WHAT? ... OBAMA IS PERFECT?

The Statement

Yes, Barack Hussein Obama is perfect. I heard it with my own two ears. It was said by Chris "Tingles" Matthews,¹ Obama's propaganda minister at MSNBC on June 5, 2013. You can still view and listen to the modern Joseph Goebbels-like lunatic here: http://www.youtube.com/watch?v=1DePimVb9dY&feature=player_embedded at the beginning.

Without getting red in the face and without choking on the words, Mr. Matthews said:

"Why do they get the idea, if it isn't ethnic — and I'll just leave the possibility that it's not — **why do they just assume evil on the part of Obama?** (Emphasis is intentional.)

I mean he's raised — his whole life has been crystal clear, and clean as a whistle, and transparent. We know his whole life, through all the great excellent education he's had. The good pro bono work he's done throughout his life. He's never been a money grubber. **He's never done anything wrong in his life** — legally, ethically, whatever. His family is picture-perfect. The way he's raised those daughters. Everything is clean as a whistle. And yet, they just refer to him as evil. They just refer to him as a liar. (Emphasis is intentional.)

I've just got to believe it's ethnic with these people. They've just got a problem with this guy being president. Is there any other evidence to justify why they keep calling him a bad man? And that's what they do." (Emphasis is intentional.)

Dear Reader! Have you vomited yet?

¹ Tingles is a reference to this statement by Chris Matthews on 12 February 2008: "I have to tell you, you know, it's part of reporting this case, this election, the feeling most people get when they hear Barack Obama's speech. My, I felt this thrill going up my leg. I mean, I don't have that too often." (http://www.huffingtonpost.com/2008/02/13/chris-matthews-i-felt-thi_n_86449.html). The Truth

It is more than appropriate to examine the contents of each sentence in this pro Obama crap and make a truthful comment.

1. "Why do they get the idea, if it isn't ethnic — and I'll just leave the possibility that it's not — **why do they just assume evil on the part of Obama?**" (Emphasis is intentional.)

TRUTHFUL COMMENT: Mr. Matthews! The *they* to whom you are referring are *We the People*. *We the People* are the basis of our democratic republic. We the People, the American Patriots are saying that Obama is evil not out of any ethical regard. Barack Hussein Obama is evil for a number of reason, the most important being his stance on abortions. A second reason is his issuance of the ridiculous Rules of Engagement regarding the enemy Taliban in combat in Afghanistan, which allow the Taliban more often than not the advantage over coalition troops, the majority of whom are American soldiers. A third reason is the fact that he is a putative president. I could go on ad infinitum because evil with Barack Hussein Obama is infinite.

2. "I mean he's raised — his whole life has been crystal clear, and clean as a whistle, and transparent."

TRUTHFUL COMMENT: Mr. Matthews, you meant to say daughters. As for being clean as a whistle and transparent, ... Well, the scum that Obama is and the fact that he comes from the sewer of Chicago leftist politics means that he can never be clean and transparent. The recent scandals concerning the Benghazi cover-up, the Internal Revenue Service discrimination proofing scandal, and the National Security Agency espionage are certainly not clean and transparent.²

3. "We know his whole life, through all the great excellent education he's had."

TRUTHFUL COMMENT: We know nothing of his education. All transcripts from kindergarten to higher education papers, if they ever existed, have been sealed or *lost*.

5. His academic records are sealed from kindergarten through law school.
6. He arrived in New York in June of 1981 without enough money to get a hotel room, but one month later flew to Indonesia and Pakistan. Why did he travel there and who paid his expenses? It was illegal for US citizens to travel to Pakistan. What country's passport did he use?
7. His Law School Admission Test scores and grades at Columbia University (Columbia School of General Studies?) are known to have been mediocre, but he was admitted to Harvard Law School through the intervention of a Saudi named Khalid al-Mansour.
8. He was the Harvard Law Review editor who never published an article in any law review.

22. He thinks "waterboarding" is immoral, but that partial-birth abortion is moral.

23. He publicly laments slavery in America—which was abolished 150 years ago—but praises Islam, which still practices both slavery and the sexual mutilation of young girls.
24. He speaks endlessly about helping the less fortunate, but gives almost none of his sizeable income to charity—not even to his half-brother, who is living in squalor in Kenya.
25. He has had the most left-wing voting record in the United State Senate, but was predicted by the press to “govern from the middle.”
26. He has never created a job, met a payroll, or even operated a lemonade stand, but wants to tell Detroit how to make cars.

35. His health records are sealed from childhood to the present day.

38. He has publicly expressed disdain for the U.S. Constitution on a Chicago radio station because it limited the government’s ability to “redistribute wealth.”
39. He sat and listened submissively while the United States of America was castigated by Daniel Ortega—a Communist thug whose own daughter accused him of raping her.
40. He is a narcissist who gave the Queen of England a present from the United States—an iPod containing recordings of his own speeches.
41. He is a so-called Christian who officially declared “Pride Month” for a lifestyle that the Bible calls an abomination.

44. He claims the moral high ground by closing Gitmo yet supports the transfer of terror suspects to countries where horrific torture is certain.

49. He is a putative President who cheated General Motors' bondholders by giving their property to the United Auto Workers in a political payoff.
50. He is a putative President who frequently criticizes his own country when speaking in foreign countries, but never praises America's generosity, goodness or greatness.

52. He has appointed 28 *Czars* to circumvent constitutional government, including: a *Science Czar* who has advocated compulsory abortions for American women and the “surrender of sovereignty” to a “comprehensive Planetary Regime;” a *Green Jobs Czar* who was a self-professed communist and was forced to resign; a *Pay Czar* to unconstitutionally micro-manage the pay of corporate executives.
53. He swore an oath to “preserve, protect and defend the Constitution from all enemies, foreign and domestic,” yet he placed two domestic enemies of the Constitution (Sonia Sotomayor and Elena Kagan) on the United States Supreme Court. 69. He has more connections to and respect for the Muslim Brotherhood than he has for patriotic Americans.
70. He constantly blames others for failures when things go wrong and accepts credit when things go right, even though he had nothing to do with their success.

And so on ...!

4. "The good pro bono work he's done throughout his life."

TRUTHFUL COMMENT: There is no record of Barack Hussein Obama ever having done pro bono work. The best source that proves that Obama never did anything for

nothing is Michelle Malkin's *Culture of Corruption Obama and His Team of Tax Cheats, Crooks, and Cronies*, Regnery Publishing, Inc., Washington, DC: 2009.

5. He's never been a money grubber.

TRUTHFUL COMMENT: This answer here is the same as the answer to number 4.

6. "He's never done anything wrong in his life — legally, ethically, whatever."

TRUTHFUL COMMENT: Barack Hussein Obama has lied since he was born. He has no regards for ethics (stance on abortion). Having no morals he has no ethics and vice-versa. The report *Constitutional Standoff: Obama Syndicate vs. the People*⁴ contains only a few recent examples of Obama's wrongs and evil. I don't know what will convince you or any progressive that Obama commits wrongs and is evil if this report does not convince you. Furthermore, are the following facts concerning Obama's Social Security Account Number not proof of Barack Hussein Obama committing crimes, forgery, and fraud?

- In Obama's home state, Illinois, two Social Security numbers appear for his addresses, one begins with 042 and the other starts with 364.
- In California, where Obama attended Occidental College, there are six addresses listed for him, all within easy driving distance of the college. However, there are three Social Security numbers connected to these addresses, 537 and two others, each beginning with 999.
- There are no addresses listed in New York where he attended Columbia University, but there is one listed for him in nearby Jackson, NJ, with a Social Security number beginning with 485.
- In Massachusetts – where Obama attended Harvard Law School – we find three addresses, all using the 042 Social Security number.
- After Obama was elected to the United States Senate in 2005, he moved into an apartment at 300 Massachusetts Ave NW; the Social Security number attached to that address is the 042 one.
- In 2008 Obama used a different Social Security number for an address listed as: 713 Hart Senate Office Building. This was the address of his United States Senate office. This Social Security number began with 282 and was verified by the government in 2008.

- Utah has two addresses for him with two Social Security numbers beginning with 901 and 799.

- Florida has two addresses listed for him, three if you count one listed as "Barry Obama." One is connected to a Social Security number beginning with 762.
- In Georgia there are three addresses listed for him, all with different Social Security numbers: 579, 420, and 423.
- In Texas there are four different addresses listed for him, one is connected to Social Security number 675.

Mr. Matthews, google Obama's affair with Vera Baker and you will receive 893.000 hits, some repetitions. This is more than just a little smoke. It is a lot of smoke and where there is smoke there is fire.

What is the truth about dead baby girl named Renee L. Abena Obama? Internet rumors can be found that suggest Baker, who lived near Washington, D.C. in Silver Springs, Maryland relocated to Martinique in the Caribbean, where she may now be engaged in money laundering (for Obama?). (<http://podblanc.com/obama-affair-vera-baker-and-found-exiled-caribbean-michelle-obama-located-martinique>.) Vera Baker evidently bore a child by Obama. The infant, with the last name Obama, was born in late October of 2004 and died less than two months later. The child's Social Security Number was issued in Maryland. Here is the information concerning Renee L. Abena Obama from <http://www.proliberty.com/observer/20080904.htm>.

"Renee L. Abena Obama. The most shocking discovery about BHO was hidden within David Obama's "relatives" list and it casts a very, very dark occultic shadow on BHO. The name "Renee Abena Obama" appeared. Who is Renee Abena Obama? Actually, the proper question is, "Who was Renee L. Abena Obama?"

An exhaustive search revealed the birth of a baby girl named Renee L. Abena Obama on October 31, 2004. The infant died less than two months later on December 25, 2004.

Young infants frequently die from congenital complications, though the death was not reported by any hospital in the State of Maryland, but by a funeral home (indicated by the SSDI code: 72).

BHO's biographies do not report the death of an infant in 2004, yet here was a baby girl who bore his last name—and the initial of his grandmother's middle name—Madelyn "Lee" Dunham. A search of the Social Security Death Index produced "No Results," though a genealogical index at WorldVitalRecords.com produced a Social Security number: "215-71-0752."

Entering the number directly into a search revealed its owner:

Name: Renee L Abena Obama

Birth Date: 31 October 2004 (Historical Events)

Death Date: 25 December 2004 (Historical Events)

Issuing State: Maryland

SSN: 215-71-0752

A subsequent review of birth and death dates of the Dunham family revealed a startling coincidence—Ralph Waldo Emerson Dunham (BHO's maternal great-grandfather) was born on December 25, 1894—exactly 110 years before Renee's death.

Renee was born under strange circumstances. Her death at age two months was strangely reported with almost no details memorialized in the public record. Therefore, we have the "authority" to speculate on the significance of Baby Renee L. Abena Obama's short life.

The Illuminati has a penchant for Satanic rituals with numerological significance. The 110-year time period represents the number **11**, a powerfully mystical number symbolizing **one greater than God**. In short, Dunham's birth December 25, 1894, marked the beginning and Renee's Dec. 25, 2004 death marked the end. Renee Obama also lived a total of 56 days. Adding (5+6) produces another **11**.

This baby's death had all the earmarks of a Satanic sacrifice. That day could have marked Barack Obama's full submission to the authority of the Illuminati.

There were no significant worldwide events on October 31, 2004, other than the modern celebration of the pagan **All Hallows Eve**. Of course, December 25th represents the pagan birthdate celebration of Christ, so that date (the number of days the baby lived and Dunham's birthday) were all occultically significant.

The following day, December 26, 2004, was a significant day for the whole world. A tsunami struck Indonesia, killing 146,000 people. The numerology on this published death toll is, again, "11" (1+4+6). The "11:11" derived from the two sequential events (the ritual sacrifice of a 2-month-old baby and the 146,000 victims of the tsunami) also symbolizes a new beginning.

Renee L. Abena Obama's death should also mark the beginning of another event—a murder investigation."

Yes, Mr. Matthews, the Obamas are a perfect picture-family! Are more thrills going up your leg?

8. "The way he's raised those daughters."

TRUTHFUL COMMENT: Well, Barack Hussein Obama didn't raise his daughters. He didn't have time because he was occupied with Saul Alinsky and homosexual encounters of a very weird kind. If anyone raised the daughters, it was the African witchcraft-believer 72-year old grandmother Marian Robinson who practices Santeria, an African spirit cult. TRUTHFUL COMMENT: If Obama *is clean as a whistle*, why does he continue breaking the law of the *Constitution for the United States of America*? See answer to number 2. Moreover, the above information is proof that Obama, indeed, the Obamas, are not clean as a whistle!

TRUTHFUL COMMENTARY: Is the above factual evidence not enough?

15. And that's what they do."

TRUTHFUL COMMENTARY: Mr. Matthews, never begin a sentence with the word *and*. It is childish. American Patriots will always call him a bad man. So will history, unless it is communist revision history.

Lessons to be Learned by Mr. Matthews and His Like

Mr. Matthews, you and your like are the enemedias. You are truly fulfilling the duties ascribed to the enemedias. In order to achieve communism, "It is the first duty of the press to undermine the foundations of the existing political system."⁶ It is another duty to "influence non-Communists if (you) want to make them Communists or if (you) want to fool them. So we (Communists) have to infiltrate the big press."⁷ The falsifiers in the enemedias "live and breathe deception. You cannot understand what they are doing without understanding this. Indeed, you can't even begin to understand (the enemedias) without understanding deception"⁸

Heed these words Mr. Matthews! If news reporters do not show the loathsomeness of the Obama regime in its entirety, then we at once have a lie. For this reason truthful reporting in the United States of America during the present political generation and possibly even before does/did not exist. Without the full truth, there is no news worth printing and reporting. Without full truth the reporters and pundits are nothing but robots of the regime. Moreover, "when people renounce
