JT: I'm writing this in big letters so all Progressives, Obots, Liberals, Dumbed-downers, Socialists-Communists (POLDS) can understand it:

What is the opposite of political correctness?

Common Sense!

Because common sense is truth!

JT: Methinks these are pre-historical, primitive drawings of Michelle. Notice how loose hinged she is!

***

JT: I have a graphic message for those who vote for DemocRATS. Here it is!
JT The following applies to the Irish. However, it also applies to politicians.
JT: The suckersonparade caption is:  Threatening to slam children's foreheads into the lunch table is one of the First Lady's most effective communication tools when discussing proper eating habits.

Planned Parenthood Spent $679,596 in 2014 to Help Elect These Candidates

Here are the biggest recipients of funds from Planned Parenthood:

3. Rep. Tim Bishop, D-N.Y., who was unseated in the 2014 election, received $16,200.
5. Sen. Al Franken, D-Minn., received $15,299.
6. Alison Lundergan Grimes, Kentucky’s Democratic secretary of state who unsuccessfully challenged Senate Majority Leader Mitch McConnell, received $14,350.
7. Former Sen. Mark Udall, D-Colo., who lost his re-election bid, received $14,200.

The lone Republican recipient of Planned Parenthood funds was Rep. Richard Hanna, R-N.Y., who received $2,823.

Rep. Debbie Wasserman Schultz, D-Fla., chairwoman of the Democratic National Committee, and House Minority Leader Nancy Pelosi, D-Calif., each received $1,000.

JT: The bottom line is that these persons received contributions from aborted babies. Who says that dead people don’t have influence?

“I approached her by myself and noticed her hair was filthy, you could smell her, hairy legs, armpits, wearing a muumuu and flip flops. This was a semi formal meet and greet for the prospective first lady of ARK.

“I noticed around her neck a bead chain lanyard — like the kind dogtags hang from — on which was hanging a card that denoted her as a proud member of the CPUSA [Communist Party USA]. I turned to her and said ‘Miss Clinton’ and she said ‘You can call me Miss Rodham.’ And I tried to mention that card around her neck and to my shock she yelled out, ‘Bill, get this SOB out of
my f*cking face’, and screamed it out loud. This is deep south in mid-70s. I wanted to crawl under the table.

“That was my first meeting with HRC.

“And I was told that night by Bill that she hated taking baths. And she didn’t think it was necessary for her to have to shave.”

The Governor of California is jogging with his dog along a nature trail. A coyote jumps out and attacks the Governor’s dog, then bites the Governor. The Governor starts to intervene, but reflects upon the movie “Bambi” and then realizes he should stop because the coyote is only doing what is natural. He calls animal control. Animal Control captures the coyote and bills the state $200 testing it for diseases and $500 for relocating it. He calls a veterinarian. The vet collects the dead dog and bills the state $200 testing it for diseases. The Governor goes to hospital and spends $3,500 getting checked for diseases from the coyote and on getting his bite wound bandaged. The running trail gets shut down for 6 months while Fish & Game conducts a $100,000 survey to make sure the area is now free of dangerous animals. The Governor spends $50,000 in state funds implementing a “coyote awareness program” for residents of the area. The State Legislature spends $2 million to study how to better treat rabies and how to permanently eradicate the disease throughout the world. The Governor’s security agent is fired for not stopping the attack. The state spends $150,000 to hire and train a new agent with additional special training re the nature of coyotes. PETA protests the coyote’s relocation and files a $5 million suit against the state.

Texas
The Governor of Texas is jogging with his dog along a nature trail. A coyote jumps out and attacks his dog. The Governor shoots the coyote with his state-issued pistol and keeps jogging. The Governor has spent $.75 on a .45 ACP hollow point cartridge. The buzzards eat the dead coyote. And that, my friends, is why California is broke and Texas is not.

At http://legalinsurrection.com/2015/08/ted-cruz-lists-five-things-hell-do-on-his-first-day-in-office/ we read the first five things Ted Cruz would do on his first day as President.
The first action would be to “rescind every illegal executive action taken by Barack Obama,” including his “executive amnesty.”

Next, he would “instruct the Department of Justice to open an investigation into Planned Parenthood” and to prosecute any criminal conduct uncovered.

Then he would instruct the Department of Justice and the Internal Revenue Service to “cease persecuting” individuals seeking to practice their faith in their workplace.

The Little Sisters of the Poor, he said, “would receive a letter in the mail that their case has been dismissed.” He said they would also receive “an invitation to the White House to tell their story to the world.”

Then he would “end the catastrophic Iranian nuclear deal.”

Cruz argued that by lifting economic sanctions on Iran, the Obama administration had become “the leading global financier of radical Islamic terrorism.”

Finally, he would “begin the process to move the U.S. embassy in Israel to Jerusalem.”

Moving the embassy to Israel’s “eternal capital,” he said, would send “a message to the world that we stand with our allies.”

JT: The problem is, he is in the same situation as Barack Hussein Obama. Ted Cruz does not meet the natural born citizen qualification according to Article II, Paragraph 1, Clause 5 of the Constitution for the United States of America.

WeaselZippers.com reminds readers of a statement by Obama during a 2008 interview: “You have to understand that, uh, that if you seek that office you have to be prepared to give your life to it. …uh, uh, uh, essentially the bargain that any president I think strikes with the American people is, um, you, you give me this office and in turn my fears, doubts, insecurities, foibles, need for sleep, uh, family life, vacations, leisure—is gone. I, I, I am giving myself to you, and the American people should have no patience for whatever’s going through your head because you’ve got a job to do. And, and so, uh, how I think about it is, um, that you don’t make that decision unless you are prepared to, to make that sacrifice, uh, that trade-off, that bargain.”

JT: American would be much better off had Obama not given himself to the American people. In fact, he didn’t give himself to the American people. He gave himself to golf courses. Don Fredrick in the August 2015 issue of The Complete Obama Timeline notes that Obama has played golf over 200 times since usurping the Oval Office. That is approximately a golf course visit every 12 days … at the taxpayers' expense.

JT: Digest this statement: The so-called Joint Comprehensive Plan of Action does nothing to change the fact that, in plain Farsi, Iran is committed to world conquest by
Islam, with its clerics as warlords. Those to be conquered include America (the ‘Great Satan’), Israel (the ‘Little Satan’) and the Sunni-led Gulf States.” (Source: http://www.jihadwatch.org/2015/08/iran-deal-does-nothing-to-change-the-fact-that-in-plain-farsi-iran-is-committed-to-world-conquest-by-islam)

JT: Here’s a statement that is not politically correct because it is common sense truth:

“If Obama’s narcissism did not transcend notions of race, his Marxist worldview certainly would. JT: This is only the correct action to take for Islam and its Muslims, because Orlando was settled by Muslims at least 700 years before the Spanish arrived in Florida. There are two proofs of this fact.

1. The Arab language doesn't have the letter F. Neither does Orlando.
2. Orlando in Arabic means Allah (c)an do. (That's the meaning in Arabic in Southern Arabia where they pronounce Allah Orla. Moreover, Orlando is in Florida, a southern Muslim state of the Muslim States of America.) It's all so logical!!!
