

TRUTHFUL COMMENTARY
ON
CAN ILHAN OMAR OVERCOME HER PREJUDICE?

Introductory Remarks

On July 13, 2019, the *Wall Street Journal* published an op-ed¹ by Ayaan Hirsi Ali concerning Ilhan Abdullahi Omar, the United States Congress Representative from Minnesota's Fifth Congressional District. The major city is Minneapolis.² Ilhan Abdullahi Omar, a Muslima, is the first Somali-American and the first naturalized citizen from Africa to be elected to the United States House of Representatives. Ilhan Abdullahi Omar was born in Mogadishu, Somalia on October 4, 1982. She is a member of the DemocRAT Party!

Ilhan Abdullahi Omar has a chronic, indeed, an inherent anti-Semitism with a most disgusting and evil hatred of Jews and Israel. No doubt, this is a result of her being born and raised in and by the anti-Jewish-Somali-Muslim culture that propagandized and brainwashed her – as the culture does with all of its Muslims – when she grew up in Somalia and spent approximately six years of her childhood (1989-1995) in a Kenyan refugee camp.

In the op-ed Ayaan Hirsi Ali, who was also born in Mogadishu, Somalia on November 13, 1969, and is presently a research fellow at Stanford University's Hoover Institution,

speaks about her personal experience as a child in Somalia. She was also exposed to the identical and illogical, Islamic prejudice against Jews and Israel when she grew up in Somalia. Her op-ed in the *Wall Street Journal* relates her experiences and the reasons why Congressional Representative Ilhan Abdullahi Omar must confront and reject the anti-Semitism that was injected into her during her childhood.

I have read Ayaan Hirsi Ali's op-ed. I have decided to use it as a well-presented basis for my truthful comments concerning the (im)possibility that Ilhan Abdullahi Omar will ever overcome her prejudice against Jews and Israel. My truthful commentaries are in red.

Background Information

TRUTHFUL COMMENTARY: Ilhan Abdullahi Omar's position is that Islam and Muhammad are the saviors of humankind. Only through Islam and the so-called prophet Muhammad can the world be saved from evil. The reality, however, is that Muhammad, the creator of Islam and Allah, is the source of the evil. In the words of the British historian Edward Gibbon (1737-1794), Muhammad "employ(ed) even the vices of mankind as the instruments of their salvation. The "use of fraud and perfidy, of cruelty, and injustice, were often subservient to the propagation of the faith."³ Ilhan Abdullahi Omar considers the teachings of Muhammad and the Koran to be the blueprint to follow for Islam's victory over everything that is non-Islamic. Indeed, she is a Muslima who actively emulates Muhammad, whom the Koran says is the most perfect human being who ever lived and whom all Muslims must emulate on all levels, predominantly spiritual and social levels.⁴ The Koran verses 33:21 and 68:4 are only two examples concerning Muhammad's so-called perfection.

³ Edward Gibbon, *The Decline and Fall of the Roman Empire*, Vol. II, University of Chicago Press, Chicago: 1952, p. 244.

⁴ The article at https://en.wikipedia.org/wiki/Muhammad_in_Islam, accessed on 22 July 2019, gushes over Muhammad and says nothing negative about the most evil person who ever lived. Unless otherwise stated, the Koran verses are from <https://quran.com/>.

- There has certainly been for you in the Messenger of Allah an excellent pattern for anyone whose hope is in Allah and the Last Day and [who] remembers Allah often. (Koran 33:21)
- And indeed, you are of a great moral character. (Koran 68:4)

Not known to Muslims, however, is the fact that this most perfect and evil person was a "fat dwarf."

"Abdus Salam ibn AbuHazim AbuTalut said: I saw AbuBarzah who came to visit Ubaydullah ibn Ziyad. Then a man named Muslim who was there in the company mentioned it to me. When Ubaydullah saw him, he said: This Muhammad of yours is a dwarf and fat."⁵

At the core of Muhammad's perfections is his founding of a cult of people who, with a very conservative estimate, killed 270,000,000 people because they were non-Muslims! It is quite possible that the actual total number of innocent humans killed since the beginnings of Islam is close to one billion people killed. The mathematical estimate of the number of humans killed in Islam's subjugation of the Indian subcontinent is 600,000,000 plus. For China, the number of humans killed is at least 20,000,000!⁶ The Uyghur Chinese Muslims, a minority Turki ethnic group in China that number about 11.3 million claim they are sufferers of Chinese government racism against them! It is true that the Chinese government discourages the practice of their beliefs. However, taking into the fact that the Uyghur Chinese Muslims still cling to their goal of supplanting the Chinese culture, one cannot blame the Chinese government for its position.

The essayist and best-selling author Joan Swirsky presents Ilhan Abdullahi Omar as one of the sludge sisters, the other being Congressional Representative Rashida Tlaib, a Democrat representing the 13th congressional district that is Detroit, Michigan. Rashida Tlaib was born in Detroit on July 24, 1976.⁷ The word sludge is very appropriate for both of them. Omar and Tlaib love Muhammad, whose excellence in intelligence caused him to admire impure water to the extent that sewerage full of menstruation rags, dead dogs, and human and animal feces was not impure?⁸ Indeed, Muhammad is the one to emulate, and both Ilhan Abdullahi Omar and Rashida Tlaib are doing their very best to grovel in the sludge of Muhammad and Islam.

The Book of Revelation speaks of the coming beast and false prophet. I am convinced that this is a Biblical reference to Islam and Muhammad. The victory over the Ottoman Empire in World War I was a death blow to the head of the beast, which will come again to conduct jihad against the non-Islamic world. The second beast in Revelation has two horns. Islam has two conflicting divisions: Sunnis and Shiites. Part of their religious doctrines is salvation through lying, killing of innocent people, murder, plunder, racism, rape, slavery, terrorism, warfare, etc.

From the beginning of its existence, Islam has extinguished cultures, stolen, killed, and destroyed morals and ethics. Jesus, whom Islam declares is not the Son of God (Quran 4:171; 18:4-5) said that the above atrocities are exactly what the beast will do.

In The First Epistle General of John, verse 2:22, there is a definition of the antichrist: "Who is a liar but he that denieth that Jesus is the Christ? He is the antichrist, that denieth the Father and the Son." (King James Translation)

"For all faithful Moslems, every Sura, or chapter of the Koran is a miraculous revelation – *i'jaz* – from Allah and each verse of every Sura is called an *aya*, a *sign* or *wonder*. The Suras and verses together are "miraculous signs."⁹ In the Bible, the Book of Revelations 13:13,14 says that the false prophet will deceive people with "miraculous signs."¹⁰

Ilhan Abdullahi Omar believes in these miraculous signs created by the beast Muhammad. She and others like her have been brainwashed since childhood. To overcome her prejudice would mean that she must become an apostate. This would mean death for her. This fact of Islam underscores that she will never change her prejudices against Jews and Israel, indeed, regardless of whom she hates.

Can Ilhan Omar Overcome Her Prejudice?

I was born in Somalia and grew up amid pervasive Muslim anti-Semitism. Hate is hard to unlearn without coming to terms with how you learned it.

By Ayaan Hirsi Ali
July 12, 2019 6:24 pm ET

I once opened a speech by confessing to a crowd of Jews that I used to hate them. It was 2006 and I was a young native of Somalia who'd been elected to the Dutch Parliament. The American Jewish Committee was giving me its Moral Courage Award. I felt honored and humbled, but a little dishonest if I didn't own up to my anti-Semitic past. So I told them how I'd learned to blame the Jews for everything.

⁹ Kenneth L. Woodward, *The Book of Miracles The meaning of the miracle stories in Christianity, Judaism, Buddhism, Hinduism, Islam*, Touchstone Books, New York: 2000, p. 184.

¹⁰ Some translations into English say "great signs". The King James Translation of the Bible uses the term "miracles".

Fast-forward to 2019. A freshman congresswoman from Minnesota has been infuriating the Jewish community and discomfiting the Democratic leadership with her expressions of anti-Semitism. (TRUTHFUL COMMENTARY: There is no Democratic leadership! There is DemocRAT Party chaos!) Like me, Ilhan Omar was born in Somalia and exposed at an early age to Muslim anti-Semitism. (TRUTHFUL COMMENTARY: The Koran, Hadith, Sharia, and Sira are the key elements in understanding Islam.¹¹ Ilhan Abdullahi Omar was exposed to Islam at birth, perhaps even in conception, because all peoples in the world, born and unborn are Muslim! Mohammad once said,

"There is none born but is created to his true nature (Islam). It is his parents who make him a Jew or a Christian or a Magian quite as beasts produce their young with their limbs perfect. Do you see anything deficient in them? Then he quoted the Qur'an."

"The nature made by Allah in which He has created men there is no altering of Allah's creation; that is the right religion."¹²

According to Islam, this is how human beings were created. Nothing can change this so-called truth or any so-called truth conjured up by Muhammad!

Some of the members of my 2006 AJC audience have asked me to explain and respond to Ms. Omar's comments, including her equivocal apologies. Their main

¹¹ The term Hadith describes the traditional sayings and actions of Mohammed as well as the traditional sayings and actions of third parties that Muhammad is supposed to have tacitly approved.

The term Sharia originates in the Koran in Sura 45, verse 18, where it originally refers to the path in the desert that leads to the water source. Muslims derive a divine origin of Sharia from this. "We have given the children of Israel Scripture, judgement and prophecy, given them all kinds of good things, distinguished them before people all over the world [...] After this (i.e. after the age of the children of Israel) we have fixed you regarding this on your (own) rite [tumma ġa'alnāka 'alā šarī'atin]. Follow him now, and not the (personal) tendencies of those who do not know". (Sura 45, verses 16 and 18) The source of water for Muslims are the rules of Islamic law.

The Koran and the Hadith are the Sunnah, which is all of the traditions and conventions of Muhammad that are models for Muslims to follow.

The Sira is the islamic biography of Mohammad.

question is whether it is possible for Ms. Omar to unlearn her evident hatred of Jews—and if so, how to help. (TRUTHFUL COMMENTARY: There is no possibility of help. These sources of evil, the Koran and belief in Muhammad, must be eradicated. George Washington wrote to General Marie-Joseph Paul Yves Roch Gilbert du Motier, Marquis de Lafayette (1757-1834): "In such an enlightened, in such a liberal age, how is it possible that the great maritime powers of Europe should submit to pay an annual tribute to the little piratical States of Barbary? Would to Heaven we had a navy able to reform those enemies of mankind or crush them into nonexistence."¹³ With the use of the word reform, George Washington meant to change to a better state, to form, to improve by alteration, to cause substitution, to abolish, most likely the last.)

In my experience it is difficult, perhaps impossible, to unlearn hate without coming to terms with how you learned to hate. Most Americans are familiar with the classic Western flavors of anti-Semitism: the Christian, European, white-supremacist and Communist types. But little attention has been paid to the special case of Muslim anti-Semitism. That is a pity because today it is anti-Semitism's most zealous, most potent and most underestimated form. (TRUTHFUL COMMENTARY: It is truly unbelievable that little attention has been paid to anti-Semitism. The characteristic has been with human civilization since the Torah, the Bible, and the Koran. Many internet sites say that it is impossible to claim that Muhammad was an anti-Semite because he was a Semite. They present Muhammad as being kind, peaceful, and tolerant of the Jews.¹⁴ This is perfect taqiyya, deceiving people in order to hide the truth and to make Islam appear peaceful and tolerant. Muhammad was not a Semite. The term *Semite* derives from *Shemite* from the name of Shem, Noah's son in the Torah and the Bible.)

Jews designate descent via the mother. Consequently, Arabs are Hamites because they are descendants of Shem's brother Ham, who fathered a son Mizraim, which is

the Hebrew name for Egypt, the homeland of Ishmael's mother Hagar who was behind the marriage of Mizraim to another Egyptian resulting in the genealogical fact that the sons and seed of Ishmael are Hamites. Mizraim was Kush's brother and with Phut and Canaan formed the Hamite branch of Noah's siblings. Mizraim's sons were Ludim, Anamin, Lehabim, Naphtuhim, Pathrusim, Cahtorim, and Casluhim, from whom the Philistines emerged.¹⁵⁾

I never heard the term “anti-Semitism” until I moved to the Netherlands in my 20s. But I had firsthand familiarity with its Muslim variety. As a child in Somalia, I was a passive consumer of anti-Semitism. Things would break, conflicts would arise, shortages would occur—and adults would blame it all on the Jews. (TRUTHFUL COMMENTARY: Ms. Ali underwent the typical childhood brainwashing that is forced upon all Muslim children in all Islamic countries.)

When I was a little girl, my mom often lost her temper with my brother, with the grocer or with a neighbor. She would scream or curse under her breath “Yahud!” followed by a description of the hostility, ignominy or despicable behavior of the subject of her wrath. It wasn’t just my mother; grown-ups around me exclaimed “Yahud!” the way Americans use the F-word. I was made to understand that Jews—Yahud—were all bad. No one took any trouble to build a rational framework around the idea—hardly necessary, since there were no Jews around. But it set the necessary foundation for the next phase of my development. (TRUTHFUL COMMENTARY: It is interesting that when someone says something negative against Islam/Muhammad, there are cries and court proceedings for hate speech. When it is done against the Jews or Israel, there are no cries of hate speech and no court proceedings. There should be immediate judicial proceedings undertaken against anti-Semites.)

At 15 I became an Islamist by joining the Muslim Brotherhood. I began attending religious and civil-society events, where I received an education in the depth and breadth of Jewish villainy. This was done in two ways.

¹⁵ Variant spellings are *Mazraim*, *Mitzrayim* and *Mizrajim*. See the Book of Genesis 13.

The first was theological. We were taught that the Jews betrayed our prophet Muhammad. (TRUTHFUL COMMENTARY: Islam and Muhammad and the Koran have nothing to do with theology. They are all anti-theology! They are diabolical!) Through Quranic verses (such as 7:166, 2:65 and 5:60), we learned that Allah (in reality Muhammad) had eternally condemned them, that they were not human but descendants of pigs and monkeys,¹⁶ that we should aspire to kill them wherever we found them. We were taught to pray: "Dear God, please destroy the Jews, the Zionists, the state of Israel. Amen." (TRUTHFUL COMMENTARY: In Arabic, it is *Ameen*! The word in Christianity and Judaism, Amen, expresses agreement with God's truths. In Arabic, it is used to express agreement with Allah/Muhammad, who does not have truths, but lies.)

We were taught that the Jews occupied the Holy Land of Palestine. (TRUTHFUL COMMENTARY: There was never a country called Palestine. The term is a fabrication of a nation that never existed there. The present-day concept of Palestine is a creation of Jassir Arafat (1929-204), Gamal Abdel Nasser (1918-1970), and their cohorts in the autumn of 1959 when they came up with the name Fatah, meaning *victory*, which comes from Sura 48 in the Koran. The Arabs were against the creation of a Palestinian State. The word or concept of Palestine does not appear in the Koran or the Hadith. The heartland of Islam is in the Hedjaz region of the Arabian Peninsula. On November 15, 1988, Yasser Arafat, at that time Chairman of the Palestine Liberation Organization (PLO) with its headquarters in Algiers, declared the establishment of the State of Palestine. Arafat was elected the first President of the State of Palestine. In 1993 the Oslo Accords – the peace process between Israel and the Palestinian Authority – were signed and a year later the Palestinian National Authority was established to govern parts of the regions in the West Bank and the Gaza Strip. In

¹⁶ So when they were insolent about that which they had been forbidden, We said to them, "Be apes, despised." (Koran7:166)

And you had already known about those who transgressed among you concerning the sabbath, and We said to them, "Be apes, despised." (Koran 2:65)

Say, "Shall I inform you of [what is] worse than that as penalty from Allah ? [It is that of] those whom Allah has cursed and with whom He became angry and made of them apes and pigs and slaves of Taghut. Those are worse in position and further astray from the sound way." (Koran 5:60)

2007 the terror organization Hamas, an acronym of *Ḥarakat al-muqāwama al-islāmiyya*, meaning *enthusiasm, zeal, fighting spirit*, began its rule in the Gaza Strip. There are 137 UN members that recognize the State of Palestine. Because the United Nations has given Palestine non-member observer status since 2012, statehood for Palestine is only implied and not official.)

To the Jews, Palestine was a symbol of the Biblical/Torah Holy Land. Before the Jews and Christians existed, there were no Muslims. They came thousands and hundreds of years later. With the creation of the concept of Palestine, the world has given a national identity to some Arabs that they had never possessed. Even the League of Nations said Palestine was a Jewish homeland! There is no Palestinian heritage, no history, no language, and no Palestine culture. It is at best, Arabic!)

We were shown pictures of mutilated bodies, dead children, wailing widows and weeping orphans. Standing over them in military uniform were Israeli soldiers with large guns. We were told their killing of Palestinians was wanton, unprovoked and an expression of their hatred for Muslims.

The theological and the political stories were woven together, as in the Hamas charter: “The Prophet, Allah bless him and grant him salvation, has said: ‘The Day of Judgment will not come about until Muslims fight the Jews (killing the Jews), when the Jew will hide behind stones and trees. The Stones and trees will say, “O Muslims, O Abdulla, there is a Jew behind me, come and kill me.” ’ . . . There is no solution for the Palestine question except through Jihad.” (TRUTHFUL COMMENTARY: This is the propaganda belief. The solution is what George Washington recommended.)

That combination of narratives is the essence of Muslim anti-Semitism. Mohammed Morsi, the longtime Muslim Brotherhood leader who died June 17 but was president of Egypt for a year beginning in 2012, urged in 2010: “We must never forget, brothers, to nurse our children and our grandchildren on hatred for them: for Zionists, for Jews”—two categories that tend to merge along with allegations of world domination. (TRUTHFUL COMMENTARY: Egypt has declared the Muslim Brotherhood to be a

terrorist organization. However, the United States government under the Barack Hussein regime did not proclaim the Muslim Brotherhood as a terrorist organization. This is the present status.)

European anti-Semitism is also a mixture. Medieval Christian antipathy toward “Christ killers” blended with radical critiques of capitalism in the 19th century and racial pseudoscience in the 20th. (TRUTHFUL COMMENTARY: rascism as a pseudoscience had its beginnings at the turn of the 20th century.¹⁷ But before the Depression, anti-Semitic parties were not mass parties. Nor have they been since World War II. Muslim anti-Semitism has a broader base, and its propagators have had the time and resources to spread it widely.

To see how, begin at the top. Most men (and the odd woman) in power in Muslim-majority countries are autocrats. Even where there are elections, corrupt rulers play an intricate game to stay in power. Their signature move is the promise to “free” the Holy Land—that is, to eliminate the Jewish state. (TRUTHFUL COMMENTARY: Because there is a Jewish state that we know as Israel, the Holy Land is free!) The rulers of Iran are explicit about this goal. Other Muslim leaders may pay lip service to the peace process and the two-state solution (TRUTHFUL COMMENTARY: to the proposed two-state solution. There is no official two-state solution that is de jure.), but government anti-Semitism is frequently on display at the United Nations, where Israel is repeatedly compared to apartheid South Africa, accused of genocide and demonized as racist. Media also play their part. There is very little freedom of expression in Muslim-majority countries, and state-owned media churn out anti-Semitic and anti-Israel propaganda daily—as do even media groups that style themselves as critical of Muslim autocracies, such as Al Jazeera and Al-Manar. (TRUTHFUL COMMENTARY: This is very true of the leftist media in the United States. There are even some conservative media organizations in the United States that are anti-Semitic and anti-Israel.¹⁸)

Then there are the mosques, madrassas and other religious institutions. Schools in general, especially college campuses, have been an Islamist stronghold for generations in Muslim-majority countries. (TRUTHFUL COMMENTARY: And also in western democracies.) That matters because graduates go on to leadership positions in the professions, media, government and other institutions.

Refugee camps are another zone of indoctrination. (TRUTHFUL COMMENTARY: The refugee camps are a creation of the Muslims, and the continuation of them is because the Islamic terrorist organizations want them to continue. They are a source of and targets of continued propaganda hatred against the Jews.) They are full of vulnerable people, and Islamists prey on them. They come offering food, tents, and first aid, followed by education. They establish madrassas in the camps, then indoctrinate the kids with a message that consists in large part of hatred for Jews and rejection of Israel.

Perhaps—I do not know—this is what happened to Ms. Omar in the four years she spent in a refugee camp in Kenya as a child. Or perhaps she became acquainted with Islamist anti-Semitism in Minnesota, where her family settled when she was 12. In any case, her preoccupation with the Jews and Israel would otherwise be hard to explain.

Spreading anti-Semitism through all these channels is no trivial matter—and this brings us to the question of resources. “It’s all about the Benjamins baby,” Ms. Omar tweeted in February, implying that American politicians support Israel only because of Jewish financial contributions. (TRUTHFUL COMMENTARY: Related to Ms. Omar's status is this essay by Don Fredrick: *Should Ilhan Omar Be Deported?*¹⁹) The irony is that the resources available to propagate Islamist ideologies, with their attendant anti-Semitism, vastly exceed what pro-Israel groups spend in the U.S. Since the early 1970s the Kingdom of Saudi Arabia has spent vast sums to spread Wahhabi Islam abroad. Much of this funding is opaque, but estimates of the cumulative sum run as high as \$100 billion. (TRUTHFUL COMMENTARY: I suspect this is a conservative estimate. Another estimate is 4 billion dollars annually. "From January 2007 to November 2013, Saudi Arabia donated \$97 million to U.S. universities, placing it fifth

¹⁹ <http://www.thecompleteobamatimeline.com/should-ilhan-omar-be-deported.html>, accessed 20 July 2019. Don Fredrick is the author/researcher of *The Complete Obama Timeline* in 30 volumes. His Internet site is <http://www.thecompleteobamatimeline.com/index.html>.

overall for this period. Whether or not these donors expected anything in return was nearly impossible to prove; but regardless, they caused concern. Some other large Saudi donations to universities included \$20 million to the MES center at the University of Arkansas, \$11 million to Cornell University, \$5 million to UC Berkeley's MES center, \$5 million to Rutgers University, \$1 million to Princeton University, and a half million dollars to the University of Texas.)²⁰

Thousands of schools in Pakistan, funded with Saudi money, “teach a version of Islam that leads [to] anti-Western militancy,” according to Connecticut Sen. Chris Murphy—and, one might add, to an anti-Semitic militancy. (TRUTHFUL COMMENTARY: The majority of Congress persons will tell us that this is only the exercising of freedom of religion, while in reality it is the exercising of freedom of speech by a person cult! The version of Islam that is taught is Wahabbism, an ultra-conservative Islam. There is no other kind of Islam!)

In recent years the Saudi leadership has tried to turn away from supporting this type of religious radicalism. However, increasingly Qatar seems to be taking over the Saudi role. In the U.S. alone, the Qatar Foundation has given \$30.6 million over the past eight years to public schools, ostensibly for teaching Arabic and promoting cultural exchange. (TRUTHFUL COMMENTARY: When pronounced correctly in English, Qatar is gutter! Think what you will!)

For years, Qatar has hosted influential radical clerics such as Yusuf al-Qaradawi and provided them with a global microphone, and the country's school textbooks have been criticized for anti-Semitism. They present Jews as treacherous and crafty but also weak, wretched and cowardly; Islam is described as inherently superior. “The Grade 11 text discusses at length the issue of how non-Muslims should be treated,” the Middle East Media Research Institute reports. “It warns students not to form relationships with unbelievers, and emphasizes the principle of loyalty to Muslims and disavowal of

unbelievers.” (TRUTHFUL COMMENTARY: Sounds similar to Barack Obama's politics and positive relationships with Islamic states, particularly Iran.²¹)

The allegation that Jewish or Zionist money controls Congress is nonsensical. The Center for Responsive Politics estimates that the Israeli government has spent \$34 million on lobbying in Washington since 2017. The Saudis and Qataris spent a combined \$51 million during the same period. If we include foreign nongovernmental organizations, the pro-Israel lobbying figure rises to \$63 million—less than the \$68 billion spent lobbying for Saudi Arabia and the United Arab Emirates. (TRUTHFUL COMMENTARY: Methinks that regardless of its source, money controls Congress. It surely controlled the Clinton and Obama regimes!²²)

In 2018 domestic American pro-Israeli lobbying—including but not limited to the American Israel Public Affairs Committee, or Aipac—totaled \$5.1 million. No comparable figures are available for domestic pro-Islamist lobbying efforts. But as journalist Armin Rosen observes, Aipac's 2018 total, at \$3.5 million, was less than either the American Association of Airport Executives or the Association of American Railroads spent on lobbying. Aipac's influence has more to do with the power of its arguments than the size of its wallet.

Now consider the demographics. Jews were a minority in Europe in the 1930s, but a substantial one, especially in Central and Eastern Europe. Today Jews are at a much greater disadvantage. For each Jew world-wide, there are 100 Muslims. In many European countries—including France, Germany, the Netherlands and the U.K.—the Muslim population far exceeds the Jewish population, and the gap is widening. American Jews still outnumber Muslims but won't by 2050. (TRUTHFUL COMMENTARY: The world Jewish population is approximately 15 million. The world Muslim population is approximately 1.8 billion. Jews do not threaten Islam, except for the fact that Islam considers Jews to be a threat just because they exist. Jealousy and envy have very weird and illogical outcomes.)²³

The problem of Muslim anti-Semitism is much bigger than Ilhan Omar. Condemning her, expelling her from the House Foreign Affairs Committee, or defeating her in 2020 won't make the problem go away. (TRUTHFUL COMMENTARY: Probably not, but it would surely direct more attention to the problem and its eventual solution.)

Islamists have understood well how to couple Muslim anti-Semitism with the American left's vague notion of "social justice." (TRUTHFUL COMMENTARY: The American Left's conception of "social justice" is everything that is not American, but communist/fascist! There is no difference!²⁴ Social justice in the United States of America is regulated by the *Constitution for the United States of America*.) They have succeeded in couching their agenda in the progressive framework of the oppressed versus the oppressor. (TRUTHFUL COMMENTARY: Islam and the Left are oppressors, They have always been oppressors!) Identity politics and victimhood culture also provide Islamists with the vocabulary to deflect their critics with accusations of "Islamophobia," "white privilege" and "insensitivity." A perfect illustration was the way Ms. Omar and her allies were able to turn a House resolution condemning her anti-Semitism into a garbled "intersectional" rant in which Muslims emerged as the most vulnerable minority

in the league table of victimhood. (TRUTHFUL COMMENTARY: There was great support from the Democrats and some Republicans. It was Islam/Muslims claiming that they are the victims, which they have always done throughout history!)

As for me, I eventually unlearned my hatred of Jews, Zionists and Israel. As an asylum seeker turned student turned politician in Holland, I was exposed to a complex set of circumstances that led me to question my own prejudices. Perhaps I didn't stay in the Islamist fold long enough for the indoctrination to stick. Perhaps my falling out with my parents and extended family after I left home led me to a wider reappraisal of my youthful beliefs. Perhaps it was my loss of religious faith. (TRUTHFUL COMMENTARY: That is the reason for the fatwa against Ms. Ali.)²⁵

In any event, I am living proof that one can be born a Somali, raised as an anti-Semite, indoctrinated as an anti-Zionist—and still overcome all this to appreciate the unique culture of Judaism and the extraordinary achievement of the state of Israel. If I can make that leap, so perhaps can Ms. Omar. (TRUTHFUL COMMENTARY: Judaism's culture is unique because it was chosen by YHWH. Ilhan Abdullahi Omar will not even try to make the leap to overcome her anti-Semitism. If she does, it will be nothing more than taqiyya, a deception!)

Yet that is not really the issue at stake. For she and I are only two individuals. The real question is what, if anything, can be done to check the advance of the mass movement that is Muslim anti-Semitism. (TRUTHFUL COMMENTARY: Always tell the truth about Islam!) Absent a world-wide Muslim reformation, followed by an Islamic enlightenment, I am not sure I know. (TRUTHFUL COMMENTARY: The Koran – Allah/Muhammad – forbid a reformation of Islam! George Washington knew how "to check the advancement of the mass movement that is Muslim anti-Semitism" and ... I know! And deep inside her, Ms. Ali also knows)

CLOSING TRUTHFUL COMMENTARY

Ayaan Hirsi Ali in her op-ed does not demonize Ilhan Abdullahi Omar. Ms. Ali intends to expose the brainwashing that causes Islamic anti-Semitism. Her intent is noble, but it falls short of its goal. Surely, brainwashing occurs in the minds of Muslim youths who are told that killing Jews is the highest form of worship in Islam.

However, Ms. Ali does not present the source of the brainwashing. That source is Muhammad who personally beheaded and buried 600 to 900 Jews in the marketplace (*Shuk*) of Madina. That marketplace still exists today.²⁶ To Muhammad must be given the credit for instituting hatred of the Jews.

Muhammad has Allah saying the following in the Koran:

- Children of Israel! Recall My favour which I had bestowed on you, and fulfil your covenant with Me and I shall fulfil My covenant with you, and fear Me alone. And believe in the Book which I have revealed and which confirms the Scripture you already have, and be not foremost among its deniers. Do not sell My signs for a trifling gain,⁵⁷ and beware of My wrath. Do not confound Truth by overlaying it with falsehood, nor knowingly conceal the Truth. (Koran 2:40-42) **Muhammad maintains that the Jews hid their scriptures because it they did not want it to become known that Muhammad would be the final prophet.**
- And recall when We made a covenant with you and caused the Mount Sinai to tower above you,⁸¹ (saying): "Hold fast to the Book that We have given you, and remember the directives and commandments in it, that you be pious." Then you turned away from your covenant, and had it not been for Allah's grace and mercy upon you, you

Pakistan Branch, Oxford University Press, Karachi, 1955.p, 464. At <https://blogs.timesofisrael.com/myth-of-the-medina-massacre/>, accessed on July 25, there is an article by Mohamad Jebara who is the Chief Imam and Resident Scholar at the Cordova Spiritual Education Center in Ottawa, Canada, claiming that the massacre is a myth. According to Mohamad Jebara, the massacre cannot be true because it "contradicts the known compassionate nature of Prophet Muhammad and his disciples" and was invented by Muhammad Ibn Ishaq (704-767/768).

would have long been utter losers. And thus We made their end a warning for the people of their own time and for the succeeding generations, and an admonition to the God-fearing. And you know the case of those of you who broke the Sabbath,⁸² how We said to them: "Become apes, despised and hated." (Koran 2:63-65). **The Jews sinned to such a great extent against Allah that Allah changed the Jews into apes.**

The hadith of Muslim²⁷ relates that "Abu Huraira reported that Allah's Messenger said: A group of Bani Isra'il was lost. I do not know what happened to it, but I think (that it underwent a process of metamorphosis) and assumed the shape of rats. Don't you see when the milk of the camel is placed before them, these do not drink and when the milk of goat is placed before them, these do drink."

- Do you hope that these people will believe in the Message you are preaching, even though a party of them has been wont to listen to the Word of Allah and after they had fully grasped it, knowingly distorted it? And when they meet those who believe (in Muhammad) they say: "We too believe in him." But in their intimate meetings they say to one another: "How foolish! Why should you intimate to them what Allah has revealed to you, for they will use it as argument against you before your Lord?" Are they unaware that Allah knows all that they hide and all that they disclose? (Koran 2:75-77) **The Jews perverted their Torah even though they understood it. Jews always hide their resistance to Islam. One cannot trust the honesty of Jews.**
- Abraham was neither a Jew nor a Christian; he was a Muslim, (Koran 3:67) **Abraham was a Muslim. This is the foundation for the claim that Islam is the true religion.**
- Do this **(believe in Islam)** before We destroy your faces and twist your heads around backward or lay a curse upon you as We cursed the Jews who broke the Sabbath.

²⁷ Muslim 042,7135 at <https://muflihun.com/muslim/42/7135>, accessed on July 25, 2019. Sahih Muslim is recognized as one of the three top hadith collections. There are 7275 hadith in Sahih Muslim. *Sahih* means *genuine*. The hadith collection was written by Muslim ibn al-Haddschädsch (ca. 820 – 875).

(Koran 4:47) Islam defines what Judaism is. Jews must politically and theologically submit to Islam.

- Say to them: 'People of the Book! Do you hate us for anything else except that we believe in Allah, and in the teaching which has been revealed to us and in the teaching which was revealed before? Indeed most of you are transgressors.' Whenever they come to you they say: 'We believe,' whereas, in fact, they come disbelieving and go away disbelieving, and Allah knows all that they hide. You will see many of them hastening towards sin and transgression and devouring unlawful earnings. Indeed what they do is evil. Why is it that their scholars and jurists do not forbid them from sinful utterances and devouring unlawful earnings? Indeed they have been contriving evil. Then say to them: 'Shall I tell you about those whose retribution with Allah is even worse? They are the ones whom Allah has cursed, and who incurred His wrath and some of who were changed into apes and swine, and who served the false deities. Such have an even worse rank and have strayed farther away from the right path. (Koran 5:59-63) During Muhammad's time, there were no books in Arabic. The Koran refers to Jews and Christians as *People of the Book*. The Koran exists in pure Arabic in Jannah, the Muslim paradise. However, the pure Arabic of the Koran did not appear on earth until it was revealed to Muhammad via the angel Gabriel.
- Of all men you will find the Jews and those who associate others with Allah in His divinity to be the most hostile to those who believe; (Koran 5:82) It is the Jews who are hostile to the Muslims. Muslims are not hostile to the Jews. Muslims are only obeying Allah's commands to kill the Jews and unbelievers and then Allah will recognize the Muslims' allegiance to Islam and forgive the Muslims of their sins.
- The example of those who were entrusted with the Torah and then did not take it on is like that of a donkey who carries volumes [of books]. Wretched is the example of the people who deny the signs of Allah. And Allah does not guide the wrongdoing people. (Koran 62:5) A major sign of Allah is that since Islam is the successor to Judaism, Allah is the successor to JHWH.

- Indeed the faithless from among the People of the Book and the polytheists will be in the fire of hell, to remain in it [forever]. It is they who are the worst of creatures. (Koran 98:6) **The Jews (and the Christians) are the worst of creatures because they do not believe in Islam. Therefore they must be forced to convert to Islam or be killed. It is fundamental in Islam that killing the Jews pleases Allah.**²⁸
- Then, when the sacred months have passed, slay the idolaters wherever ye find them, and take them (captive), and besiege them, and prepare for them each ambush. (Koran 9:5) **There is no more definitive command by Muhammad for the killing of Jews and Christians than this. The command is, of course, from Allah. Being from Allah, it absolves Muhammad from committing any killings.**

Further discussion of Anti-Semitism as it originated with Muhammad is in the essay *The Most Evil and Destructive Book Ever Written*.²⁹ The Internet site *Geller Report* <https://gellerreport.com/> presents news about anti-Semitism conducted by Muslims daily.³⁰

Muslims must recognize the Jewish people as their enemies. Muslims cannot recognize the positive contributions of Jewish culture to the advancement of civilizations. To do so would mean that Allah is wrong as is Allah's always negative assessment of Jewish culture. For Muslims, the establishment of the *Allah-Umma* is a necessity for peacefulness and tolerance in the world.

Ayaan Hirsi Ali says that she learned anti-Semitism from her Islamic society. However, she comes short of saying that anti-Semitism in Islam originated with Muhammad.

Such anti-Semitism begins at a very young age in Muslim societies. The Muslim youth are taught that Allah wants them to become Jihadists and martyrs for Islam and Muhammad. The Clarion Project film *Kids Inside the Terror Factory* leaves no room for imagination for such Islamic brainwashing.³¹

The reference to Jews occurs 89 times in the Koran.³² The Koran and Muhammad commit the greatest crime ever: the systematic killing of the Jewish populations in the world.

Ilhan Abdullahi Omar! Your Arabic name *Ilhan* means in English *respectful, nice, precious*. *Abdullahi* means *servant of Allah* with the connotation that the person will be pious and faithful to Allah. *Omar* means *long-lived*.³³ The reality is that you, Ilhan Abdullahi Omar are not respectful. You, Ilhan Abdullahi Omar are not nice. You, Ilhan Abdullahi Omar are not precious. You, Ilhan Abdullahi Omar show no iota of piety.

Leo Tolstoy (1828-1910) wrote, "The Jew – is the symbol of eternity. ... He is the one who for so long had guarded the prophetic message and transmitted it to all mankind. A people such as this can never disappear. The Jew is eternal. He is the embodiment of eternity."³⁴

I say: Study the Jews if you want to know what eternal specialty is!

God and Jesus Christ are love and goodness. Allah and Muhammad are hate and evil. Love and goodness are eternal creations. Hate and evil destroy these creations.

As a servant of Allah and a modern-day accomplice to Muhammad's crimes, may Ilhan Abdullahi Omar's anti-Semitism be short-lived, otherwise she will continue wallowing in the cloaca of Muhammad's/Islam's crimes against humanity throughout history and into the present and future for the remainder of her life.
