## YOU WILL KNOW THE TRUTH

\*\*\*

The following essay-report with commentary is an answer to Dr. Christoph Kohl, Cathedral Dean & Cathedral Curator, Roman Catholic Cathedral, Speyer, Federal Republic of Germany and his message via radio on 29 August 2019. I answered Dr. Kohl in German. I have translated Dr. Kohl's radio message and my comments thereto into English.

\*\*\*

Gruß Gott (**Greetings from God, not from Allah**) Dr. Christoph Kohl!

I listened to your contribution to Kirche in SWR (Church Message in the Southwest Broadcasting Radio) on 29 August 2019.

I have copied your text to this email, and my comments thereto are in red. This is followed by information to assist you in broadening your horizon regarding Islam and Muslims!

Car accident with total loss.

Thank God the driver survived safely. However, he doesn't have a car anymore. The Muslim neighbors notice that. So two of them come and everyone says to the driver that he can have his car if he needs it, the driver just has to say it. And then there is a third neighbor, his hands crossed on his back. He says to the unfortunate driver: "I know that you depend on a car every day for your life and for your work". Then he pulls out his hands behind his back. In it he holds the vehicle papers and keys of his car: "Here you have my car, it's right outside the door. You can use it as long as you

need it." It took two months for the new car to arrive, and during this time the neighbor walked to work ... .

A priest who lives in a monastery in the middle of Morocco experienced this. For him, it is one of the many examples of the friendship the Muslim neighbors have with them, the Christian monks.

(TRUTHFUL COMMENT: This is nothing more than human behavior in a peaceful fashion. The Koran forbids Muslims to make friendships with non-Believers (Kafirs) (Koran Sura 3:28), unless the Muslim's goal is to convince the Kafir that Islam is peaceful, tolerant, and positive.)

For 15 days, I was on a study trip with a group through Morocco, an Islamic country. Some of us were curious to see how the people were. And we came back with very positive impressions. We were impressed by the warm openness and hospitality of the people.

(TRUTHFUL COMMENT: Hospitality and openness have nothing to do with being Muslim or believing in Islam. Hospitality and superficial openness have their roots in Bedouin behavior, indeed, in all migrant people's behavior such as the pre-Islamic era Arabs, because it is a strategy to live a successful life in the desert atmosphere.

These attitudes are also related to their Islamic faith.

(TRUTHFUL COMMENT: No! This does not belong as a part of Islam unless it is a taqiyya (deception) method to advance Islam. The roots are in the Bedouin culture and in the culture of nomadic peoples.)

In Marrakesh, we experienced how 10,000 people flocked from the Koutoubia Mosque after the Friday prayer – every Friday so many come to the main mosque of the city. As a German pastor, one could become jealous!

(TRUTHFUL COMMENT: As many Muslims as possible attend the Friday prayer because the Koran says that if one is healthy, not attending is a possible rejection of the faith and the punishment is going to Hell if one does not attend. [https://wikiislam.net/wiki/Qur%27an, Hadith and Scholars:Hell.](https://wikiislam.net/wiki/Qur%27an,_Hadith_and_Scholars:Hell.))

The five-time-a-day prayer shapes the people. They live in the inner connection with ~~God~~. (Allah) "Inshallah!" / "~~God~~ (Allah) willing!" – This phrase can often be heard when something is being planned. ~~God~~, Allah, has something to do with their lives.

(TRUTHFUL COMMENT. There are more verses in the Koran concerning the possession of sex slaves than there are verses concerning prayer. ([https://wikiislam.net/wiki/Qur%27an, Hadith and Scholars:Slavery](https://wikiislam.net/wiki/Qur%27an,_Hadith_and_Scholars:Slavery)) Allah is not God and God is not Allah. When a Muslim uses *God* for the translation of *Allah*, it is an attempt to convince the Kafir that God is Allah. It is a lie, and the Muslims know that it is a lie. God is not Allah! No logic is convincing that Allah is God or God is Allah. There are several internet sites concerning this subject matter. Many of them are apologetic to Islam. One of the best logical proofs that God is not Allah or Allah is not God is at <https://www.oneplace.com/ministries/bible-answer-man/read/articles/is-the-allah-of-islam-the-god-of-the-bible-by-hank-hanegraaff-10578.html>.

Besides, you should know that the main disbelievers for Muslims are the religions of the world, including nature-oriented religions of primitive peoples. The major non-believers for Muhammad were Christian and Jews. Muhammad said that Christians were polytheists because they believed in God the Father, God the Son, and God the Holy Ghost.

Muhammad was intellectually unable to understand the concept of the Trinity. Muhammad hated the Jews because they refused to accept him as a prophet. Muhammad made unwarranted appropriation of Biblical history and personages, condemned the Jewish faith, and proclaimed himself as the last prophet. Muhammad did not perform any miracles. Muhammad could not show any requirement that he had to distinguish himself from a false claimant of prophecy.

The Jews proclaimed him to be a madman or possessed by an evil spirit. This characterization of Muhammad was carried into the Middle Ages as describing Muhammad as being psychologically unstable, perverted, deplorable, and a false prophet, as well as AntiChrist.

These are the reasons Dante Alighieri (1265-1321) included Muhammad in his monumental work The Divine Comedy (1307-1321), where Dante placed him in the

ninth ditch of Malebolge, the eighth realm, which Dante conceived for those Sowers of Religious Discord in history who have caused schism.

Christianity considers Muhammad to be a heretic and pervert, obsessed with sex with children – he married Aisha when she was six years old and consummated the marriage when she was nine years old. Muhammad owned sex slaves, was a polygamist and lusted for carnal pleasure in the present life and the afterlife. He claimed that Allah would marry him to Mary of Nazareth in the afterlife, thus making Mary a member of Muhammad's harem! What blasphemy!

Muhammad is characterized as a merciless sadist and destroyer of civilizations. These are all characteristics that the 48 male prophets and the 7 female prophets of the Torah and the Bible do not possess.

Furthermore, does JHWH, who is also the God of Christianity condone the following anywhere in the Torah or the Bible?

9:1 [This is] A declaration of immunity from Allah and His Messenger to the polytheists with whom you had made a treaty.

9:5 When the Sacred Months have passed, kill the polytheists wherever you find them. And capture them, and besiege them, and lie in wait for them at every ambush. But if they repent, and perform the prayers, and pay the alms, then let them go their way. Allah is Most Forgiving, Most Merciful.

9:28 O you who believe! The polytheists are polluted, so let them not approach the Sacred Mosque after this year of theirs. And if you fear poverty, Allah will enrich you from His grace, if He wills. Allah is Aware and Wise..

9:29 Fight those who do not believe in Allah, nor in the Last Day, nor forbid what Allah and His Messenger have forbidden, nor abide by the religion of truth—from among those who received the Scripture—until they pay the due tax, willingly or unwillingly.

9:33 It is He who sent His Messenger with the guidance and the religion of truth, in order to make it prevail over all religions, even though the idolaters dislike it.

9:73 O Prophet! Strive against the disbelievers and the hypocrites, and be stern with them. Their abode is Hell—what a miserable destination!

9:111 Allah has purchased from the believers their lives and their properties in exchange for Paradise. They fight in Allah's way, and they kill and get killed. It is a promise binding on Him in the Torah, and the Gospel, and the Quran. And who is more true to his promise than Allah? So rejoice in making such an exchange—that is the supreme triumph.

9:123 O you who believe! Fight those of the disbelievers who attack you, and let them find severity in you, and know that Allah is with the righteous.

Hindu, Buddhist, Roman Catholic, Protestant, and Jewish religions have a process of redemption that is ethical (concerning the conduct of one's life) and moral (concerning the rights and wrongs in life).

In Hinduism, salvation comes through a process of self-realization, a process known as *Moksha*. In Hinduism, redemption is through *Moksha*, not through Jesus Christ. This is not to say it is JHWH's paradise, but it is to say that for a Hindu, as well as a non-Hindu, a comparison to JHWH's paradise is possible.

In Buddhism, one reaches salvation by being free from suffering and reaching *Nirvana*. In Buddhism, redemption is through reaching Nirvana, not through Jesus Christ. This is not to say it is JHWH's paradise, but it is to say that for a Buddhist, as well as a non-Buddhist, a comparison to JHWH's paradise is possible.

Roman Catholicism, Protestantism and its various denominations such as Methodism, Evangelicalism, Lutheranism, etc. reach salvation through JHWH and Jesus Christ. For believing Roman Catholics and Protestants, redemption is through Jesus Christ. JHWH's process of redemption is by delivering salvation through the crucifixion of Jesus Christ, the highest good of having His Son die for the salvation of human sinners. This is the way to JHWH's Paradise.

In Judaism, there is no trinity. There is one God only! Jews do repentance for their sins by conducting ethical self-transformation. Jews believe that when the Messiah comes, the ills of humankind will be solved, if not vanish. The Messiah will cause the spiritual regeneration of humanity and redeem the world from war and suffering, thus leading humankind to universal brotherhood under one God. Jews prepare for the day when the Messiah (Moschiach) will come by striving to live their lives by honoring the words of the Torah and conducting themselves according to the laws of the Ten Commandments.

There are two primary Jewish texts that describe the process of repentance. The first text is by the Sephardic Jewish philosopher Maimonides (1135-1204), who wrote about the process of repentance in *Rules of Repentance* in the Mishneh Torah (ca. 1170-1180). The second text is by Rabbeinu Yonah of Gerona 1200-1263/1264), who wrote the *Gates of Repentance* (first appeared in 1505), a standard work of Jewish ethics which says that a sinner can repent by:

- acting and speaking with humility;
- acting in a way opposite to that of the sin (for example, for the sin of lying, one should speak the truth);
- confessing the sin;
- correcting the sin however possible (for example, if one stole an object, the stolen item must be returned; or, if one slanders another, the slanderer must ask the injured party for forgiveness);
- forsaking the sin;
- praying for atonement;
- pursuing works of lovingkindness (*chesed*) and truth;
- refraining from committing the same sin if the opportunity presents itself again;
- refraining from lesser sins for the purpose of safeguarding oneself against committing greater sins;
- regretting/acknowledging the sin;
- remembering the sin for the rest of one's life;
- teaching others not to sin.
- understanding the magnitude of the sin;
- worrying about the future consequences of the sin;<sup>1</sup>

Judaism places a high value on morality that is defined in the laws of God: the Torah and the Ten Commandments.

Salvation is closely connected to the idea of redeeming the people of Israel from myriad exiles. When the Messiah comes, there will be a final redemption from the Jews contemporary exile, which is only a small portion of the Promised Land. "All Jews will return to the Land of Israel, where they will throw off the yoke of their enemies and undergo a complete spiritual revival. They will embrace the faith of their forefathers and dedicate themselves to God's service forever."<sup>2</sup>

In Judaism, God is the universal spirit and Creator of the World. God is the source of all salvation for humanity. However, humanity must honor God by observing God's principles embodied in the Torah, in which God taught His people the sanctification of the individual and He expects them to function spiritually according to the rules of the Ten Commandments.

In Judaism salvation is not limited to Jews only, but people must observe and practice the ethical patterns of behavior that are codified in the Torah and the Ten Commandments, which are precepts to live the ethical and moral way of life.

Although there are claims that Islam is the salvation for the world, Islam has no ethical and moral process to deliver salvation to human sinners.

There are 86 references to Jews in the Koran. None of the references are positive. The goal of Islam is the destruction of cultures and peoples who do not believe in Allah/Islam/Muhammad. The goal of JHWH is the creation of eternal life through the redemption of the JHWH code by Yahshua.

The salvation process for Muslims is as Edward Gibbon wrote: "(to employ) even the vices of mankind as the instruments of their salvation" and the "use of fraud and perfidy, or cruelty and injustice, (are) subservient to the propagation of the faith."<sup>3</sup>

To compare the crucifixion of Jesus Christ to being killed for Allah and to kill in the path of Allah is the highest form of blasphemy of JHWH. To consider the extinction of the Jewish nation as being necessary according to the so-called divine command of Allah is the epitome of desecration against God's Chosen People.

In 2016 alone, there was one Christian killed for their faith every six minutes. (<https://on.rt.com/7z6g>) In the last 1400-plus years of Islam, Muslims have killed between 800,000,000 and up to one billion people because they were not believers in Islam. The Islamic despot Tamerlane (1336-1405) had 100,000 non-Muslims beheaded in one day. (<https://listverse.com/2018/01/15/10-terrors-of-the-tyrant-tamerlane/>) Muhammad ordered that the members of the Banu Qurayza Hebrew Tribe in Medina be beheaded. ([https://wikiislam.net/wiki/The\\_Genocide\\_of\\_Banu\\_Qurayza](https://wikiislam.net/wiki/The_Genocide_of_Banu_Qurayza))

Jewish Hatred Is A Religious Mandate Under Islam. Islam Not A Religion

"The immense hatred of the Jews began in the time of Mohammed, by Mohammed. The Qur'an, the Hadiths, and the events in Mohammed's life will explain the hatred that began with Mohammed and continued in his followers to this day. Mohammed was incensed that the Jews did not accept him as a prophet. They were allowed to leave with their lives but had to turn over all their property and wealth to Mohammed. Can you imagine the gain that the Muslims got from this? And Mohammed accused the Jews of being greedy! Mohammed's idea of killing all the Jews is more than genocide. It is to attempt to abrogate the promise of Yahweh. Trying to wipe the Jews from the face of the earth seems like a strategy that the Devil would try in nullifying the words of Yahweh.

<sup>3</sup> Edward Gibbon, *The Decline and Fall of the Roman Empire*, Vol. II, University of Chicago Press, Chicago: 1952, p. 244.

The question is: who is God? Yahweh or Allah? It is well established fact that the Prophet of Islam is well known to this modern world as the most vicious warrior Prophet (involved in hundreds of battles) having an infamous history of myriads of cruelties, killings, beheadings, plundering, pillages, enslavements, sexual lusts of ludicrous proportion. But so what? Hypocritical Islamists are bent to deny all of the Jews, and in doing so, they will bring all sorts of ludicrous arguments and cock and bull stories. Mohammed clearly approved of the entire slaughter of all Jewish males over puberty who belonged to the Banu Qurayza, and he just sat back and watched the beheadings of Jews one after one, into the hundreds, and eventually every Jewish male over puberty (over 1000 Jews) was killed for remaining loyal to Judaism. ... Muhammad said in many places that he has been "ordered by Allah to fight men until they testify that there is no god but Allah and that Muhammad is his messenger."

In the last nine years of his life, he ordered no less than 65 military campaigns to do exactly that. Muhammad inspired his men to war with the basest of motives, using captured loot, sex, and a gluttonous paradise as incentives. He beheaded captives, enslaved children, and raped women captured in battle. Again, Muslims are told to emulate the example of Muhammad.

After Muhammad died, the people who lived with him and knew his religion best immediately fell into war with each other. Three of the first four Muslim rulers (caliphs) were murdered. All of them were among Muhammad's closest companions. The third caliph was killed by allies of the son of the first who was murdered by the fifth caliph a few years later, then wrapped in the skin of a dead donkey and burned. The fourth caliph (Ali) was stabbed to death after a bitter dispute with the fifth. The fifth caliph went on to poison one of Muhammad's two favorite grandsons. The other grandson was later beheaded by the sixth caliph. The infighting and power struggles between Muhammad's family members, closest companions and their children only intensified with time. Within 50 short years of Muhammad's death, even the Kaaba, which had stood for centuries under pagan religion, lay in ruins from internal Muslim war... . And that's just the fate of those within the house of Islam!

Muhammad directed Muslims to wage war on other religions and bring them under submission to Islam. Within the first few decades following his death, his Arabian

companions invaded and conquered Christian, Jewish, Hindu, Buddhist and Zoroastrian lands. A mere 25 years after Muhammad's death, Muslim armies had captured land and people within the borders of over 28 modern countries outside of Saudi Arabia."

And the basic values that the Islamic faith conveys also have a beneficial effect on living together.

(TRUTHFUL COMMENT: What are the fundamental values that Islam conveys? Suras 8:12 and 47:4 are commands from Allah that sanction beheadings! Such are the fundamental values!)

People have a sense of togetherness. They look at each other and take care of others, especially in the family.

(TRUTHFUL COMMENT: Sense of togetherness? Muslims are for Muslims only. They care nothing about Kafirs. They observe each other, mainly the men observe the women so that the women can be controlled!

Hospitality is sacred.

(TRUTHFUL COMMENT. Although the Koran speaks of hospitality, for example, in Sura 51: 24-27, the behavior regarding hospitality was adopted from the Hebrews who lived in Arabia. It was these Jewish tribes that Muhammad annihilated. In Islam, hospitality is a non-violent method of Jihad to convince Kafirs that Islam is the best belief system. Muslims will undertake anything legal, illegal, moral, immoral, ethical or unethical in order to advance Islam. Their intent is not hospitality, but the sly advancement of Islam through civilizational Jihad with deception.

We experienced a heartfelt willingness to help. So some things are more relaxed with them than with us, ... also the road traffic. We could learn something from that.
