standing" to bring the suit, and will dismiss the case without considering the merits of the claim of unconstitutionality. To have a court declare a law unconstitutional, there must be a valid reason for the lawsuit. The party suing must have something to lose in order to sue unless it has automatic standing by action of law."

Everyone, especially the lamestream media in the United States of America and the rest of the world, except American patriots, wanted Barack Hussein Obama to be elected President. They yelled that anyone who was against Obama was a racist! He

was elected and assisted by Joe Biden. Obama and Biden executed eight years of destruction on the United States of America.

The same situation is happening to Americans who are against Kamala Harris as Joe Biden's vice-presidential nominee! Everyone who is against Harris will be labeled a racist! <https://www.washingtonexaminer.com/news/no-right-to-criticize-her-tucker-carlson-says-harriss-historic-identity-will-make-her-immune-to-scrutiny>

Here are some essential links for you concerning matters that were discussed on *Hartaberfair*, but which *Hartaberfair* knew practically nothing about. I list the links for the purpose of giving you further information and to broaden *Hartaberfair's* horizon. *Hartaberfair* tends to not see the forest because of the trees!

I wrote this article in 2010. It explains the legalities of the natural-born citizen clause in the American *Constitution*. It is not difficult to understand. It also describes how many *so-called experts* reinterpreted the *Constitution for the United States of America*, Article II, Section 1, in favor of Barack Hussein Obama. They prove that the Democrat Party would instead break the constitutional law rather than follow the *Constitution*.

### ➤ **THE AMERICAN MAINSTREAM MEDIA**

I refer to the American mainstream media as the lamestream media because it is lamestream and not mainstream. The newspaper leaders are *The New York Times*, *The Boston Globe*, and *The Washington Post*. They wrote only positive articles when Obama was the pseudo-President. They will write only positive articles for Biden-Harris. *The Washington Post* is owned by Jeff Bezos, the owner of Amazon. Bezos is worth 200 billion dollars. He is very close friends with Barack Hussein Obama. Bezos does not like Trump. (This is an understatement!)

The lamestream news media's target is Donald J. Trump and his Presidency. The same goes for the television media CNN, MSNBC, NBC, and ABC. Lamestream is also *Time* magazine and *Newsweek*.

In my opinion, the *New York Post* is the best New York newspaper. The best Washington, D.C. newspaper is the *Washington Examiner*.

If you want some accurate reporting go to *One America News Network* at <https://www.oann.com/>. (<https://www.oann.com/wheretowatch/>) <http://iotwreport.com/>, <https://gellerreport.com/>, <https://www.whatfinger.com/>, <https://www.westernjournal.com/>, and <https://www.breitbart.com/>. They are tops!

The media in Germany is generally the same as the lamestream media in the United States of America. Significantly, the television news coverages such as that of RTL, ARD, and ZDF repeat what hits the headlines in the American lamestream media.

Deutschlandfunk radio does the same. I have a feeling that they rely on CNN, *The New York Times* and *The Washington Post*. These three are full of fake news. The German reporters who are stationed in the USA and report to Germany generally repeat what these three media businesses say.

### ➤ **NEW YORK CITY**

President Trump is not responsible for the decline of New York City. The Communist Mayor Bill de Blasio and his lackeys are responsible for the deterioration of the city, and Governor Andrew Cuomo and the Democrat Party is responsible for New York State's decline. There should be a federal investigation to uncover 1.88 billion dollars of taxpayer money that the de Blasios have wasted:

<https://nypost.com/2019/02/28/de-blasio-and-co-mayor-wife-have-wasted-1-8b-of-taxpayer-money/> Bill de Blasio's wife, Charlene McCray, was responsible for

administering 850 million dollars for the program "called ThriveNYC, a program that

attempted to address issues of homelessness, substance use, depression and suicide, all centered around mental health and with a price tag of \$250 million per year in tax payer dollars." See below!

<https://dailycaller.com/2020/08/17/biden-leads-trump-12-abc-news-poll/>.

"They surveyed 521 Biden supporters and 415 Trump supporters. *Should anyone be surprised that Biden came out ahead?*

I can "prove" that Americans prefer cats over dogs if I survey 521 old ladies and 415 young men.

Many polls are garbage. Do not trust them. They intentionally mislead voters. They make it difficult for you to evaluate them by hiding the D/R/I numbers. The D/R/I stats show the percentages of people surveyed, according to their political party. According to Gallup, about 30% of Americans consider themselves Democrats; 30% consider themselves Republicans; the rest are either independent or undecided. Any legitimate survey would strive to survey based on those same percentages. If the survey's D/R/I numbers stray far from 30/30/40, be wary.

Also, many polls survey "adults," rather than registered voters or registered likely voters. The broad category of "adults" means you can absurdly include illegal aliens and non-citizen legal aliens. They should only survey people who are registered to vote and, as we get closer to election day, limit that group to those who say they are likely voters." – personal communication from Don Fredrick of *The Complete Obama Timeline*.

### ➤ **DEMOCRACY OR REPUBLIC**

Being a German politician Herr Norbert Röttgen should know the difference between a democracy and a republic. Evidently, he doesn't. Neither does *Hartaberfair*. Herr Röttgen and *Hartaberfair* were staunch supporters of Barack Hussein Obama and Hillary Clinton. Obama is the worst President the United States of America ever had.

Furthermore, the term democracy is never stated in the *Constitution for the United States of America*. It is not in *The Declaration of Independence*. Also, the term

democracy is not used in any of the 50 state constitutions. In its base form, democracy is mob rule and the Democrat Party is the Mob ruling the mob!

*Hartabefair* does not always know what it is talking about. I do not have much confidence in Frank Plasberg's journalistic capabilities. Also, *Hartabefair's* research is not thorough. It borders on sensationalism, and therefore, *Hartabefair* generally misses the target. Often there is a viewpoint that is supposed to be a fact check, but it turns out to be only an opinion.

I am also sending this email to *Hartabefair*.

I thank you for your time.

Respectfully,

Frederick William Dame

“Every record has been destroyed or falsified, every book rewritten, every picture has been repainted, every statue and street building has been renamed, every date has been altered. And the process is continuing day by day and minute by minute.

History has stopped. Nothing exists except an endless present in which the Party is always right.”
