PRESIDENT TRUMP IS RIGHT ABOUT ISLAM AND MUSLIMS IN SWEDEN

In a speech at a rally in Melbourne, Florida on February 18, 2017, President Donald J. Trump made allegations concerning Islam and Muslims and their jihad in Sweden. The Swedish government and the Swedish embassy countered that President Trump was not stating the facts, i.e., he was lying. Of course, CNN took up the story and continued to bash President Trump, presenting him as being out of reality concerning the facts about the jihadist activities of Islam and Muslims in Sweden. (<http://edition.cnn.com/2017/02/19/politics/trump-rally-sweden/>)

Here are the facts. Read them and pass them on to people who believe President Trump is lying!

I have gathered the following documented information to prove that President Trump's views on jihad in Sweden are the truth! Feel free to use the information as you see fit!

1. Concerning President Trump's remarks on Islam, Muslims, and their terrorist activities in Sweden. He got the day wrong, but developments have vindicated him.

2. In my column **JUST THINKING** at *The Complete Obama Timeline* from December 29, 2015 to January 17, 2017 I did a series of reports on Islam and Muslims in Sweden (*Visits to Sweden*) that proved the truth of what President

Trump said fourteen months before he said what he said about the Muslims in Sweden. Here's a listing of the **JUST THINKING** sources:

3. Also, the research organization Gatestone Institute located at <https://www.gatestoneinstitute.org/topics/36/sweden> has 75 essays on the Islamic invasion of Sweden that vindicate President Trump.
4. Further, the Internet political blog The Gates of Vienna at <http://gatesofvienna.net/category/news/scandinavia/> has a number of articles that prove President Trump is right on target concerning Islam, Muslims, and Sweden.
5. Pamela Geller of the superb GELLER REPORT at <http://pamelageller.com/category/sweden-jihad/> proves the truth of President Trump's claims concerning Muslim terror in Sweden, as well. Pamela Geller documents the jihad in Sweden as far back as 2008.

These are the most immediate sources that I was able to collate this morning. I'm sure there are hundreds of other sources that prove President Trump is correct. It is just too bad that he made a slip of the tongue concerning the day. Yet, the day is not important. What is Islam and Muslims are doing in Sweden IS important! He was

really indicating the general consequences of the Islamic invasion of Sweden and using the example as proof of what will happen to the United States of America if the Islamic invasion of the United States is not stopped. CNN and other lying news media will jump on what President Trump says or does in order to bash him as much as they can.

Of course, the Swedish government and the Swedish embassy in Washington, DC will not report the truth. Neither will the lamestream news media in the United States report the truth.

President Trump does not owe Sweden an apology.

Sweden owes President Trump an apology and Sweden owes their Swedish indigenous citizens an apology!

The Swedish government is a derrière kisser of Islam and Muslims!
